- 9 you answer more accurately. If you do, will you let me
- 10 know?
- 11 A. I will.
- 12 Q. We may have the document here. If not, we
- 13 may be able to help you get it. I see that you also
- 14 have a copy of the Election Laws of Texas 2022 edition

- 18 Q. Mandatory question. Are you on any

- 21 A. I'm not.
- 22 Q. Is there any other reason you can think of
- 23 why you would not be able to answer my questions fully

- A. Seasonal allergies are making my throat

- Page 12 1 believe, the most recent set of discovery questions,
- 2 interrogatories, request for production, request for
- 3 admission. I also reviewed our results from the
- 4 comparison that we did in December after the general
- 5 election in '22. So that we tried to harvest more
- 6 driver's license numbers. And I looked at the
- 7 spreadsheet for the mail ballot rejection rates for all
- 8 of the elections in '22 including the general.
- 9 Q. Do you know --
- 10 A. Then a few mass emails that we sent over11 the summer.
- 12 Q. Do you know if that spreadsheet from mail
- 13 ballot rejection rates has been produced in this

- 15 A. As far as I know it was, yes.
- 16 MS. HUNKER: It was.
- 17 BY MR. FREEMAN:
- 18 Q. Was anyone else present besides Kathleen
- 19 and Ethan during sessions?
- 20 A. In the first session, Adam Bitter was
- 21 there. The next two Zena was there as deputy general
- 22 counsel.

- 5 Last thing. I want to remind you that you
- 6 are under oath and subject to federal penalties for

- 9 and completely. Do you understand?
- 10 A. I do.
- 11 Q. Any questions so far?
- 12 A. No, sir.
- 13 Q. All right. Just for the record, are you
- 14 represented by counsel here today?
- 15 A. I am.
- 16 Q. Who is that?
- 17 A. Kathleen Hunker, and Adam Bitter is our
- 18 general counsel for our agency.
- 19 Q. Without going into the substance of any
- 20 discussions you had with counsel, what did you do to 21 prepare for this deposition?
- A. Did meet with Kathleen and Ethan a couple of times, and reviewed some documents.
- 24 Q. What were those documents?
- 25 A. They were our answers to discovery, I

- A. I did not.
- 2 Q. Did you speak with anyone else about your

Page 13

- 3 deposition today outside of your immediate family?
- 4 A. I did. I talked to Christina Adkins in our
- 5 office, I talked to Kristi Hart, and I talked to Donna
- Davidson at the Republican Party of Texas.
- 7 Q. What did you discuss with Ms. Davidson?
- 8 A. The same thing that I talked to Christina
- 9 about. There was an incident with regard to a poll
- 10 watcher in Northern Hidalgo County. For the life of me
- 11 I can't remember any details, neither could Christina,
- 12 and neither could Donna.
 - Q. Anything else?
- 14 A. That's it.
- 15 Q. Okay. So since we last spoke in April of
- 16 2022 has your role in the office of the Texas Secretary
- 17 of State changed?
 - A. It has.
- 19 Q. What's your current title?
 - A. I'm not sure what the title is. I think
- 21 it's project manager or special projects. I have been
- 22 designated to work on one project.
 - Q. What's that project?
- 24 A. The project is potentially replacing the
- 25 ERIC system that we have that we're currently using to

Keith Ingram March 28, 2023
Pages 14 to 17

Page 14

1 use to compare voter registrations across state lines.

2 Q. What was the impetus for your change in

3 role?

4 A. We had an organizational hearing at the

Texas house for the House Elections Committee on March

6 10 or March 9, and then the Secretary was not pleased.

7 She thought that my exchange with Representative

B Swanson was indicator that maybe it would be good for

9 her and for me to change roles.

10 Q. What was the impetus for the creation of

11 the role that you are now in?

12 A. Well, we have been discussing -- there is

13 legislation that would require us to leave the ERIC

14 system, Electronic Registration Information Center, and

15 if any of that passes then we still have a law, legal

16 obligation to compare voter roles across state lines.

17 So we have a need to figure out what comes next if

18 ERIC -- if we have to withdraw from ERIC.

19 Q. In your new role do you report to the

20 acting director of the elections division?

21 A. Yes.

22 Q. That's Ms. Adkins?

23 A. It is.

24 Q. In your new role will you have any role in

25 the implementation of SB 1's mail voting requirements

Page 16
1 Q. Okay. Are you no longer a part of the
2 discussions in terms of planning for the next election
3 and implementation of SB 1?

4 A. Well, I don't know because right now it's all legislation all of the time. We will pick up the planning discussion again this summer.

Q. Well, you guessed my next topic. Did you
testify before the Texas Legislature in the interim
between the third special session of the 87th leg and
the opening of the 88th Texas legislature?

A. I don't remember. Did we have an interimhearing and house selections? I know there was one

13 scheduled in Senate State of Affairs, but they

14 cancelled, so I don't know. I don't know if I had a

15 house -- can you tell me if I did?

Q. I don't know.

17 A. I don't think we had an interim hearing.

18 Q. So not to your knowledge?

19 A. Not to my knowledge.

20 Q. Just to close the loop. Did you help any

21 other staff of the elections division prepare for

22 testimony during the interim between the 87th

23 legislature and the opening of the 88th?

24 A. No.

16

25 Q. Are you aware of any other instances when

Page 15

1 in future elections?

A. I will not. I might be asked for advice.

3 I might be asked for research, but that would be the

4 limit of it.

Q. So at this time would it be fair to say

6 that your knowledge concerning implementation of SB 1's

7 mail voting requirements is strictly looking back at

B past elections, and not looking forward as to planned

9 changes?

10 MS. HUNKER: Objection, form.

11 BY THE WITNESS:

12 A. I would agree with that.

13 BY MR. FREEMAN:

14 Q. Would it be fair to say you do not have

15 personal knowledge about future improvements to

16 implementation of SB 1?

17 MS. HUNKER: Objection, form.

18 BY THE WITNESS:

19 A. Well, I don't know what you mean by

20 improvements. I know that, you know, we are always

21 planning and preparing for the next election. That

22 began immediately after November 2022 we began

23 preparing for 2024. And so obviously I'm aware of

24 those discussions.

25 BY MR. FREEMAN:

Page 17

1 staff of the elections division testified before the

2 Texas Legislator between 87th Legislature and opening

3 of the 88th?

4 A. I'm not.

5 Q. Since the opening of 88th Texas Legislator,

6 have you testified before any committee of Texas House

7 or Texas Senate?

8 A. I have.

9 Q. Which committee?

10 A. House elections.

11 Q. That's it?

12 A. That's it.

Q. Was that on March 9 you said?

14 A. It was.

13

15 Q. Was that the only time you testified?

16 A. It was.

17 Q. Since the opening of the 88th Texas

18 Legislature, have any other staff of the elections

19 division testified before any committee of the Texas

20 House or Texas Senate?

21 A. Yes, Christina Adkins has.

22 Q. Which committee?

A. House Elections and Senate State Affairs,

24 and I believe that she was called up in the House.

25 There is a special committee on security. I don't know

Page 30

Pages 30 to 33

A. That you need --

2 MS. HUNKER: Objection, form.

3 BY THE WITNESS:

4

A. You need to be sure and put identification

5 number under the flap of the envelope, and they would

have a picture of the boxes at the top of the carrier

7 envelope on the back where they are covered up when you

8 put the flap down so they could see those boxes, see

9 what they looked like, and get reminded they needed to

10 fill one of them out.

11 BY MR. FREEMAN:

12 Q. Did these inserts suggest that voters

13 include both a driver's license number and Social

14 Security number if they had them?

15 A. I don't know. We told counties they could

16 suggest that as a possibility, but they couldn't

17 require it.

18 Q. Was that suggestion something that you

19 considered to be helpful to the voters?

20 A. Absolutely, yes. We strongly suggested

21 they do suggest it to their voters. But make sure that

22 your voters know it's not required to put both, but

23 they increase their chance of success if they do.

Q. Did you also testify before the house

25 committee on elections on March 9 that putting the

Page 32 1 come in person and fix it. So we want to match those

2 two dates up, and we also believe that ballot boards

3 need more time on the front end, more days to meet. So

4 we suggested that change. And there is one other

5 thing. I know there is three. I can never remember

6 the third.

7

9

23

25

5

8

Q. Well, if you remember later.

8 A. I will.

Q. Thank you very much.

This is the type of thing that's going to

11 bother you.

12 A. It is going to bother me. Our other

13 suggestion is have them where they can just mail back

14 the corrective action form and where the ballot doesn't

15 ever leave the voting clerk's office. If the voter

16 sends it in right now, the early voting clerk has the

17 option of sending the ballot back to the voter. The

18 early voting ballot board has the option of sending the

19 ballot back to the voter. We would like to take that

20 away and keep the ballot in the office and just send a

21 corrective action form and have them be able to mail it

22 back instead of deliver it in person.

Q. Is that the existing correction process for

24 FPCA voters?

A. Yes, sort of. I mean an FPCA voter can

Page 31

1 resident's address in the ballot tracker log-in was

2 keeping voters out?

A. Yes.

3

4

8

15

16

Q. Did you suggest that the legislator enact

5 legislation that would replace resident's address with

6 date of birth in the log-in requirements?

7 A. I did.

Q. Is this the only change that you

9 recommended with respect to the mail voting provisions

10 of SB 1?

11 A. I don't know what you mean by that

12 question. In the hearing, yes.

13 Q. Have you suggested any other changes in

14 other venues?

A. Yes.

Q. What changes have you suggested?

17 A. It's our belief that the correction

18 process, the corrective action procedure needs to have

19 a standardized date where anybody who's correcting a

20 mail ballot has that date by which to fix it. The way

21 the current law is, if the early voting clerks send

22 back the mail ballot to the voter the voter has until

23 7:00 p.m. on election day to get that back. And if a

24 ballot board sends a collective action notice to a

25 voter, they have until six days after the election to

Page 33 1 send a new signature sheet. So yes, it's kind of like

2 that, but it's a different form. Since FPCA voters

3 have the ability to do a signature sheet in the first

4 place, they have more flexibility.

Q. Did a bill to replace resident's address

6 with date of birth in the ballot tracker come before

7 the House Elections Committee on March 16?

A. It wasn't exactly what the bill language

9 did. The bill language made the DL or social optional,

10 you know, pick one or the other instead of both and add

11 date of birth and take away resident's address.

12 Q. Who testified on behalf of the Office of

13 the Secretary of State on that bill?

14 A. Christina Adkins.

15 Q. Do you know if Ms. Adkins testified for the

16 bill or merely on the bill?

17 A. We are never for or against legislation.

18 It's not our office's role. We are resource witness to

19 answer any questions about the implementation that they

20 might have.

21 Q. If your office favors the substantive

22 provisions of a bill you are still merely on the bill

23 rather than for the bill?

24 A. Our office doesn't officially favor

25 anything.

1 Q. Well, if they don't have a driver's license

- 2 number or Social Security number on record, is there a
- 3 connection between the voter providing that number and
- 4 the voter establishing their identity?
- 5 A. Yes.
- 6 Q. Does the voter establish their identity
- 7 when they submit a mail ballot request with their
- 8 driver's license number if the driver's license number
- 9 isn't on TEAM?
- 10 MS. HUNKER: Objection, form, asked and answered.
- 11 BY THE WITNESS:
- 12 A. I don't know what you are getting at. Yes.
- 13 BY MR. FREEMAN:
- 14 Q. So switching gears, and we don't need to
- 15 take a break yet, that's good.
- 16 How long did you serve as director of the
- 17 elections division in the Office of the Texas Secretary
- 18 of State?

19

- A. 11 years, two months, five days.
- 20 Q. Based on your experience would you agree --
- 21 A. Not that I was counting.
- 22 Q. Based on your experience, would you agree
- 23 that a form provided to voters should be designed so
- 24 that a voter who follows the instructions will have the
- 25 form accepted?

Q. Any current plans to alter the form?

Page 40

Page 41

- 2 A. No.
- 3 Q. Has your office considered altering the
- 4 form since it was issued?
- 5 A. No, not this form.
 - Q. Why not?
- 7 A. There is not a need to.
- 8 Q. Is there a statutory reason this form could
- 9 not inform voters that they may provide both a Texas
- 10 driver's license number and a partial Social Security
- 11 number?
- 12 MS. HUNKER: Objection, form.
- 13 BY THE WITNESS:
- 14 A. It's not what the law says. The form
- 15 outlines the law.
- 16 BY MR. FREEMAN:
- 17 Q. Okay. And so if the form outlines the law,
- 18 is it not allowed for the form to inform voters that
- 19 they may provide both numbers?
- 20 A. Not on the form. It's not the law.
 - Q. Understood.
- 22 Has your office suggested any kind of
- 23 amendments to SB 1 that would permit including that
- 24 information on this form?
- 25 A. No. There is plenty of outside channels

Page 39

- 1 MS. HUNKER: Objection, form.
- 2 BY THE WITNESS:
- 3 A. Yes, that's true. That's the goal of the
- 4 form.

- 5 BY MR. FREEMAN:
- 6 Q. Since the May 2022 runoff, did the Office
- 7 of the Secretary of State make any changes to the
- 8 absentee ballot by mail application?
- 9 A. We changed several forms. I'm pretty sure
- 10 the application if it's got an oath of assistance on it
- 11 it changed, yes.
- MR. FREEMAN: Mark this as Exhibit 2.
 - (WHEREUPON, a certain document was
- 14 marked Deposition Exhibit No. 2,
- for identification, as of 3/28/23.)
- 16 BY MR. FREEMAN:
- 17 Q. Mr. Ingram, is this the current absentee
- 18 ballot by mail form? I will represent to you this
- 19 form, I don't believe the date is on it, but it's the
- 20 form that's currently on your website and it's dated
- 21 December 9, 2021.
- 22 A. Yes. I mean it looks like it, yes.
- 23 Q. Okay. This form is still in effect, the
- 24 form that's on the website?
- 25 A. It is.

- 1 that emphasize that point.
- 2 Q. So is it not necessary to your mind?
- 3 A. Agree with that.
- 4 Q. This form does clarify that the Texas
- 5 driver's license number is not your voter registration
- 6 VUID number, correct?
- 7 A. Agree.
 - Q. Is that in the law --
- 9 MS. HUNKER: Objection, form.
- 10 BY MR. FREEMAN:
- 11 Q. -- that clarification?
- 12 A. Well, it's in the law is Texas election
- 13 identification certificate number. People think that
- 14 means their voter registration number.
- 15 Q. Why is it permissible to include this
- 16 clarification and not the clarification that a voter
- 17 may include both numbers if they wish?
- A. Because if we did that you would be sitting
- 19 there asking me questions about why we are requiring
- 20 people to do something the law doesn't require. That
- 21 would be a different lawsuit, but it would still be a
- 22 lawsuit.
- 23 Q. Do other forms promulgated by your office
- 24 include a red box around required information
- 25 frequently omitted by voters?

21

3

Page 42 The carrier envelope does.

- 2 Q. Is this a reason why this form doesn't have
- 3 a red box around the SB 1 identification number
- 4 requirements?
- 5 A. It's not needed.
- 6 Q. Why is it not needed?
- 7 A. Because the application can just be redone
- 8 any time. It's a much less formal document. It's not
- 9 the vote.
- 10 Q. Can it be redone if it's rejected -- strike
- 11 that.
- 12 Can it be redone if the voter does not
- 13 become aware of the rejection until after the ballot
- 14 application deadline?
- 15 MS. HUNKER: Objection, form.
- 16 BY THE WITNESS:
- 17 A. It can't. But the voter can vote in person
- 18 at that point. They have still complete ability to
- 19 vote.
- 20 BY MR. FREEMAN:
- 21 Q. Just to confirm. During the 2022 general
- 22 election, did your office continue to advise election
- 23 administrators not to apply a hierarchy between DPS
- 24 numbers and Social Security numbers when determining
- 25 whether this form meets SB 1 requirements and identify

- Page 44 A. You would have to ask the legislature that
- 2 question.
- 3 Q. Fair enough.
 - MR. FREEMAN: We can mark this as Exhibit 3.
- 5 (WHEREUPON, a certain document was
- 6 marked Deposition Exhibit No. 3,
- 7 for identification, as of 3/28/23.)
- 8 BY MR. FREEMAN:
 - Q. Before we turn to Exhibit 3 can I ask one
- 10 more question about the form marked as Exhibit 2.
- 11 Regardless of what the legislature's intention is, are
- 12 you able to identify a valid election administration
- 13 purpose for including the language beginning, if you do
- 14 not have a Texas driver's license on the ABBM form?
- 15 MS. HUNKER: Objection, form.
- 16 BY THE WITNESS:
- 17 A. The election administration purpose is to
- 18 accurately state the law on the form.
- 19 BY MR. FREEMAN:
- 20 Q. Nothing else?
 - A. That's it.
- 22 Q. Mr. Ingram, what's the document that has
- 23 been marked as Exhibit 3?
- 24 A. It looks like an email.
- 25 Q. If you go to the last page. Just take a

Page 45

Page 43

- 1 the correct voter?
- 2 A. I lost your thread there.
- 3 Q. Just confirming. During the 2022 general,
- 4 did your office continue to tell local election
- 5 administrators, county clerks they didn't need to apply
- 6 a hierarchy between the DPS number and the SSN when
- 7 they were determining whether an ABBM adequately
- 8 identifies a voter for SB 1 purposes?
- 9 A. Absolutely.
- 10 Q. From an election administration
- 11 perspective, during the 2022 general election did the
- 12 language on this form directing voters to give their
- 13 SSN for quote, if you do not have a Texas driver's
- 14 license, Texas personal identification number or a
- 15 Texas election identification certificate number, serve
- 16 a purpose?
- 17 MS. HUNKER: Objection, form.
- 18 BY THE WITNESS:
- 19 A. It follows the law.
- 20 BY MR. FREEMAN:
- 21 Q. What is the purpose of the law in stating
- 22 that --
- 23 MS. HUNKER: Objection, form.
- 24 BY MR. FREEMAN:
- 25 Q. -- to your knowledge?

- 1 look at that real quickly. The email from Ms.
- 2 Oehlschlager.
 - A. Okay.
- 4 Q. Am I correct that Ms. Oehlschlager wrote
- 5 that because her mother followed the directions on the
- 6 ABBM and nonetheless did not receive her mail ballot.
- 7 this is an error in the application for a ballot by
- 8 mail?
- 9 A. I'm not sure exactly what she is trying to
- 10 say here. I don't understand the issue with it.
- 11 Q. Well, if I'm correct, Ms. Oehlschlager's
- 12 mother submitted her driver's license number, and the
- 13 county said she should have used the last four numbers
- 14 of her Social Security rather than her driver's license
- 15 number; is that your understanding of this email?

- 18 A. I don't remember, maybe Heidi Martinez.
- 19 Q. Who is Ms. Martinez?
- 20 A. She is one of our staff attorneys.

- 8 this.

6

21

23

- 9 Q. What information do they plug in when they
- 10 are trying to pull up the registration status like

- 12 A. Well, I mean if you're using TEAM you can
- 13 search by voter name. That's probably the way they do
- 14 it. They are limited to their county.
- 15 Q. If we turn to page 32. What are the

- 15 A. The best practices when reviewing an

- 17 Q. So this is the review conducted by the

- 19 A. Early voting clerk is the one who reviews 20 applications for ballot by mail, yes.
- 21 Q. The early voting clerk has to look up the
- 22 registration status of the voter as part of that
- 23 process?
- 24 A. That's correct.
- 25 Q. And do you suggest as part of that training

- 3 Q. But am I correct that the numbers provided
- 4 here, driver's license, Social Security number, they
- 5 are not used to look up the voter, they are used to
- 6 confirm the voter: is that correct?
- 7 A. They are used to make sure the voter has
- 8 properly identified themself on the application, yes.
- 9 Q. Those numbers are not used to find the
- 10 voter in TEAM as part of the ABBM processing, correct?
- 11 A. No, sir. I mean not usually. I guess they

9 First of all, during the 2022 general

11 the race of voters?

12 A. No.

13 Q. How about concerning the ethnicity of

14 voters?

18

15 A. No.

16 Q. Am I correct that the State does not

17 collect any such data?

A. Agreed.

19 Q. Turning to what happens after elections.

20 Does your office conduct any of what I would call after

21 action reports or after action meetings in which you

22 get together with either people in your office or with

23 the counties to discuss issues or problems they

24 encountered during the election?

25 A. Yes, we do. We do a version of that

Page 183

1 is that, you know, assuming that they pass legislation

2 that makes the withdrawal from ERIC, which makes the

3 need more pressing. But either way with ERIC losing

4 members we need to fill those gaps. So probably there

5 needs to be a supplemental system no matter what.

Q. Very clearly explained. Thank you. Ithink I understood what you said. It's a complicated

8 topic.

9 A. Agreed.

10 MS. PERALES: I believe that I'm done. I will

11 pass the witness. I think the next attorney is Victor

12 Genecin if he's there. Shows him on screen.

13 MS. PERALES: Victor, are you there?

14 MR. GENECIN: I'm here.

15 EXAMINATION

17 Q. I believe I'm unmuted. Let's just see.

18 Yes, I can either turn on the screen. Can you see me?

19 A. I can.

25

20 Q. Very good. So, Mr. Ingram, my name is

21 Victor Genecin. I'm with NAACP LDF. We represent the

22 Houston Area Urban League Plaintiffs here. I don't

24 A. I don't believe so, no, sir.

Q. I'm sorry not to be able to meet you today

Page 185

1 internally as well as with county advisory group.

2 Q. Who are the members of your county advisory

3 group?

4 A. I will forget some. It's better if I just

5 provide a list later then try to recall them off the

6 top of my head.

7 Q. Why don't we do this. We will leave a

8 blank in the transcript here and we can fill that in

9 with your list. How's that?

10 A.

11 That's fine. It's about 30 some odd

12 counties.

13 Q. In terms of people with whom you meet

14 internally after an election to conduct an after action

15 group, who are those people?

16 A. It is our attorneys as well as our election

17 trainers.

18 Q. In what form does that internal after

complicated.

- 2 Q. Does the Secretary of State's Office
- 3 consider cancellation of ABBM to be a form of cure?
 - A. Well, it's choice of voter as to whether or
- 5 not to pursue voting by mail or decide to vote in
- 6 person. From my perspective if the voter successfully
- 7 votes that's a win.
- 8 Q. You haven't considered specifically to put
- 9 that under the umbrella of cure, if it's aimed towards
- 10 successful voting?
- 11 MS. HUNKER: Objection, form.
- 12 BY THE WITNESS:
- 13 A. Right. It's not a cure of application if
- 14 they decide to vote by person, but it is a successful
- 15 vote.
- 16 BY MR. STEWART:
- 17 Q. So then turning back to the same language
- 18 you looked at on page 12. This was presented this way
- 19 and then as use ballot by mail tracker to correct the
- 20 defects and have ABBM corrected or canceled their
- 21 application and voted in person because that's the way
- 22 data is maintained with those two things together,
- 23 right?

1

10

- 24 A. The data is maintained as to whether or not
- 25 there was successful vote, yes.

- Page 20 1 supplement response as far as I know supplemental
- 2 response is accurate as well. I want to separate the
- 3 two.
- 4 Q. For the clean record, specifically for the
- 5 supplemental response do the numbers there appear
- 6 accurate to you?
- 7 A. Yes.
- 8 Q. So if we turn to page 14 what appears to be
- 9 the final item or the final paragraph says total number
- 10 of voters who use the ballot by mail tracker to correct
 - 1 defective carrier envelope and had their mail ballot
- 12 accepted or cancelled -- withdraw that.
- Total number of voters who use the ballot
- 14 by mail tracker to correct a defective carrier envelope
- 15 and had their mail ballot accepted or cancel their mail
- 16 ballot voted in person: 1,496.
- 17 Do you see where I am?
 - A. I do.

18

- 19 Q. I may know the answer to this, but similar
- 20 question as before, does the Secretary of State
- 21 maintain data that could separately show the number of
- 22 voters who used the tracker to correct a carrier
- 23 envelope and separately the number of voters who
- 24 cancelled?
- 25 A. I think we could get there.

Page 19

- Q. Turning to Exhibit 8 beginning on the
- 2 bottom of page 12 on the same exhibit. Do you see
- 3 where I am?
- 4 A. Yes.
- 5 Q. There is a portion where that asks state
- 6 the number of voters who have cured carrier envelope
- 7 identification defects using any on-line portal
- 8 provided pursuant to SB1 from February 9, 2022 to
- 9 present, correct?
 - A. Correct.
- 11 Q. The original response identified that TEAM
- 12 captures only the current or most recent status seeked
- 13 with any information in voter records, correct?
- 14 A. That's correct.
- 15 Q. Does that remain true for data collected
- 16 through the November 8, 2022 general election?
- 17 A. That's correct.
- 18 Q. Looking at the supplemental response on
- 19 page 13 and take a moment if you need to. But does the
- 20 data information here remain accurate, to the best of
- 21 your understanding today?
- 22 A. From the first answer, yes.
- 23 Q. By the first answer which one are you
- 24 identifying?
- 25 A. I'm talking about the response and not the

- 1 Q. How would you get there?
- 2 A. With a separate query for people who using
- 3 this universe of numbers at 1531, if we still have that
- 4 list, and using it to who voted to decide to check who
- 5 voted in person.
- 6 Q. Is it Ms. Hart who would know how to do
- 7 that as well?
- 8 A. Well, she would know if there is a query
- 9 they could get that info.
- 10 Q. Is it correct that similar to an ABBM, the
- 11 tracker cannot be used to cancel a mail ballot request?
- 12 A. That's correct.
- 13 Q. What was the overall statewide rejection
- 14 rate of ABBM for the November 22 general election?
- 15 MS. HUNKER: Objection, form.
- 16 BY THE WITNESS:
- 17 A. I don't know.
- 18 BY MR. STEWART:
- Q. Do you know if there was somewhere we could
- 20 find that information?
- 21 A. We can check and see what TEAM says, but
- 22 it's not accurate.
- 23 Q. Why is it inaccurate?
- A. Because not all of the counties entered the
- 25 information.

riie

Page 21

8

Page 22

- Is there any other reason other than lack of information from counties that it would be
- 3 inaccurate?
- 4 Α. We have got the continuing program. It's a live database and changes come and somebody has
- cancelled or gone out of the system since then that
- 7 information won't be there anymore.
- 8 Just so I'm clear, that's because records
- 9 for an individual voter could have rolled off that
- 10 would show that information?
 - A. That's right.
- 12 Do you know approximately what portion of Q.
- 13 the counties entered information for ABBMs?
- 14 Α. No.

11

- 15 Would you estimate it's more or less than Q.
- 16 50 percent?
- MS. HUNKER: Objection, form. 17
- 18 BY THE WITNESS:
- 19 So I think probably more than 50 percent of
- 20 counties entered ABBM information, but they don't
- 21 represent more than 50 percent of voters.
- 22 BY MR. STEWART:
- 23 Q. What was the overall statewide rejection
- rate of mail ballots for the November 22 general 24
- 25 election?

1

- 1 record.
 - Q. Do you know that information sitting here?

Page 24

- 3 Α.
- 4 Do you know of any counties that entered
- 5 partial ABBM data?
- MS. HUNKER: Objection, form. 6
- 7 BY MR. STEWART:
 - We know there are some based on your
- testimony that did not enter ABBM data correct, and 9
- 10 then are there some that entered complete ABBM data, to
- your knowledge?
- 12 A. Yes.
- 13 Q. Are there any that say started entering
- 14 ABBM data, but didn't complete or started after certain
- 15 date or for whatever reason is incomplete?
- 16 A. Yes, I believe Bexar County falls in that
- 17 category.
- Q. 18 Do you know why they changed their entry
- practices? 19
- 20 Well, because we were after the counties to
- 21 enter the ABBM data.
- 22 Q. Do you remember approximately what date
- 23 that was when you asked counties to enter?
- 24 No, I mean we were continuously contacting
- 25 counties, and we felt weren't, you know, doing what

Page 23

- 2.7 percent.
- Q. Do you know what portion of those
- rejections were because of missing or incorrect ID
- 4 information?
- A. I know that there is 163 of them that were
- rejected because they supplied a number on their
- carrier envelope, but didn't have one in their voter 7
- registration record.
- 9 That's because -- withdraw that.
- 10 Those are identified, the 163 are ones that
- 11 there was no number in the voter registration record at
- 12 all?
- 13 A. That's right.
- 14 Q. Is that the only breakdown of that
- 15 information you are able to give as far as rejections
- because of SB 1 identification number requirement? 16
- 17 A. Without running a query that's what
- 18 information I have now.
- 19 Is there a query that can be run to
- 20 determine how many rejected that were provided an ID
- number and there was an ID number in the team database,
- 22 but it was incorrect or mismatched?
- 23 A. There is a query that can determine how
- 24 many were rejected for a mismatched number or that, you
- 25 know, they didn't provide a number that was in the

- Page 25 1 they are supposed to do with regard to ballot tracker
 - from the time mail ballots started coming back.
 - 3 Was that in the run up to the general or
 - 4 primary?

5

- A.
- Are you aware of any counties that failed
- 6 to enter mail ballot rejection data into TEAM for the
- general election?
- 9 We had much better success with that. It
- 10 could be some were miscoded, but pretty sure we got
- 11 most compliance with that.
- 12 Q. Those were what you would say were human
- 13 error?
- 14 A. Right.
- 15 Any other reasons they might be miscoded?
- 16 I mean you can call it human error, but
- 17 it's because they don't know what code applies to what
- 18 situation.
- Basically an attempt to enter data but done 19 Q. 20 incorrectly?
- 21 A. Correct.
- 22 Are you aware of any technical issues with
- 23 TEAM that prevented the entry of complete and accurate
- mail ballot data for the general election? 24
 - Not in general election, no.

2 voters similarly situated the same way.

3 Q. Did the Secretary of State's Office issue,

leaving aside those responses to those questions, anynew guidance regarding the ID number requirements after

6 the primary runoff?

- 7 A. No.
- 8 Q. Nothing about the implementation should 9 have changed following the primary runoff, correct?
- 10 A. I don't believe so. I mean we sent
- 11 reminders about that implementation, we had seminar
- 12 presentations about that implementation. We sent, you
- 13 know, materials that they could print and distribute to
- 14 voters about that implementation, but the guidance
- 15 itself didn't change after that.
- 16 Q. Did any county request to modify a form17 used to implement the ID number requirement following
- 18 the primary runoff?
- 19 A. We had some requests for different sizes20 and shapes and orientations of the carry envelope. I
- 21 believe all of those were before the runoff.
- 22 Q. Anything that would have changed the
- 23 substance of either the carrier envelope or the ABBM
- 24 form?
- 25 A. No.

Page 35

23

- 1 Q. Anything that would have changed the 2 substance of any of the instruction forms that the SOS 3 prepares?
- 4 A. No.

6

- 5 MR. STEWART: I think this is SOS 4.
 - (WHEREUPON, a certain document was
- 7 marked Deposition Exhibit No. 4, 8 for identification, as of 3/28/23.)
- O DV MD OTEMADT
- 9 BY MR. STEWART:
- 10 Q. You should have document SOS 4, state
- 11 122242. I will give you a second to read that. That's
- 12 the double-sided. Let me know when you have had a
- 13 chance to read it. Are you good?
- 14 A. Yes.
- 15 Q. This appears to be an email from a voter to
- 16 Secretary of State's Office, correct?
- 17 A. I agree with that.
- 18 Q. The voter identifies, would you agree with
- 19 the characterization, that they say the Tarrant County
- 20 election office said the numbers in the voter
- 21 registration database, I take that to mean their ID
- 22 numbers were transposed.
- A. That's what she says that her Social
- 24 Security number was entered incorrectly when she
- 25 originally registered back in 1980.

- Page 36 Q. She says that Tarrant's reply was that the
- 2 voter had to come to their office to fix the issue,
- 3 correct?
 - A. That's what she says.
- 5 Q. Would advice be correct, to the best of
- 6 your knowledge?
- 7 A. Well, it kind of depends what issue they
- 8 were telling her that she needed to correct. If she
- 9 needed to correct the number in the voter registration
- 10 record obviously she could do that with a voter
- 11 registration application and she doesn't need to come
- 12 in person. If she's trying to fix the problem with the
- 13 application for ballot by mail then probably she needs
 - 4 to show up in person or fill out a new application with
- 15 the transposed digits.
- 16 Q. I see. So if the problem were with the
- 17 ABBM, would she be able to correct that in the portal?
- 18 A. If the problem was that the original number
- 19 was transposed, the only way to fix it in the portal
- 20 was to create the transposed numbers are correct.
- 21 Q. The portal can't be used to change what's
- 22 in TEAM, it only be used to change what's on the ABBM?
 - A. That's correct.
- Q. So how would she fix the issue -- if it is
- 25 correct that the issue in TEAM, what ways could she be

Page 37

- 1 directed to fix that?
- 2 A. I think the only way you can fix that to
- 3 fill out a new voter registration application with the
- 4 correct number.
- 5 Q. So if TEAM then is the source of
- 6 transposition, it would be correct from Tarrant that
- 7 she would need to go into the office to correct that?
- 8 MS. HUNKER: Objection, form.
- 9 BY THE WITNESS:
- 10 A. You don't need to fill out a voter
- 11 registration application in person.
- 12 BY MR. STEWART:
- 13 Q. That's something she also could have done
- 14 remotely, correct?

- A. That's correct.
- 16 Q. If it's correct in fact that the numbers
- 17 are transposed in TEAM, she would not be able to enter
- 18 the portal entering the correct number, right?
- 19 A. That's correct. She would have to enter
- 20 the transposed number and agree it's the correct number
- 21 for her mail bound application to be accepted.
- 22 Q. Got it. I want to turn to -- I think last
- 23 year when we spoke we discussed the HB2512 process; do
- 24 you recall?
- 25 A. I do.

- That's the process for present purposes by

- 4 Α. That's correct.
- 5 Was the HB2512 process run at any point in
- 6 2022 following the primary election?
- 7 Α. No.
- 8 Q. Was it --
- 9 Α. It was in December.
- 10 Q. In December following the general election?
- 11 Not before the general. Α.
- 12 Q. Not before the general, but in 2022
- 13 following -- let me withdraw that. It was not run

- 15 A. That's correct.
- Q. 16 It was run following the general before the
- 17 end of the year?
- 18 A. I agree.
 - Q. Has it been run again since then?
- 20 Α. No, sir.

19

7

- 21 Is that a regular annual process is that
- 22 why it was run in December?
- 23 It has historically been run in December,
- not every December, but obviously the last two. 24
- 25 I'm going to hand you what will be SOS 5. I

- A. That's correct. If an individual went to

- 5 Q. And then the post numbers reflect the state
- 6 of the database following the HB2512 process in
- December of 2022, correct?
 - Agree with that.
- 9 Q. Looking at these numbers. There would be
- 10 some organic change in these numbers without the HP2512
- process perhaps not to this degree, but they wouldn't
- 12 look the same as the 2021 numbers, correct?
 - Agree with that.
- 14 Would you agree that though the HP2512
- 15 process did change these numbers to some extent?
 - A.
- 17 Q. Do you think the majority of this change is
- due to HP2512? 18
- 19 MS. HUNKER: Objection, form.
- 20 BY THE WITNESS:
- 21 When you say this change what do you mean?
- 22 BY MR. STEWART:
- 23 From the initial numbers on the left to the

- 25 For each of those categories, would you say the

Page 39

MS. HUNKER: Thank you.

- 8 BY MR. STEWART:
- 9 Do you recognize this document, Mr. Ingram?
- 10 A.
- 11 Q. What is this?
- 12 This is the result of the comparison
- 13 process from December of '22.
- That's the same HB2512 process we were just 14 Q. discussina? 15
- 16 Α. That's correct.
- 17 So the initial numbers, would they reflect
- the state of the database following the 2021 process? 18
- 19 Plus whatever changes were made in the 20 course of the 2022.
- 21 So they wouldn't reflect any changes from a
- 22 systemic process, but they could represent -- reflect 23 what I will call ad hoc changes to individual records?
- 24 MS. HUNKER: Objection, form.
- 25 BY THE WITNESS:

- Page 41 1 majority of the decrease is attributable to the HP2512
- Α. 3
- I would say the changes exclusively related 4 to 2512 process.
- Q. Why do you think additional numbers were 5
- caught in the 2022 process that were not caught in the 7 2021 process?
 - Α. Because database is not the same.
 - You are saying some individuals may have,
- 10 for example, added an SSN or a driver's license to the
- 11 DPS database during the year 2022 before this was run
- 12 that are then pulled into the team database?
- 13 No. I mean that could happen. But more
- 14 likely is the information in the TEAM database changed
- 15 so our matching was more efficient.
- 16 I see. So do you think it was mostly
- 17 attributable to improvement in matching on these
- 18 records?
- 19 Not -- the matching criteria didn't change.
- 20 So the data that we use improves and the matching gets
- 21 better. So if a voter supplied one or the other of the
- 22 numbers then it's easier to pull in the other number.
- 23 You anticipated my next question. The
- 24 matching criteria was the same in the 2022 process as
- 25 in the 2021 process?

Keith Ingram March 28, 2023
Pages 42 to 45

Page 42

A. Yes.

2

- Q. Would there have been any new registrants
- 3 who were able to register with only one of the driver's
- 1 license or SSN numbers?
- A. One of those numbers is the only thing
- 6 that's required so definitely we could have had new
- 7 registrants who registered with one number or the
- 8 other, and we were able to get the other number for
- 9 that voter pulled in through that process.
- 10 Q. Just so it's clear in my mind, this would
- 11 have -- the change in these numbers from initial to
- 12 post would capture 2021 first time registrants who
- 13 registered with one number, and then had the other
- 14 number pulled in through this HP2512 process?
- 15 A. I agree with that. I think you meant to 16 say '22 in that question.
- 17 Q. I appreciate that correction.
- 18 Looking at these individual categories,
- 19 looking at the third category, number of active and
- 20 suspense, I'm going from top to bottom, the third
- 21 category number of active and suspense voters that have
- 22 neither a TDL or SSN on their voter record, no value
- 23 for both fields. So those are the individuals in TEAM
- 24 who did not have either the TDL or the -- any portion
- 25 of an SSN, correct?

- Page 44

 1 registration record that the county gets from the voter
 - 2 is supposed to be reported nightly. So that's what we
 - 3 call our batch process. That's not the same as syncing
 - 4 the data. Syncing the data means we want to make sure
 - 5 everything we have got in our system is captured in
 - 6 off-line system so the databases are identical, right.
 - 7 So the goal is to have zero differences in the sync
 - 8 file. This kind of change in the SOS file is what we
 - 9 are trying to sync to the voters. Then of course there
 - 10 are other kinds of changes the county makes with regard
 - 11 to pre-syncing in particular that aren't reflected in
 - 12 an individual voter change that we would get in a batch
 - 13 process. We want to sync those up as well. So those
 - 14 are the two things that we are syncing is making sure
 - 15 that everything from our database is in theirs and
 - 16 making sure all of their precinct lines they may have
 - 17 re-drawn are in ours.
 - 18 Q. Taking those two processes separately
 - 19 because I assume -- do those processes run at the same
 - 20 time?

21

- A. Yes.
- 22 Q. They do?
- 23 A. The sync is simultaneous.
- 24 Q. So the sync is referring to information
- 25 from TEAM filtering down to the counties?

Page 43

- A. Agree with that.
- 2 Q. That number moved by less than 2,000,
- 3 correct?

1

- 4 A. It looks like about 1,300 maybe.
- 5 Q. Why do you think the movement in that was
- smaller than in the other categories?
- 7 A. Because it's the hardest category to do
- 8 anything with.
- 9 Q. Have you discussed any way to capture more,
- 10 improve the HP2512 process for that category of voters
- 11 in the future?
- 12 A. No.
- 13 Q. Just a couple quick questions. After the
- 14 HP2512 process is run, how are those changes filtered
- 15 out to off-line counties?
- 16 A. They are supposed to sync their data with
- 17 ours on a monthly basis.
- 18 Q. That occurs monthly?
- 19 A. It does or it's supposed to.
- 20 Q. Is that a two-way sync? So, for example,
- 21 if something gets changed in the county's off-line
- 22 database more recently than the information in TEAM,
- 23 should that be then filtering into TEAM as well?
- 24 A. So there is two different things that you
- 25 might be confusing here. Any changes in voter

- 1 A. That's right.
 - 2 Q. That occurs monthly?
 - 3 A. It's supposed to occur monthly. We have to

Page 45

- 4 do it much less often. With this change in law it
- 5 became expedient to do it more often.
- 6 Q. All new registrations are entered by the
- 7 county into their databases, correct?
- 8 A. That's right, many changes to registration
- 9 is entered.
 - Q. Those changes are coming upward to TEAM
- 11 daily?

10

13

20

- 12 A. That's right.
 - Q. Then new information from HP2512 is going
- 14 from TEAM to the counties monthly?
- 15 A. Well, we sync the database monthly. The
- 16 new information from 2512 is obviously an annual thing.
- 17 Q. I see. It would be part of that monthly
- 18 sync process?
- 19 A. It would.
 - Q. Information entered into the texas.gov
- 21 portal that gets pulled over, where does that go first?
- 22 A. To TEAM.
 - Q. That will to the counties as part of the
- 24 monthly process?
- 25 A. That's right.

If there is any difference in the county

- 7 That's right, or they haven't resolved

- BY MR. STEWART:
- 10 Q. What does it mean to resolve it?
- 11 A. To choose one or the other.
- 12 When something comes down from the sync Q.
- 13 file from TEAM to the county, the county needs to
- resolve each of those in their own database?
- 15 A. That's correct.
- 16 Q. If there is an import from Texas.gov, those
- 17 cannot be used by the county in the cure process until
- the next sync occurs; is that correct?
- 19 No, they can use TEAM. They are -- all
- 20 have access to TEAM and we told them to use tell.
- 21 They wouldn't be reflected in the county.
- 22 but the instruction from the SOS is to also look in the
- 23 TEAM database?
- 24 A. That's right.
- 25 Do you know if all counties follow that Q.

- 3 BY MR. STEWART:
 - Give you a second to read, Mr. Ingram. Q.
- 5 A.
 - Q. This is a mass email from the Secretary of
- 7 State's Office to county election officials?
 - Α. That's correct.
 - Q. That's with instructions on finalizing
- 10 election reporting for the March 1 primary, correct?
 - That's correct.
- 12 Q. I want to focus on the section that
- 13 bulleted incomplete or missing TDL/SSN/on-line cure
- 14 available. I'm going to look at the last paragraph
- 15 there to make sure I understand what it's saying. Are
- 16 these directions on how ABBM information should be
- 17 entered into TEAM?
 - A. Yes.
- 19 Q. It says, "For ballots marked incomplete or
- 20 missing TDL/SSN on-line cure available following the
- deadline for correction the ABBM records will need to
- 22 be updated to received after deadline. Off-line
- 23 counties will need to submit status update for these

Page 47

1 instruction?

- 2 I don't know that for sure. I'm pretty sure Bexar County didn't. Jackie does what Jackie 3
- 4 does.

- 5 Q. Any others you think may not have?
 - No, I'm pretty sure they mostly did. Α.
- 7 Are you aware of any counties -- withdraw 8 that. Good news is I'm shortening my questions here.
- 9 Did any county report -- rephrase that.
- 10 Did any off-line counties report to the SOS
- 11 their vendors having issues with information keeping
- 12 for mail ballots for the general election?
- 13 Not for the general.
- 14 Q. For the primary?
- 15 Α. Yes.
- Which counties were those if you recall? 16 Q.
- 17 The VOTEC counties.
- 18 MR. STEWART: Could we take a short break.
- 19 (WHEREUPON, a recess was had.)
- 20 BY MR. STEWART:
- 21 Q. I'm going to show you, Mr. Ingram, the next

- 23 MR. STEWART: I believe we are at SOS 6. It's
- 24 Bates stamped 123228.
- 25 (WHEREUPON, a certain document was

- Did I read that right?
- 2 You did.
- Does this mean that in TEAM no ABBM would 3
- 4 ultimately be identified as incomplete or missing
- TDL/SSN on-line cure available once the cure deadline
- has passed? 6
- 7 Α. That's what it looks like. I'm not sure
 - why it says for ballots marked and then talks about
- 9 ABBMs.
- 10 Q. So you are saying there's a mismatch there
- 11 between describing ballots on the one hand and ABBM on
- 12 the other?
- 13 A. Agreed.
- 14 Q. Would these instructions effect ballot
- 15 recordkeeping?
- Well, they reflect final status. 16 Α.
- 17 Q. The final status of ABBMs?
- 18 A. Exactly.
- 19 Would any -- I'm sorry. Q.
- 20 It's got the same discrepancy in the first A.

- 22 What I'm trying to understand is would you

otor registration

- voter registration.
- 2 Q. That being because it could either be the 3 driver's license or SSN?
- 4 A. That's correct.
- 5 Q. Because this voter was able to log in to
- 6 the ballot tracker, their registration record must
- 7 already contain the driver's license and the SSN,
- 8 correct?

16

- 9 A. That's correct.
- 10 Q. The SOS response directed the voter to 11 contact Tarrant County; is that correct?
- 12 A. That's right.
- 13 Q. If you look back at 118034. Tarrant County
- 14 directed the voter to contact the Secretary of State if
- 15 they are unable to use the tracker; is that correct?
 - A. That's correct.
- 17 Q. Which one of those two responses is
- 18 correct? In other words, who should the voter be
- 9 contacting in that circumstance?
- 20 MS. HUNKER: Objection, form.
- 21 BY THE WITNESS:
- 22 A. If Tarrant County hasn't inputted the
- 23 information into the tracker, the tracker is not going
- 24 to be of use to the voter. I mean Andre is correct,
- 25 that the way you got it fix this is with Tarrant County

- 1 counties.
- 2 BY MR. STEWART:
- 3 Q. But the counties don't have any control
- 4 over the access portion, correct?
 - A. That's correct.
 - Q. To your knowledge, did any other voters

Page 60

Page 61

- 7 identify a similar issue such as this where they are
- 8 able to access the tracker but information wasn't
- 9 populating in the tracker?
 - A. Not in the general.
 - Q. Not in the general. Did that happen in the
- 12 primary?
 - A. In the primary, yes.
 - Q. Did you identify the route cause of that
- 15 issue in the primary?
- 16 A. It's because the VOTEC system wasn't
- 17 mapping to the TEAM system properly. The general is
- 18 just because the county didn't enter the information.
 - Q. Let's look at SOS 8.

(WHEREUPON, a certain document was

- marked Deposition Exhibit No. 8,
- for identification, as of 3/28/23.)
- 23 BY MR. STEWART:
- 24 Q. We're back in Tarrant County. Would you
- 25 agree this chain appears to reflect a communication

Page 59

- 1 because you have logged in successfully in the tracker,
- 2 you don't see anything to fix. So that's Tarrant
- 3 County's problem.
- 4 BY MR. STEWART:
- Q. So in the instance where let's say tracker
- 6 information is not appearing or populating for a known
- 7 mail ballot, the county should be entering that
- 8 information?
- 9 A. Absolutely.
- 10 Q. A voter with an issue should be contacting
- 11 the county?
- 12 A. Yes.
- 13 Q. Are there circumstances where a voter
- 14 should be contacting the Secretary of State for ballot
- 15 tracker issues?
- 16 A. They will call us if they are having
- 17 trouble accessing it.
- 18 Q. So is it correct to say then the Secretary
- 19 of State's Office manages the access portion of the
- 20 ballot tracker and the county is manage the individual
- 21 ballot information portion?
- 22 A. The substance of information --
- 23 MS. HUNKER: Objection, form.
- 24 BY THE WITNESS:
- 25 A. -- within the tracker is contributed by the

- 1 from an overseas voter to the Secretary of State
- 2 regarding an attempt to vote in Tarrant County?
 - A. It's I think more accurate to say it's an
- 4 exchange between Tarrant County and the voter, which
- 5 was then forwarded to our office.
- 6 Q. Fair.
- 7 MR. STEWART: For the record, this is state
- 8 118344. Should have done that before.
- 9 BY MR. STEWART:
- 10 Q. So if -- the earliest email in the chain
- 11 appears to be from Tarrant County, correct?
- 12 A. Agreed.
 - Q. That email references a signature sheet.
- 14 What in this context, for the record, is a signature
- 15 sheet?

13

- 16 A. It's got the same information on it that
- 17 the carrier envelope does, but it's a piece of paper
- 18 that's put inside the envelope with a ballot instead of
- 19 reconstructing an envelope.
- Q. Tarrant County email that begins the chain states to the voter, "On your signature sheet you
- 21 states to the voter, "On22 posted your SSN only."
 - Did I read that right?
- 24 A. That's what it says.
 - Q. What are the circumstances where a voter

23

Keith Ingram March 28, 2023 Pages 62 to 65

Page 62

1 needs to use an SSN and a driver's license number on a

- 2 signature sheet?
- There is not any. I don't know why in the
- world Tarrant County said that. That's dumb.
- So then looking there is an email on the
- first page from Jennifer Ethridge that's on November 8,
- 7 2022 at 9:01 a.m. This voter indicates that they have
- a Social Security number, but not a Texas driver's
- 9 license, right?
- 10 Α. That's what they say.
- 11 Q. So with that, if this information they
- 12 provided is correct, they wouldn't be able to use the
- 13 on-line tracker, correct?
- 14 Α. That's correct.
- 15 So how is an overseas voter such as this
- 16 one assuming what they have represented here is correct
- 17 able to cure a carrier envelope that's been rejected
- 18 for ID number reasons?
- 19 Well, Tarrant County shouldn't have A.
- 20 rejected it. So this -- if we get this, call Tarrant
- 21 County happen immediately.
- 22 Q. This was an error on Tarrant County's part?
- 23 A. Absolutely.
- 24 Q. Leaving aside the specific issues of this
- 25 document. If an overseas voter's carrier envelope or

- 1 corrective forms?
- 2 Email a new signature sheet?
- 3 Q. Correct.
- 4 A. Yes.
- 5 Q. They have?
 - A. Well, I hope so.
- 7 Q. Are you aware either way they actually
- have? 8

6

21

- 9 Α. I know we have told them that's a
- 10 possibility for FPCA voters.
- 11 That's something SOS has directed counties

Page 64

- 12 as possible?
- 13 Α. Sure.
- 14 Q. New topic. Did the Secretary of State's
- 15 Office make any voter fraud referrals to the AG in
- connection with the 2022 general election? 16
- 17 Α.
- 18 Q. Do you know how many?
- 19 A. I don't.
- 20 Q. Do you know how any of those were resolved?
 - I don't. I presume they are still pending.
- 22 MS. HUNKER: I'm going to quickly object in
- 23 raising investigative privilege and advise my client
- that although he can answer certain information, not to
- disclose any details that would compromise an 25

Page 63

- 1 mail ballot is rejected for lacking an ID number
- entirely, what are their options to cure? 2
- 3 A. Well --
- 4 MS. HUNKER: Objection, form.
- 5 BY THE WITNESS:
- 6 If the carrier envelope doesn't have a
- 7 number on it then they need to supply a number with
- another signature sheet.
- 9 BY MR. STEWART:
- 10 Q. They need to send another signature sheet?
- 11 A. That's right.
- 12 Is there -- given this exchange is
- occurring on November 8, is it likely that could happen
- before the cure period closes? 14
- 15 Sure, they can email them. Α.
- Q. 16 They can email the new signature sheet to
- 17 Tarrant?
- 18 Α. That's correct.
- 19 Q. Did Tarrant advise them of that option?
- 20 I don't know. If they didn't they should
- 21 have. They shouldn't have rejected it in the first
- 22 place. So I mean we can talk about Tarrant County if
- you want to. 23
- 24 Do you know whether counties have been
- 25 advising overseas voters of the ability to email

- Page 65 1 investigation or ongoing prosecution as well as would
- 2 reveal any type of investigative methods that could
- 3 again compromise how the Attorney General's Office
- proceeds in these matters going forward.
- 5 BY MR. STEWART:
- 6 Are you aware of any public information
- about how those were resolved? 7
- 8 Α. No.
- 9 Were any of those for mail ballot Q.
- 10 impersonation?
- 11 MS. HUNKER: Objection, form.
- 12 BY THE WITNESS:
- 13 Α. I don't know. I would have to look at the
- 14 log sheet.
- 15 BY MR. STEWART:
- 16 That log sheet has been produced, correct?
- 17 Probably, but we can probably update.
- 18 There's been a lot of complaint activity in the last
- 19 couple months.
- 20 Q. Do you know whether any referrals for mail
- 21 ballot impersonation were based on mismatching or
- 22 missing ID numbers?
 - Α. I don't believe so.
- 24 Are mismatching or missing ID numbers on Q.
- 25 mail ballots a factor in considering whether to refer

Page 66

Keith Ingram March 28, 2023
Pages 66 to 69

12

potential fraud to the AG?

2 A. No.

4

3 MR. STEWART: Can we take two minutes?

(WHEREUPON, a recess was had.)

5 BY MR. STEWART:

6 Q. I have a few more questions and this is to

7 go back to the topic of legislative communications. I

8 wanted to dig in to what were the topics discussed with

9 the legislators with whom you discussed the

10 identification number provisions that we identified

11 earlier.

12 A. So I thought the question was discussions

13 with legislators about SB 1.

14 Q. So I will limit those to -- for the purpose

15 of this question to the identification number and cure

16 provisions of SB 1.

17 A. Okay.

18 Q. So how many of those conversations pertain

19 to those topics?

20 A. The corrective action procedure we

21 discussed with all four of those legislators.

22 Q. What was the nature of their feedback?

23 MS. HUNKER: Going to object. I represent

24 Senator West, Senator Hughes, Representative Reggie

25 Smith as well as Representative Bucy for the purposes

1 counsel's advice to assert the privilege and not

2 answer?

3 MS. HUNKER: Objection. To clarify, I did not

4 instruct my witness not to answer. I'm simply raising

5 the objection to preserve it for both the legislators

6 and the State Defendants who I represent. We are going

Page 68

7 to pursue other forms of relief that I just listed. We

8 are also stating that we think this portion of the

9 testimony should be now deemed confidential under the

10 protective order that was filed in this case.

11 BY MR. STEWART:

Q. The question is on the table.

13 A. So we talked about the corrective action

14 process with all four of those legislators.

15 Q. What did they state about the corrective

16 action process?

17 A. Is there anything --

18 MR. STEWART: I will stipulate to the same

19 objection.

20 MS. HUNKER: If you can stipulate then I'm going

21 to raise the same objection.

22 MR. STEWART: I will stipulate to the same

23 objection.

24 BY THE WITNESS:

25 A. You know, the conversation is kind of a

Page 67

1 of protecting their privilege today. On behalf of the

2 four legislators I object to the question on the basis

3 of legislative privilege. It's wholly inappropriate

4 for this question to be asked at all given the pending

5 appeal to which we are all a party. We vehemently

6 disagree with the district court's decision to prevent

7 this kind of questioning while we await decision from

8 the Fifth Circuit. Nonetheless the district court has9 wrongly made clear that attorneys who raise these

10 objections face the possibility of contempt. We have a

11 duty to our client to protect their privileged

12 information. Because of the district court's orders

13 and threats, we cannot instruct our witness not to

14 answer this question. However, the state Defendants,

15 and Senator West, Senator Hughes, Representative Reggie

16 Smith, and Representative Bucy reserve all rights to

17 challenge this improper questioning including sealing

18 this portion of the transcript, preventing its further

19 disclosure or use at trial, appealing and seeking any

20 emergency relief from the Fifth Circuit, and any other

21 relief allowed by law. We further designate this

22 testimony as confidential under the protective order in

23 this case, I believe it's ECF237.

24 BY MR. STEWART:

25

Q. Just for the record, are you following your

Page 69 1 two-way street. It's not them asking us offering or

2 vice versa, but it's a general recognition that there

3 are things in the law that need to be standardized.

4 And so, you know, what are your thoughts on what those

5 things should be, right? So we talked about with each

6 one of the four standardizing the cure period so that

7 everybody has the same cure period, and doing away with

8 mailing back the carrier envelope to the voter and

9 instead mailing a corrective action form that could

10 then be mailed back to the office instead of delivered

11 in person since, you know, there is a reason why these

12 folks are generally voting by mail. And giving ballot

13 boards more time to meet earlier in the process so that

14 they can get notice out to the voters.

15 BY MR. STEWART:

16 Q. Were those -- was that feedback coming from

17 the legislators to the SOS or ideas the SOS shared with

18 legislators?

19 A. It's a little bit of both.

MS. HUNKER: Objection. I'm going to raise

21 legislator privilege and if you can stipulate.

22 MR. STEWART: Stipulate you will raise the same

23 objection.

24 BY THE WITNESS:

25 A. It's a little bit of both. The specifics

Page 82

Keith Ingram March 28, 2023 Pages 82 to 85

MS. HUNKER: Objection, form.

BY THE WITNESS:

3 The absolute number probably has increased,

but the percentage has probably gone down. 4

5 BY MS. PERALES:

Understood. Do you keep track of number of

7 referrals you make to law enforcement?

Yes.

Q. With respect to section 2.11.

10 Α. Yes.

6

8

9

11 Q. This is also related to persons excused

12 from jury duty for non-residence in the county. And it

13 adds a requirement for the clerk to report not only to

14 the voter registrar, but also to the Secretary of

15 State. So in some ways it's connected to that previous

16 provision that we looked at together. And is your

17 testimony the same then that with respect to section

18 2.11 you, the Secretary of State, have not received any

19 referrals or lists from county jury clerks?

20 That's correct of people who have been 21 excused because of non-residence in the county.

22 Thank you. Section 3.04 on page 14. I feel

23 bad for massacring some of my descriptions of these

24 provisions. But this is basically a requirement that

25 polling places be located inside a building, and

1 related to the prohibition on drive-thru voting?

2 Α. No.

3 MS. HUNKER: I'm going to remind my client to

Page 84

give me a second to object. 4

5 BY MS. PERALES:

Q. We had talked earlier about a provision of 6

7 SB 1 that was given an effective date of 2026 that you

had some concerns might be problematic to carry out. 8

And so I wanted to ask you a similar question with

10 respect to section 3.04. Since May of 2022, which

takes us into the March of 2023, have you had

12 conversations with legislators or legislative staff

13 about making changes to SB 1 other than that provision

14 that we were talking about that has an effective date

15 of 2026?

18

21

16 MS. HUNKER: Objection, form.

17 BY THE WITNESS:

A. Yes.

19 BY MS. PERALES:

20 Q. Can you describe those?

Yes. Well, what we have talked about is the

22 corrective action procedure needs a little bit of

23 tweaking for better implementation, smoother

24 implementation, more uniform implementation. The main

25 change would be to stop the possibility of sending the

Page 83

essentially a prohibition on what people might call

drive-thru voting; is that right?

3 MS. HUNKER: Objection, form.

4 BY THE WITNESS:

5 A. I agree it's a prohibition on generalized

drive-thru voting and says that only people who qualify

for curbside voting can vote from a car. 7

BY MS. PERALES: 8

9 Q. I accept your distinction between curbside

10 voting and drive-thru --

> Α. Right.

12 -- voting.

Since the primary runoff election in 2022,

14 have you -- has your office received any expressions of

15 concern or opposition to the elimination of drive-thru

16 voting?

11

13

19

21

17 Not that I'm aware of, no, ma'am, from Α.

18 either the public or counties?

For you -- sorry?

20 From either the public or counties. A.

> Q. Okay.

22 Did you have any communications from the

23 Secretary of State with, for example, the Office of

24 Attorney General that's separate and apart from

25 attorney-client stuff related to this litigation

Page 85 ballot back to the voter instead of just sending a

2 corrective action form and having them mail it back.

The second thing is standardizing the cure 3

period so that it is not the case that some people have 4

5 until 7:00 p.m. on election day and other people have

six days after election day. Have everybody have the

7 same cure period. Then to allow the ballot boards more

time on the front end to start meeting earlier so that

8

9 they get notice to the voters sooner.

10 Do you think that with respect to item

11 number one, the cure procedure, do you think that if

the ballot board is able to retain custody of the 12

13 ballot and send the cure form, do you think that will

result in more ballots being cured? 14

> Yes, fewer ballots being lost in the mail. Α.

Q. 16 Why would it result in more ballots being

17 cured?

15

18 Α. Because the opportunity to mail back the 19 correction form instead of having to deliver it in

20 person makes it more available.

21 Is that because a voter is more likely to

22 mail back the cure form than they are to physically

23 travel to the election administrator's office to

24 personally drop off the ballot?

MS. HUNKER: Objection, form.

1 BY THE WITNESS:

- A. I mean we don't know. I mean some voters
- 3 can drive it in as easily as they can mail it, but
- 4 there is a reason why people vote by mail. Generally
- 5 it's because they are not as mobile. So to increase
- 6 the odds of them curing we need to have a mail back
- 7 form.

- 8 BY MS. PERALES:
- 9 Texas vote by mail eligibility involves
- 10 being for the most part either over age 65 or
- physically disabled, is that correct -- or disabled in
- 12 some way?
- 13 Α. Agreed.
- 14 Q. So you had listed basically four things,
- 15 the 2026 effective date provision, and then the three
- 16 things you just talked to me about now. Have you had
- 17 any discussions with members of the legislator or
- 18 legislative staff about amending any of the provisions
- 19 in SB 1 that are the subject of this lawsuit?
- 20 Α. No.

Q.

23

- 21 Q. So then I won't have to ask it for each
- 22 individual provision.
 - Let's look at --
- 24 Oh, we did talk to one senator's office
- 25 about possible changes to poll watchers.

- 1 questioning including sealing this portion of the

- 3 trial, appealing or seeking any emergency relief from
- 4 the Fifth Circuit, and any other relief allowed by law.
- 5 We further designate this testimony as confidential
- under the protected order in this matter. 6
- 7 BY THE WITNESS:
- 8 So what we talked to him about was the
- 9 incident in Dallas County where the poll watcher had a
- 10 certificate that -- of appointment and had a
- certificate that they had been trained, but they didn't
- 12 have to show an ID they were the same person on those
- 13 certificates. So he wondered if maybe an ID
- 14 requirement for poll watchers should be added to the
- 15 code. And we told him that was his choice. But, you
- 16 know, that's an incident that we had with a poll
- 17 watcher that blew up into a confrontation that probably
- 18 didn't need to happen.
- 19 BY MS. PERALES:
- 20 Do you know where the precinct was located
- 21 in Dallas County?
- 22 A. I don't.
- 23 Q. Do you know if the poll worker and the poll
- 24 watcher were of different races?
- 25 A. I don't know.

- Rovce West. Α.
- 3 Now I will take a deep breath and I will put my question on the record. My question is what

- communications if you could describe the substance of
- 6 the communication with Senator West's office regarding
- 7 making changes to SB 1's provisions related to poll
- 8 watchers?
- 9 MS. HUNKER: I object on legislative privilege
- 10 grounds. I represent Senator West for the purposes of
- 11 protecting his privilege today. On behalf of Senator
- 12 West I object to that on the basis of legislative
- 13 privilege. It's wholly inappropriate for this question
- 14 to be asked at all given the pending appeals to which
- 15 we are all a party. We vehemently disagree with the
- 16 district court's decision to permit this kind of
- 17 questioning while we await a decision from the Fifth
- 18 Circuit. Nonetheless the district court has wrongly
- 19 made clear that attorneys who raise these objections
- 20 face the possibility of contempt. We have a duty to
- 21 our clients to protect their privileged information.
- 22 Because of the district court's orders and threat we
- 23 cannot instruct the witness not to answer this
- 24 question. However, the State Defendants and Senator
- 25 West reserve all rights to challenge this improper

- MS. HUNKER: Objection, form.
- BY MS. PERALES:
- 3 Q. When you say that you told Senator West
- that it was ultimately up to him whether he wanted to
- 5 propose such a change, did you make a recommendation
- 6 either wav?

- 7 MS. HUNKER: I'm going to object on legislative
- 8 privilege grounds.
- 9 BY THE WITNESS:
 - A. No.
- 11 MS. PERALES: I will give you your fully
- 12 expressed objection.
- 13 MS. HUNKER: Thank you.
- 14 THE WITNESS: Sorry.
- 15 BY THE WITNESS:
- 16 A. No.
- 17 BY MS. PERALES:
- 18 So having recalled that discussion with
- 19 Senator West related to poll watchers, do you recall
- 20 having any discussions with any other members of the
- legislator or legislative staff about changing any of 21
- 22 the language in SB 1 related to poll watchers? Anybody
- 23 else besides Senator West?
- 24 A. No, that was -- that would be the only one.
- 25 Then so just to see if I can jog your

Page 17 Page 19 Q. (BY MR. STEWART) Cleaning that up a second, A. So TEAM is, first of all, it is the 2 Java-compliant electronic database of voters in Texas, 2 so what's the difference between counties that use TEAM so that's -- that's its main function, but it also has directly and counties that use an offline system? 4 4 within it candidate management portions, candidate MR. JEFFREY WHITE: Objection, form. 5 filing, and also has an election night reporting 5 A. So the online counties are the counties that use TEAM for their election management, they use it for 6 function, as well as the ability to canvas the election 6 7 returns within the TEAM system and advance the 7 the voter registration, and, whenever they get a voter candidates through from filing, to primary, to primary registration application, they will enter it directly runoff, to general election. 9 into TEAM and it's in TEAM in realtime. 10 10 Offline counties, they will have their Q. So how many offline counties are there? 23 23 ballot by mail applications or carrier envelopes that A. I'm not sure at the exact time. I believe 24 were not included in the TEAM database production in 24 there's 38, currently. 25 this case? 25 Q. And do they tend to be larger or smaller, or Page 18 Page 20 1 A. No. 1 have any specific characteristics? 2 MR. JEFFREY WHITE: Objection, form. 2 MR. JEFFREY WHITE: Objection, form. 3 3 A. You -- you should have all of those. A. Generally, it's the larger counties in Texas 4 Q. (BY MR. STEWART) Okay. Do a field -- does a by population. 5 field or fields exist in the TEAM database to track the Q. (BY MR. STEWART) Okay. And then can the TEAM database be used to track acceptance or rejection of 6 acceptance or rejection of applications for absentee 7 ballot carrier envelopes by mail? ballots by mail? A. Yes. 8 A. There are -- I mean, there's functions in the 8 9 TEAM database to track that activity. Q. I'm going to show you what's tagged 10 10 "State087299", this will be Exhibit 2. Q. And what are those functions? 11 11 A. The -- you just enter application received, (Plaintiff's Exhibit No. 2 was marked for 12 12 identification.) and the TEAM system will record application received. 13 13 Q. Does it record whether an application is MR. STEWART: Sorry, Jeff. 14 14 accepted or rejected? Q. (BY MR. STEWART) Are you familiar with this 15 A. It does. 15 email? 16 16 A. I am. Q. Does it record the reason for that acceptance 17 17 Q. And what does this email show? or rejection? 18 18 A. It shows the total number of ballots cast in 19 19 Q. Who enters that information? the Republican and Democratic primary on March 1st, as 20 well as the total number of mail ballots and mail 20 A. County election officials. 21 Q. 1 counties to apply to vote for Ballot by Mail.

Q. Do you know how election officials established 2 3 that a voter who sent in this ABBM form was a registered

voter in their county? 4

11

13

MRS. HUNKER: Objection, form, ambiguous and vaque.

A. Generally speaking, I think the counties would look at the information that's on this form and confirm

that that person is a registered voter in their county

10 in the part -- as they process the application form.

Q. (By Mrs. Yun) And this form does not require the 12 voter to put down their ID number or their -- or the last four digits of their social security. Correct?

A. That's correct. 14

O. Okay. 15

16 (Exhibit Number 3 was marked.)

17 Q. (By Mrs. Yun) I'm handing you what's been marked 18 as Exhibit 3. Do you recognize this document?

19 A. Yes. It appears to be a modified version of our 20 form, but it's -- it's a modified version of our form,

21 but it's not our official form, no.

22 Q. Okay. If you look at the second page, it says,

23 Prescribed by Secretary of State 12/17. So prescribed

24 by Secretary of State does not mean that's your official

25 form?

A. No. If they're modifying -- if a county modifies

our forms, they're supposed get pre-approval from our

office for modifying it. I don't know whose form this

is. We also instruct that they take off the prescribed

language because it's not our official form at that

point. So I don't know whose form this is.

Q. Yeah, so that language should not be there,

Prescribed by the Secretary of State?

A. We generally tell our counties that if they're

modifying an official form, they have to get

pre-approval. We usually tell them to remove the

prescribed by language and say approved by. Some

counties are better at doing that than others, but this

form, it looks like our carrier, but I don't know whose 14

15 version it is.

O. Okay.

16

24

17 A. It's different than what we prescribed in 2017.

Q. I see. So the carrier envelope that was -- the

official carrier envelope, which is not this, before

December 2021, that official form did not require the

voter to put down their ID number or the last four

22 digits of their social. Correct?

23 A. That's correct.

> Q. Okay. So let's move on to talk about mail voting requirements under SB1, not previous to SB1. What is

Page 36

1 your office's interpretation of SB1's requirements with

2 regards to voters who provide the last four digits of

3 their social security number even though they have a

4 driver's license number?

5 A. Could you repeat that question again?

6 O. Sure.

7

10

A. And if I may interrupt? Can we mute somebody?

8 Okay. Go on, I'm sorry.

9 Q. Yes. So what is your office's interpretation of

SB1's requirements for voters -- with regards to voters,

11 mail voters, who provide their -- the last four digits

of their social security number on their mail ballot

13 materials even though they have a driver's license

14 number?

15 MRS. HUNKER: Objection, form, calls for a

legal conclusion, vague, ambiguous. 16

17 A. What do you mean by interpretation? As to what

18 aspect of that?

19 Q. (By Mrs. Yun) Well, so if a county said -- so I

20 guess we can take the interpretation part out of the

21 question.

23

22

Q. Let me try again. So if a county asks, Okay, we

24 have an ABBM from a voter who put down the last four

digits of their social security number on their ABBM and

Page 37

nothing for their driver's license number, but our voter

registration system -- voter registration database shows

both their driver's license number as well as the last

four digits of their social. Do we accept this ABBM

even though they did not put down their driver's license

6 number and they only put down their social security

7 number?

8

9

10

11

19

22

23

A. As long as --

can answer.

MRS. HUNKER: Objection, form, vague,

ambiguous, compound, calls for a legal conclusion. You

12 A. As long as they -- the number that the voter

provided matches what's in the voter registration

record, we would instruct the county to accept that ABBM

15 as long as it -- the application was otherwise valid.

Q. (By Mrs. Yun) So -- okay. Understood. Would it 16

17 be permissible for your office to instruct counties to 18

do something other than accept it as long as it's valid otherwise in the future?

20 MRS. HUNKER: Objection, form, calls for 21 legal conclusion. You can answer.

A. I don't understand the question. I'm sorry.

Q. (By Mrs. Yun) Sure. So I think my understanding

is that you're saying that as long as their last four

digits of social matches what they have on the voter

- 1 BY THE WITNESS (resuming):
- 2 A I think that the instruction on the form state what --
- 3 states what the law requires that it state.
- 4 Q So do you agree that it's misleading or do you not
- 5 agree that it's misleading?
- 6 A I think that it states what the law requires. That's
- 7 -- that's all I can put on the form.
- 8 Q Did your office consider any changes to these
- 9 instructions during the general election period?
- 10 A No, because there have been no subsequent legislative
- 11 sessions that would have given us the ability to change the
- 12 language.
- 13 Q Understood. Thank you. And for the carrier envelope
- 14 -- well, I'll mark this and make sure it's in English. Exhibit
- 15 Number 5 is being handed over here. Can you tell me what this
- 16 document is?
- 17 A This appears to be a printed copy of the text of a
- 18 ballot-by-mail envelope, what we refer to as the carrier
- 19 envelope.
- 20 Q And what version is this as far as you can tell from
- 21 the first page?
- 22 A This is the one that was revised and issued in July
- 23 2022.
- 24 Q So what changes were made during that iteration of
- 25 this form?

Page 28

- 1 number is not associated with your record, you have to put the2 other number down, have you heard -- have you heard about other
- 3 voters who have the same issue during the period leading up to
- 4 the general election?
- 5 A I can't think of a specific scenario, but I do recall
- 6 my -- my team reporting to me that they did have a handful of
- 7 calls related to that issue, but not -- not as many as they did
- 8 in the primary election.
- 9 Q And so it appears that this Ms. Martinez, the managing
- 10 attorney, responded and asked Ms. Martin to have her daughter
- 11 contact your office; is that right?
- 12 A That's correct.
- 13 Q Do you -- does your office have any other plans to
- 14 address -- address this issue of people having put the number
- 15 that is not associated with their registration record?
- 16 MS. HUNKER: Objection to form.
- 17 BY THE WITNESS (resuming):
- 18 A I mean, I -- I don't think we're going to make any
- 19 changes or consider any changes to our documentation until we
- 20 get through the legislative session.
- 21 Q Okay. So absent any legislative changes, do you have
- 22 any plans to address it in any other way other than asking the
- 23 voter to call and offer help that way?
- 24 MS. HUNKER: Objection to form.
- 25 BY THE WITNESS (resuming):

Page 27

- A If I recall, there were two changes that were made to
- 2 the form: First was to modify the oath of assistance on the
- 3 form as a result of some litigation that indicated certain
- 4 statements had to be removed; and then the second change was to
- 5 add some color to the box on the inside where it contains the
- 6 personal identification numbers. In the original issuance of
- 7 this form, that -- those boxes were in black I ke all of the 8 other boxes on here, and to draw attention to it, we put those
- 9 boxes in red.
- a poxes in red.
- O Q Okay. Did your office consider any further changes to
- 11 this carrier envelope other than those two changes that you
- 12 mentioned?
- 13 A Everything that's on here is set by statute, and so
- 14 we're very limited in what we can modify and we're also limited
- 15 space-wise.
- 16 Q So the box being in red, that was okay to modify.
- 17 A There wasn't anything in statute that indicated the
- 18 box had to be a certain color, and we were taking the
- 19 opportunity, since we had to make changes regarding oath of
- 20 assistance, to do something to draw a little bit more attention
- 21 to that box based on feedback from counties and voters.
- 22 Q I want to circle back briefly to what we spoke about
- 23 on Exhibit 4, which is the E-mail about ABBMs. My apologies.
- 24 So this problem of putting one of the two ID numbers down and
- 25 then being told that, like, actually, you have to put that that

- Page 29 A I mean, I -- I would say that because -- as far as
- 2 modifying the forms itself, because everything is set by statute
- 3 and there's not a lot of real estate left to do anything else or
- 4 provide supplemental instructions -- you know, we are bound by
- 5 what the law tells us we can put on these forms, and then beyond
- 6 that, if there's any -- any other efforts that we would undergo,
- 7 again, I'm not really in the position right now to make those
- 8 kinds of policy calls.
- 9 Q Okay. And that's because you're in an acting position
- 10 as opposed to a permanent position?
- 11 A That's correct.
- 12 Q Okay. And as the legal director, you would consult
- 13 with the elections director to brainstorm any solutions; is that
- 14 right?
- 15 A That's correct.
- 16 Q And do you have any ideas as -- with your
- 17 legal-director hat on, do you have any ideas as to what else
- 18 your office might do other than helping these voters
- 19 individually on the phone?
- 20 MS. HUNKER: Objection, form.
- 21 BY THE WITNESS (resuming):
- 22 A I would say that we currently do quite a bit of
- 23 training with our election officials and with our ballot boards.
- 24 We provide training to them on what the corrective -- corrective
- 25 action requirements are and we work with counties pretty broadly

1 MS. HUNKER: Objection to form.

2 BY THE WITNESS (resuming):

A Again, I don't know -- I don't know what results in

- 4 that reduction. All I know is that we're going to make sure
- 5 that we're doing our part to make -- to train on what the law is
- 6 and what those requirements are and what opportunities are
- 7 available to make corrections or to remedy those rejection
- 8 issues. I don't want an election official or ballot board
- $9\,$ member to be in a position of not knowing what those options
- 10 are, but that's the most that I can do.
- 11 Q Okay. Do you believe that there will be reductions in
- 12 general in -- okay. Let me try it again. Do you believe that
- 13 there will be any further reduction in mail-ballot rejections in
- 14 future elections?
- I5 A I -- that, I don't know. I -- I -- I don't recall the
- 16 actual rejection rate in November, but I remember that it was
- 17 pretty consistent with what we had seen in previous years prior
- 18 to the corrective-action process being in place -- or the ID
- 19 requirements being in place. So I remember it was relatively
- 20 consistent with what we had in the past. I can't really
- 21 speculate on future elections because I don't know what the laws
- 22 are going to be going forward. I -- I don't know what changes
- 23 there might be that could -- that maybe are unrelated to this
- 24 issue but could impact rejection rates.
- 25 Q Okay. Absent any further legal changes, do you have

Page 66 1 A Yes.

2 Q So you said it would depend on the budget and it would

Page 68

- 3 depend on sort of your discussions with her?
- 4 A Uh-huh. And -- and I have to throw this in: And I
- 5 imagine any other subsequent law changes --
- 6 Q Yes.
- 7 A -- that are -- that could impact the campaign.
- 8 Q Right. So you also don't know whether it will be more
- 9 or less compared to what happened leading up to the November 10 election.
- 11 A Correct.
- 12 Q So you testified that you don't really know exactly
- 13 what would drive rejection rates down. I'm just going to apply
- 14 that same principle to voter education and ask you the same
- 15 question just for the sake of completeness. So do you expect
- 16 that further voter education would drive down mail-ballot
- 17 rejection rates in the future?
- 18 A Again, I -- you know, I don't know the answer to that.
- 19 I'm not -- that's -- that's not my area of expertise, and I just
- 20 don't know what kind of data would -- we can look at that would
- 21 give us a sense. I -- I think there's a lot of factors that --
- 22 that impact rejection rates.
- 23 Q Okay. What do you believe led to the reduction in the
- 24 rejection rates between the March primary and the November
- 25 general election in terms of mail ballots?

Page 67

- 1 any predictions as to what's going to happen to the rejection 2 rate?
- 3 A I really don't. I don't know. I'm sorry.
- 4 Q It's okay. So moving on to voter education as opposed
- 5 to training of county officials, does your office intend to
- 6 conduct more -- any more voter education concerning SB1's
- 7 mail-ballot requirements in the future?
- 8 A So I don't know the answer to that. I'm not the
- 9 person that makes decisions on our voter-education campaign.
- 10 That's our communications director who just left and we have a
- 11 new one starting --
- 12 Q Okay.
- 13 A -- so I imagine I'll be working with that new
- 14 communications director to map out what we can and can't do and
- 15 what we have a budget for.
- 16 Q I see. And who's the new communications director?
- 17 A Her name is Alicia Pierce, and she has not started
- 18 yet --
- 19 Q Okay.
- 20 A -- so don't scare her away.
- 21 Q I just read a lot of E-mails from Mr. Taylor, so --
- 22 A Sure.
- 23 Q -- you know, I've never met him, but I just...
- 24 A You feel I ke you know him.
- 25 Q Exactly.

Page 69

A I mean, again, I don't really know that I can point to

- 2 any one thing. I think there's a number of factors that
- 3 contribute to that. Anytime there's a change in the law, it
- 4 takes a few elections for voters to get used to that change. I
- 5 think our county election officials were very aggressive after
- 6 the primary -- or even during the primary in educating people on
- 7 those changes.
- 8 I also think that our county election officials did
- 9 something pretty brilliant with respect to the ID number
- 10 requirements. You know, one -- one of the things that we talked
- 11 about with our counties is that if somebody submitted an ABBM or
- 12 a carrier envelope that was missing an ID number or they
- 13 realized that the voter didn't have both numbers in the
- 14 statewide voter registration system, in TEAM, they didn't just
- 15 focus on correcting it for that election. They were --
- 16 everybody was pretty aggressive about getting those folks to
- 17 submit a new voter registration application or go online to get
- 18 that update, and so we have more complete records, because that
- 19 is a viable cure option is updating your voter registration
- 20 record with that -- with that number.
- 21 And so rather than just doing a cure for the one election,
- 22 I think they were pretty good about looking at the bigger
- 23 picture. And so if -- you know, they would -- they would help
- 24 facilitate that change, get that information to voters, which is
- 25 one of the things that we educated on, and I think the counties

Department, including the witness that's about to 2 testify. MR. SCHUETTE: Jason Schuette, 3 assistant district attorney for Dallas County 4 5 assisting Mr. Stool. 6 (Oath administered.) THE VIDEOGRAPHER: Ms. Phillips, there's a microphone there, if you could attach it. 8 9 Thank you.

this, I want to read into the record the discovery 11 production we have already done concerning complaint 12 books, voter assistance complaints, poll watcher 13

MR. STOOL: Before we get started with

14 complaints, general complaints, that the elections

department has that we referred to Mr. Scarpello's 15

testimony. 16

10

17 Okay. Complaint books from 2016 to 2020,

Bates numbers MS009125 through MS012093 and then 18

MS014094 through MS015460. They were responsive to 19

20 plaintiff's first set of requests for production in

21 numbers 9 and 11 produced on March 7th of 2022.

22 Now, general November complaints and

primary and primary runoff complaints, Bates numbers 23

MS018637 and MS018638, responsive to plaintiff's

first requests for production number 11 produced on

Q. Ms. Phillips, good afternoon. 1

2 A. Good afternoon.

Q. Would you please state your name for the

C

4 record?

3

5 A. Tacoma Phillips.

6 Q. And now I know you've had your deposition

taken before because you and I were together last

year. So I'm just going to go briefly over the

ground rules. 9

10 Do you understand that you are under oath?

11

Q. And do you understand that the oath that 12

vou have taken to tell the truth is the same as if

you were testifying in a courtroom before a judge? 14

15 A. Yes.

16 Q. Is there anything that would prevent you

from giving me your full attention and responding

accurately today, such as illness or taking a

medication that makes you fuzzy? 19

20 A. No.

Q. Is there anything else that might prevent

you from understanding my questions or answering 23 them fully? 24 A. No. 25 Q. You can take a break at any time. I would

1 A. Yes.

- 2 Q. If you received a carrier envelope, say you
- 3 had sent a notice of rejection and then no cure
- comes, it just -- you know, you send the carrier
- 5 envelope back, otherwise don't receive it back, or
- you've sent an e-mail, phone call, don't hear back
- from the voter, would you then send a second notice
- when the ballot was finally rejected because it was
- not cured? 9
- 10 A. The ballot board sends a notice of a final
- 11 rejection letting the voter know their ballot was
- 12 rejected because for this reason.
- 13 Q. How is that sent to voters?
- 14 A. By mail.
- 15 Q. By mail. Is that process the same after
- 16 SB1 as it was before SB1?
- A. For the ballot board, I guess, yes. I'm 17
- 18 not sure
- Q. Okay. Do you know how we could find out? 19
- A. About the ballot board? 20
- 21 Q. About basically is the notice that was sent
- 22 a final rejection the same before SB1 went into
- 23 place and after?
- 24 A. Yeah, ask the ballot board judge.
- 25 Q. I am going to ask you to pick back up

1 your Social Security number," and four blanks for

- 2 that.
- 3 Do you see where I am?
- 4 A. Yes.

10

- 5 Q. Does that direction to provide a Social
- Security number if you do not have a driver's
- license, personal identification number or election
- identification certificate number accurately reflect
- 9 how you evaluated ABBMs?
 - MS. HUNKER: Objection; form.
- 11 A. Say that again.
- 12 BY MR. STEWART:
- 13 Q. So I guess what I'm asking is, would you
- only accept an ABBM that listed the last four of an 14
- 15 SSN if the voter did not have a Texas driver's
- 16 license, Texas personal identification number or an
- 17 election identification certificate number?
- 18 MS. HUNKER: Objection; form.
- 19 A. Repeat that again, please.
- BY MR. STEWART: 20
- 21 Q. Sure. Maybe I'll ask it in a different
- 22 way.

79

- 23 If in your voter registration database it
- 24 showed that a voter had a Texas driver's license
- number and an SSN four, and on an ABBM the voter

- 1 Exhibit 10, which Ms. Perales handed you. It's that
- 2 same spreadsheet.
- 3 I know you testified you weren't familiar
- with this document specifically, but if you look 4
- 5 back on page 10 where Ms. Perales had you directed
- before, the image you see with the highlighting on
- it, does that accurately look I ke an ABBM to you,
- or at least a portion --
- A. ABBM application?
- Q. A portion of an ABBM. 10
- 11 A. Yes.
- Q. Do you see where under where it says, "You 12
- must provide one of the following numbers," there's 13
- some highlighted language and the blanks to provide
- ID numbers? Do you see that? 15
- 16
- 17 Q. You'll see the first paragraph says, "Texas
- driver's license, Texas personal identification 18
- number, or election identification certificate 19
- 20 number issued by the Department of Public Safety,
- not your voter registration VuID number." And then 21
- 22 after that it says, "If you do not have a Texas
- 23 driver's license, Texas personal identification
- 24 number or a Texas election identification
- certificate number, give the last four digits of

1 entered only their SSN four, would you still accept

- that ABBM?
- A. Yes.
- Q. So does this language to provide the last
- digits of the Social Security number if you do not
- have a driver's license number seem accurate?
- 7 MS. HUNKER: Objection; form.
- 8 A. Seem accurate for?
- 9 BY MR. STEWART:
- 10 Q. As a direction to a voter.
- 11 MS. HUNKER: Same objection.
- A. I can't answer for the voter. 12
- 13 BY MR. STEWART:
- 14 Q. Do you think it might mis- -- let me
- 15 rephrase it, then.
- 16 Did you hear from any voters who seemed to
- 17 be misled by that language?
- 18 A. Yes.
- 19 Q. And what did you hear from those voters?
- A. We heard from the voter if they gave us
- their Texas ID number, if they're older and don't
- drive anymore but on file they still have just their
- driver's license number, then -- and they also have
- 24 on file voter registration record their Social
- Security number but they did not provide it, then it

1 says you -- you told me "or," and I was, like, yes,

- 2 I understand what the application says, but we need
- 3 to have what you have on file.
- Q. Approximately how many voters did you hear
- 5 from with a complaint like that?
- A. I can't give you an approximate number, but
- 7 I can give you -- let's say a lot.
- Q. A lot? 8
- 9 A. Uh-huh.
- 10 Q. Would that be over a hundred?
- 11 A. I wouldn't -- I wouldn't say me. I could
- 12 say my staff, answering the telephone calls, we
- might have gotten over a hundred. I don't know 13
- 14 because I -- I wouldn't know.
- 15 Q. Sure.
- 16 A. I do -- I can give you one example of a
- 17 voter that I do remember, a son calling in for his
- father. And he put just the -- his Texas ID because
- he no longer drives, and he didn't put his last four
- 20 digits of his Social Security number. And he had
- his old driver's license number and his Social
- 22 Security number on the voter registration record,
- 23 but he had a different one, and so it was a
- 24 mismatch. So we had to reject it. And so he called
- 25 us and he was a little angry. But we were able to

- Q. Did that happen at all with military or
 - 2 overseas voters?
 - A. Not that I know of. Military overseas
 - 4 voters, they're used to putting their driver's
 - 5 license because it's -- and their Social Security
 - number because that form asks for that information.
 - 7 So we have -- we did not have any problems for the
 - UOCAVA voters.
 - MS. PERALES: And that is UOCAVA,
 - 10 U-O-C-A-V-A.

9

- 11 A. I apologize. Thank you for saying that.
- 12 BY MR. STEWART:
- 13 Q. Thank you.
- 14 And then as a final topic. I know you
- 15 discussed the ballot tracker a bit with Ms. Perales,
- 16 the online ballot tracker, that is. And if I recall
- 17 right, you discussed with Ms. Perales issues about
- 18 voters who could not log into the ballot tracker.
- 19 Is that right?
- A. Yes. 20

83

- 21 Q. Did you hear from any voters who attempted
- 22 to use the ballot tracker to cure mail ballot
- materials and were able to log in but weren't able
- to complete the cure once they were in?
- A. I don't recall completely. So when they 25

1 guide him through to get it fixed. But, yes, we did

- 2 get a lot of that, yes.
- Q. Okay. You can put that document aside now. 3
- 4 Do you have a lot of direct communication
- 5 with voters in your job?
- 6 A. Yes.
- 7 Q. Did you or, you know, did your staff report
- 8 to you hearing from voters who said they did not
- plan to vote by mail in November 2022 because they
- couldn't conform to these requirements? 10
- 11 A. Are you asking if they called us
- 12 specifically and say: I'm not going to vote by mail
- 13 because of this reason here?
- 14 Q. I can start with that question, sure, if
- 15 you've heard from anyone like that?
- 16
- 17 Q. Was there any who once you started trying
- to explain the ID number requirements jumped off of
- 19 the process?
- 20 A. Yes.
- 21 Q. How about how many did that happen for?
- 22 A. Quite a few. I don't -- I can't give you a
- 23 direct number, but, yes, quite a few.
- 24 Q. Did they tend to be older voters?
- 25 A. Yes.

1 log in, completely cure. What do you mean by that?

- Q. So if they had a -- let's say ABBM as an
- 3 example. If they had an ABBM rejected for an ID
- 4 number, a missing ID number, and they log into the
- 5 ballot tracker, they're able to get in, but then
- 6 they're not actually able to complete the cure, so
- 7 the problem is not one of access to the ballot
- 8 tracker but just the ability to use it to complete
- 9 the cure, did you have any voters descr be an issue
- 10 like that to you?
- 11 A. Not that I can recall.
- 12 Q. Okay. You are -- and by "you," I mean
- 13 Dallas -- are an offline county for the voter
- 14 registration database, correct?
- 15 A. Correct.
- Q. Were you aware of any issues with your
- 17 offline database communicating with the TEAM
- 18 database for the -- for the general election cycles?
- 19 So that's only sort of following the May runoff,
- 20 communicating data between the two to -- for voter
- 21 registration records?
- 22 A. That would be a question for the voter
- 23 registration manager.
- 24 Q. Okay. That's fine.
- 25 MR. STEWART: With that, I will pass

1 voters' information in the system, in your voter

2 registration system.

3 Did you observe that fewer voters did not

- 4 have any ID number in the system whether that be a
- 5 Social Security number or a Texas ID number in the
- 6 November 2022 general election as compared to the
- 7 previous elections?
 - A. I think it's maybe about the same. I don't
- 9 think it's -- there's a big -- a big difference in
- 10 that
- 11 Q. Did you observe fewer voters with only a
- 12 Social Security number or Texas ID number in their
- 13 voter registration file but not both in the November
- 14 election as compared to the prior elections?
- 15 A. It's about the same.
- 16 Q. Okay. And do you know whether fewer voters
- 17 failed to put down their ID number at all when
- 18 submitting their application for ballot by mail or
- 19 their carrier envelope?
- 20 A. Say that again.
- 21 Q. Sure. Did you observe that fewer voters
- 22 failed to put an ID number down at all on their
- 23 application for ballot by mail or their carrier
- 24 envelope in the November 2022 general election
- 25 compared to the primaries?

1 paid attention to, will be my question.

- A. If it was a voter who -- it might have been
- 3 a new voter who failed to put in their information,
- 4 and they would have to go to the ballot tracker. So
- 5 it would be about the same. Because if you have a
- 6 voter from the beginning in -- in the primary who
- 7 went ahead and cured their ballot, then they
- 8 wouldn't have the problem -- the same problem. So
- 9 you have a new voter who have that same problem
- 10 versus an old voter.
- 11 Q. So that actually is -- you bring up an
- 12 interesting point. Did you notice that once a voter
- 13 had gone through -- had a notice of defect and gone
- 14 through the cure process, that they no longer had a
- 15 difficulty in the subsequent election?
- 16 MR. STEWART: Objection; form.
- 17 BY MS. HUNKER:
- 18 Q. Let me rephrase that.
- 19 As compared to the general electorate, did
- 20 you notice that voters that had gone through the
- 21 cure process after receiving their notice of defect
- 22 were less likely to have a mismatch or missing ID
- 23 number in the subsequent elections?
- 24 MS. PERALES: Objection; foundation.
- 25 MR. STEWART: Objection; form.

1 A. It's about the same.

- 2 Q. And did you at any point do an assessment
- 3 to compare those numbers?
- 4 A. No.
- 5 Q. Are you aware that the Secretary of State's
- 6 office harvested ID numbers, both Texas ID numbers
- 7 and Social Security numbers, from DPS?
- 8 A. Yes, I've heard they did.
- 9 Q. Did you observe whether or not the number
- 10 of voters who did not have ID numbers in the system
- 11 declined after that harvesting took place?
- 12 A. I did not notice.
- 13 Q. Is that something you just didn't pay
- 14 attention to or. . .
- 15 A. It's something I didn't pay attention to.
- 16 Q. And so you ta ked a little bit with counsel
- 17 about logging into the ballot tracker. Do you
- 18 recall that conversation?
- 19 A. Yes.
- 20 Q. Did voters have, based on your experience,
- 21 fewer issues logging into the ballot tracker in
- 22 November 2022 compared to the primary?
- 23 A. No, it was about the same.
- 24 Q. Is that something that you paid attention
- 25 to, or is it that something -- is it something you

1 BY MS. HUNKER:

- Q. You can answer.
- A. Well, let me put it this way. You have a
- 4 voter who voted in the primary election who filled
- 5 out the application perfectly, the carrier envelope
- 6 perfectly. Then come back in November and failed to
- 7 put their information on their carrier envelope, and
- 8 so it was rejected. So you will have that. So you
- 9 will have the voters who are not used to this form
- 10 or filling out -- putting this information in, and
- 11 so they're being rejected. So. . .
- 2 Q. Did you observe less voter confusion
- 13 regarding the ID number requirements for ballots by
- 14 mail in the November 2022 general election as
- 15 compared to the prior elections, the primary or May
- 16 local?
- 17 A. No, same thing, is if -- if we did get a
- 18 call like a voter confusion, it's a voter who is
- 19 filling out the application for the first time, a
- 20 new applicant. So you're still having the same
- 21 problems.
- 22 Q. Did you talk voters through the ballot
- 23 tracker, using the ballot tracker?
- 24 A. Yes.
- 25 Q. And did you talk voters through adding

PROCEEDINGS 1 2

THE VIDEOGRAPHER: This is the

3 deposition of Michael Scarpello, Dallas County

Elections Administrator, in the matter of La Union

5 Del Pueblo Entero, et al., vs. Gregory W. Abbott, et

6

7 Our location is 500 Elm Street, Dallas,

8 Texas.

9 Today's date is April 13, 2023. The time

10 is 10:20 a.m.

11 My name is Kristen Geoffrion.

12 Would all persons present please introduce

13 themselves for the record.

14 MS. PERALES: Nina Perales for

15 plaintiffs, Lupe, et al.

16 MR. STEWART: Michael Stewart for the

United States. 17

MS. HUNKER: Kathleen Hunker with the 18

Office of the Texas Attorney General representing 19

State defendants as well as individual legislators. 20

21 MR. STOOL: Ben Stool, Criminal

District Attorney's Office of Dallas County, Texas, 22

23 representing Defendant Michael Scarpello, the

24 Elections Administrator of Dallas County, Texas.

25 THE WITNESS: Michael Scarpello. 1 A. Yes.

2 Q. -- in front of a judge?

3 A. Yes.

4 Q. Is there anything today that would prevent

5 you from giving me your full attention and

responding accurately such as illness or medication?

7 A. No.

8 Q. Is there anything today that would prevent

you from understanding my questions and answering

them fully?

11 A. No.

12 Q. This is your deposition. If you need to

13 take a break at any time, please ask. And my only

request is that if there is a question out on the 14

15 table, that you answer the question before we take

16 the break.

17 A. Okay.

18 Q. Counsel may make objections, but unless you

are instructed not to answer, generally, you will go 19

20 ahead and answer the question and the objection will

21 simply be made for the record. Okay?

22 A. Okay.

23 Q. Because the court reporter cannot take down

words when people are speaking simultaneously, I

will ask you to wait for me to finish my question

MICHAEL SCARPELLO, 1

2 having been first duly sworn,

testified as follows:

4 **EXAMINATION**

BY MS. PERALES: 5

6 Q. Good morning, Mr. Scarpello.

7 A. Good morning.

8 Q. I'm going to have to ask you to state your

name again for the record now that you're sworn in.

10 A. Michael Scarpello.

11 Q. And what is your title?

A. I'm the elections administrator for Dallas 12

13 County.

3

14 Q. And I know that you have had your

deposition taken before. I believe we may have 15

deposed you twice last spring. 16

17 A. I think so.

Q. So I will go over the ground rules quickly 18

just as a refresher, if that's all right with you. 19

20

21 Q. Do you understand that you are under oath?

22

Q. Do you understand that the oath that you 23

have taken to tell the truth today is the same oath 24

that you take when you testify in court --

1 before you start your answer, and I will wait for

2 you to finish your answer before I start my next

question. Is that okay?

A. Yes.

7

5 Q. It's important for you to make your answers

out loud because the court reporter cannot take down

head nods or shrugs. So will you agree to make your

answers out loud?

9 A. Yes.

10 Q. He's humorous now. Let's see where he is

11 in a couple of hours.

If you don't understand the question, 12

13 please ask me to rephrase it for you. Can you agree

to that? 14

15 A. Yes.

16 Q. Now, with respect to information, I'm

entitled to your best estimate, but I don't want you 17

18 to guess. Is that okay?

19 A. Yes.

20 Q. And then, finally, do you have any

21 questions about the deposition before we begin?

22 A. No.

23 Q. I would like to cover some definitions with

24 vou.

25 A. Okay.

82

1 A. Yes.

- 2 Q. Was it -- was that number who were hired
- 3 about the same between the primary and the general?
- 4 In 2022. I'll specify.
- 5 A. I would imagine it's higher in the general
- 6 because of the higher number of ballots.
- 7 Q. Comparing it this year with prior generals,
- 8 do you know whether it was about the same?
- 9 A. Considerably smaller. In prior elections,
- 10 the mail ballot process was a completely
- 11 paper-driven process, and there was literally one --
- 12 100, 150 people working on mail ballots as far as
- 13 the signature verification. They were comparing
- 14 paper applications to paper registrations to paper
- 15 carrier envelopes, et cetera.
- 16 When I came in, we digitized that process.
- 17 It's now all electronic. And so there's -- the
- 8 early -- the voting ballot board or the signature
- 19 verification committee, for instance, instead of
- 20 hauling papers around the office, they're just
- 21 looking at a computer screen, comparing two
- 22 signatures side by side. So the entire process has
- 23 gone from 125 people to a dozen people.
- 24 Q. I see. And the digitization is what allows
- 25 you to reduce that amount of hiring?

- A. I think we will continue to look at ways
- 2 within the law to try to educate people and then --
- 3 you know, to prevent them from making those mistakes

84

85

- 4 as well as to try to cure the -- after they make
- 5 those mistakes, including changing the legislation.
- 6 I mean, that -- that -- that's part of the problem,
- 7 that it's very difficult to cure right now.
- 8 Q. What is making it difficult to -- what is
- 9 making it difficult to cure?
- -
- A. So you have an 80-year-old woman who is
- 11 voting by mail, and she is in a nursing home and
- 12 she's voting by mail for that reason because she
- 13 doesn't want to go to a polling place. She'll send
- 14 in her ballot, maybe doesn't fill out the carrier
- 15 envelope properly, and the cure process says, okay,16 person that can't -- can't get out of the nursing
- 17 hama you need to some down to our office to ou
- 17 home, you need to come down to our office to cure.
- 18 It's just -- it's a -- it's a bad law. And there
- 19 are efforts to try to allow them to cure through the
- 20 mail or through -- through, you know, web --
- 21 electronic means.
- 22 Q. Do you anticipate you could ever get the
- 23 number of voters -- the number of eligible voter
- 24 registrars, I should say, who are rejected based on
- 25 the ID requirements down to zero?

1 A. Yes.

- Q. On a slightly different topic, you know,
- 3 you described a number of things, voter education
- 4 efforts, the ballot inserts. Is there anything else
- 5 you office did to mitigate the risks that
- 6 eligible -- elig ble voters would have their ABBM or
- 7 mail ballot rejected because of an ID number issue
- 8 during the general election?
- 9 A. During the general election, no.
- 10 Q. Is there a distinction you're drawing with
- 11 a different election?
- 12 A. With the primary, we had -- because it was
- 13 the first time out, we had -- we had a budget where
- 14 we were going to extraordinary measures to contact
- 15 voters who had problems with their ballots. What we
- 16 saw on the general election is those numbers went
- 17 down considerably.
- 18 Q. Do you think there's -- let me str ke that.
- 19 But I think you testified you believed
- 20 that those numbers are too high, correct?
- 21 A. Yes
- 22 Q. Do you think there's anything your office
- 23 could do beyond what it's done this year, you know,
- 24 across the primary in general to bring those
- 25 rejection numbers down further?

- 1 A. That would be the goal.
 - 2 Q. Do you think it would be possible?
 - 3 A. No.

83

- 4 Q. Do you know -- or have you separated out
- 5 about how much money, you know, your county spent
- 6 implementing specifically the ID number provisions
- 7 of SB1 in the general election?
- 8 A. I don't know that off the top of my head.
- 9 I think that, generally, if I remember correctly,
- 10 last year we got a budget of \$180,000 to -- for
- 11 those educational efforts. No, I -- and I could --
- 12 I'm guessing on that number.
- 13 Q. Is there an additional administrative cost
- 14 as well?
- 15 A. Yes, for the early voting ballot board,
- 16 their -- they have to increase their numbers. Their
- 17 work is increased. And that's paid for by our
- 18 department.
- 19 Q. Got it. But just you don't know exactly
- 20 what that costs?
- 21 A. (Shakes head negatively.)
- 22 Q. I'll ask you, you know, whether this is for
- 23 you or Ms. Phillips, contacting voters whose ballots
- 24 are rejected, would that be better directed to
- 25 toward Ms. Phillips?

86

1 A. I can attempt to answer.

2 Q. Sure. Sure.

3 So for the general election, you know, are

4 you familiar with any voters -- or are you aware of

5 any voters, I'll say, who didn't provide a phone

6 number or e-mail address at which to contact them?

7 A. Yes.

8 Q. And how did you contact them?

9 A. They do it through the mail.

10 Q. Did you attempt to call any voters?

11 A. For the primary last year, we -- we -- I'll

12 just back up for a second.

13 Q. Sure.

14 A. There's no requirement for someone to put

15 their phone number or e-mail address. So we

16 don't -- there's a low percentage of people that

17 provide that information. And so last year, in the

18 primary, we took that list of voters, we went to an

19 outside vendor, we had them match up names to -- to

20 find numbers, and then we made those -- and then we

21 had that outside services make those calls. We did

22 not do that for the general election.

23 Q. Okay. Switching gears a little bit.

24 Were there voters whose mail ballots were

25 received and who would have received their rejection

1 any voters to law enforcement for potential mail

2 ballot impersonation fraud because the ID number on

3 their carrier envelope did not match what was in the

4 voter registration database?

5 A. No.

6 Q. Did you make any other referrals for

7 potential instances of voter impersonation fraud in

8 connection with mail voting?

9 A. Voter impersonation fraud?

10 Q. Well, let's just say voter fraud in

11 connection with -- with mail voting in the 2022

12 general, did you make any law enforcement referrals?

13 A. With mail voting, no.

14 Q. Okay. I believe you discussed with

15 Ms. Perales that you think the rate of mail voting

16 is down this general election compared to previous

17 general elections as a percentage of the overall

18 votes cast. Is that right?

19 A. That's my memory of it, yes.

20 Q. Are you familiar with any communications

21 from voters who said they did not plan to vote by

22 mail for the general election because of the SB1

23 requirements?

24 A. Not that I can recall.

25 Q. Do you think the number of ABBMs was about

1 notice too late to cure?

2 A. Yes

Q. Do you believe that category of voters will

4 always exist?

5 A. Yes.

6 Q. In -- in the general election, were there

7 any military or overseas voters that you needed to

3 contact to cure either an ABBM or mail ballot?

9 A. I would assume so, yes.

10 Q. Do you know approximately how many?

11 A. I don't.

12 Q. Do you know how you contacted them?

13 A. I would assume the same, either by phone,

14 e-mail, or -- or through snail mail.

15 Q. Do you know how many were able to cure?

16 A. I don't.

17 Q. Do you know if there were any for whom, you

18 know, given the timing and challenges of being

19 overseas it just wasn't poss ble for them to cure?

20 A. I don't.

21 Q. Are the means of cure the same for military

22 overseas voters as they are for other voters, you

23 know, voting by mail?

24 A. I believe so. But I'm not sure about that.

25 Q. Okay. For the 2022 general, did you refer

1 the same between this year as previous elections?

A. I just don't recall those -- those numbers.

3 We have them, but I just don't know them off the top

4 of my head.

87

5 Q. No problem.

6 You're an offline county for TEAM

7 purposes, right?

8 A. Correct.

9 Q. And do you still use VEMACS as your vendor?

10 A. Yes, we do. VOTEC is the company. VEMACS

11 is the -- is the product.

12 Q. So VOTECS is the vendor -- VOTEC, excuse

13 me. It's V-O-T-E-C, right?

14 A. Yes.

15 Q. And then VEMACS is the database itself?

16 A. Correct.

17 Q. Were there any -- strike that.

18 Were there any issues communicating data

19 between VEMACS and TEAM during the general election

20 cycle? So that's from May 25th when the runoff

21 ended in 2022 onward.

22 MS. HUNKER: Objection; form.

23 A. I don't recall when, but there were issues

24 of synchronization between VEMACS and TEAM this last

25 year. I just don't recall when that was.

Page 10 Page 12 SAN ANTONIO, TEXAS, TUESDAY, FEBRUARY 28, 2023 Q. Okay. You understand that you're under 1 2 9:10 A.M. oath just as if you were in a court of law as you 3 testify today? 3 4 THE VIDEOGRAPHER: Good morning. We are 4 A. Yes, sir. 5 now on the record. This begins the deposition of 5 Q. And I would ask that if at any time I ask Jacquelyn Callanen in the matter of La Union questions that -- that you don't fully understand, 7 del Pueblo Entero, et al versus Gregory W. Abbot, 7 will you please ask me to clarify it? And I'll do my 8 et al in the United States District Court for the 8 best to do so. 9 Western District of Texas. San Antonio Division. 9 A. Thank you. 10 Civil Action Number 521CV844XR. 10 Q. Okay. Now, how long have you had your 11 Today is February 28, 2023, and the time is current position as Bexar County elections 11 12 9:10 a.m. This deposition is being taken at 12 administrator? 13 112 East Pecan at the request of the Defendant. Now, today you're here as what's 20 deposed previously two times in this case alone; is 20 referred to as a Rule 30(b)(6) witness. Do you have 21 that right? 21 an understanding of what that means? 22 A. Yes. sir. 22 A. No. sir. 23 Q. Generally, as I understand it, you're 23 Q. And about how many times overall have you

24 the -- you're the representative of Bexar County --

A. Oh, okay.

4 Q. Okay. Now, earlier in your testimony you described a -- a process, I believe, whereby mail-in voters, especially over-65 voters, make applications

7 annually?

A. Yes, sir.

9 Q. Okay. Is -- are the amount of the annual 10 applications increasing in Bexar County, say from 23 -- 2023 as compared to 2022?

12 A. No.

13 Q. How -- how are -- is that number moving 14 over time?

MS. CUBRIEL: I'm going to object to --

Q. BY MR. BRYANT: The number of annual applications that you receive in Bexar County --

MS. CUBRIEL: I'm going to object.

Q. BY MR. BRYANT: -- for mail-in voters?

20 MS. CUBRIEL: I'm sorry. I'm going to 21 object because I think you're going beyond the scope 22 of the amended scheduling order, getting too far away

23 from asking her about matters related specifically to

24 the general election that just passed.

MR. BRYANT: You can answer --

1 just -- I can't give you a -- I can't give you a

2 definite answer because there's too many variables.

3 Q. Thank you. Another subject. You had

4 mentioned earlier in your testimony some inserts that

were done. Could you describe more fully for somebody who doesn't understand that what Bexar 6

7 County did --

A. Right. 8

9

Q. -- in 2022 with respect to inserts.

10 A. I'm going to scream if I didn't -- here they are. We -- this went through many iterations of 11

planning. When SB-1 was rolled out, the secretary of 12

13 state wrote an insert for the ballots for us to

14 include in all of the ballots. But it was a complete

15 eight-and-a-half by 11 page with a lot of legalese on

16 it, and in the form, and the voters just didn't read

17 it. They just -- I mean, when you sending them

18 stuff, they're looking for their ballot. They just

19 didn't read it.

20 So, when we had our, like I said,

21 unacceptable high rejection rate, we said, huh-uh,

22 can't do that. So, we said we're going to start with

23 this. And this has gone through, like, three

24 iterations of it. We -- we -- we did -- first, we

25 did one in black and white, and that didn't jump out

Page 55

MS. CUBRIEL: You can answer if you know.

Q. BY MR. BRYANT: You can answer unless she instructs you not to.

A. What came -- what came to mind from your --5 from your question is, the annual applications. We

6 have State-prescribed annual applications. But in

7 the difference of -- and -- and I know we talked

8 about it before, that we refer to it as a last like

9 election. So, if I compare the '18 to '22, the by

10 mail and then the presidential elections are much 11 higher.

12 But please understand that candidates,

13 candidates hire consultants and consultants handle 14 their by mail. And so, the consultants have all

15 become very astute at making their mail ballot

16 applications annual applications.

17 And so, we see a huge influx of annual 18 applications in a presidential year. We see a lot.

19 Then, like I said, a third of them will come in on

20 the governors, the -- the other general. This year, 21 which is the odd year and it's just municipal

22 elections, they're almost nonexistent.

23 I mean, as -- as I -- as I came over today, 24 I looked, we have 854 in with an election coming up

25 next May 6th. So, it -- it -- that's things that

Page 57 1 at them. And then we did one that had duller --2 duller colors on it, and that didn't jump out at them. We did it in -- in May.

4 And by November, we had passed this around 5 to everybody and said, you know, is this going to

jump out at them? And -- and then what we did 6

specifically, and this is sort of a catch-22 because 7 I'm really proud of it, but part of me says, this was

evil Jackie, because we specifically made it small

10 and a quarter sheet so when they pulled all their

11 stuff out of the envelope, this would hopefully fall

12 on the floor so that they had to see it. And --

Q. You tried --

14 A. -- and --

13

19

15 Q. You tried to make it as attention-getting 16 as possible?

17 A. Exactly. Exactly. And we got to a 1.7 18 rejection rate.

Q. Okay. Now --

20 MR. GENECIN: David, I don't want to 21 interrupt the witness, but I would like to request 22 that you mark the document that Miss Callanen has

23 brought as an exhibit.

24 MR. BRYANT: I'll be -- be happy to do

25 that.

1 sites. We -- we were -- we just sort of threw

- 2 everything at it that we could because it was just so
- 3 important.
- 4 Q. Okay. You were describing some media
- 5 outreach and voter education efforts that occurred in
- 6 connection with the November 2022 general election;
- 7 is that right?
- 8 A. Yes, sir.
- 9 Q. Were those efforts that were made
- 10 specifically in and by Bexar County or were they a
- 11 broader effort, or both?
- 12 A. We, the election's office, had our own
- 13 outreach. But again, members of my commissioner's
- 14 court entered into it and they did their own outreach
- 15 for it also, separate and apart from the elections
- 16 office.
- 17 Q. Okay. Could you describe as -- as much as
- 18 you recall, the media outreach that was done to
- 19 educate voters about mail-in balloting in connection
- 20 with the November 2022 general election process in
- 21 Bexar County.
- 22 A. Sure. I mean, we -- we did press
- 23 conferences twice a week. We did, again, outreach
- 24 everywhere we went, every -- every presentation we
- 25 put on, every meeting we went to. We worked with the

- 1 time for a break?
 - 2 MR. BRYANT: Certainly. Let's take a
 - 3 break.

- 4 THE VIDEOGRAPHER: Time is 10:21.
- 5 Correction, 10:28 a.m. and we are off the record.
 - (A brief recess was taken.)
 - THE VIDEOGRAPHER: Time is 10:38 a.m. and
- 8 we are on the record.
- 9 Q. BY MR. BRYANT: Miss Callanen, you were
- 10 testifying before the break about outreach and voter
- 11 education efforts that were made in connection with
- 12 the November 2022 general election. And it sounded
- 13 to me as if those were fairly extensive and ramped up
- 14 from previous elections; is that correct?
- 15 A. Yes, sir. Yes, sir.
 - Q. Do you anticipate looking forward that
- 17 it'll be necessary to continue to increase and
- 18 increase the level of effort and expense that Bexar
- 19 County does on -- on voter education and outreach?
- 20 Or do you believe that over time the need to do that
- 21 will level off or decline as people understand better
- 22 the -- the procedures?
 - MS. PAIKOWSKY: Objection; form.
- 24 THE WITNESS: I -- I understand your
- 25 question. I -- again, this is an odd number year, so

Page 63

- 1 AARP. We worked with Oasis. We -- we did outreach
- 2 with the organizations that -- that go to the senior
- 3 citizens to -- to try and -- we worked very heavily
- 4 with the disability community. In fact, we're still
- 5 working with the disability community at this time.
- 6 So, we -- we -- we just tried to do as much as we 7 could.
- 8 Q. And during what period of time were those
- 9 efforts undertaken with respect to the November 2022
- 10 general election process?
- 11 A. They started the middle of September
- 12 through Novem- -- November. Because, again, the
- 13 middle of September is basically, again, for us is
- 14 when that's the go button, because we all have to
- 15 abide by the MOVE Act, which is the federal military
- 16 MOVE Act, and that's always 45 days before an
- 17 election. So, once our ballots go out, it's --
- 18 somebody's hit the go button.
- 19 Q. Did Bexar County comply with that 45-day20 requirement in connection with the general
- 21 election --
- 22 A. Absolutely.
- 23 Q. -- in 2022?
- 24 A. Absolutely.
- 25 MR. GENECIN: David, would this be a good

- 1 we will have so many less people. And I think we
- 2 will have to duplicate our media outreach for 2024.
- 3 Because, again, you keep hearing me say we had 40,000
- 4 now and 124,000. So that, to me, is there's another
- 5 80,000 that have not used the new method.
- 6 So, we're going to stay attuned to that and
- 7 stay focused on that. So, I expect that when we get
- 8 to the 2024 we'll duplicate what we've done.
- 9 Q. BY MR. BRYANT: Okay. Do you have any
- 10 expectations on that subject beyond 2024?
 - A. No, sir.
- 12 Q. Okay. You testified earlier about efforts
- 13 that your office makes to contact people whose
- 14 mail-in ballots have initially been rejected. And I
- 15 believe you indicated that sometimes that's by
- 16 e-mail, sometimes that's by phone.
- 17 Could you describe the extent and
- 18 regularity of those efforts that were undertaken in19 connection with the November 2022 general election.
- 20 A. Yes, sir. Well, in SB-1 it opened up the
- 21 door for us to be able to have outreach so that they
- 22 could cure their -- their ballots, that's the phrase
- 23 we use, they could cure their ballots. And they
- 24 opened up the avenue of the phone and by e-mail as
- 25 opposed to sending them the hard copy reject and

February 28, 2023 Pages 82 to 85

Page 82

1 THE WITNESS: Okay. Well, the -- the

- 2 visually impaired had filed a lawsuit asking for the
- 3 same accommodations that we have with the military.
- 4 We have a very robust military vote -- voting
- 5 population. And the federal government permits us to
- 6 e-mail their ballots to them. And if they're in a
- 7 hostile fire zone, they may e-mail them back.

8 And the visually impaired have petitioned

- 9 the district court to allow us to e-mail ballots to
- 10 them so that in the comfort of their home, they can
- 11 use their own screen scrapers or sip-and-puffs,
- 12 whatever they would need, to be able to mark their
- 13 ballot to have it as a fillable PDF, and then it
- 14 could be printed off and so they could actually be
- 15 voting in private without any assistance.

And my understanding is, due to the

- 17 timeliness, the judge chose three of those people out
- 18 of that organization for us to e-mail them their
- 19 ballots, and so we did this. We -- we had their
- 20 names and we e-mailed their ballots to them as a
- 21 pilot.
- 22 It was not a hundred percent success. The
- 23 screen scrapers -- my understanding, the screen
- 24 scrapers work with one type of PDF, but the fillable
- 25 PDF is -- is another. So, we went back after the

- 1 with the general election in 2022?
- 2 A. Yes, sir.
- 3 Q. You mentioned the military voters. Were
- 4 there any military voters whose votes were rejected
- 5 in connection with the 2022 general election by
- 6 Bexar County?
- 7 A. Yes, sir.
- 8 Q. Could you describe what occurred in that
- 9 regard.
- 10 A. Again, to my -- to my knowledge, and I do 11 not have a number, with the military ballots, they
- 12 are required to put a -- it's called a signature
- 13 sheet and -- and they must sign it with a wet
- 14 signature and -- and enclose it with their ballot.
- 15 So that -- again, we don't know how far that ballot's
- 16 coming, so there's no signature on the outside again.
- 17 And so, they -- they have the opportunity 18 to insert it inside. And the organization, the early
- 19 ballot board, when they open that ballot, if that
- 20 signature sheet is not in there, then they reject
- 21 that ballot. And so, there were some that did not
- 22 have the signature sheet in it. I don't know how
- 23 many.
- 24 Q. In those instances, was there an effort
- 25 made to cure or otherwise allow those military voters

Page 83

- 1 election, they did successfully vote. They e-mailed
- 2 their ballots. They printed them. They mailed them
- 3 back to us. And so they did, in fact, vote.
- 4 But the judge has, I don't want to say -- I
- 5 use the phrase, kicked the can down the road until
- 6 March to come back and reevaluate where this will go,
- 7 but then knowing that that will be too late for us to 8 institute it for May.
- 9 Q. BY MR. BRYANT: All right. Were there any 10 other instances in which the accommodations were
- 11 requested for persons with disabilities in connection
- 12 with the 2022 general election in Bexar County beyond
- 13 what you've already testified about?
- 14 A. No. I mean, we -- we have -- I think we
- 15 talked about it, sir, earlier about the curbside
- 16 voting. And we --
- 17 Q. Yes, ma'am.
- 18 A. -- we have units, like big tablets that --
- 19 that they vote on in their car and -- and again,
- 20 that's a very, very readily accessible, very, very
- 21 well-promoted and very, very well-attended part of
- 22 our voters.
- 23 Q. Okay. To the best of your knowledge, did
- 24 Bexar County comply with the provisions of SB-1
- 25 relating to accomodations for voters in connection

1 to vote?

5

10

- 2 A. Yes. Again, that group was able to e-mail
- 3 them, to send in a signature sheet.
- 4 Q. And to what extent was that done?
 - A. I don't know.
- 6 Q. Okay. Do you know whether there were any
- 7 military voters who ultimately were unable to cast
- 8 their ballot in Bexar County in connection with the
- 9 2022 general election?
 - A. I know there were some rejected.
- 11 Q. Okay. And not cured?
- 12 A. Correct.
- 13 Q. Okay. There's technology, I understand,
- 14 that is used in connection with mail-in ballots
- 15 that's referred to as Votracker [sic]. Are you
- 16 familiar with that?
- 17 A. Yes, sir.
- 18 Q. Did the Votracker [sic] -- Votracker [sic]
- 19 technology work properly with respect to Bexar County
- 20 voters in the -- connection with the general election
- 21 in 2022, to the best of your knowledge?
- 22 A. Our local ballot tracker worked.
 - Q. Did Bexar County synch, S-Y-N-C-H --
- 24 A. You got it.
- 25 Q. -- its system with TEAM's in the last half

23

Page 84

Page 85

Page 110

In the 2022 November general election, did

- 2 the ABBM forms that Bexar County used include the
- and/or language with respect to IDs, the -- the SB-1 4 ID provision?
- 5 A. From the State, the new ones that we had to
- 6 get --7 Q. Uh-huh.
- 8 A. -- yes.

21

- 9 Q. In the 2022 November general election, did
- 10 you -- do you believe voters were confused by that 11 language?
- 12 A. Oh, absolutely.
- 13 Q. In the November 2022 general election, did
- 14 Bexar County's carrier envelopes include the and/or
- 15 language from SB-1's mail ballot ID provision as 16 well?
- 17 A. Yes. It was from the secretary of state.
- 18 We used exactly what they sent us.
- 19 Q. In the November 2022 general election, were
- 20 voters confused by that and/or language?
 - A. I'm sure they were.
- 22 MR. BRYANT: Objection to form.
- 23 MR. GENECIN: Calls for speculation.
- 24 Q. BY MS. PAIKOWSKY: So, I'm going to
- 25 backtrack a little bit. Again, to voter education

Page 112

Page 113

- 1 A. Well, again, this -- this one cost more
- 2 because we had to pay for the insert, you know,
- 3 numerous times. So, we had them, you know, put away
- 4 the first version, put away the second version. And,
- 5 you know, I mean at that, we're -- we're just talking
- a couple thousand dollars to have -- to have sheets
- 7 printed and -- and cut.
 - And then, again, other than, as I said,
- when we sent all of our remaining stock back to our 9
- 10 printer to have those redacted, you know, we had a
- 11 bill from them.

8

16

21

4

- 12 Q. Were there any other resources that your
- 13 office devoted to voter education efforts related to
- 14 the ID provision, the ballot ID provision, in the
- 15 2022 general election?
 - A. No.
- 17 Q. In the November 2022 general election, did
- 18 your office expend any resources to educate your
- employees about implementing the ID provision of
- 20 Senate Bill 1?
 - A. Okay. I mean, we had in-house training. I
- 22 don't know if that counts as expending, but we had
- 23 numerous in-house trainings. We have -- when we deal
- 24 with our election officials for their training and
- 25 for their -- when we trained all of our judges and

Page 111

- 1 all of our workers, the early voting -- our early
 - 2 voting crews, not necessarily did we train them for
 - early bal- -- for the ballot -- mail ballot.
 - the knowledge of it because voters were going to be

But we had to bring them up and give them

- coming in. So, you know, did -- it was minimal what
- 7 we expended, but we made sure that they all had
- 8 copies of the insert, that they had copies of this
- carrier envelope if they saw exactly what was needed
- 10 so that if somebody came in and asked, or was
- 11 starting to carry on a conversation with them, that
- 12 they wouldn't feel like, what are they talking about.
- 13 And so, every time we had a training
- 14 session we entered into that. But again, I don't
- 15 know how to quantify that.
- Q. From your experience in the November 2022 16 17 general election, do you anticipate continuing with
- 18 the same efforts you've already described?
- 19 A. Yes.
- 20 Q. I'm going to switch gears a little bit and
- 21 ask you about mail ballot processing and absentee
- 22 ballot -- ABBM processing. So, for the November 2022
- 23 general election, did your office hire employees or
- contractors in order to facilitate, support or assist 24
- 25 with mail voting and the implementation of

1 efforts, which I want to specify include things like

- 2 creating the ballot insert and -- and everything
- 3 you've discussed previously. How much money did
- 4 Bexar County spend on voter education efforts you described?
- 6 A. Out of the election -- my budget. The 7 general fund budget. We spent -- I spent \$40,000
- 8 which was, you know, minimal. But that was all
- 9 towards the voter education part. I spoke previously
- 10 about two commissioners on the -- on the court that
- 11 got involved and they set a budget of 200,000 that
- 12 they spent.
- 13 Q. How do those numbers, the 40,000 and
- 14 200,000, compare to like elections? 15 A. Again, prior to that, the court was not
- 16 involved. And when it's a like election, thank you,
- 17 we have and I do have a media person that comes on
- 18 that manages social media, setting up the -- the
- 19 media, you know, press conferences and all of that. 20 So, that has stayed the same for, like, the last
- 21 10 years.
- 22 Q. As compared to the November 2022 general 23 election and the amount of money the county expended
- 24 on voter education, was it more or less than in -- or
- 25 the same as in other like elections?

Senate Bill 1's identification requirements?

2 A. Absolutely. But let me, please, speak to 3 that. I think when David asked me earlier on in the 4 day, I mean, my staff is 20 in number. And so, we 5 have a fantastic mail -- we call them the mail room 6 people who are full-time temps that -- now -- I don't 7 want -- permanent temps, because they'll come and work with us through an election and then they go away and they'll come back and work.

10 And so, we have two strong leads, one from 11 each party. They are full-time temps and they manage 12 that, and then we bring in temps for them. Again, we 13 bring in temps to answer phones. I mean, we bring in 14 temps to handle that work flow.

15 As you heard me say before, every piece of 16 paper that comes in our office is scanned, and it's 17 scanned into that database. And so, yes, we -- we do 18 bring in -- we bring in tons of temps. We couldn't 19 do it without our faithful temps.

Q. Was the staffing needs of the November 2022 21 general election -- actually, withdrawn.

22 You mentioned that your office hires 23 temporary staff around election time.

24 A. Yes, ma'am.

20

Q. Were your staffing needs greater for the

Q. Were the staffing needs for the

- 2 November 2022 general election, with respect to
- 3 hiring temporary staff or additional workers, greater
- than like elections, with respect to processing
- 5 ABBMs?

6 A. We probably added one -- one or two more.

- 7 Because with SB-1, the -- the usual -- or the
- routine, I guess is the word I'm looking for, prior
- to SB-1, you know, they would scan it, they would
- 10 look at it. Was -- you know, was it all correctly
- filled out. Did it have a precinct number. Was it 11
- 12 signed. And then it would be like, okay, accept it
- 13 and it would go into the cyber space so that we,
- 14 then, would be able to print a ballot for it.

15 But with SB-1, that process took longer.

16 Because now, not only would they scan it in put it

in, yes, do you have -- this is the name. This is 17

18 the signature. That's the address we have. This is

19 the precinct.

Now they had to stop and look at the TDL or 20 21 the SSN and bring up the voter registration card that

22 we had scanned to make sure that we had that number 23 there. And so, not only -- how do I say this because

24 I'm -- I'm not technical. Please understand me. 25 But in the past when we had these people

Page 115

- Page 117 1 doing this, they had one computer and one screen.
- 2 staffing or processing mail ballots and implementing 2 But to facilitate the voter registration, we now gave
 - Senate Bill 1 than they had been in like elections them a second screen so that they could -- does that
 - make sense? Do you understand? Okay. That's -- and 4
 - 5 so, yes, it took longer. And so, yes, we had to get
 - 6 more temps.
 - 7 Q. For the additional staffing that your
 - office had to hire during the 2022 general election 8
 - 9 to assist with mail ballot and ABBM processing,
 - approximately how much did that cost? 10
 - 11 A. I actually barely know that number. It
 - 12 costs us about \$218,000.
 - Q. Is \$218,000 an unusual -- unusually high 13
 - 14 expense for temporary staff and additional workers as
 - 15 compared to like elections?
 - 16 A. For this one, yes, it was. It got my
 - 17 attention.
 - 18 Q. Given your experience in the November 2022
 - general election, do you anticipate your needs to
 - 20 hire temporary staff and additional employees to
 - 21 process mail ballots will remain higher in the future
 - 22 than it has been in the past?
 - A. Yes.
 - 24 Q. Where does the money come from -- or excuse
 - 25 me. Withdrawn.

- 1 November 2022 general election with respect to

- for mail voting needs?
- 5 A. Yes.
 - Q. Why was that?
- A. Again, because of the additional -- that 7
- 8 perforated flap that -- that I was speaking of. In
- March, in the -- in the primaries, we didn't have the
- 10 ability or didn't understand that SB-1 allowed us to
- 11 take that flap down.
- 12 And so, when we turned over the early
- 13 ballot board and, you know, took -- but as we got
- 14 into this, we understood that we could facilitate
- 15 things by taking just one of -- we were allowed to
- 16 take, like, the top perf down so that it fell down
- 17 but it wasn't completely removed and very
- 18 time-consuming because that had to be a one-by-one
- 19 person with a letter opener. I mean -- and so, yes,
- 20 we did have additional temps brought on board in
- 21 November of 2022.
- 22 Q. Do you bring in temp -- temporary staff or 23 additional hiring to assist with the processing of
- 24 ABBMs as well?
- 25 A. Yes.

23

Page 121

Page 118

In the November 2022 general election, 2 where did your office get the money to hire these additional employees?

- A. From the general fund. From Bexar County's 4 5 general fund, my office budget.
- 6 Q. What impact, if any, did the county's 7 funding of these additional staff members have on the 8 budgets of your other programs?
- 9 A. In the long run, I would say it had 10 none because the county judge was very specific in 11 addressing the fact that we -- we were to be granted 12 whatever we needed for getting this done because he 13 was very, very understanding.
- 14 Q. What impact, if any, did the county's funding of your additional program have on other 15 programs or county initiatives?
- 17 A. Again, I wouldn't know that.

18 Q. Do you believe that there is anything 19 further your office could do beyond what it did in 20 November 2022 to bring down rejection rates further? 21 Excuse me. Withdrawn.

22 Do you believe that there's anything your 23 office could do beyond what it did in November -- in 24 the November 2022 general election to bring down 25 rejection rates further because people were unable to

Page 120 And as I said, just to meet with

1 counterparts, there's got to be smarter and better ideas out there as we ramp up to '24, because that's

where we'll see people who have not done this before, 4 5 and we'll have to go back into a major push.

6 Q. From your experiences implementing SB-1's 7 Senate -- ID provision in the November 2022 election,

8 do you believe you will ever be able to get the rejection rate to zero? 9

10 A. No.

11

23

24

Q. Why not?

12 A. Human nature. Human nature. There --

13 there's somebody that just is sure that they've done 14 everything and filled it out correctly and haven't

signed it. I mean, we -- we get -- we get ballots

16 where on the outside it's -- it's -- it's perfect.

17 The numbers are there. The signatures are there, but

18 then when they open it -- when it goes to the early

19 ballot board and they open it, there's no ballot in

20 it. They forgot to put the ballot in. I mean, I --

21 I'm sorry, that's our -- that's the reality we live 22 in.

Q. To your knowledge, in the November 2022 general election, were any eligible voters prevented 25 from voting because of Senate Bill 1's ID provisions?

Page 119

comply with the ID provisions in Senate Bill 1?

A. I foresee us doing exactly what we've been doing, from the inserts, to the media, to whatever.

Q. Is there anything additional you believe 5 you could do?

A. That's a tough -- that's a tough question. 7 I -- I hope and I pray that some of my smarter 8 counterparts have developed things like this, and 9 that when we get together we share and that we can 10 assist from different -- I'm hoping someone has 11 looked at it from a different angle and helps do 12 that.

13 But again, like, we had our 40,000 people 14 vote by mail or applications, and when we look back, 15 that's basically the same pool that we had vote in 2018. And so, then they are already educated and 17 they -- they understand this.

18 And I think, again, for this May election, 19 our upcoming election and for November, we'll have a 20 much smaller turnout. And so, it will be our heart 21 and true, it's going to be the core of our -- our 22 voters. And I think through this year they -- they 23 get it. They get it, because they lived through

25 see us doing the exact same thing this year.

24 March of last year and -- and November. And so, I

A. I would say, no, with a little bit of a 1

2 reservation. One of the difficulties that we had

with the curing process was, we -- we -- they'd send

it back, they'd notify them and they could, then,

5 hand-deliver their ballot back to our office; okay? 6 And so, they would bring the ballot back to

7 us. And they can bring that ballot back on election day. So, in the morning -- and, again, I don't want

to ramble, but in -- in the morning the first couple

10 ones that came in, we would have a husband come in 11 and he would have the two ballots. He would have his

12 and his wife's. Well, we could only accept his. We

13 could not accept his wife's because they had to

hand -- hand-deliver it, show their photo ID, sign it 14

15

16 And the gentlemen -- the first couple, they 17 were angry, as -- as they should be, as they should have been. And so, those few in the morning, that -that wife, spouse, her ballot was not turned in. And 20 you know, we explained, go ahead and vote in person.

21 Okay. 22 So, did they? I don't know. But I know 23 by, like, 10:00 that morning it was becoming obvious 24 that this was a problem. And so, we're really

25 blessed because right across the street from --

February 28, 2023 Pages 122 to 125

Page 122

1 across the freeway from us is our post office.

So, I mean, I literally got money out of my
wallet and had a staff member run over there and buy
books of stamps so that if this happened again and

5 again, which it did, we were giving them -- you know,

6 probably shouldn't tell people this, but we were

7 giving them a stamp to put on that ballot and take it

8 directly across the street and mail it and make sure 9 it was time stamped.

Because, again, our legislation has said if the ballot is date stamped by 7 o'clock on election day it can be delivered the next day. And so, that

13 was, like, an on-the-fly, we did it. We -- we

14 managed to do that. But I can't account for those

15 first hours. So, I hope that makes sense to you.

16 Q. Is it possible that in the 2022 general17 election some eligible voters were prevented from

voting because they were not able to cure ballotdefects that arose under Senate Bill 1's ID

19 defects that arose under Senate Bill 1's IL20 provisions?

21 A. I'm sure. Excuse me.

22 Q. Okay. So, I'm going to ask you a couple of

23 process questions. And I think the point of these

24 questions is to ascertain if anything has changed

25 since the last time you were deposed.

Page 124 1 had -- we jokingly said we had the 18 by November,

2 because they knew how to look for it and what to look

3 for. And so, from that standpoint, it -- it did

4 cycle down.

Q. In your previous testimony, you mentioned when a ballot, or ABBM comes in, a staffer who

7 receives it would often type in the first name or a

8 date of birth in order to pull up the record and

9 identify the voter. Is that still your process?

10 A. Yes, ma'am.

11 Q. Earlier you testified that your office does

12 not make phone calls or send e-mails to cure ballot

13 defects for ID -- ID ballot defects.

A. Correct.

14

Q. Does your office use phone calls or e-mails to notify people of issues with their ABBMs failure

to comply with SP-1's identification provision?
A. Yes, ma'am. Yes, ma'am. If -- if they've

19 given us that information.

20 Q. How long has your office -- excuse me. Has

21 your -- withdrawn.

Has your office changed its process for

23 notifying voters about ID issues with their ABBMs

24 since the March primary?

25 A. No.

Page 123

So, since the November 2022 election, hasanything changed about the way your office processes

3 incoming ABBMs with respect to the voter ID

4 provision?

5

A. No.

6 Q. Similarly, has anything changed in your

7 office with respect to the process by which you

8 receive and intake a ballot to determine compliance

9 with SB-1's mail identification provision in the

10 November 2022 election?

11 A. Well, we haven't had an election since

12 November 2022, so we haven't brought any in, but we

13 brought the ABBMs in, and we're doing the -- you

14 know, the same thing, the same processing, the two

15 screens, making sure we have the numbers. But I'm

16 sorry, I can't go to the ballots.

17 Q. No. I -- I got turned around. So, since

18 the March primaries, has anything changed about the

19 way your office receives and processes ballots to

20 determine compliance with SB-1's mail identification

21 provisions?

A. Sure. I mean, very proudly say, you know,

we've actually gotten into the rhythm. We -- we'vegotten so that, as far as the temps and training,

25 it's gone a lot smoother. So, I mean, we -- we

Page 125 Q. Okay. I am going to show you a document

which, I believe --MS. PAIKOWSKY: Are we on JCS3 3; is that

Or as we say, as the processor entering it, fat-fingered it 5 and -- and put in a different number. 6 So, I mean, they get a second look if they don't, and that's where we catch the -- the human 7 8 error. 9 Q. Did your office make any referrals for any 10 other instances of potential voter fraud to any of 11 the groups mentioned: the secretary of state, the attorney general or county DA or any other law 13 enforcement during the November 2022 general 14 election? A. No. 15 16 Q. Sound of silence, crossing out questions. 17 So, hopefully that's a good thing. 18 So based on your experiences in the 19 November 2022 general election, do you have concerns about implementing SB-1's identification provisions 20 21 during a presidential cycle?

A. Because we will be dealing with a new group

25 of potential voters who are not familiar with the

22

23

24

A. Yes.

Q. Why is that?

February 28, 2023 Pages 142 to 145

Page 144

Page 142

- Q. BY MS. PAIKOWSKY: Why do you think your
- 2 county's rejection rate was lower than the statewide
- 3 rate?
- 4 A. Because I'm proud of our insert and the
- 5 work we did.
- Q. Do you think that other counties have the 6
- same level of resources and expertise as Bexar County
- to implement the kinds of interventions you
- discussed? 9

11

- 10 MS. CUBRIEL: Objection; form.
 - THE WITNESS: I had made reference to that
- 12 before that, you know, prior to 2020, I would have
- 13 answered, yes. But since we've had such a turnover
- 14 in election leadership, I -- I think it's really hard
- 15 for a new person to get all the nuances and
- 16 understand how you have to touch your voters.
- 17 Q. BY MS. PAIKOWSKY: Do economic resources
- 18 factor into county's ability to implement the kinds
- 19 of solutions you did in Bexar County in November of
- 20 2022?

1

- 21 A. I would say absolutely.
- 22 Q. So, earlier, you mentioned that the
- 23 November 2022 general election ran more smoothly than
- 24 the November 2020 election. Can you describe more
- 25 about why that was.

- Q. Do you believe that the November 2022 1 general election was smoother than the 2018 general
- 3 election?
- 4 A. No. They were the same.
- 5 Q. Okay. As compared to the 2018 general
- election, was mail voting more difficult in the 2022 6
- 7 general election? And I'm referring to both
- processing mail ballots and voter education.
- 9 A. Yes.

11

- 10 Q. Why is that?
 - A. With the ID requirement. The new -- you
- know, the new -- relatively new ID requirement that 12
- 13 we didn't have in prior elections.
- 14 Q. Was there any information that would have
- 15 been useful to administering mail voting in the
- general election that was not captured in the TEAM 16
- 17 database?
- 18 A. No. My initial reaction would be, no. But
- 19 in hindsight, during this back and forth -- I mean,
- 20 if -- if you were looking for multiples, you know,
- maybe we would open up that for multiples. But as an
- 22 administrator doing the election at the time, no.
- 23 Q. Does your county keep any data on ABBM
- 24 rejections that is not reflected in TEAM?
- 25 A. No.

Page 143

1

2

3

15

16

17

20

23

- A. Again, just sheer numbers. It -- it -- it
- 2 basically was just a numbers thing. Because as we
- 3 talked about mainly, you know, the mail ballots, when
- 4 you're dealing with 124,000 going out and 92,000 5 coming back, our office, because we do, we handle
- 6 everything in house, every single piece of it is
- 7 handled in house, in 2020 my office, we were -- we
- 8 were working two shifts. We didn't have to do that
- 9 in 2022.

15

19

- 10 In 2020, we were, I think, since you had
- 11 asked, we did, like, 1,200 voters that we had --
- 12 workers that we had to put out there. Well, in
- 13 2022 -- or 2020, because we expected more voters, we
- 14 had more workers. And so we were, like, at 1,800.
 - And so, that's what I'm speaking to, the
- 16 more complexities, it's -- takes longer to get 1,800
- 17 people than it does to get 1,200. It takes longer to
- 18 do 124 applications than it does to do 40.
 - Q. And in the differences between the
- 20 November '22 general election and the November '20
- 21 general election, would you say that COVID-19 also
- 22 impacted the smoothness of one election as compared
- 23 to the other?
- 24 A. No, because we had that figured out prior
- 25 to that November.

- Page 145 Q. Does your county keep any data on carrier
- envelope rejections that is not reflected in TEAM? A. No.
 - Q. I think that is all my questions.
- 4 5 MS. PAIKOWSKY: I would like to go off the
- record if that's okay for just maybe five minutes and 7 we can chat and then come back on.
- 8 THE VIDEOGRAPHER: The time is 1:27 p.m. 9 and we are off the record.
- 10 (A brief recess was taken.)
- 11 THE VIDEOGRAPHER: The time is 1:33 p.m.
- 12 and we are on the record.
- MS. PAIKOWSKY: And I am going to pass the 13
- 14 witness at this time.
 - MR. GENECIN: Thank you.

THE VIDEOGRAPHER: Today's date is

- 2 Thursday, April 20, 2023. The time is 9:32 a.m.
- 3 Deposition of Hilda Ann Salinas. We're on the record.
- 4 HILDA ANN SALINAS,
- 5 having been duly sworn, testified as follows:
- 6 EXAMINATION
- 7 BY MS. HILTON:
- 8 Q. Good morning, Ms. Salinas.
- 9 A. Good morning.
- 10 Q. My name is Amy Hilton. I'm an assistant
- 11 attorney general with the Office of the Attorney
- 12 General, representing the State defendants in this
- 13 case. Nice to meet you.
- 14 A. Nice to meet you too.
- 15 Q. Could you please spell your name for the
- 16 record.
- 17 A. H-I-L-D-A, Ann, A-N-N, Salinas, S-A-L-I-N-A-S.
- 18 Q. Thank you. I'm just going to start with some
- 19 introductory things. You may already be familiar with
- 20 them. So I'll -- I'm sorry to burden you with this.
- 21 So we'll just do some brief introductory things.
- 22 Have you been deposed before?
- 23 A. No.
- 24 Q. Okay. You understand you're under oath today,
- 25 correct?

Page 7

- 1 A. Yes.
- Q. For the court reporter, you'll need to provide
- 3 verbal answers, like "yes" and "no," rather than
- 4 nodding or shaking your head, because she is taking
- 5 down every word that we're speaking.
- 6 A. Okay.
- 7 Q. Does that sound good?
- 8 A. Yes, uh-huh.
- 9 Q. It also helps the court reporter if we don't
- 10 talk over each other. I'm really bad at this because a
- 11 deposition is kind of like a conversation. So I'm
- 12 going to try my best to not cut you off, if you
- 13 wouldn't mind also doing the same --
- 14 A. I'll try my best too.
- 15 Q. Thank you. It happens to all of
- 16 us.
- 17 A. Yes.
- 18 Q. If you don't understand any of my questions,
- 19 will you please let me know?
- 20 A. I will.
- 21 Q. And if you do answer a question, I'm going to
- 22 assume you understood it. Is that okay?
- 23 A. Okay.
- 24 Q. If you need a break at any time, please just
- 25 let me know. That will be fine. We'll take breaks

- Page 8 1 periodically through the day anyway, but if there's any
- 2 particular time you want to take a break, we can always
- 3 take a break.
- 4 I just ask that if there's a question
- 5 pending, please go ahead and answer the question, and
- 6 then we'll take a break. Okay?
- 7 A. Okay.
- 8 Q. If you hear an objection from your counsel,
- 9 that is typically for the Court to decide at a later
- 10 date. So unless you're instructed otherwise by your
- 11 attorney, you can go ahead and answer the question.
- 12 Does that make sense?
- 13 A. Yes.
- 14 Q. Okay.
- 15 A. So I'll answer.
- 16 Q. Okay.
- 17 A. Yes, right. Yes.
- 18 Q. All right. You'll have -- you'll know. When
- 19 we get there, if your attorney instructs you not to
- 20 answer, it will be very clear.
 - A. Okay. Thank you.
- 22 Q. Okay. Are you -- have you consumed anything
- 23 today, on any medications today that might impair your
- 24 ability to testify truthfully at your deposition?
- 25 A. No.

21

Page 9

- 1 Q. All right. With the introductory stuff kind of
- 2 done there, let's move to preparation. What did you do
- 3 to prepare for your deposition today?
- 4 A. Reviewed advisories, e-mails, just general
- 5 information in regards to what was going to be
- 6 discussed today.
- 7 Q. Okay. And did you bring any of those documents
- 8 with you?
- 9 A. No, ma'am.
- Q. Are you referring to Secretary of State
- 11 advisories?
- 12 A. Yes.
- 13 Q. Do you remember which ones you reviewed?
- 14 A. I wouldn't be able to say exactly.
- 15 Q. Do you recall the date of those advisories,
- 16 roughly?
- 17 A. In the year 2022.
- 18 Q. What kinds of e-mails did you review prior to
- 19 the deposition?
- 20 A. The e-mails that the Secretary of State did
- 21 send us.
- Q. And do you recall the dates of those e-mails?
- 23 A. Also 2022.
- 24 Q. Did you meet with anyone in preparation for
- 25 today's deposition?

1 Q. If I say "the County," will you understand that

2 to mean Hidalgo County?

3 A. Yes.

4 Q. Okay. I know you answered a few questions

5 about your background, but I wanted to ask some

in-between questions as well.

Can you tell me where you grew up?

8 A. Here in the Valley.

9 Q. Okay.

7

10 A. In Pharr, Texas.

11 Q. Pharr?

12 A. Pharr, Texas.

13 Q. Right where we are today?

14 A. Uh-huh.

15 Q. Okay. Can you tell me about the education that

16 you have completed in your life?

17 A. My high school, bachelor's degree in

18 communications, journalism, and my master's degree in

19 public administration.

20 Q. Where did you complete your bachelor's?

21 A. In -- it was UTPA.

22 Q. Okay. And how about your master's?

23 A. UTRGV.

24 Q. Okay. Same institution --

25 A. Yes --

Page 68 1 trickiest part. So some of my questions are based on

2 what we've learned talking with other counties.

3 So if I phrase something differently or in

4 a way that you don't understand, please ask me to

5 rephrase it. Okay?

6 A. Okay.

7 Q. All right. With respect to vote by mail, did

8 your county include any inserts in either the ABBM

9 envelope that was going to the voter or the mail voting

10 packet that went to the voter?

A. I just want to let you -- I just wanted to

12 pause because it went down. It says "connecting."

13 THE COURT REPORTER: Okay. Timeout then.

14 Off the record.

15 (Dropped off Zoom)

(Brief recess)

17 A. Can you repeat the question, just to make sure

18 that -- it was the application for ballot by mail and

19 the mail carrier envelope.

20 Q. And the mail packet, the mail voting --

A. The kit.

22 Q. -- packet. Yeah, the kit.

23 A. Yes. In the application for ballot by mail,

24 when we do mail that out, that's only the application

25 for ballot by mail in the envelope.

Page 67

1 Q. -- but --

2 A. -- different name.

3 Q. -- just went by a different name.

4 A. Public affairs. Public affairs.

5 Q. Okay. And you mentioned that you previously

6 served in the elections administration office as the

7 interim elections administrator and also as an

8 elections analyst, correct?

9 A. Yes.

10 Q. Can you tell me when you first joined the

11 elections administration office?

12 A. In 2016.

13 Q. In 2016. And did you work for the elections

14 administration office from 2016 to the present?

A. Yes.

15

16 Q. Have you held any other positions in the

17 elections administration office other than the ones

18 you've already named?

19 A. No.

20 Q. Okay. So then I can assume that when you

21 started there, you started as an elections analyst?

22 A. Yes.

23 Q. Okay. Thank you.

24 I'm going to start by asking some

25 questions about vote by mail, which is sometimes the

1 But in the mail carrier kit, what, of

2 course, is included is the white envelope where, you

Page 69

3 know, the ballot, you know, goes in, also the purple

4 one, you know, once we put everything in there, and

5 then it's the green envelope, which is, you know, how

6 it's -- how it's mailed out.

7 We did add a little flyer, I'm going to

8 say 3-by-5, a flyer that did state on the top, "Please

9 don't forget your information," and it included the --

10 an exact replica of what the mail carrier envelope

11 looks like, to make sure to put your -- your -- either

12 your driver's license or your Social Security number or

13 to check the box that states if you don't have either

14 one of those.

15 Also, it does encourage them to list both

16 the driver's license and the Social Security number.

17 And that was the addition that we included on top of

18 all the other documents that's included.

19 Q. Thank you.

20 A. Uh-huh.

21 Q. Do you know if that was -- that particular

22 insert was produced in discovery?

23 A. I'm not sure. I don't know. Yes, yes, yes, I

24 do remember seeing information like that going in,

25 uh-huh.

Page 70

- Q. Okay. And so with respect to your past answer,
- 2 then, would it be correct to say that you did not send
- 3 voters any inserts or other material with their
- 4 application for ballot by mail informing them about the
- 5 ID requirements of SB 1?
- A. No, we did not. There wasn't anything included 7 in that one.
- 8 Q. All right. And then with respect to the mail
- 9 voting kit, you did include a 3-by-5 card with
- 10 information?
- 11 A. Something like that, uh-huh.
- 12 Q. Something around that size with information
- 13 about the SB 1 ID requirements; is that right?
- 14 A. Yes, uh-huh.
- 15 Q. Okay. I'm going to ask you to walk me through
- 16 the process of when your office receives an ABBM, and
- 17 then I'm going to ask about the process of when your
- 18 office receives the carrier envelope.
- 19 So first, with respect to the ABBM, when
- 20 your office receives an application for ballot by mail,
- 21 would it be fair to say that your office will review it
- 22 to see if there is an ID number provided on it?
- 23 A. Yes.
- 24 Q. And if there's a number there that you will put 25 that number into your system to see if it matches with

1 generated, my staff does try to communicate with the

Page 72

- 2 voter to let them know what happened. And then, of
- course, we review the options that they can either go
- in through ballot tracker or they can come into the 4
- 5 office, or we can send it to them. They could add the
- 6 number. They could mail it back, depending. It's on a
- 7 case-by-case basis.
- Q. If you -- if the voter says "Send it to me 8
- again," do you send them a fresh new ABBM, or do you 9
- 10 send them their old ABBM back?
 - A. It's the one that they've already submitted.
- Q. Okay. So you send them the one that they've 12
- 13 already submitted. And do you use any markings on
- 14 that? Do you use a highlighter to highlight the area
- 15 where the person is supposed to provide the number?
- 16 A. I'm not sure of that detail, but I do know that
- 17 the staff does communicate with the voter and does
- 18 explain everything thoroughly.
- 19 Q. Okay. So let's say, then, that the voter
- 20 provides the additional information and sends it back
- 21 to you. You then attempt to match that information to
- 22 what you have in your database; is that right?
 - A. Correct.
- 24 Q. And if you do match it, let's say, for example,
- 25 the voter had previously provided the last four of the

Page 71

- 1 the voter's record?
- A. Right. We look up the information on the
- 3 voter, of course, of -- the application for ballot by
- 4 mail, it's entered into our -- into our voting system,
- 5 our database. And then we check to see if -- with the
- 6 voter registration application, if all that information
- 7 is matching and if it's included.
- Q. So it is possible sometimes, though, that the
- 9 voter would put the last four of their Social on the
- 10 ABBM, and you don't have the last four of the Social in
- 11 the voter's record in your database, correct?
- 12 A. Correct.

25

- 13 Q. And, similarly, with the driver's license, it
- 14 could be that the voter puts the driver's license
- 15 number on the ABBM, and you don't have a driver's
- 16 license number to match to in your database, correct?
- 17 A. Right. It could be vice versa or switched,
- 18 uh-huh. 19 Q. And in that situation, if that happens, what do
- 20 you do with the ABBM at that point?
- 21 A. At that point? Of course, it's entered, and --
- 22 it's entered into the system that it has been rejected
- 23 due to a mismatch or not having the correct
- 24 information. And the system then generates the notice.
 - And then at that point, once it's

- Page 73
- 1 Social, but this time they also provide their driver's 2 license and you're able to match that driver's license
- number, what do you do with the ABBM at that point?
- 4 A. Well, we match it, and, of course, we make sure
- 5 that everything correct -- is correct and matched. But
- that's it. Nothing -- nothing else is added to the
- voter registration system because it's not a voter 7
- 8 registration application.
- 9 Q. Okay. And you anticipated my next question.
- 10 So if you are able to match the ID number, you would go
- 11 ahead and send the voter the mail voting kit, correct?
- 12 A. Yes. It would proceed as -- as usual.
 - Q. However, you would not go into the voter
- 14 registration system that you have and update the
- 15 voter's record; is that correct?
- 16 A. We -- we wouldn't, no.
- 17 Q. So, theoretically, the problem that the voter
- 18 had in this situation that we're discussing could
- 19 repeat itself in a future election where, for example,
- 20 the voter would only provide the last four of the
- 21 Social, you wouldn't be able to match it to your
- 22 records, and then you would send the ABBM back to the
- 23 voter again; is that right?
- 24 A. It can --

13

18

Page 146

1 insight into that?

2 A. I don't.

3 Q. Okay. All right. We can put this document

4 aside.

5

16

21

I think you testified earlier that your 6 county advised voters to put both the -- their Texas ID

7 number, whether it was a driver's license or ID card,

8 and the last four of their Social Security number on

mail ballot materials; is that right?

10 A. Correct. It was a flyer. It was a 3-by-5 11 flyer that had all that information explaining.

12 Q. You anticipated. Did that go on the insert 13 that you put with the carrier envelope?

14 A. Yes, it did. It went in the mail carrier 15 envelope kit.

Q. Why did you start advising voters to do that?

17 A. It's something that -- of course, this was

18 decided upon when I was the assistant director, and the

19 directive came from the previous elections

20 administrator.

As when we were talking and discussing, of 22 course we went through the -- through the point to 23 where we were implementing the new laws and trying to 24 come up with new procedures, correct. So that is

Page 148 Q. And I think the form itself directs voters to

place the last four of their SSN if they do not have a

3 Texas driver's license or ID number; is that right?

A. I think it does state that, yes.

5 Q. Yeah. And so were you attempting to, say,

6 overcome that language in directing voters to put both?

A. Overcome as in how?

Q. Were you attempting to direct the voters who

9 did have a Texas driver's license or ID number to put

10 their SSN for -- regardless of, you know, the language

that said only to put the SSN for if you did not have a

12 driver's license or ID number?

A. It's not that we were trying to make a press --14 like a statement to where we were not overcoming that

15 language. It was in an effort to assist the voter and 16 to assist them and make sure that the process was

17 smooth for them.

As it is, some of these voters are

19 65 years and older or do have a disability. So if they

20 were to come into a situation where they had to correct

their mail carrier envelope, we were trying to deter 21

22 that. We were trying to assist them.

Q. So you felt like clarifying the language helped

24 the voter?

25 In some situations, yes.

Page 147

23

It's something that we were already doing 1 2 in a sense when it came to registering voters when we

3 participated in voter registration drives. "Oh, we'll

4 just go ahead and put both," not knowing what would,

you know, happen in the future. So it was something

that we just thought it would be better for the voter,

7 just go ahead and include both.

25 something that we decided to do.

8 We -- I even appeared in commissioners

9 court stating that; on the media when I was conducting

10 interviews, encouraging the voters to list both the

11 driver's license and the Social Security number. It's

12 just better to be safe for it to be a practice, and we

13 would not, you know, incur any rejects or any problems

14 with the mail carrier ballot.

Q. Did your office receive any feedback or 15

16 communications from voters that they were not placing

17 both because of the language on the ABBM form where it

18 requested the numbers?

19 A. In speaking to one of the managers and the

20 employees that does work on that, which is the

21 operations department, they did state that the wording

22 is small, the -- the print, the font is really small.

24 "Oh, it's because I didn't see it." "Oh, I didn't

23 So that they did hear some complaints stating that,

25 know," you know, type responses.

Page 149 Q. I know you spoke briefly earlier about some of 1

2 your education efforts around the November 2022 -- I

should say voter education efforts around the general

election, which I think you said included social media 4

and media interviews. Anything else?

6 A. Like I stated, appearing at -- placing an item

on our commissioners court meetings, going over the 7

information there; as well as the media, press

releases. Anybody had any questions, we were made

10 available. Everybody was cross-trained to answer

11 questions.

12 Q. Did you discuss your voter education efforts

13 with the Secretary of State's office at all?

14 A. As far as I know, no, we did not.

15 Q. And did they discuss their voter education

16 efforts with -- with you at all?

17 A. What they went -- what -- the information that

18 they did give us was just the information that, you

19 know, had changed, how to implement guidance. That's

20 the information that they gave us.

21 Q. How much of your overall voter education effort

22 was dedicated toward the ID number requirement for mail

23 ballot materials?

24 A. For the November election, it was a refresher.

25 Q. Do you think you'll continue to do that in the

Hilda Salinas April 20, 2023
Pages 150 to 153

Page 150

1 future?

2 A. Yes. We -- we do include it. We still mention

- 3 it, "Just remember, you do need to, you know, put your
- 4 driver's license and your Social Security number on the
- 5 mail carrier ballot," or "When you're submitting an
- 6 application for ballot by mail, just make sure you
- 7 input this information," so it's stated like that.
- 8 Q. And I think -- switching topics, then. I think
- 9 you said earlier, also, that you used all available
- you said carrier, also, that you used all available
- 10 means to contact voters when they needed to cure mail
- 11 ballot materials; is that right?
- 12 A. Correct.
- 13 Q. Did you, as a matter of course, mail back
- 14 materials, or did you wait for the voter to request
- 15 them to be sent back?
- 16 A. I would -- it would be through the early voting
- 17 ballot board. I do know that they were communicating
- 18 with them. And then again, it was based within how
- 19 much time -- how many days were left over prior to the
- 20 deadlines.

1

- So if there was enough time and they did request for us to mail it to them or the early voting
- 23 ballot board to mail the information to them, then they
- 23 Daniel Doald to mail the information to them, the
- 24 would, or if it was us, then we would. It just
- 25 depended on the situation.

- 1 Q. Is that sent by mail?
 - 2 A. Yes.
 - 3 Q. When your office receives mail ballot
 - 4 materials, do you use the ID number information,
 - 5 whether it be a driver's license or Texas ID or a last
 - 6 four Social Security number, for any purpose other than

Page 152

- 7 determining whether you could accept that ABBM or
- 8 ballot?
- 9 A. We did not.
- Q. Did you have to hire any employees specificallyto administer mail balloting during the 2022 general
- 12 election cycle?
- 13 A. We did hire temps to assist us with the
- 14 election, but it was mainly to assist with
- 15 organizational, you know, duties, you know, keeping
- 16 everything organized and in order. Mainly the
- 17 permanent staff would work on those types of duties.
- 18 Q. Got it. To the extent you know, was the number
- 19 of temps you had to hire for the 2022 general higher
- 20 than the 2018 midterm?
 - A. Again, I -- in the 2018, I was an election
- 22 analyst. I wouldn't be able to say -- compare it to
- 23 the 2018. I don't know, but I can speak for this
- 24 election, and we did hire temps. We did hire -- in
- 25 total, we do have 10 -- 10, 12 temps.

Page 151

21

1

- Q. For the period of when -- before the early
- 2 voting ballot board convened, when you said your office
- 3 was looking under the flap to make sure that the ID
- 4 number was there, would you send back ballots that were
- 5 missing an ID number at that point, or would you call
- 6 the voter and see what they wanted?
- 7 A. We would call the voter and see how they would
- 8 want to proceed.
- 9 Q. Was there a date after which you stopped
- 10 sending ballots back to voters because there wouldn't
- 11 have been enough time to mail them back by the
- 12 deadline?
- 13 A. I do, more or less, have an estimation. It
- 14 was, roughly, like, maybe 10, 11 days.
- 15 Q. Okay. Are you aware of any voters who received
- 16 notice of rejection too late to cure before the
- 17 deadline?
- 18 A. I'm not aware.
- 19 Q. Okay. If a voter was sent notice that their
- 20 mail ballot materials were going to be rejected because
- 21 they didn't comply with the ID number requirement and
- 22 then you didn't hear from them again, would you send
- 23 them a final notice of rejection after the time period
- 24 to cure had passed?
- 25 A. Yes. The final notice was sent to them.

- Page 153
 Q. Do you have any sense of how that compares to
- 2 prior elections?3 A. In some cases, we do need more assistance,
- 4 depending on the scale of the election. If it's a
- 5 pretty big election, let's say a presidential, then
- 6 yes, we do hire more as we do have more mail -- mail-in
- 7 ballots, more applications for ballot by mail, more
- 8 voter registrations. So it depends on -- on the
- 9 election.
- 10 Q. Were there any resources that you would say
- 11 your office had to dedicate to mail balloting because
- 12 of the new ID number requirements under SB 1 that it
- 13 didn't have to before those requirements were in place?
- 14 A. In regards to setting up early voting ballot
- 15 board, we did need to make sure that we had a computer.
- 16 They needed an e-mail account. They -- of course,
- 17 phones to be able to call the voters to let them know
- 18 about their -- to come in to cure, you know, their
- 19 ballot, things like that. It was more technological in
- 20 that sense.
- 21 Q. Makes sense. Do you have a sense of how much
- 22 it cost your office to administer specifically the ID
- 23 number requirements in terms of dollars?
- 24 A. I don't have, more or less, an estimation, but
- 25 I do know that it did incur more paper. It did -- we

Hilda Salinas April 20, 2023 Pages 154 to 157

Page 154

1 did need to train more. We did need to change our 2 training modules. We did need to, again, you know, add

3 more of the technological aspect in regards to setting

4 up our early voting ballot board to make sure that they 5 had the resources that they needed.

Also, the ballot by mail carrier and the

7 kits, all that information did change. All of that

8 needed to be updated, the applications for ballot by

9 mail as well. Updating our website, making sure that

10 everything was current and up-to-date. It trickled

11 down to each and every, you know, point and aspect of

12 the election.

13 Q. Do you think those expenses will be recurring

14 in future elections or many of them one time?

15 A. I think it is going to be reoccurring, again,

16 depending on the scale of the election. Of course,

17 like, for example, the mail carrier envelopes, how all

18 of that changed. We were experiencing -- the fact that

19 we had to purchase our mail kits in sections because of

20 the paper shortage.

21 So we were experiencing situations like 22 that, but now we all have -- you know, we have the

23 entire kit together. So we've already made those

24 purchases, so it would just be to keep it consistent

25 and keep it going.

1 put. For example, they would want to put the full name

Page 156

2 avenue, but if they put in avenue, it didn't really

3 match their voter registration application. It needed

4 to say A-V-E type, so little things like that is what

5 the types of complaints that -- that I received.

6 Q. Got it. Did your office have any experience

7 with military or overseas voters, essentially FPCA

voters --8

9 A. Yes, we did.

10 Q. -- who needed to -- who needed to cure the ID

11 numbers on their ballot?

A. The process for that was that if they did need 12

13 to cure that they were able to log in through the mail

14 ballot tracker.

Q. That's right. I think you testified to that 15

16 earlier, that they were directed to the mail ballot

17 tracker.

18 A. Yes.

19 Q. Were there any overseas or military voters who

20 cured by any other means?

A. As far as I know of, no, I wasn't --

22 Q. Okay.

21

23 A. -- made aware.

24 Q. So for this question, I don't want to get into

25 details. I just want to get a sense of whether this

Page 155

Q. Makes sense. Did you receive any feedback from

2 voters about the online ballot by mail tracker?

A. I did hear some complaints to where it wasn't

4 user friendly.

5

Q. Uh-huh.

6 A. Again, I've only seen it as in a screenshot

7 type, as -- as I don't have access to it, but that you

8 can -- you can imagine an elderly person who's 65 or

9 75, 85, you know, plus having to input their

10 information in there.

11 The complaint that we did receive was that 12 you would think that you would put, I guess, you know,

13 18 -- you know, 1825 South McColl, let's just state,

14 right, all in one line, and it was segmented to where

15 you would need to put the number, the South in one

16 other little box, and then the street name in another

17 little box. Everything was -- was separated, so it 18 was -- it was hard. It was a little difficult for

19 them.

21

25

20 Q. Got it.

A. Those are the kind of complaints that I

22 received in regards to the mail tracker.

23 Q. Any other specific issues besides the address

24 entry that you heard?

A. They weren't really familiar where or what to

Page 157 1 happened or not to protect any privilege that, you

know, your county might have.

3 But did you make any referrals to law

4 enforcement for potential fraud in mail balloting in

connection with the November 2022 general election?

6 A. No, we did not.

7 Q. Do you -- is anyone in your office trained to

use the ID numbers on mail ballots as a potential

9 indicator of fraud?

10 A. I don't understand.

11 Q. Sure. I guess let me phrase it this way. Does

12 your office consider a mismatched or omitted ID number

13 on either an ABBM or a carrier envelope to be

14 potentially indicative of mail ballot fraud?

15 A. No. Our office did not think of it in that way

16 or form.

17 Q. Okay. Were there any instances where a

mismatch or omission on the ID number revealed that the

19 voter whose name was on the mail ballot materials was

20 not, in fact, the individual who sent the mail ballot

21 material to your office?

22 A. I was not made aware of any such situation.

23 Q. Okay. Did you receive any feedback or

24 communications from voters indicating that voting by

25 mail was too difficult once these ID number

- put -- they'll mix up which -- which ballot goes in the
- 2 right carrier envelope, sometimes they'll put two
- envelopes in a -- or two -- two ballots in a security 3
- 4 secrecy envelope. I mean, there is just a whole variety
- 5 of variations of -- of -- of mistakes that voters make.
- 6 Q. Are the mistakes more common when there are 7 multiple elections happening at the same time?
- 8 A. Yes.

11

1

- 9 Q. I believe you testified earlier that the law,
- 10 SB 1, took effect on December 2nd, 2021, is that right?
 - A. Correct.
- 12 Q. Is it fair to say that the first election in
- which you implemented SB 1 was the March primary? 13
- 14 A. Yes.
- 15 Q. Is it more difficult to implement a new law
- 16 like SB 1 the first time you're doing it, compared to
- 17 later times when you're doing it?
- 18 A. Of course.
- 19 Q. Would you say that your implementation of the
- 20 law has improved between the March 1st primary and the
- 21 May 7th election, for example?
- 22 A. I think that anytime that there's a change, it
- 23 takes time to implement that change. Unfortunately, for
- 24 the March primary election, the State did not give
- 25 elections administrators the proper time to adminis --

- to make those changes.
- 2 SB 1 was passed, you know, in September,
- 3 I think it was, and implemented December 2nd. After the
- 4 law is passed, there's -- there are election advisories
- 5 that come from the Secretary of State that explain how
- 6 to implement those -- those vague rules, as they're seen
- 7 in the law.
- 8 Unfortunately, what -- there's
- 9 clarifications, webinars, election advisories. There
- 10 was 46 of those in the last 80 days, that -- that we
- 11 received from the State, 46 of those prior to
- 12 implementing the March 1st election, and the last of
- 13 which was literally the day before the election. And so
- 14 whenever you have a situation like that, when the State
- 15 is so late in their guidance, there's going to be
- 16 problems implementing.
- 17 Q. And I understand this may seem obvious to you,
- 18 but just in case it's not obvious to the Court, is that
- 19 an unusually-high number of election advisories?
- 20 A. Yes.

22

- 21 Q. Did they come --
 - A. SB 1 is a very complex law.
- 23 Q. And is it fair to say that the advisories came
- 24 closer to Election Day than they normally would?
- 25 A. Yes.

- Page 68 Q. Were you left with less time to implement SB 1
- than you would have liked? 2
 - A. Yes.
 - Did that make it more difficult to implement
- 5 it correctly?
- 6 A. Yes.
 - Q. Do you know whether voters were also affected
- 8 by the fact that SB 1 was new for the March primary?
 - A. I can speculate that they were, yes.
- 10 Q. Aside from speculation, do you have any
- 11 personal knowledge about voters who misunderstood the
- 12 rule -- misunderstood the new rules, for example?

 - Q. Could -- could you just give an example or two
- 15 of how that happened?
- 16 A. Voters that would not fill out their
- 17 applications correctly, et cetera.
- 18 Q. And in instances like this, were you often
- 19 able to explain the new rules to the voters?
- 20 A. We -- we tried, and we went to extraordinary
- 21 means to do so. We went to the Commissioners Court and
- 22 obtained funding to -- to do a public outreach campaign
- 23 to educate voters, and then we also reached out to those
- 24 who -- who made mistakes on their applications, we --
- 25 phone banking, et cetera, to try to get them to cure.
- Page 67

1

- Page 69 Q. So what was the timing of the public outreach
- 3
 - Q. Is that when it began?
- 5 A. Yes.
 - Q. And is it still going on?
- 7 A. That particular campaign, no, but our -- our
- educational efforts on our website, et cetera, are. 8
- 9 Q. Okay. How long did the campaign go on -- this
- 10 specific campaign you are talking about? 11
- 12
- 13 A. Uh-huh, yes.
- 14 Q. Now, kind of apart from the broad-spectrum
- 15 public campaigns that you were talking about, you also
- 16
- errors, is that right? 17
- 18

19

24

- A. I think we -- well, we sent them written
- 22 Q. And -- and these communications explained the
 - A. Yes.
- 25 Q. And you designed these communications to try

2 campaign?

- A. Mid February, late February.
- 4
- 6

- Q. Okay. But then continued educational efforts?
- said you reached out to individual voters who had made

- Q. How -- how did that work?
- 20
- 21 communications, emails and phone banks, phone calls.
- 23 specific error the voter in question had made?

14		14 MR. BROUGHTON: Kenneth Broughton, of the law firm
15		15 of Reed Smith here in Houston, representing the HAUL plaintiffs.
16		16 Isabel Longoria,
17		17 having been first duly sworn, testified as follows:
18		18 DIRECT EXAMINATION
19		19 BY MR. THOMPSON:
20		20 Q. Good morning, Ms. Longoria. How are you?
21		21 A. Great.
22		22 Q. Would you just spell your name for the record so we
23		23 have it.
24		24 A. Isabel Longoria, I-S-A-B-E-L. Longoria is
25		25 L-O-N-G-O-R-I-A.

- 1 provided to them are not accessible to them. And, so, if not
- 2 given those two ways, they would seek another option, if at all
- 3 available by the state.
- 4 Q. Let me reframe the question. Your previous testimony
- 5 was about some number of voters, roughly, a dozen, who requested
- 6 an accommodation related to the cure process; right?
- 7 A. Sure.
- 8 Q. And those voters requested an accommodation that would
- 9 have allowed them to go through the cure process without using
- 10 either of the two options you testified about earlier; right?
- 11 A. Yes.
- 12 Q. What was the option that they wanted as an
- 13 accommodation for going through the cure process?
- 14 A. Any alternative to appearing in person because they
- 15 were physically not able to appear in person in a safe manner.
- 16 And they were open, as I understand, to all options, be it phone,
- 17 email, fax, any other option or alternative to appearing in
- 18 person.
- 19 Q. What did they say about why it would be unsafe for them
- 20 to appear in person?
- 21 A. Broadly, again, they have a disability or are homebound
- 22 in such a way that, for example, the very reason they engaged in
- 23 mail ballot voting is because they could not leave their home.
- 24 And so to cure their mail ballot, they again could not leave
- 25 their home to cure. And so they requested a cure process or

- Page 32 1 voters who requested an accommodation for the mail ballot cure
- 2 process?
- 3 A. It would be dependent on what actions they took voter
- 4 by voter.
- 5 Q. Sorry. So do you know, for example, whether any or all 6 of those voters wound up voting?
- 7 A. Broadly, it was a mixed bag of some voters, as I
- 8 understand, who did or did not end up curing their mail ballots.
- 9 Q. When you say it was a mixed bag, are you saying some
- 10 voters might have cured their mail ballots and some didn't?
- 11 A. Correct.
- 12 Q. And do you know how many cured their mail ballots and
- 13 how many didn't?
- 14 A. I do not.
- 15 Q. Do you have any kind of estimate for the percentages?
- 16 A I do not
- 17 Q. Do you have records that would allow us to determine
- 18 that information?
- 19 A. No.
- 20 Q. How do you know that it was a mixed bag?
- 21 A. I can -- the people in my office who take these calls,
- 22 the call centers, report these summaries to me just broadly on
- 23 what they hear and the context and issues that have been raised

Page 33

- 24 by voters on calls.
- 25 Q. You're referring to the people who take calls in which

- 1 accommodations that would have been given to them essentially by2 definition of using mail ballot voting.
- 3 Q. Was this related to concerns about COVID?
- 4 A. As I understand, it was about their physical abilities 5 to leave their home or not.
- 6 Q. So you think that voters who made these requests just
- 7 can't leave their homes at all; is that right?
- 8 A. That is what they shared with us.
- 9 Q. But did your office provide an accommodation for those 10 voters?
- 11 A. By law, we can only accept the cure forms for mail
- 12 ballots either using documents received from the state that a
- 13 person updates on the website or if that individual visits us in 14 person.
- 15 Q. When you say "by law," you can only do those things, is
- 16 that based on your understanding of SB1?
- 17 A. Yes, sir. My understanding of SB1 and advice from the
- 18 Secretary of State's Office, the different advisories suggest to
- 19 us that the only method that we can accept cure forms is, again,
- 20 if that person -- in the cure period, if that person visits our
- 21 office or submits -- uses the state's website.
- 22 Q. Did any of the Secretary of State advisories addressing
- 23 those two options discuss requests for accommodation?
- 24 A. I don't remember specifically at this time.
- 25 Q. Do you know what the ultimate result was for those

- 1 some number of voters requested an accommodation?
- 2 A. Yes.
- 3 Q. But the people who take those calls wouldn't know if
- 4 the voter, for example, later, a week after, he spoke to someone
- 5 in the call center, got internet access, and went through the
- 6 cure process; would he?
- 7 A. No.
- 8 Q. So is it fair to say that as to the voters who
- 9 requested an accommodation related to the cure process for mail
- 10 ballots, your office wouldn't know whether those voters wound up
- 11 successfully going through the cure process or not?
- 12 A. There is no form or method in the office to directly
- 13 track who does ultimately call us about any one issue and then
- 14 who ultimately cures.
- 15 Q. So is the answer yes?
- 16 A. It's a bit of a nuance question. It's not that the
- 17 office doesn't know generally, it's that there's no form to track
- 18 that as you kind of stated earlier. If you wouldn't mind
- 19 clarifying the question, perhaps.
- 20 Q. You can't provide any testimony about whether any
- 21 particular voter who requested an accommodation related to the
- 22 cure process for mail ballots wound up successfully completing
- 23 the cure process or not; correct?
- 24 A. Correct.
- 25 Q. You can't identify anybody in the Harris County

THE VIDEOGRAPHER: Good afternoon. Today is 2

- 3 Wednesday, April 20, 2022. We're on the record. The time is
- 2:45. Would counsel present state appearances, please.
- 5 MR. BROUGHTON: Kenneth Broughton, the firm of
- 6 Reed Smith, for the -- all plaintiffs.

1

- 7 MS. BEELER: Christina Beeler for the Harris
- County Attorney's Office for defendant Isabel Longoria.
- 9 MR. FOMBONNE: Jonathan Fombonne, Harris County
- 10 Attorney's Office, also for Ms. Longoria.
- MR. THOMSON: Will Thompson, Texas Attorney 11
- 12 General's Office representing the State defendants.
- 13 Isabel Longoria,
- 14 having been first duly sworn, testified as follows:
- 15 **DIRECT EXAMINATION**
- 16 BY MR. BROUGHTON:
- 17 Q. Ms. Longoria, as I've said, my name is Kenneth
- 18 Broughton, and I represent -- and I'll tell you exactly who: I'm
- 19 here on behalf, really, I think of all of the various plaintiffs
- 20 in these various lawsuits. My specific clients are Houston
- 21 Justice, Houston Area Urban League, Delta Sigma Theta Sorority
- 22 Inc., The Arc of Texas, and Jeffrey Lamar Clements. Okay?
- 23 So again, you know, anytime anybody needs a break, if
- 24 you'll just say so. You've done a great job earlier today about
- 25 asking for rewording or repeating a question. So don't hesitate.

6 shorthand? TAEA?

Q. Okay.

1 county, all 254 counties, or?

A. TAEA is a shorthand --

A. Here in Houston, Texas.

13 Q. Okay. And tell us about your formal schooling.

10 think since about May 2021, if I'm not mistaken.

Q. Okay. And where'd you grew up?

A. I went -- received an undergraduate degree in sociology

A. I've been in it as an official member since I can -- I

A. It's a statewide organization with representatives from

Q. All right. How long have you been in the TAEA? Is

- 15 from Trinity University in San Antonio, and a master's degree
- 16 from the UT Austin LBJ School of Public Affairs in public
- 17 affairs.
- 18 Q. Okay. And what years did you obtain those degrees?
- 19 A. I graduated from Trinity University in 2010 with a
- 20 bachelor's degree and graduated with my master's from UT Austin 21 in 2012.
- 22 Q. And just walk us through your employment once you got
- 23 your master's degree up until you assumed your present role.
- 24 A. Since receiving my master's, I worked for State
- 25 Representative Jessica Farrar as a policy analyst at the Texas

- 1 A. Okay.
- 2 Q. All right. Go ahead and tell us your name for the 3 record.
- 4 A. Isabel Longoria.
- 5 Q. And what is your current job title?
- 6 A. Harris County Elections Administrator.
- 7 Q. And when did you begin your time as the elections
- 8 administrator for Harris County?
- 9 A. In November 2020.
- 10 Q. And when will your tenure end?
- 11 A. I am slated to resign on July 1, 2022.
- 12 Q. So is that position a nonpartisan position?
- 13 A. Yes.
- 14 Q. And how is one selected?
- A. Broadly, the members of the Harris County Election
- 16 Commission accepts resumes, select a candidate, nominate that
- 17 candidate, and then that is, for lack of a better term, ratified
- 18 by the Harris County Commissioners Court.
- Q. Are you a member of any professional organizations? Is
- 20 like there an election administrators organization --
- 21 A. Oh, yeah.
- 22 Q. -- or anything like that?
- 23 A. I apologize. Yes. The Texas Association of Elections
- 24 Administrators.
- 25 Q. Okay. And is that pretty -- is there one in each

- Page 9 1 Legislature. I then worked for the House Democratic Campaign
- 2 Committee working on organizing fundraising and field campaigns
- 3 in South Texas in Harris County. I then believe I went on to
- 4 work for State Senator Sylvia Garcia as a policy analyst working
- 5 in both her district, legislative and campaign -- or and her
- 6 campaign offices. I then moved on to AARP as an associate state
- 7 director of I believe advocacy and outreach helping people over
- 8 the age of 50, you know, live and age gracefully in Texas, and
- 9 then went on to run for office, Houston City Council District
- 10 H. And then shortly thereafter there was COVID. And then I was
- 11 hired by interim county clerk Chris Hollins as a special advisor
- 12 for voting rights and access in the Harris County Clerk's Office,
- 13 and then shortly thereafter appointed as the Harris County
- 14 Elections Administrator.
- 15 Q. And did you apply for the administrator job?
- A. Yes. 16
- Q. Okay. And what about that job was appealing to you? 17
- 18 Why did you want that job?
- A. I love Houston, I love Harris County, I wanted to work 19
- 20 in my hometown, and I believe strongly in the rule of law and
- 21 government and in the fundamental of people engaging in their
- 22 democracy.
- 23 Q. As elections administrator, do you oversee the general
- 24 staffing and budget for that office?
- 25 A. Yes.

Page 38

- 1 A. Usually, people who are older, who maybe have -- you
- 2 know, their driver's license has expired or their need to drive
- 3 has expired; therefore, they don't get a Texas driver's license.
- 4 Individuals who for whatever reason have no interest in ever
- 5 driving and therefore would never get a driver's license. Past
- 6 that, I'm not familiar with the requirements of what it takes to
- 7 acquire a driver's license, so I can't say who -- who would
- 8 qualify or not pass that. But as I understand it, generally,
- 9 when we see it in our office, people who don't have driver's
- 10 licenses are usually older.
- 11 Q. Apparently, your counsel wouldn't qualify if, for one,
- 12 if she didn't have glasses on.
- 13 (Laughter erupts in room.)
- 14 (BY MR. BROUGHTON:)
- 15 A. Fair enough.
- 16 Q. Okay. So the other form -- another form of
- 17 identification required is -- would be the last four digits of a
- 18 Social Security number; is that right?
- 19 A. Correct, yes.
- 20 Q. From your experience, are there categories of citizens
- 21 who don't have a Social Security number?
- 22 A. To the extent that I understand citizenship
- 23 qualifications, I believe, broadly, all citizens have Social
- 24 Security numbers. Whether or not they are on the voter file is a
- 25 different aspect.

1

Page 40

- 1 information. So it tended to be older voters, again, who had
- 2 those numbers available to them but had not updated them in their
- 3 voter registration file, in addition to which I believe the
- 4 Secretary of State's Office shared with us that they had come
- 5 into possession of certain driver's license numbers that they had
- 6 applied to voters' records using some kind of ID matching or
- 7 record matching system that voters then reported to us was not
- 8 their driver's license number. So the application -- the number
- 9 they provided on their application was not that of the vote --
- 10 was not the same as the one on the voter file. And so in trying
- 11 to investigate that and help voters, we figured out that some
- 12 driver's license numbers uploaded by the State were not correctly
- 13 matched to those ballots which then ultimately either had to be
- 14 corrected or, you know, ultimately had the voter's application to
- 15 vote by mail rejected.
- 16 Q. So you said that for some older voters I guess when
- 17 they had originally obtained or registered to vote, it wasn't
- 18 required to list their Social Security number; did I understand
- 19 you correctly?
- 20 A. Correct, yes.
- 21 Q. Do you know approximately when that requirement of
- 22 putting a Social Security number on your voter registration card 23 started?
- A. As I understand from people in my office who've shared it with me kind of informally, I believe that was sometime in the

- Q. Okay. And what do you mean by that?
- 2 A. That previous to January, as I understood it, the only
- 3 way that your driver's license, Social Security number, or other
- 4 form -- you know, other information that a voter gave us ended up
- 5 on a voter's file was because that voter submitted it to us
- 6 either when registering to vote or when updating information in
- 7 their voter file. So if you've never submitted a voter
- 8 registration card with your Social Security number on it, then we
- 9 would never have it uploaded in our system.
- 10 Q. And in real life situations, did that turn out to
- 11 affect a lot of people in Harris County?
- 12 A. Yes.
- 13 Q. And so tell us about that.
- 14 A. There were voters who in attempting to fill their mail
- 15 ballot application or their mail ballot, ultimately, submitted to
- 16 our office an application with either the last four digits of a
- 17 Social Security number or their driver's license number which by
- 18 definition of the signing of the form, they shared to us was, you
- 19 know, true and accurate for them. However, regardless of if the
- 20 application contained that information, our voter file may not
- 21 have contained that information. For example, some older voters
- 22 when they registered to vote were not required by law to submit a
- 23 Social Security number or driver's license number with their
- 24 voter registration card, so they would never have up to that
- 25 moment ever needed to update their voter file with that

- Page 41 1 '70s or '80s that it then became mandatory for someone to include
- 2 a Social Security number on a voter registration card.
- 3 Unfortunately, I don't know or can't remember the exact date at
- 4 this time.
- 5 Q. So for somebody like my parents who would have first
- $6\,$ voted before the 1970s or '80s, then that would not have been on
- 7 their card; is that your understanding?
- 8 A. That's -- at that time, they would not have been
- 9 required to submit a Social Security number or driver's license
- 10 number with their voter registration card. I'd have to look up
- 11 the provisions to see if it was even optional for them to include
- 12 it.
- 13 Q. Okay. So any other problems you recall that Harris
- 14 County voters have experienced with respect to these new ID
- 15 requirements of SB1 with respect to mail-in voting?
- 16 A. Yes. Expanding the question now to mail ballot voting,
- 17 in the cure process. So, broadly, that's taking to mean that as
- 18 voters submit to us an application or even a mail ballot carrier
- 19 envelope that does not have an ID number, one, we have to send --
- 20 we have to return those applications or carrier envelopes back to
- $21\,$ the voters or we call or email them if we have that information
- 22 on record -- again, it's something that they optionally provide
- 23 when registering to vote -- to alert those voters as to their
- 24 need to kind of update or resubmit an application form or carrier 25 envelope with the correct information based on time. If a voter

- 1 sends us their application one day before the deadline, you know,
- 2 they may not have enough time regardless to, you know, correct
- 3 that application and get it back to us. So time is against them.
- 4 If, as I described earlier, there's a discrepancy as to what is
- 5 on their voter file versus what is provided on their application,
- 6 be it a typo or if there's an inconsistency in what's in the
- 7 record, taking time to investigate and get into the bottom of
- 8 that which then the clock runs out and, therefore, voters can't
- 9 apply even to vote by mail. Later, if their application to vote
- 10 is accepted if they do correct their voter registration form --
- 11 and that requires sending another form to our voter registration
- 12 department to update that information, which in and of itself, if
- 13 you don't have access to computers or printers or can't get to
- 14 our office in person becomes an onerous task. For some
- 15 individuals, they may not even be able to engage in the process
- 16 to update their voter file or even cure their mail ballot. Those
- 17 tend to be problems even in the application process.
- 18 Fast forward, let's say you make it through the
- 19 application process, the voter's approved, you get to the mail
- 20 ballot process, you receive a mail ballot, you send it back to
- 21 us, the State has given us a template which because of time we
- 22 had to use for a mail ballot envelope on what we call a secrecy
- 23 flap, which means that the ID numbers have to be included under a
- 24 flap so that as those numbers are -- as that mail ballot is going
- 25 through the postal service, you can assume that certain

- Page 44 1 your mail ballot. But if you can't come in person and if you
- 2 can't return it by mail to cure your mail ballot, then you are
- 3 effectively kind of out of options to cure your mail ballot even
- 4 though you have the correct number, even though you could cure
- 5 it. So ultimately leading to about 20 percent of mail ballots in
- 6 Harris County that were rejected by the early voting ballot board
- 7 because of lack of ID or ID curing issue.
- 8 I'm happy to repeat any of that for the reporter.
- 9 Q. (Laughs.)
- 10 A. I know that was quite a lengthy --
- 11 Q. I have a question back to people being able to go
- 12 online and cure and things like that. Has your office
- 13 experienced very many people who for whatever reason don't have a
- 14 computer or are not computer literate or that sort of thing?
- 15 A. Yes.
- 16 Q. Tell us about that.
- 17 A. It tends to be older voters or voters without means who
- 18 more likely than not don't have access to a printer. So they
- 19 might have access to the internet on their phone or get access to
- 20 internet through a community center or other means or may even
- 21 request that we print and send to them a mail ballot application.
- 22 But if you don't have a printer, then your option is to, you
- 23 know, call us or hope that another application has gotten to you
- 24 in some form.
- 25 And then postage, individuals may not be aware or be

Page 43

- 1 information is hidden under that flap. Voters don't see that
- 2 there's a space under the flap, don't know to include the
- 3 information under the flap, think that because they've included
- 4 that information on their application, they don't need to do it5 on the carrier envelope, and so you have missing ID numbers for
- 6 that purpose. And then that could be sent -- either sent back to
- 7 you if you get a mail ballot back. Voters have expressed
- 8 frustrations at having to correct their mail ballots and having
- 9 to go through that process and some have not returned their mail
- 10 ballots because of that.
- 11 Let's keep moving forward. So you've gone through all
- 12 of that process, again, assuming that the information in your
- 13 voter file is correct and matched up to your card, it requires
- 14 more time from our early voting ballot board and more resources
- 15 from our voter registration and mail ballot teams to research
- 16 someone's voter file to match those numbers; and then for the
- 17 early vote ballot board, to make those determinations if the
- 18 numbers match and then if the signatures match; further
- 19 complicated by the fact that if you are lacking a signature but
- 20 have an ID number that is correct, you by law can presume that
- 21 that mail ballot can be accepted, but even then it's a bit
- 22 ambiguous for the early voting ballot board, as I understand, on
- 23 when and how that should be applied.
- Then assuming you don't match numbers, you have six
- 25 days in the cure period to then come in person or return by mail

- Page 45 1 able to go out and purchase postage to send back their
- 2 applications or mail ballots to our office. I will say there's a
- 3 caveat that any election mail received by our office without
- 4 postage must be accepted by the U.S. Postal Service, but not all
- 5 voters are aware that they can send election mail in the post and
- 6 that it'll get to our office.
- 7 Q. I wouldn't have known that either, just like the
- 8 buzzer. (Laughs.) Let's see here.
- 9 A. Oh, and I believe -- sorry. I misspoke earlier. In
- 10 the cure process, yeah, I said in person or by mail. Yeah, those
- 11 are the items -- options for curing.
- 12 Q. How does a voter know if their vote-by-mail application
- 13 has been accepted?
- 14 A. Either, one, you receive a mail ballot -- so you can
- 15 presume that your mail ballot application has been accepted --
- 16 you can call our office, mail ballot department, to check on the
- 17 status of your mail ballot application, you can visit the Harris
- 18 County website or the Texas Secretary of State website if you're
- 19 able to access either of those websites to see the status of your
- 20 application, or you'll receive a letter, phone call, or email
- 21 from us if there for any reason is a reason -- if your
- 22 application was not accepted.

24 be denied?

- $\,$ 23 $\,$ $\,$ Q. What are the reasons a vote-by-mail application might
- 25 A. Oh, boy. A vote-by-mail application can be denied for

2 record. This begins Videotape Number 1 in the

3 deposition of Yvonne Ramon in the matter of La Union Del

THE VIDEOGRAPHER: We are now on the

- 4 Pueblo Entero vs. Texas, in the United States District
- 5 Court for the Western District of Texas, San Antonio,
- 6 Division 5--- I'm sorry, 5:21-cv-0844-XR.
- 7 Today is Tuesday, May 10, 2022 and the 8 time is 9:06 a.m.
- 9 This deposition is being taken at 9805 10 North Tenth Street, McAllen, Texas, at the request of 11 Magna Legal Services.
- The videographer is Mark Longoria of Magna 13 Legal Services, and court reporter is Dora Canizales of 14 Magna Legal Services.
- 15 Would counsel and all parties present
- 16 state their appearance and whom they represent?
- 17 MR. WHITE: This is Graham White from the 18 Elias Law Group on behalf of LULAC plaintiffs.
- 19 MS. RAMIREZ: Josie Ramirez and Leigh Ann
- 20 Tognetti on behalf of the defendant, Yvonne Ramon.
- 21 MR. HERBERT: Ari Herbert from the Texas
- 22 Attorney's General Office on behalf of State defendants.
- 23 MR. MALHI: This is Jaywin Singh Malhi on 24 behalf of the United States. And along with me is a 25 student intern, Cameron Pack.

1 Texas.

2 Q And did you bring anything with you to the 3 deposition today?

- 4 A I didn't.
- 5 Q Okay. Now, I know you've been deposed before.

Page 8

Page 9

- 6 A Yes.
- Q And so I won't spend too much time on8 preliminaries. But just for the record, I just want to9 go over some of the ground rules for today.
- As you know, this just to make sure that 11 your answers to my questions are audible. No shaking of 12 your head or "huh-uh" or things like that that will make 13 it hard for the court reporter to transcribe. Does that 14 make sense?
- 15 A Yes.
- 16 Q Please wait for me to finish my questions
 17 before you answer, and do your best not to interrupt me.
 18 And I will do the same -- same thing for the sake of the
 19 court reporter.
- 20 A Yes.
- 21 Q So you understand that you're under oath today?
- 22 A Yes
- 23 Q And you will testify truthfully and honestly 24 and that oath has the same effect as if you were 25 testifying in a court of law?

- 1 MS. HARRIS: This is Ashley Harris on 2 behalf of the OCA plaintiffs.
- 3 MS. RAMIREZ: Anyone else wants to 4 identify themselves? Okay.
- 5 (Witness sworn by Court Reporter.)
- 6 YVONNE RAMON,

7 having been first duly sworn, testified as follows:

- 8 EXAMINATION
- 9 Q (BY MR. WHITE) Ms. Ramon, good morning.
- 10 A Good morning.
- 11 Q Good to see you again.
- 12 A Nice to see you as well.
- 13 Q So as you know, my name is Graham White.
- 14 represent LULAC with the Texas Alliance Retired
- 15 Americans and Texas AFT, and so I represent one of the
- 16 several plaintiff groups in this matter.
- 17 And I think after I finish my questioning
- 18 today there may be lawyers for other groups that may
- 19 have questions to ask as well, and they will introduce
- 20 themselves when the time comes.
- 21 Now, I know you were sworn in. But can
- 22 you please state your full name for the record?
- 23 A Yvonne Ramon.
- 24 Q And can you also state your business address?
- 25 A We are at 213 South Closner Avenue in Edinburg,

1 A Yes.

- Q If the question is unclear to you, just let me
 know. If you don't ask for clarification, I will assume
 you understood the meaning of the question. Does that
 make sense?
- 6 A Lunderstand.
- 7 Q Okay. Your attorney may object to some of my 8 questions. Those objections are for the judge to 9 consider at a later point. Unless your attorney 10 specifically instructs you not to answer, just answer my 11 question.
- 12 A I understand.
- 13 Q Okay. Finally, if you need to take a break for 14 any reason, just let me know. I will try to go -- take 15 a break maybe every hour or so.
- 16 The only thing that I ask is that if a
- 17 question is pending when we break, that you just answer 18 before we go off the record.
- 19 A Yes.
- 20 Q Okay, great.
- 21 Is there anything that might impair your
- 22 ability to testify truthfully and honestly today?
- 23 A No.
- 24 Q Have you taken any medication, alcohol, or
- 25 drugs that would impair your testimony today?

- The VR database processors, there are 3 seven. And I think the rest of the departments work in 4 the operations of the election, in administration of the 5 election. And so pretty much I think all 20 work 6 everything.
- 7 Q Got it. And you have temporary employees for 8 the elections operations --
- 9 A I do.
- 10 Q -- department as well?
- 11 A I do. There are anywhere between three to12 seven temporary employees that can be on or off,13 depending on the election itself and the other duties of14 the office.
- 15 Q Great. And about how many elections have you 16 run as the Hidalgo County Elections Administrator?
- 17 A I didn't go back to check. But when I did my 18 report a couple of years ago, it was over 200, so I'm 19 sure it's somewhere around there.
- 20 Q Okay. So let me ask you this then: How long 21 have you been in your current role?
- 22 A September 2nd will be 14 years. So not quite 23 14, but right around the corner.
- 24 Q And what did you do before then?
- 25 A I was actually in education. I had just

Page 16 1 ago, but can you just explain how your office interacts 2 with the Secretary of State's office on a day-to-day 3 basis?

- 4 A The Secretary of State's office has always been 5 our I think number one support system. We look to them 6 for guidance. We look to them for instructions when 7 something changes, when something is new. We wait 8 anxiously for them to guide us.
- 9 And so, of course, they interpret the 10 election code. So whenever there is a question, that's 11 who we call firsthand.
- So without them, I don't know what we 13 would do because they are truly our support.
- 14 Q And who in the Secretary of State's office do
 15 you generally contact with questions about an election?
- 16 A Well, I am part of the advisory committee that 17 was formed in 2020. There are 27 counties that were 18 asked to represent the State.
- 19 And so we're usually talking with Keith20 Ingram and Christina Adkins.
- 21 But, of course, dialing the 1-800 number, 22 and you hit number 3, any of the legal attorneys that 23 answer, we work with all of them.
- 24 Q Okay. What is this advisory committee that you 25 just mentioned?

Page 15

- 1 started a school that summer as secondhand to a 2 principal. That school was supposed to be mine as 3 principal one day, and that's how she hired me on. So I 4 was working in education.
- 5 Q And what made you decide to go from education 6 to elections administration?
- 7 A Truly, that is a story all on its own, 8 honestly.
- 9 Q Sure.
- 10 A My prayer is always where do you need me, Lord, 11 and this is where I ended up.
- 12 Q Understood. Does your office have a mission 13 statement?
- 14 A No, we don't.
- 15 Q Would you say that helping people register to
- 16 vote is part of your office's objectives?
- 17 A Yes.
- 18 Q Would you say that making voting more
- 19 accessible is part of your office's objectives?
- 20 A Yes.
- 21 Q And would you say that ensuring eligible voters
- 22 are able to cast a ballot as part of your office's
- 23 objectives?

A Yes.

24

25 Q And how does the -- you mentioned this a second

Page 17
1 A In 2020, Christina Adkins and Keith Ingram
2 asked 27 of us -- I don't know how many are still on
3 board, but there were 27 back then, I ran across the
4 e-mail just last week -- and they asked if we would join
5 them for -- you know, it could be monthly meetings and,
6 when necessary, even more often.

- 7 And we discuss changes, we discuss 8 anything that -- topics that are important. And so it's 9 been a -- it's been a rewarding experience.
- 10 Q So during these discussions, is the Secretary 11 of State's office soliciting your advice?
- 12 A In a sense, it's not about soliciting our
 13 advice, but, for example, with the carrier envelope, we
 14 were part of the team that would receive the prototypes
- 15 and, you know, look at it. I would have my staff in 16 that department look at it and give suggestions.
- 17 At the end, they decide. We don't. But
- 18 the check off list that was part of Senate Bill 1, you 19 know, again, I looked at it, I talked to some poll
- 20 workers and if anything was missing. Because they're 21 the ones that work it.
- 22 So we submit this fact. I'm not exactly 23 sure what they do with the final product, but we do give 24 our experiences sometimes.
- 25 Q Understood. And you said that you-all -- the

1 we send to the State. So it takes a little longer.

- 2 Q And one other thing I think you mentioned when 3 I asked about the impact on Hidalgo County was that 4 there was a paper shortage. I don't think I explored 5 that particular --
- 6 A Yeah. Nationwide. There was a paper shortage.
 7 So that's why in trying to prepare for the year the way
 8 the State was asking us to be ready, because we needed
 9 to be ready with all these forms, we couldn't, and we
 10 haven't been able to because the vendors were not
 11 allowing us to order such large quantities.
- That also brings down the price, but, you 13 know, the more you order, the less per item charge. But 14 we couldn't because nationwide, there is a paper 15 shortage.
- Right now we're having difficulty finding 17 yellow paper for the sample ballots, for example. They 18 don't let you order, you know, boxes and boxes, reams 19 and reams of paper. They limit you to how much you can 20 order because there is a paper shortage.
- 21 Q And when did your office become aware about the 22 paper shortage?
- 23 A In December, January. We already knew this was 24 coming.
- 25 Q Okay.

Page 135

- 1 A I'm trying to jump the gun. You have to also 2 remember it was redistricting and that we were doing a 3 massive mail-out, which is 357,000-plus cards that 4 needed to be printed and sent out.
- 5 Our vendor did tell us that once we did 6 ours, he had to turn others away because he didn't have 7 any more paper, no more paper in stock.
- 8 Q Do you know, on average, how many voters use 9 vote by mail in Hidalgo County during a primary 10 election?
- 11 A How many voters what?
- 12 Q Use vote by mail during a primary recollection 13 in Hidalgo County?
- 14 A For in general?
- 15 Q During a primary election.
- 16 A During a primary election. Vote by mail. I
- 17 didn't look at that figure. I just looked at the -- too
- 18 many -- too many percentages to remember.
- 19 Q Sure.
- 20 A I can tell you that during a primary, the 21 percentage of complete voter turnout would be anywhere 22 between 15 percent to 21, 22. Except 2016 had a little 23 higher turnout, 25. But usually it's anywhere between
- 24 15 to 21, 22 percent voter turnout. But too many -- to 25 many numbers to remember the breakdown.

- 1 Q Okay.
 - 2 A In each category.
 - 3 Q I have other questions that will be about 4 numbers, so hopefully I won't be over grueling in that 5 regard.
 - 6 So during the March 2022 primary, we sort 7 of talked about some of the problems that were caused by 8 the identification matching provisions.
 - 9 Is it fair to say that there were high 10 levels of rejection of mail-in ballot applications 11 compared to previous years?
 - 12 MR. HERBERT: Objection, form.
 - 13 A I did check that carefully, and definitely.
 14 When we would have a rejection rate of 1 to 2 percent -15 I think there was one year that we had a 2.2 -- we
 16 actually had a 19 percent rejection rate in the March
 17 2022.
 - 18 Q (BY MR. WHITE) Okay. And I'm going to ask you 19 more specifics about those numbers in just a second.
 - The question I just asked is about whether 21 there were high levels of rejection of mail-in ballot 22 application. Were there also high levels of rejection 23 mail-in ballots --
 - 24 A Yes.
 - 25 Q -- compared to previous --

Page 137

- 1 A Yes, I did check that as well for 2022. And, 2 again, the rejection rate of applications minimal, 3 again, 1 percent, 1 1/2 percent. And the applications 4 rejection rate in 2022 was 13 percent.
- 5 Q And so let's just focus for a second on the 6 applications. What were the reasons for some of these 7 rejection rates for applications?
- 8 A The majority was lack of ID.
- 9 Q When you say "lack of ID," do you mean a person 10 not listing an identification --
- 11 A Exactly.
- 12 Q -- on the mail-in application?
- 13 A Exactly. They were using the old form. Or if 14 they -- even if they used the new form, they didn't -- 15 their eyes didn't gravitate to the right side, which was 16 a new area on the application that required the ID.
- 17 Q And when you say the majority of the problems 18 were caused by missing ID, is that a guess or --
- 19 A No, no. It is the majority. Because, again -- 20 because a person submits an application doesn't mean 21 they qualify. So some are rejected because they don't
- 22 qualify. They don't meet the guidelines whether they're
- 23 not 65 and older and if they're -- they didn't check 24 disabled, they didn't check the primary. You have to
- 25 check Democrat or Republican, and some people don't. So

- 1 that there was potentially a problem with ballots
- 2 getting rejected?
- 3 A. Ballots or applications?
- 4 Q. I'm sorry. Applications being rejected.
- 5 A. Again, probably by the third week of January.
- 6 Q. And in between say late January and the March
- 7 primary, did your office take additional steps to
- 8 educate voters and the requirements?
- 9 A. Yes, we updated the web site. We put the
- 10 envelopes out there and just tried to get as much of the
- 11 word out to the media, that kind of stuff.
- 12 Q. When you say media, are you referring to media
- 13 appearances by yourself or --
- 14 A. Myself, yes.
- 15 Q. And what platforms would you typically use?
- 16 A. Just have news conferences.
- 17 Q. Did you seek any approval from -- sorry.
- 18 Strike that. Did you contact the secretary of state's
- 19 office before doing media appearances about --
- 20 A. No, sir.
- 21 Q. Since the March primary, do you have additional
- 22 plans to engage in proactive voter education about the
- 23 mail-in identification provisions?
- 24 A. Again, yes, sir. And I showed you the insert
- 25 that we have gone to for great planning.

Page 128

- 1 application and mail ballot return. So we inserted
- 2 these in every one of the mail ballots that we have sent
- 3 out for the May 7th election. And again, we are going
- 4 to change it just a little bit to take the color teal
- 5 off of it so that is generic for the 24th. And then we
- 6 will revisit this over the summer to see if we can tweak
- 7 it in some way or, you know, is our learning curve
- 8 smoothing out now and are we passed all of this? So we
- 9 will definitely revisit it in the summer.
- 10 Q. When did you decide to put something like this 11 together?
- 12 A. Probably, probably two weeks before the March
- 13 1st ones. Once we were seeing these rejection things, I
- 14 mean we, myself and the mail room people were basically
- 15 just -- we have to do something. What with we going to
- 16 do? How are we going to do this? What are we going to
- 17 do? And that seemed to have been a theme across the
- 18 state because -- and we got a message after March 1st.
- 19 We all received a message from the secretary of state's 20 office saying if you are thinking of doing anything, we
- 21 have to approve it before. So that led us to believe
- 22 that more, you know, wasn't just a Bexar County thing.
- 23 It was more widespread. And so a lot of us did these.
- 24 I was in touch with Christina Adkins and
- 25 she sent me the one the state had come up with after

- 1 Q. Right. So I would like to talk about that and 2 we will mark this as --
- 3 REPORTER: C.
- 4 Q. (By Mr. White) -- C.
- 5 MS. PERALES: No, we have a different 6 piece of paper. Here we go. Thank you.
- 7 THE WITNESS: I still have this many.
- 8 MS. PERALES: I think you should mark 9 this. We did this for you.
- 10 (Exhibit C marked)
- 11 Q. (By Mr. White) Okay. I would like to mark
- 12 something else as Exhibit C which this is in paper
- 13 format which I think might be easier for folks to --
- 14 A. You don't want to pick my strips up off the 15 ground?
- 16 Q. This might be easier for everyone.
- 17 A. Thanks, Nina.
- 18 MS. PERALES: I will be checking the
- 19 translation while you all discuss.
- 20 Q. (By Mr. White) Okay. So are you familiar with
- 21 this exhibit that I have just passed you?
- 22 A. Yes, sir.
- 23 Q. What is it?
- 24 A. It is our attempt at correcting a lot of the
- 25 errors that we saw in the March 1st mail ballot

- Page 129 1 much thought. And we killed that one and said no, that
- 2 was just way too wordy. It was way too legalese. It
- 3 wasn't in like common -- what we need. And so we got
- 4 permission to use ours.
- 5 So I don't know how many different ones of
- 6 these are around the state. But again, they recognize
- 7 that I guess a lot of us were saying we have to do
- 8 something. We have to do something.
- 9 Q. Let me go back and ask you first about the
- 10 message from the secretary of state's office that you
- 11 referenced on March 1st. Was this sort of -- was this
- 12 an advisory from the secretary of state's office sent to 13 you?
- 14 A. Not an advisory. Just an email. We get them
- 15 from -- they will just do blasts I guess is the term.
- 16 And it was saying if you are thinking of doing anything
- 17 and you want to put an insert in, make sure we approve 18 it.
- 19 Q. Okay. Was this email sent out to all county
- 20 election administrators?
- 21 A. I am sure everyone, yes.
- 22 Q. Is this email something you have produced in
- 23 discovery at this point?
- 24 A. No, I didn't even think to, no. I'm sorry.
- 25 Q. And what was -- can you be more specific about

April 20, 2022 Pages 214 to 217

Page 216

Page 214

- 1 A. Yes, ma'am.
- 2 Q. Those were mail ballots?
- 3 A. Yes, ma'am, that were returned to us and that
- 4 the ballot board rejected, yes, ma'am.
- Q. And that number is 3,940. And then you have837 that were cured.
- 7 A. That came in to cure out of that 39. So that
- 8 is 20 percent -- 20 some percent.
- 9 Q. So I am getting 3,103.
- 10 A. That did not --
- 11 Q. That did not cure.
- 12 A. Okay. 3,103?
- 13 Q. Yeah, 3,103. So that is 1,117 plus 2,823 minus
- 14 837 gets us 3,103.
- 15 A. Yes, ma'am.
- 16 Q. So how would we describe that 3,103? 3,103 are
- 17 the number of voters in Bexar County who sent you a mail
- 18 ballot. You could not match the ID number and they
- 19 didn't cure in time so their vote was not counted.
- 20 A. Correct.
- 21 Q. Okay. Now, do you have a sense of how many
- 22 people sent you an application for a mail ballot and you
- 23 couldn't match their number and you never got a cured
- 24 application for mail ballot from them?
- 25 A. No, that we didn't track. Like I said, we

- 1 particular?
 - 2 A. I don't.
 - 3 Q. Is that because you weren't tracking those
 - 4 individual voters?
 - 5 A. Correct. Again, because the system we have had
 - 6 no coding for it in there. Previously, it had never
 - 7 been an issue. It was handled manually. If something
 - 8 came in and we had to reject it, we sent something out
 - 9 and we literally kept it in a box. I mean we kept it
 - 10 filed. We knew where it was. But the computer system,
 - 11 the database didn't even have the codes in there.
 - 12 Q. Do you recall your office receiving any phone
 - 13 calls from voters who said I received a second
 - 14 application for ballot by mail from you and I filled
 - 15 that one out too and I still got rejected?
 - 16 A. Yes.
 - 17 Q. Do you know how many voters were twice
 - 18 rejected?
 - 19 A. No, no, that would have been anecdotally. But
 - 20 yes, we would hear it.
 - 21 Q. And I will represent to you that El Paso County
 - 22 got some pretty angry phone calls from voters.
 - 23 A. So did we. So did we. And again, as I spoke
 - 24 before, we had to have a meeting with the staff to allow
 - 25 them to say they don't deserve to be spoken to like

Page 215

- 1 didn't have that system in place.
- 2 Q. Do you know how many times you mailed out to a
- 3 voter a new application for ballot by mail because you
- 4 weren't able to verify the first time?
- 5 A. Again, we didn't track that. We didn't know it
- 6 would be --
- 7 Q. So would you agree with me there is some number
- 8 of people who sent an application for ballot by mail and
- 9 you couldn't match their number and they were unable to
- 10 cure and so they never received a mail ballot?
- 11 MS. HUNKER: Objection, form.
- 12 THE WITNESS: Correct, although we did
- 13 send rejects to them and new applications up to the
- 14 point where the gate came down and it was closed. So
- 15 again, I just don't know what that push/pull was.16 Q. (By Ms. Perales) It is also possible, isn't it,
- 17 and this would be a terrible situation. But if the
- 18 voter sent you the first application for ballot by mail
- 19 and put the driver's license and you couldn't match the
- 20 driver's license, so you sent them a new application for
- 21 ballot by mail and they put the social down, and then
- 21 ballot by mail and they put the social down, and then 22 you couldn't match the social either, that could happen;
- 23 couldn't it?
- 24 A. Oh, sure.
- 25 Q. And do you know if it happened for anybody in

- 1 that. So and again, in all of the years I have been
- 2 here, I have never had to have a meeting like that, to
- 3 even say something like that because we are a customer
- 4 service driven organization and that is part of who we
- 5 are. And we had to do that for the first time and that
- 6 was sad.
- 7 Q. Did you have any voters call with confusion
- 8 about the verifying of the numbers on the mail ballot
- 9 applications or mail ballots who were Spanish speaking
- 10 voters?
- 11 A. Oh, sure.
- 12 Q. Did you have a Spanish speaking staff person
- 13 who would talk to them on the phone?
- 14 A. Yes, ma'am. Yes, ma'am.
- 15 Q. You mentioned that at some point, you started
- 16 sending voter registration forms to voters who had --
- 17 who were obviously already registered --
- 18 A. Correct.
- 19 Q. -- but for whom you couldn't get some kind of
- 20 number on them?
- 21 A. Correct.
- 22 Q. Did you receive any phone calls from voters who
- 23 were confused about why you were sending them a voter
- 24 registration form?
- 25 A. Yes, ma'am.

THE WITNESS: Maybe not. Let's stay to

- 2 five percent.
- Q. (By Ms. Sisco) Okay. All right. And I am
- 4 going to enter another. So I am going to enter this as
- 5 Exhibit --
- 6 REPORTER: G.
- 7 (Exhibit G marked)
- Q. (By Ms. Sisco) -- G, thank you. Mr. Callenan, 8
- 9 can you tell me what this is? Actually, it is kind of
- 10 hard to see. Forgive the printing here. Can you tell
- 11 what this is? And if not --
- 12 A. I think it is a news article.
- 13 Q. Yes. So that's right. This is a KSAT.com
- 14 article entitled more than 1900 Bexar County mail
- 15 Ballots rejected following new voting law requirement.
- 16 A. Right.
- 17 Q. And this is from March 8th so these numbers are
- 18 not final.
- A. Correct. 19
- 20 Q. So I am going to direct your attention to the
- 21 back of this front page here. The second to last
- 22 paragraph starts on election night.
- 23 A. Uh-huh.
- 24 Q. Can you read that -- those two sentences for 25 me?

Page 275

- A. Where it says on election night? 1
- 2 Q. Yes.
- A. Callenan told reporters that the county was
- 4 running about a 35 percent rejection rate for mail
- 5 ballots before SB-1 went into effect. She says a
- 6 typical election would probably be two or three percent
- 7 rejection rate.
- Q. Thank you.
- A. So again, not taking into account that massive
- 10 election in 2020.
- Q. Yes, okay. Got it. And so obviously that
- 12 35 percent reduction rate is no longer accurate:
- 13 correct?
- 14 A. Correct, it went down.
- Q. And would you say that the two or three percent
- 16 is typical still?
- 17 A. Yeah, somewhere in there.
- 18 Q. Okay. Okay. Great. I just wanted to make
- 19 sure we are on the same page. So is it fair to say that
- 20 the number of mail ballots rejected in the March primary
- 21 is significantly greater than in years past?
- 22 A. Yes.
- 23 Q. And when we talk about mail ballots that are
- 24 ultimately rejected, is that number inclusive of mail
- 25 ballots that were cured?

- 1 MS. HUNKER: Objection, form.
- 2 THE WITNESS: I am not sure I understand.
- 3 We are still talking about the primary 2022? What
- 4 election?
- 5 Q. (By Ms. Sisco) Yes, yes, sure.
- 6 A. Like I say, we cured 837. And prior to that,
- 7 we didn't see people coming in to cure their ballots
- 8 because that was not an option for our senior citizens
- 9 voting.
- 10 Q. Right. And but when we are talking about like
- 11 the number, I think I can pull it up. It was like a
- 12 3000 number. Hold on.
- 13 A. Oh, our 31 when we all did the math?
- 14 Q. Exactly, that number.
- 15 A. 3103.
- 16 Q. Yes, okay. Thank you. Does that include
- 17 ballots that were cured? Well, now I am confused.
- 18 Strike that. Sorry.
- 19 A. Now I am confused. I am not sure we added
- 20 those two numbers --
- 21 MS. HUNKER: Objection, form.
- THE WITNESS: -- but then I don't know if 22
- 23 we subtracted them or not.
- Q. (By Ms. Sisco) And now I have lost my place in
- 25 both my outline and my notes looking for the --

Page 277

- A. My note said the 3103 did not cure. So 837 1 2 cured.
- 3
- Q. Okay. Exactly.
- A. That is what my notes say.
- Q. Thank you. Yes. I'm sorry. Thank you both.
- 6 Okay. And then I'm sorry but now I lost my place here.
- 7 Okay. So that 31 and change number did not include
- 8 people that cured?
- 9 A. Correct.
- Q. Okay. And did that include people who spoiled
- 11 their mail-in ballot to just go vote in person?
- A. No. 12
- 13 Q. So that number, the 31 and change, that number
- 14 of mail ballots rejected represents individuals who
- 15 attempted to submit a ballot but did not have their vote
- 16 counted: is that right?
- 17 A. Correct.
- 18 Q. And those people never got to participate in
- 19 the March primary?
- 20 A. Correct.
- 21 MS. HUNKER: Objection, form.
- 22 Q. (By Ms. Sisco) Does that greater number of
- 23 rejected ballots concern you?
- 24 A. Oh, sure. These are our voters.
- 25 Q. Can you tell me more about that?

- A. Again, every one of these voters is important.
- 2 Every one of them is a vote. And when we disenfranchise
- 3 or we lose one, that is not right. That is not what we
- 4 are in business for.
- Q. Thank you. And have you -- actually, scratch
- 6 that because you have answered it already. Do you have
- 7 any reason to believe that this significantly larger
- 8 number of rejected of people who had their ballots
- 9 rejected are not otherwise eligible voters?
- 10 MS. HUNKER: Objection, form.
- 11 THE WITNESS: I'm sorry. I don't
- 12 understand.
- Q. (By Ms. Sisco) I can rephrase. Do you have any 13
- 14 reason to believe that the people -- that the majority
- 15 of the people whose votes weren't counted because they
- 16 were rejected, do you think that they are -- do you
- 17 think there is voter fraud going on there or do you
- 18 think they are eligible voters who misunderstood or
- 19 messed up?
- 20 MS. HUNKER: Objection, form.
- 21 THE WITNESS: I think they were eligible
- 22 voters.

1

- 23 Q. (By Ms. Sisco) Do you think the SB-1, this ID
- 24 number requirement confused voters?
- 25 A. Yes.

3 And I don't blame them.

A. Again, there was a strong hesitancy of sending

- 2 information like that over the internet in an email.
- 4 Q. Understood. And would they provide an updated
- 5 number by phone?
- 6 A. No.

1

- 7 Q. Okay. And we talked about they could
- 8 theoretically do it online but it didn't work and only
- 9 39 voters were able to do that?
- 10 A. Correct.
- Q. Okay. Can a voter -- could a voter who came in 11
- 12 person to cure their ballot, could they do that curbside
- 13 or would they have to physically go into your office and
- 14 talk to an elections worker?
- 15 A. We did provide curbside for that.
- 16 Q. Okay. Great. And we have talked a lot about
- 17 the steps that your office, the various steps that your
- 18 office has taken to help voters kind of understand and
- 19 cure their ballot issues. Do you remember that?
- 20 A. Yes.
- 21 Q. And one of the things you mentioned is that
- 22 your office started advising people to just put both
- 23 numbers on everything?
- 24 A. Correct.
- 25 Q. When did you start advising that?

- Q. Did the secretary of state provide adequate
- 2 guidance on this requirement to voters?
- A. In my opinion which is only an opinion, the
- 4 answer would be no.
- Q. And has -- do you think the secretary of state
- 6 has provided additional -- since the March 2022 primary,
- 7 do you think that now the secretary of state has
- 8 provided adequate guidance to voters?
- 9 A. No.
- Q. Okay. Thank you. So we talked a lot about how
- 11 people can come in person to cure their votes?
- 12 A. Yes.
- 13 Q. Okay. And I believe you said that they
- 14 could -- you, if their application is rejected, you were
- 15 just sending them a new application?
- 16 A. Correct.
- 17 Q. So could they have returned that by mail?
- 18 A. Absolutely.
- 19 Q. Okay. Do you know how many people did that?
- 20 A. No. As I said, we weren't tracking that at the
- 21 time.
- Q. And could they provide like their number? 22
- 23 Could they cure it by email?
- 24 A. They could but they didn't.
- 25 Q. Okay.

- Page 281
- A. When it became apparent that we had a problem. 1
- 2 Q. And when was that?
- 3 A. You know, probably like the third week of
- 4 January.
- 5 Q. Okay. And why did you start advising that?
- 6 A. Again, because we were noticing that we were
- 7 getting the wrong number. I don't want to say it is the
- 8 wrong number. The other number.
- 9 Q. Got it. Okay. And you also mentioned that
- 10 your office sent voter registration cards with new
- 11 applications when the original was rejected; correct?
- 12 A. Correct.
- 13 Q. Did that require the use of resources like
- 14 staff or funding to do that that wasn't necessary in
- 15 prior elections?
- 16 A. Correct.
- 17 Q. Can you describe a little bit what additional
- 18 resources were required?
- A. I mean, again, you have the staff time to do 19
- 20 it. You have the cost of the new voter registration
- 21 card. You have the cost of the mailer. You have your
- 22 envelopes that are nine cents a piece. You have your
- 23 application, the new application. You have the new
- 24 voter registration card and you are going to pay the
- 25 postage out. So each one was a necessary financial

- 1 Q. Was the response provided in written or oral
- 2 format? Scratch that. Does the secretary of state
- 3 provide any written guidance to you regarding the ADA?
- 4 MS. HUNKER: Objection, form.
- 5 THE WITNESS: No.
- 6 Q. (By Ms. Sisco) Has the secretary of state
- 7 provided any written guidance pertaining to the ADA and
- 8 SB-1 specifically?
- 9 A. No.
- 10 Q. Does the secretary of state provide any
- 11 training to you -- never mind.
- MS. SISCO: Okay. Thank you. That's it.
- 13 I will turn the witness over. Can we go off the record?
- 14 VIDEOGRAPHER: Yes. The time is 6:11 p.m.
- 15 We are off the record.
- 16 (Recess taken)
- 17 VIDEOGRAPHER: The time is 6:12 p.m. We
- 18 are back on the record.
- 19 EXAMINATION
- 20 BY MR. MALHI:
- 21 Q. Hi, Ms. Callenan. My name is Jaywin and I am
- 22 one of the attorneys on behalf of the United States. I
- 23 am mindful of the time so if it works for you, can we
- 24 just jump into the questions?
- 25 A. Please.

Page 311

- 1 Q. My first set of questions is about your
- 2 validation process for mail ballot materials. And just
- 3 to make sure we are on the same page, when I use the
- 4 term mail ballot materials, I am using that generically
- 5 to encompass both applications for ballot by mail but
- 6 also the mail ballot carrier envelopes. So take us --
- 7 let's think back to pre-SB-1, before SB-1 was in effect.
- 8 A. Yes.
- 9 Q. How did your office determine that the voter
- 10 who sent in mail ballot material was an eligible
- 11 registered voter?
- 12 A. Again, once the application reaches us, when we
- 13 enter it into the database, it is either a voter -- and
- 14 our system is set up that -- in such a way -- excuse
- 15 me -- that when we touch that record in an election, it
- 16 will actually tell the data processor the age of the
- 17 voter. They don't have to figure out using years of 18 birth.
- 19 Q. Understood. And now when you are actually
- 20 looking up that voter in your database to confirm they
- 21 are eligible and registered, what pieces of information
- 22 are you entering to actually pull up the voter's record?
- 23 A. It --
- 24 Q. Just to clarify -- sorry. This is pre-SB-1,
- 25 what information were you entering?

- A. Yes. Basically, we used whichever is the
- 2 shortcut. If they have their voter registration number
- 3 on that card, which a number of the consultants do, we
- 4 put in that ten digit number and it brings up their
- 5 record. If the card does not have their voter
- 6 registration number on it, then we have to put in their
- 7 name. And then at some point, we have to put in their
- 8 birth date.
- 9 For instance, if we had Joe Smith, it
- 10 would bring up 97 of them. And so to narrow the field,
- 11 then we would put in the birth date. So it is different
- 12 depending on the application.
- 3 Q. Understood. So now post-SB-1, now that SB-1
- 14 has come into effect, how do you determine that the
- 15 voter who submits a mail ballot material is an eligible
- 16 registered voter?
- 17 A. Again, we do the same data entry at that point
- 18 using one of the points I just spoke to. But when it
- 19 brings the record up, we have adjusted our screens so
- 20 that it will go and pull in whether there is a TDL or
- 21 the last four of the SSN.
- 22 Q. Got it. So when you are actually typing in the
- 23 voter now post-SB-1 to look up their record, are you
- 24 typing in their Texas driver's license number or the
- 25 last four digits of their social security number or some
 - Page 313
- 1 other piece of information first?
- A. No, we are using the same information that we
- 3 used pre-SB-1. We are putting in their voter
- 4 registration number or their first and last name and 5 their birth date.
- 6 Q. And then -- sorry. Go ahead.
- 7 A. We do not type in the TDL or the SSN.
- 8 Q. But I understand that after you pulled up the
- 9 voter record, the voter registration record, you will
- 10 then cross check the ID number; right? The Texas
- 11 driver's license or the social security number; is that
- 12 correct?
- 13 A. Yes, we had our vendor modify our system,
- 14 upgrade it so that those numbers appear on the
- 15 right-hand side of the screen if they are there.
- 16 Q. So now pre-SB-1 again, how long on average
- 17 would you estimate it took your office to process a
- 18 single -- let's say application for ballot by mail?
- 19 A. I think they can absolutely process them within20 three minutes.
- 21 Q. And now post-SB-1, on average, how long do you
- 22 think it takes to process on average a single
- 23 application for ballot by mail?
- 24 A. Prior -- to answer your question, as we started
- 25 at the beginning of SB-1, we were processing it the same

Don't Forget Your ID Numbers!

Under the flap on your teal and white carrier envelope, where it says "Required Information," you must provide at least one of the required ID numbers. We recommend providing both.

No Olvides Tu Número de Identificación!

Bajo la solapa del sobre de envío color verde azulado y blanco, en donde dice "Información Requerida," debe usted proveer al menos uno de los números de ID requeridos. Nosotros recomendamos que escriba los dos.

EXAMINATION

10 BY MR. DOLLING:

11 Q. Good morning, Mr. Johnson. My name is Zach

12 Dolling. Thank you for being here today. Could you

13 please state your name and spell it for the record?

14

A. Charlie Johnson, C-H-A-R-L-I-E

15 J-O-H-N-S-O-N.

Q. For the benefit of the court reporter and 16

17 the people attending via Zoom who may not be able to

18 see you well, will you please provide verbal answers

19 like yes and no rather than nodding or shaking your

20 head?

1

21 A. Yes.

Q. It's also important that we don't speak over

23 one another so that the court reporter can get a clean

24 record of what's said. I'll do my best to wait for

25 you to finish talking. Can you do your best to wait

Page 9 1 are under oath and subject to federal penalties for

2 false or misleading testimony. It's important that

3 you answer my questions fully, completely, and

4 truthfully; do you understand?

5 A. I do.

Q. And do you have any questions for me before 6

7 we get started?

A. I do not.

9 Q. Okay. I believe in front of you, you have

10 something that should be marked as Exhibit 1 -- it's

11 one of those two -- and if you could just flip through

12 that quickly. Let me know when you're done.

13 A. I'm done.

14 Q. Have you seen this document before?

15 A. I have.

16 Q. And I'm just going to read the title, which

17 is on page 2, "Second Amended Notice of Rule 30(b)(6)

18 Deposition of the office of the Travis County Clerk."

19 Did I read that correctly?

20 A. You did.

21 Q. And do you understand that you are here

22 today pursuant to this notice?

A. I do. 23

24 Q. And do you understand that the Travis County

25 Clerk's office has designated you to provide testimony

- 1 hundreds. And so I'll just turn to Interrogatory
- 2 Number -- think it's Number 2, but there's numerous
- 3 subparts. And this will be on page 4 of 6, and we'll
- 4 start -- and it's in the middle. And it says,
- 5 "Interrogatory Number 2 for the November '22 general
- 6 election and with respect only to timely received
- 7 ballots by mail," do you see that?
- A. I do.
- 9 Q. State -- and then we turn the page to
- 10 Subpart F. It says, "State the number of ballots by
- 11 mail finally rejected by Travis County pursuant to
- 12 SB-1, Sections 5.12, 5.13, and/or 5.14 because the
- 13 information provided by the voter did not identify the
- 14 same voter identified on the voter's application for
- 15 voter registration." Did I read that correctly?
- 16 A. You did.
- 17 Q. And that refers to the ID matching
- 18 requirements of SB-1; is that correct?
- 19 A. It does.
- 20 Q. And the answer there is 418 ballots were
- 21 finally rejected; is that correct?
- 22 A. That is correct.
- 23 Q. And so I just wanted to go back -- just to
- 24 circle back to what you said previously.
- 25 A. Understood.

- 1 typically folks that are a little less familiar with
 - 2 computers and the Internet, that sort of thing, it
 - 3 took a little bit longer. And there were occasions
 - 4 where we weren't able to complete the cure process

 - 5 online, and there were indications that they would
 - 6 continue to attempt to do so on their own or seek help 7 or something like that.
 - Q. Are you aware of any voters who were unable
 - 9 to cure and unable to vote in the November 2022
 - 10 general election?
 - 11 A. Well, there were several folks -- there's
 - 12 were 400 or so, as we just saw, that were unable to
 - 13 cure and their ballots were ultimately rejected.
 - 14 Q. Did some voters have difficulty complying
 - 15 with SB-1's mail identification requirement on the 16 front end? For example, providing a wrong
 - 17 identification number are failing to list an
 - 18 identification number at all?
 - 19 A. Yes, there was several, in the hundreds,
 - 20 where folks either entered the wrong -- or placed the
 - 21 wrong number on their application and their ballots or
 - 22 didn't include it at all. And that resulted in a
 - 23 rejection.
 - 24 Q. When you heard from some of the voters who
 - 25 were affected by Senate Bill 1's mail identification

Page 39

- Q. And I believe that's all my questions for
- 2 now; so I can pass the witness.
- MR. NELSON: Can we go off record
- 4 before we start further exam?
- THE COURT REPORTER: We are off the
- 6 record.
- 7 (Off the record.)
- THE COURT REPORTER: All right, 8
- 9 everyone. We are back on the record.
- 10 **EXAMINATION**
- 11 BY MS. PAIKOWSKY:
- 12 Q. All right. Good -- I guess it's still
- 13 morning. Good morning, Mr. Johnson. My name is Dana
- 14 Paikowsky. I'm with the United States. So I'm just
- 15 going to pick up a little bit on -- I will talk
- 16 louder, and I will pick up on some of what we've been
- 17 talking about. So your office previously testified
- 18 that some voters had difficulty complying with the --
- 19 SB-1's mail ballot ID requirement. Was that still
- 20 true during the 2022 general election?
- 21 A. In the course of reaching out to voters,
- 22 specifically by phone, there was some difficulty in
- 23 getting some folks to utilize the tracker, the online
- 24 Secretary of State tracker. Oftentimes it would
- 25 require 30 to 40 minutes of someone's time, and

- Page 41 1 requirement, did any voters indicate confusion with
- 2 the process?
- A. We had several phone calls. People seeking
- 4 clarification on how that process would work, yes.
- 5 Q. So I'm going to turn a little bit to the
- 6 sort of mechanics of the processing of ABBMs and mail
- 7 ballots. When your office receives an ABBM, how does
- 8 your office look up that voter's voter file?
- A. Depends on the information that they give
- 10 us. If they provide a VUID, which is the state ID, we
- 11 typically look it up that way. If not, then we'll do
- 12 a name and date of birth match to find the voter that
- 13 matches the information on the rest of the
- 14 application.
- 15 Q. The same question for carrier envelopes.
- 16 How does your office pull up a voter's file once
- 17 you've received a carrier envelope?

24 verifying all the information on it.

- 18 A. Well, the carrier envelope includes a unique
- 19 identification number that is tied specifically to
- 20 that voter. So it is a much, much simpler process.
- 21 Once that is received, it can be scanned and tied
- 22 immediately to that voter that it has been received
- 23 before it goes onto signature verification to continue
- 25 Q. And that's a bar code that's on the carrier

Charlie Johnson

March 29, 2023

Pages 42 to 45

Page 42

- 1 envelope that you provide to the voter and to send 2 back to you?
- A. That's correct.
- 4 Q. Does your office use the driver's license or
- 5 social security number for any purpose beyond
- 6 determining whether an ABBM or mail ballot can be
- 7 accepted in light of Senate Bill 1?
- A. Other than as an additional piece of
- 9 information to help research the voter to find out who
- 10 the application might be for -- but it would be very
- 11 rare -- no.
- 12 Q. Is there ever an instance where --
- 13 withdrawn.
- 14 Can you think of an instance where you were
- 15 unable to look up a voter based on name, birth date,
- 16 and other identification -- other information on their
- 17 ballot aside from a driver's license or social
- 18 security number?
- 19 A. That does happen occasionally.
- 20 Q. Previous to Senate Bill 1, were you ever
- 21 unable to look up a voter's file with the information
- 22 provided on an ABBM or carrier envelope?
- 23 A. Yes.
- 24 Q. Would you be able to look up -- does your
- 25 county send out notices of final rejection? This is

- Page 44
 1 applications and ballots that we receive in and around
 2 an election period.
- 3 Q. Did you hire -- I'm sorry, withdrawn.
- 4 Were your needs greater -- hiring needs
- 5 greater after Senate Bill 1's identification
- 6 requirements?
- 7 A. I could not speak to that. I started in
- 8 2020. We had -- it was a very large election. We had
- 9 lots and lots of folks, and then -- so I really could
- 10 not compare the elections under SB-1 to my experience
- 11 to elections before that, as far as the number of
- 12 temporary employees we had to hire to handle those
- 13 tasks.
- 14 Q. Is there anyone who might be able to?
- 15 A. It's possible that Bridgette might be able
- 16 to.
- 17 Q. So during the November 2022 general
- 18 election, were there voters who you needed to notify
- 19 of a ballot defect but did not provide a phone number
- 20 or an email address?
- 21 A. Prior to which election?
- 22 Q. In the November '22 general election?
- 23 A. Were there voters that we had to notify who
- 24 did not provide a phone number or email? Yes.
- 25 Q. And how did you contact those voters?

Page 43

- 1 distinct from notices of a ballot defect or any ABBM
- 2 defect to let people know that their ballot was
- 3 rejected or their ABBM was rejected.
- 4 A. Yes, we are required to send out that
- $\,{\bf 5}\,$ additional notice indicating that their ballot has
- 6 been rejected.
- 7 Q. And how do you provide that notice?
- 8 A. By mail. And I apologize, I might have said
- 9 ballot. But if I said ballot, I meant application.
- 10 That their application had been rejected.
- 11 Q. What about for ballots?
- 12 A. Yes, that's a very similar process. After
- 13 the cure period has ended, we will send out a final
- 14 rejection notice indicating that their ballot had been
- 15 finally rejected.
- 16 Q. For the November 2022 general election, did
- 17 your office hire employees or contractors to
- 18 facilitate, support, or assist with mail voting and
- 19 the implementation of SB-1's identification
- 20 requirements?
- 21 A. We hire temporary workers.
- 22 Q. Why?
- 23 A. Well, this is a matter of standard operating
- 24 procedure. For every election, we hire a number of
- 25 temporary workers to help manage the extra volume of

- 1 A. Just by mail.
 - 2 Q. In the November 2022 general election, were
 - 3 there voters who did not pick up the phone when they

Page 45

- 4 were called?
 - A. Yes.

5

- 6 Q. How did you contact those voters?
- 7 A. By mail or email if they provided it.
- 8 Q. In the November 2022 general election, were
- 9 there voters in your county whose mail ballot
- 10 rejection notice was not mailed until it was too late
- 11 for them to cure an ID issue?
- 12 A. For their ballots?
- 13 Q. Correct.
- 14 A. I don't think so.
- 15 Q. So you mentioned previously you send cure
- 16 notices up until the last day a voter can cure. Were
- 17 there any voters for whom you had to send notice by
- 18 mail, but that notice couldn't be sent out until the
- 19 last day or shortly before the cure period was over?
- 20 A. Are you referring to applications or to
- 21 ballots?
- 22 Q. Ballots.
- 23 A. For typical ballot by mail voters, the
- 24 deadline to receive their ballot is typically the next
- 25 business day after an election, which gives us roughly

Charlie Johnson

March 29, 2023

Pages 46 to 49

Page 46

- 1 a week to have that voter cure if necessary. And we
- 2 make every effort to get the notice in the mail
- 3 immediately and initiate those phone calls right away.
- 4 Typically within 24 hours, if we can. The exception
- 5 to that would be our SPCA, which oversees military
- 6 folks who have an additional period of time in which
- 7 to sent their ballot in. And it is possible that if
- 8 we receive their ballot on the deadline, there is not
- 9 enough turnaround to contact that person to have them
- 10 cured before the deadline.
- 11 Q. Has your office ever referred -- actually,12 withdrawn.
- 13 Based on your experience thus far, do you
- 14 believe that the rejection rate for ID defects will
- 15 ever be zero?
- 16 A. I have never seen rejection rate for ballots17 at zero.
- 18 Q. Why do you believe that the rejection rate
- 19 for ID issues will never be zero?
- 20 MR. WASSDORF: Objection. Form.
- 21 A. I couldn't speak to that.
- 22 Q. Do you believe that human error can impact
- 23 the ability to comply with the ID provisions of Senate
- 24 Bill 1?
- 25 A. I've seen folks transpose a number.

- Page 48
 1 ballots by mail and round it to two decimal points for
- 2 the following elections." And then it asks for the
- 3 2012 election -- which your office represented it
- 4 doesn't have numbers for -- as well as the 2014
- 5 election. But then, for the 2016 election, it reads
- C 000 for the Newscarbor 2040 election it reads 47: fo
- 6 .98; for the November 2018 election, it reads .47; for
- 7 the 2020 election, it reads .42; and the November 2022
- 8 general election, it reads 2.16. Why, in your
- 9 experience processing ballots, was the rejection rate
- 10 higher in 2022 than in previous past elections?
- 11 A. The only response I could give to that is
- 12 based off the total number of rejected ballots,
- 13 ID-related versus not ID-related. There were more
- 14 ID-related rejections than not.
- 15 Q. Were ID issues the primary reason for
- 16 rejection of ballots during the 2022 general election?
- 17 A. Yes.
- 18 Q. All right. So we can set that exhibit
- 19 aside. Has your office ever referred a voter whose
- 20 ABBM or carrier envelope did not match the Team record
- 21 to the office of the Secretary of State as a potential
- 22 case of voter fraud?
- 23 A. I don't recall.
- 24 Q. Has your office ever referred a voter whose
- 25 ABBM or carrier envelope did not match their voter

Page 47

- 1 Assuming that's human error, yes.
- Q. And do you believe human error, for example,
- 3 in the database can also result in ballot rejection?
- 4 A. Absolutely.
- 5 Q. So is it fair to say that human error and
- 6 database errors will continue to be a cause of
- 7 rejections unrelated to the eligibility of the voter
- 8 to cast a ballot by mail?
- 9 A. In the normal course of events of our
- 10 business activities, there will always be some small
- 11 amount of human error; so sure. Certainly.
- 12 Q. I'm going to pass out an exhibit.
 - MS. PAIKOWSKY: I think -- are we on 5? MR. NELSON: 6.
- 15 Q. Do you recognize this document?
- 16 A. I do.

13

14

- 17 Q. And so the top says, "Defendant Dyana
- 18 Limon-Mercado's Objections and Responses to State
- 19 Defendants' Second Set of Interrogatories." And I
- 20 will have you turn to the last page, page 6.
- 21 Actually, I guess we'll start on page 5. And so
- 22 Interrogatory Number 4 reads, "Please identify and
- 23 describe the specificity of Travis County's final
- 24 rejection rate of timely received ballots by mail
- 25 expressed as a percentage of all timely received

- Page 49
 1 record to any other law enforcement authority as a
 - 2 potential case of voter fraud?
 - 3 A. To law enforcement? I don't recall ever
 - 4 having to do that.
 - 5 Q. Are you aware of any instances where
 - $\,\,$ 6 fraudulent voting was identified because of an ID
 - 7 mismatch?
 - 8 A. I don't recall an instance, no.
 - Q. Did your office receive any communications
 - 10 from voters indicating that they were dissuaded from
 - 11 voting by mail in the November 2022 general election?
 - 12 A. I don't remember a specific email, no.
 - 13 Q. You mentioned previously that your office,
 - 14 when checking identification numbers, will first look
 - 15 at your county database and then turn to Team. When
 - 16 you do look at the Team numbers, does your office ever
 - 17 do live checks?
 - 18 A. Live check is done by voter registration.
 - 19 If you, mean the live check process that's done with
 - 20 the Secretary of State's office and counties, that is
 - 21 not our office that executes that.
 - 22 Q. And so the live check process wouldn't be
 - 23 part of the process of comparing an ID to ensure
 - 24 compliance with SB-1?
 - 25 A. Not on the early voting clerk's side, no.

Q. Okay. Now, see we have our exhibits.

2 (Off the record conversation.)

3 MR. WASSDORF: You want to go off the

4 record for a second?

5 THE COURT REPORTER: We are off the

6 record.

7 (Off the record.)

8 MR. NELSON: Okay. We're back on the

9 record. And for counsel who is participating by Zoom,

10 everyone should have received earlier a supplemental

11 production consisting of the ballot by mail and

12 carrier envelope inserts, and that was Bates Stamped

13 Number 064.134766 through 134769 of those documents in

14 English and in Spanish. In addition, you should have

15 just received a one-page, which is 064.134770, which

16 is an email exchange between Bridgette Escobedo and

17 Christina Adkins with the Secretary of State's office

18 regarding the submission of these inserts for approval

19 and the response from the Secretary of State's office.

19 and the response norm the Secretary of State's onic

20 And with that, I turn it back to counsel for

21 examination.

22 Q. So I think I may hold off on asking about

23 this -- well, actually, no. Okay. So one question

24 first: So earlier you mentioned how you might use a

25 driver's license or SSN in the ballot processing

Page 52

1 that is the best practice -- to include both -- just2 in case if the voter registration system is missing

3 one or the other. We have both in which to verify.

4 Q. So the second page says, "Don't forget your

5 ID numbers," as well. What is this document?

A. Very similar. It is included in the ballot

7 package that we send out along with all of the other

8 prescribed documents, including the ballots, to remind

9 our voters to include their IDs on their carrier

10 envelope. One or the other or both as we recommend.

11 Q. And were you involved in the development of

12 these documents?

A. Yes.

14 Q. Why did your office decide to develop these

15 inserts?

13

16 A. We decided in the spring of 2022 we wanted

17 to take an extra measure to educate our voters to

18 include those numbers in an effort to reduce our

19 rejection rate.

20 Q. Do you feel you were effective in lowering

21 the rejection rate?

22 A. I do.

23 Q. What is your basis for that belief?

24 A. Well, it's speculation based off of gut

25 feeling. But the rejection rates did decline, to my

Page 51

1 workflow. What is a situation where you have a

2 voter's full name, date of birth, and address you

3 would need to use a driver's license or SSN to look

4 them up?

5 A. I wouldn't see a reason to use one of those

6 to look them up.

7 Q. So -- let's actually -- let's make this

8 Exhibit 7. And this is the document that says at the

9 top, "Don't forget your ID numbers." Do you recognize

10 this document?

11 A. I do.

12 Q. And there's two pages if you want to take a

13 moment to review. So the flyer on the first page,

14 would you mind telling us what that is?

A. On the first page is the insert that we

16 would include and a request for an application for

17 ballot by mail. It is just included in the envelope

18 along with the application itself as a reminder to

19 include one or the other or both IDs when returning

20 the application back to our office.

21 Q. And it says at the bottom, "We recommend

22 providing both." Is that correct?

23 A. That's correct.

24 Q. And why is it you recommend providing both?

25 A. Secretary of State's office has indicated

Page 53 1 recollection, pretty significantly between the primary

2 and the elections that followed in 2022.

3 Q. I think that is it for me, and I will pass 4 the witness.

5 MR. NELSON: Quick question. With

6 Exhibit 7, were you including the email -- the

7 Adkins/Escobedo email or not?

8 MS. PAIKOWSKY: I was going to wait.

9 MR. NELSON: Okay. That's fine. I

10 just wanted to make sure we're clear on what Exhibit 7

11 is. Thank you.

12 MR. WASSDORF: Do we want to ask if

13 anyone on the Zoom has any questions or are we just

14 going to assume they don't?

15 MS. PAIKOWSKY: Does anyone on Zoom

16 have any questions?

17 MS. TOGNETTI: Not for Hidalgo County.

18 MS. PAIKOWSKY: All right. Hearing

19 nothing.

20

Can you please give us a second because we want 13 to make sure that you're sworn in. 13 (Ms. Perales holding document up.) A. Yes. 14 14 A. Okay. 15 15 Q. And so let's look on the second page of that THE REPORTER: Okay. Can you please raise 16 exhibit. 16 your right hand? 17 A. Okay. 17 (Witness sworn by the court reporter.) Q. And this is where it says "Primary Election 18 THE REPORTER: Okay. Thank you. 18 19 Comparison," correct? 19 MS. PERALES: Do we know -- can we mute 20 A. Yes. 20 that participant? 21 Q. And you were speaking to Counsel about Day 12, 21 (The Videographer moves head up and down.) 22 correct? 22 MS. PERALES: We're going to take a minute 23 23 to mute someone. 24 24 THE WITNESS: Okay. Q. And that was February 25th, 2022, correct? 25 25 THE VIDEOGRAPHER: I don't have the A. Yes. Page 69 Page 67 Q. And that is the day that the polls were 1 permission to mute them, so we'll just have to ask them. 1 2 extended an additional three hours; is that correct? 2 MR. STOOL: Just to --A. And so you don't know when the voters voted 7 having being first duly sworn, testified as follows: 8 that day, is that correct? 8 **EXAMINATION** 9 A. That's correct. 9 (Continued) Q. And if we look at 2018 and 2014, it appears 10 BY MS. PERALES: 11 that the last day of Early Voting has the most number of Q. Ms. Phillips, you've been here since the start 11 12 in-person votes for the Early Voting period; is that 12 of Mr. Lopez's testimony; is that correct? 13 correct? 13 A. Yes. 14 A. That's correct. 14 Q. And so you've already heard me introduce myself 15 MS. PERALES: Objection. 15 and walk him through some of the rules of the road for a 16 deposition: is that right? 16 MS. HUNKER: No more questions. 17 MS. PERALES: No more questions here. 17 A. Yes. 18 MR. STOOL: We don't have any questions. Q. So I'll -- I'll ask you a shorter version of 18 MS. PERALES: Shall we go off the record 19 19 those questions --20 while they switch microphones? 20 A. Okav. 21 MS. HUNKER: I think so. 21 Q. -- which is, first: Have you ever had your 22 MR. STOOL: Yes. 22 deposition taken? 23 THE VIDEOGRAPHER: Okay. We're going back 23 A. No. 24 off the record. The time is 12:16 p.m. 24 Q. Okay. First time. It's an honor to be taking 25 (Discussion off the record.) 25 your deposition.

- 1 BY MS. BENDER:
- Q. Okay. Ms. Phillips, thank you for being here
- 3 today. I just had a few follow-up questions for you
- 4 based upon your conversation earlier.
- So you talked earlier about looking up an
- 6 individual --
- 7 (Lights went off in the room.)
- 8 THE REPORTER: Do y'all want to go off the
- 9 record?
- 10 MR. BENDER: Yeah.
- 11 MS. PERALES: Yeah.
- THE REPORTER: Can we go off the record? 12
- THE VIDEOGRAPHER: Okay. We're going off 13
- 14 record at 2:13.
- 15 (Discussion off the record.)
- 16 THE VIDEOGRAPHER: Okay. We are back on
- 17 the record at 2:15 p.m.
- 18 MS. PERALES: Brady, we need you to start
- 19 again, but also to start by saying who you are.
- 20 MS. BENDER: Yes. Hi. So this is Brady
- 21 Bender. I represent the United States.
- 22 Q. (By Ms. Bender) So I just have a few questions
- 23 to follow up on the conversation from earlier. You had
- 24 talked earlier about looking up an individual voter in
- 25 VEMAC when you were -- received an ABBM or carrier

- 1 envelope.
- When you received an application for ballot by 2
- 3 mail or a carrier envelope before SB 1, how would you
- 4 find the voter in your database to confirm eligibility
- 5 and registration?
- 6 A. By looking them up in VEMACS, the same way --
- 7 Q. So what do you confirm --
- A. We will use the voter's last name, first name.
- 9 The application always asks for a date of birth. It
- 10 wasn't required, but they can put it on there, or we
- 11 will look up through their address.
- Q. Okay. And when you receive an ABBM or mail
- 13 ballot carrier envelope after SB 1, how do you find the
- 14 voter in your database?
- 15 A. Are you asking for the ABBM or the carrier
- 16 envelope?
- 17 Q. Either one. If they are different, then let's
- 18 start with the ABBM.
- 19 A. Okay. If we are looking up for ABB- -- ABBM
- 20 application, we would still look them up by the first
- 21 name, last name, date of birth. Since they did provide
- 22 a driver's license or the last four digits of Social
- 23 Security, we can also look that voter up by their
- 24 driver's license.
- 25 Q. And for the -- if mail ballot carrier envelope,

Page 152

- 1 would you look them up using different information?
- 2 A. With the mail ballot carrier envelope, with the
- 3 VEMACS voter reg- -- VEMAC system, it creates a label;
- 4 and the label has a bar code on there. Also it has the
- 5 voter's -- voter's certificate, which is in-house in
- 6 V- -- in VR system.
- Q. Okay. And you said you would use the label 7
- 8 information --
- A. Yes.
- 10 Q. -- to look them up?
- A. Yes. 11
- 12 Q. Before SB 1, how long, on average, would you
- 13 estimate that it took your office to process an ABBM?
- 14 A. Maybe a minute or less.
- 15 Q. And after SB 1, how long would you estimate for
- 16 your office to process an ABBM?
- 17 A. Maybe a minute or less. About the same time.
- 18 It's actually --
- Q. Okay. 19
- 20 A. -- verifying, looking up the voter.
- 21 Q. Okay. Before SB 1, how long would you estimate
- 22 it took to process a mail ballot carrier en- --
- 23 A. I --

 - Q. (By Ms. Bender) Okay. Okay. During the March
 - 4 2022 primary, if mail ballot materials did not list a
 - 5 driver's license number that appeared in the database,
 - 6 but it had the last four digits of the social security
 - 7 number and it matched the database, would you accept it?
 - 8 A. Yes.
 - 9 Q. And is this always your interpretation of the
 - 10 law?
 - 11 MS. HUNKER: Objection to form.
 - A. Yes, either-or, whichever they put on there. 12
 - 13 And if it's in our voter registration system, we -- we
 - 14 picked either-or, either one.
 - Q. (By Ms. Bender) Okay. So throughou- -- so 15
 - 16 throughout the time that you were processing ballots for
 - 17 March '22 -- '22 primary, you would accept if it had
 - 18 either a driver's license number or a Social Security
 - 19 number?
 - 20 A. Yes.
 - 21 Q. Okay. And if it listed an incorrect driver's
 - 22 license number compared to what you had in the database,
 - 23 but it had the last four digits of the Social Security
 - 24 number that matched the database, would you accept that?
 - 25 A. Yes.

- 1 have expressed to you concerns about people -- voters
- 2 having a harder time voting under SB 1?
- 3 A. Yes.
- 4 MS. HUNKER: Objection, form.
- 5 Q. (By Ms. Perales) Have you spoken to any
- 6 individual voters who had problems voting under SB 1?
- 7 A. I have to think. I'm not sure. Yes, yes. Now
- 8 that I'm thinking about it, yes.
- 9 Q. Tell me about what you can remember of those 10 communications.
- 11 A. I was trying to remember. This one had to do
- 12 with a particular constituent's mother not being able to
- 13 get a replacement mail ballot. Gosh, I'm -- I'm trying
- 14 to remember the details, but having to do with the --
- 15 the mail ballot aspects, as far as providing the IDs, et 16 cetera.

- 5 Q. You do know?
- 6 A. This one I'm thinking of, yes.
- 7 Q. And did that voter successfully vote?
- 8 A. Yes.
- 9 Q. Okay. Do you know how the voter voted, like,
- 10 did the -- did the voter, for example, end up having to
- 11 go to the polling place and vote in person?
- 12 A. No. I think they got a replacement -- a
- 13 replacement ballot, I believe.
- 14 Q. Okay. So you -- you were not getting all the
- 15 phone calls that Tacoma Phillips was getting?
- 16 A. I typically don't. I mean, that's why Tacoma's 17 there.
- 18 Q. Right. Would it be correct to say that you did
- 19 not work for Dallas County Elections in the November
- 20 2020 election?
- 21 A. That's correct.
- 22 Q. That saves us a few questions.
- 23 A. Uh-huh.
- 24 Q. Would you say that, as a general matter, voter
- 25 turnout in the partisan primary is lower than voter

- 1 turnout in the general election?
- 2 A. Yes.
- 3 Q. And would you say, as a general matter, that
- 4 voter turnout in a spring election, like the one that
- 5 will happen in May, on May 7th, would typically be lower
- 6 than the turnout in a primary election?
- 7 A. Yes.
- 8 Q. Do you have any concerns about the impact of SB
- 9 1 on the upcoming November 2022 midterm election?
- 10 MS. HUNKER: Objection, form.
- 11 A. Yes.
- 12 Q. (By Ms. Perales) Okay. And can you list what
- 13 those concerns are?
- 14 A. I have continuing concerns about the provisions
- 15 of the -- the ID requirements for mail ballots, in that
- 16 the high rejection rate for applications and the
- 17 ballots, themselves. I have concerns about the chilling
- 18 effect that the poll watcher provisions have on poll
- 19 worker recruitment and retention. I'd have to kind of
- 20 think a little bit deeper about some of the other
- 21 provisions of SB 1, but those are my main ones.
- 22 Q. Do you believe that there are voters who will
- 23 attempt to vote by mail in the November general election
- 24 who have not yet encountered the ID matching
- 25 requirements of SB 1 because they didn't vote in the
- . . . _

1 primary?

- 2 A. Absolutely.
- 3 Q. All right. And do you anticipate that, at
- 4 least for some of those voters, for the first time, they
- 5 are going to have either their application for ballot by
- 6 mail or their mail ballot rejected because there is not
- 7 a matching ID number in your records?

THE VIDEOGRAPHER: We are now on the

- 2 record. This begins the video deposition of Lisa Wise,
- 3 Elections Administrator, in the matter of La Union Del
- 4 Pueblo Entero, et al., versus Gregory W. Abbott, et al.,
- 5 in the United States District Court, Western District of
- 6 Texas, San Antonio Division.
- 7 Today's date is April 18th, 2023. The time is 9:13 a.m.
- 8 This deposition is being taken at the El Paso County
- 9 Courthouse, El Paso, Texas.
- 10 Will the counsel please introduce yourself. Afterwards,
- 11 the court reporter will swear in the witness.
- 12 MS. HUNKER: Kathleen Hunker, from the
- 13 Office of the Texas Attorney General, representing State
- 14 defendants and individual legislators.
- 15 MS. LEBEL: Caroline Lebel from Cooley LLP,
- 16 here for the witness.
- 17 MS. HARTNETT: Kathleen Hartnett, also from
- 18 Cooley LLP, for the witness.
- 19
- 20 MR. STEWART: Michael Stewart for the
- 21 United States.
- MS. PERALES: Nina Perales with the LUPE
- 23 plaintiffs.
- 24 MS. ROSALES NIGAGLIONI: Erica Rosales
- 25 Nigaglioni, with El Paso County Attorney's Office, for

- 1 questions. After that's done, I'll move on to the main
- 2 subjects of the deposition. Okay?
- A. Yes, ma'am.
- 4 Q. Since your depositions in this case back in
- 5 April 2022, have you been deposed before?
 - A. Since those, no.
- 7 Q. But you understand that you are under oath,
- 8 correct?
- 9 A. I do.
- 10 Q. And you understand that the oath would have the
- 11 same effect as if you were testifying in open court?
- 12 A. I do.
- 13 Q. For the court reporter, you will need to
- 14 provide verbal answers, like yes or no, rather than
- 15 nodding or shaking your head or using fill words. This
- 16 has extra importance here today because we have many
- 17 attorneys participating on Zoom, and they may not be
- 18 able to see you if you were -- if they're dialling in.
- 19 Does that make sense?
- 20 A. Yes.
- 21 Q. It also helps the court reporter if we don't
- 22 talk over one another. I'm going to do my best to wait
- 23 for you to finish your answer before I ask my next
- 24 question. Will you do your best to make sure that you
- 25 wait until I finish my question before you start your

- 2 MR. LOUK: David Louk from Cooley LLP, also
- 3 here on behalf of the witness.
- 4 MS. EISNER: Marina Eisner from States
- 5 United Democracy Center, also on behalf of the witness.
- THE REPORTER: Ms. Wise, may I please have your right hand?
- 8 (Witness sworn.)
- 9 LISA WISE,
- 10 having been duly sworn, testified as follows:
- 11 EXAMINATION
- 12 BY MS. HUNKER:
- 13 Q. Good morning, Ms. Wise.
- 14 A. Good morning.
- 15 Q. Thank you very much for coming here today. My
- 16 name is Kathleen Hunker and, as I said earlier, I'm an
- 17 attorney with the Office of the Texas Attorney General
- 18 representing the State defendants.
- 19 Can I -- can you please state your name and 20 then spell it for the record.
- 21 A. It's Lisa Wise, L-I-S-A, W-I-S-E.
- 22 Q. Now, Ms. Wise, I know you were deposed last
- 23 year in this case on two occasions, so you have some
- 24 familiarity with how depositions work. Nevertheless, I'm
- 25 going to start with some instructions, introducing

- 1 answer?
- 2 A. I will
- 3 Q. If you don't understand the question, will you
- 4 please let me know?
- 5 A. Yes.
- 6 Q. And if you do answer the question, I'm going to
- 7 assume that you understood it. Is that fair?
- 8 A. Yes.
- 9 Q. If you need a break at any time, please just
- 10 let me know. My only request is that you answer any
- 11 pending question on the table before we take that break.
- 12 Okay?
- 13 A. Yes.
- 14 Q. Also, if you hear an objection from counsel,
- 15 that is typically for the Court to decide at a later
- 16 date. I, therefore, ask that you go ahead and answer
- 17 the question, unless you're instructed otherwise by your
- 18 counsel. Does that make sense?
- 19 A. Yes.
- 20 Q. Have you consumed anything such as prescription
- 21 medications or alcohol that could affect your ability to
- 22 understand my questions and answer truthfully and
- 23 accurately?
- 24 A. No.
- 25 Q. Are you experiencing any physical condition,

Q. (BY MS. HUNKER) Did your office receive any

8 A. No.

9 Q. (BY MS. HUNKER) And did your office contact 10 the Department of State regarding any alleged voter

11 fraud conducted in connection with the November 8th,

12 2022 General Election?

13 MR. STEWART: Same objection. 14 MS. LEBEL: Object to form.

15 A. No.

16 Q. (BY MS. HUNKER) Did your office report any

17 alleged incident of voter fraud to the County District

18 Attorney in connection with the November 8th, 2022

19 General Election?

20 MS. LEBEL: Object to form and object on 21 the basis of investigation privilege.

22 A. So do I answer? The answer is no.

Q. (BY MS. HUNKER) Don't give me any substantive 23

24 details --

25 A. Okay. The answer is no. The answer is no.

Lisa Wise April 18, 2023 Pages 78 to 81

Page 78

Q. And for the next line of questioning, dont give

2 me any substantive details. I'm just asking whether or

3 not there was either a referral or some --

A. Yes. The answer is no to that question.

Q. Did your office make any referral in

6 connection -- let me rephrase that.

7 Did your office make any referral

8 regarding any possible incident of criminal activity

9 conducted in connection with the November 8th, 2022

10 General Election to the County District Attorney?

MS. LEBEL: Object to form and object on

12 the basis of investigation privilege.

13 A. No.

14 Q. (BY MS. HUNKER) Did your office report any

15 alleged incident of voter fraud in connection with the

16 November 8th, 2022 General Election to the Office of the

17 Attorney General in Texas?

18 MS. LEBEL: Same objections.

19 A. No.

20 Q. (BY MS. HUNKER) Did your office contact the

21 Office of the Texas Attorney General regarding any

22 incident of alleged criminal activity conducted in

23 connection with November 8th, 2022 General Election?

24 MS. LEBEL: Same objections.

25 A. No.

Page 80 Q. (BY MS. HUNKER) And are you aware of any

2 alleged violations of the Texas Criminal Code that

3 occurred in connection with the November 8th, 2022

4 General Election in El Paso County?

MS. LEBEL: Objection. Form and on the 5

6 basis of investigation privilege.

7 A. No.

11

8 MS. HUNKER: If we can take a quick

9 five-minute break, so I can review my notes?

10 MS. LEBEL: Sure.

THE VIDEOGRAPHER: The time is 11:42 a.m.

12 and off the record.

13 (A recess was taken.)

14 THE VIDEOGRAPHER: The time is 12:03 p.m.

15 We're back on the record.

16 Q. (BY MS. HUNKER) Ms. Wise, I realize I forgot

17 to ask you two or three small questions. And once we

18 finish that, I'll pass you along to some of the

19 plaintiff groups in this case.

20 Did El Paso County offer curbside voting at

21 each of its polling locations for the November 2022

22 General Election?

23 A. Yes.

24 Q. And did any of those curbside locations have to

25 close at any point during the course of the election?

Page 79

Q. (BY MS. HUNKER) Did your office report any

2 election irregularities to the Office of the Secretary

3 of State regarding any irregularity that occurred in the

4 November 2022 General Election?

MS. LEBEL: Object to form.

A. Can I ask what you mean by "irregularity"?

7 Q. (BY MS. HUNKER) Sure.

8 In this case, it would be a violation of

9 the Texas Election Code.

10 A. No.

6

11 Q. And did your office report -- let me strike.

12 Did your office submit any complaints to

13 the Office of the Secretary of State regarding any

14 alleged incidents of criminal activity conducted in

15 connection with November 8th, 2022 General Election?

MS. LEBEL: Object. Form and investigation 16

17 privilege.

18 A. No.

Q. (BY MS. HUNKER) Are you aware of any alleged 19

20 violations of the Texas Election Code that occurred in

21 connection with the November 8th, 2022 General Election

22 in El Paso County?

23 MS. LEBEL: Object to form and on the basis

24 of investigation privilege.

25 A. No. MS. LEBEL: Object to form.

2 A. No.

1

15

3 Q. (BY MS. HUNKER) All right.

4 MS. HUNKER: I'm going to pass the witness

Page 81

5 and reserve my remaining time for any rebuttal that

6 needs to occur.

MS. LEBEL: Should we check in if the 7

8 intervenor defendants are going to be asking any

9 questions?

10 MR. STEWART: Sure. Why don't we just give

11 them the opportunity. If anyone -- intervenor

12 defendants?

13 MR. CORE: Yeah. Thanks for checking. We

14 have no questions at this time.

MR. STEWART: Okay.

16 **EXAMINATION**

17 BY MR. STEWART:

Q. My name is Mike Stewart. I'm here on behalf of 18

19 the United States. I want to thank you for being here,

20 Ms. Wise, again.

21 I know Ms. Hunker already went through the

22 ground rules with you earlier today, and so I don't

23 think we need to redo that, just to say that you

24 understand all the same ground rules apply, and you're

25 still under oath, correct?

1 Administrator account?

- 2 A. Yes. It's El Paso County Elections.
- Q. Were any of the groups you spoke with -- you
- 4 know, you gave the example of rotary groups -- were any
- 5 of those in Spanish?
- 6 A. None that I spoke to, no.
- 7 Q. More broadly with your office, do you know if
- 8 there were any?
- 9 A. I know that when we did the -- like, our voter
- 10 registration drives, both of -- we have Spanish speakers
- 11 at those, and I know that they did address that with
- 12 people that had questions and things like that.
- So I know they were able to communicate if
- 14 somebody brought that question up in Spanish at those
- 15 locations, but -- those events. But when I would speak 16 at events, no.
- 17 Q. I think you said you did not have any paid
- 18 media in connection with the November 2022 General,
- 19 right?
- 20 A. Correct.
- 21 Q. Who developed the content of this outreach?
- 22 Let's take them one at a time.
- 23 So we'll start with, you know, what you're
- 24 going to say in an in-person town hall, you know, who
- 25 comes up with the content for that?

- Page 86 1 anything on the insert?
 - 2 A. No.
 - 3 Q. And then for social media, were you also coming

Page 88

- 4 up with the content for that?
- 5 A. Yes.
- 6 Q. Did you consult with the SOS on your voter
- 7 education efforts in any way beyond the insert?
- 8 A. No
- 9 Q. Were you aware during the General Election
- 10 period of the voter education efforts conducted by the
- 11 Secretary of State?
- 12 MS. LEBEL: Object to form.
- 13 A. I'm aware that they had mentioned that that was
- 14 going to be a component.
- 15 But as far as voter education, we would
- 16 receive our advisories, but I did not -- I was not
- 17 seeing anything out in the -- I guess, in the public if
- 18 that's what you're asking.
- 19 Q. (BY MR. STEWART) Yeah. Maybe I'll ask it more
- 20 crisply, you know.
- 21 Did you notice the presence of the
- 22 Secretary of State's voter education efforts during the
- 23 General Election?
- 24 MS. HUNKER: Objection. Form.
- 25 MS. LEBEL: Object to form.

Page 87

- 1 MS. LEBEL: Object to form.
- A. Generally I do. When -- and it's basically
- 3 based off of the insert and things like that, which I
- 4 created in conjunction with our County Attorney's Office
- 5 to make sure there wasn't any issue with that. And then
- 6 also, share that with the SOS, just to let them know
- 7 that we were doing that and -- so they knew that that
- 8 was something we were promoting.
- 9 Q. (BY MR. STEWART) Did the SOS, and I assume you
- 10 mean the Secretary of State --
- 11 A. Yes, yes --
- 12 Q. Yeah, just for the record.
- 13 Did the SOS have any feedback on the
- 14 insert?
- 15 A. I think they supported that. I mean, you know,
- 16 we had had those conversations that other counties were
- 17 also doing some inserts. And that's kind of where we
- 18 got the idea, too. So I believe they were in favor of
- 19 it.
- 20 Q. Did you pattern your insert off another county?
- 21 MS. LEBEL: Object to form.
- 22 A. No, I don't think we did. We may have picked
- 23 from a couple that we saw that we liked, but we really
- 24 drafted that on our own with our attorneys.
 25 Q. (BY MR. STEWART) Did the SOS ask you to change

- Page 89
 1 A. I remember a press release. And that's --
- 2 that's what I remember.
- 3 Q. (BY MR. STEWART) Okay. Did you receive any
- 4 feedback from voters regarding the voter education
- 5 efforts you undertook?
- 6 A. Yes. I mean, I know that they did appreciate
- 7 the insert, and we -- especially with the ballot, where
- 8 we would send the picture of what the envelope would
- 9 look like and highlight where they were supposed to
- 10 actually fill it in and send the screenshot. I know
- 11 that people -- we did get positive feedback on that.
- 12 Q. Did you hear from any voters who were
- 13 continuing to struggle with the ID number requirements
- 14 during the General Election?
 - MS. LEBEL: Object to form.
- 16 MS. HUNKER: Object to form.
- 17 A. Yes, we did.
- 18 Q. (BY MR. STEWART) About how many?
- 19 MS. LEBEL: Object to form.
- 20 A. That's really tough to -- to give. I didn't
- 21 keep -- I didn't keep track of that. We would get some
- 22 calls, and I -- I don't know the number.
- 23 Q. (BY MR. STEWART) Was it primarily by phone?
- 24 MS. LEBEL: Object to form.
- 25 A. Primarily by phone. We would -- we would get

15

Lisa Wise April 18, 2023 Pages 90 to 93

Page 90

1 maybe something on an application, a little note like,

2 why do I have to fill this out, like, something like

3 that. But mostly phone.

Q. (BY MR. STEWART) Was most of that feedback

5 regarding the ID requirement?

MS. LEBEL: Object to form.

MS. HUNKER: Objection. Form.

8 A. Was the feedback about the ID requirement 9 regarding the ID?

10 Q. (BY MR. STEWART) Yeah. I guess that's -- let 11 me --

12 A. Sorry.

7

13 Q. -- strike that question and make -- make it

14 much clearer.

15 I guess I would say, what portion of the, 16 you know, overall feedback you received from voters

17 during the General Election period pertained to the ID

18 requirement?

19 MS. LEBEL: Object to form.

20 MS. HUNKER: Object to form.

21 A. It's hard for me to really quantify that,

22 honestly. Because, like I said, we really didn't

23 keep -- keep track of it in, like, how many calls we got

24 about the ID. But we did still spend a lot of time

25 explaining ID -- ID requirements to -- to voters that

Q. That did not begin during the General --

2 right -- that predated the General?

3 A. That predated the General.

4 Q. Why did you continue to give that advice?

5 A. We had done that about -- we didn't do it

6 initially in March until we started to see these -- you

7 know, these rejection rates and these -- coming back, so

Page 92

Page 93

8 then we started to include it, I would say about,

9 halfway through the actual process in -- for the March

10 election.

11 So basically we just said, look, let's --

12 let's not wait for an application to be rejected, let's

13 just give them all this information at the very

14 beginning. So we -- if somebody asked us for, you know,

15 an application, then with the application we would send

16 them that information.

17 Now, people can also get an application on

18 our website or they could get it from a party. You

19 know, there might be other entities that send out the

20 application. We can't control that they didn't have the

21 insert or any of that information in there, and so we

22 may still receive applications that were not -- that

23 didn't comply with that requirement.

24 Q. Were there any ways besides the insert that you

25 transmitted that message to voters?

Page 91

1 were on it to vote by mail.

Q. (BY MR. STEWART) Did you generate any topics

3 for future voter education based on what you were

4 hearing from voters?

A. So generally we do a pretty robust media

6 package for presidential years 'cause we always have

7 something that comes up.

For example, in 2024 -- I'm sorry. In

9 2020, we had the pandemic. So in 2024, we will, again,

10 do a media package, and one of the components will be

11 the identifier. We will really try to replace some of

12 that pandemic language with the -- the identifier, the

13 changes, and, frankly, any major changes that come out

14 of this legislative session.

So we -- we try to do that because we have

16 a lot of voters who do only vote every four years, and

17 we like to -- you know, we don't have an endless budget,

18 so we kind of put that all in -- what we can in the

19 presidential years.

20 Q. I -- I believe you've already said, correct me

21 if I'm wrong, that at some point, your office began

22 advising voters to put both their driver's license or ID

23 number and their Social Security number on mail ballot

24 materials; is that correct?

25 A. Correct.

MS. LEBEL: Object to form. 1

2 MS. HUNKER: Object to form.

A. The social media, the -- you know, what we did

4 with interviews. Anything we could, we would try to get

5 that information out. But frankly, you know, the best

6 bang for the buck was with the application because they

7 were, we know, going to fill that out, and it was there

8 included in the packet.

9 MR. STEWART: I want to use -- I think

10 we're on number 5?

11 THE REPORTER: Yes.

12 Q. (BY MR. STEWART) And I don't want to rush you

13 reading it, but, in general, do you recognize this

14 document?

15 A. Yes.

16 Q. And what is this?

17 A. This is our application for ballot by mail.

Q. And your office uses the standard ABBM prepared

18 19 by the Secretary of State, correct?

20 A. We do.

21 Q. And you would agree that the portion that

22 implements the ID number requirement is below the

23 bold -- or the capital letters, rather, you must provide

24 one and then lower case of the following numbers?

25

Lisa Wise April 18, 2023 Pages 94 to 97

Page 94

Q. And then, if you look at the second paragraph 2 under there, so after the first set of blanks, it says:

"If you do not have a Texas driver's

4 license, Texas personal identification number, or a

5 Texas election identification certificate number, give

6 the last four digits of your Social Security number."

7 Did I read that right?

8 A. Yes.

9 Q. And so would you agree this language appears to

10 establish a hierarchy wherein you only give a driver's

11 license number or identification number, identification

12 certificate number if you do not have -- excuse me.

13 Strike that.

14 Would you agree this language appears to

15 establish a hierarchy wherein you only give the last

16 four of your Social Security number if you do not have a

17 Texas ID card number?

MS. LEBEL: Object to form.

MS. HUNKER: Object to form.

20 A. Yes.

18

19

21 Q. (BY MR. STEWART) Was the insert meant to

22 address that?

23 MS. LEBEL: Object to form.

24 A. The insert was meant to address that, whether

25 you put social's last four or whether you put your

Page 96 A. I'm sorry. So when they asked for a ballot by

2 mail request, we'd send them the request with the

3 insert, and we would highlight that box.

Q. Did you highlight it on the carrier envelope as 4

5 well?

A. Yes. 6

7 Q. And are you describing hand highlighting with a

8 highlighter?

A. So on this we would hand highlight. On the

10 carrier envelope, we had a screenshot where on the

11 screenshot -- we didn't actually highlight the envelope,

12 we'd highlight the screenshot that would say this is

13 where it is on the carrier envelope.

14 Q. Got it. You can put that aside.

15 I'm quiet for a little bit. I'm skipping

16 questions.

17 A. No, no. Take your time.

18 Q. Did I understand right that you do plan media

19 spending for voter outreach in the future?

20 A. Yes.

Q. Do you know what your budget will be for that? 21

22 MS. LEBEL: Object to form.

A. In the past, I believe it's been around

24 \$15,000.

23

5

25 Q. (BY MR. STEWART) Is -- who allocates that

Page 95

1 driver's license. Just because you put one on doesn't

2 necessarily mean that's the one that we have on file.

And so we were seeing where people were

4 putting one or the other, and it was very frustrating, 5 I'm sure for them as well as for us, to say, look,

6 that's not the one we have, that's not the one you

7 registered with whenever you registered. So it was just

8 basically to -- to combat that with whether you just put

9 the driver's license and we had the last sosh [sic],

10 just to fill both out.

11 Q. (BY MR. STEWART) Do you think this language

12 was misleading to voters?

13 MS. LEBEL: Object to form.

14 MS. HUNKER: Objection. Form.

15 A. I don't think it's written as well as it could

16 be, yes.

17 I -- I will say if I could, one of the

18 other things we did in the questionnaire as before is we 19 would highlight that box.

20 Q. (BY MR. STEWART) Okay.

A. So that they would be able to see that that is 21

22 what we're talking about with the insert.

23 Q. Would that be on the ABBM?

24 A. Yes. So with --

25 Q. I'm sorry. Go ahead. 1 money?

A. Our county commissioner's court.

Q. Okay. Have you had any discussions about what 3

Page 97

4 that number will look like in the future?

MS. LEBEL: Objection. This is going

6 beyond the scope of the notice topics and the parties' 7 stipulation.

8 MR. STEWART: Okay. I'll withdraw that 9 question.

10 Q. (BY MR. STEWART) I believe you already

11 answered questions from Ms. Hunker about how you

12 processed mail ballot materials during the General

13 Election, but I do just want to ask one follow-up about

14 that specific to the General Election.

During the General Election period, did

16 your office use the driver's license number or Social

17 Security number on mail ballot materials for any purpose

18 other than determining whether they could be accepted in

19 light of SB1?

20 MS. LEBEL: Object to form.

21 MS. HUNKER: Object to form.

22

23 Q. (BY MR. STEWART) Turning briefly to the cure

24 process.

25 So I know -- I want to make sure I have

Lisa Wise April 18, 2023 Pages 106 to 109

Page 106 A. I don't, I don't.

Q. During the November 2022 General Election, do

3 you know how common it was for a mail ballot to be

4 rejected for multiple reasons?

A. Not -- I mean, not really. Because once -- if

6 it was rejected for the ID or the mismatch, then we

7 would notice -- you know, we would send them

8 notification.

9 If they were rejected for, let's say,

10 untimely, like, if they were to be received after the

11 deadline, then that was what the rejection reason was.

12 You weren't -- we didn't go through and process those to

13 see, well, did they have the ID. I mean, if they came

14 in after the deadline, they were rejected.

Q. Is it possible then that untimely ballots would

16 also have needed to be rejected for additional reasons

17 such as the ID requirement?

18 A. Yes.

19 Q. When -- for timely ballots that are rejected,

20 when you keep records on those ballots, do those records

21 reflect all the reasons for rejection or just one?

22 MS. LEBEL: Object to form.

23 A. They reflect not just one, but if you -- if

24 they're received timely, there's -- I can't remember

25 exactly what they are, but there's a couple on there.

1 office?

2 MS. LEBEL: Object to form.

3 MS. HUNKER: Object to form.

4 A. I'm sorry. A couple of times we would kind of

5 start going over it, and they would say, I'll just cure

6 on the ballot. Because they have to send the ballot

7 back anyway, so they have the notice of, you know,

8 defect. And if they can get on the -- there and send

9 it -- fix it on the ballot tracker or they can just send

10 the ballot back. And so a lot of times, they would just

11 say, I'll just send the ballot track back or the ballot

12 back.

21

13 Q. (BY MR. STEWART) Got it. Did any voters

14 request to cancel their mail ballot after being unable

15 to use the online portal?

16 A. Not that I know of.

17 Q. Did any voters, to your knowledge, during the

18 2022 General Election abandon their attempts to vote by

19 mail after being unable to use the cure portal?

20 MS. LEBEL: Object to form.

A. The way that we have the ballots, it would be

22 marked as rejected, and I don't know if that's just

23 because they couldn't use the core -- the -- that

24 platform, but then went to -- to vote in person after

25 their ballot had been rejected.

Page 107

Q. (BY MR. STEWART) Okay. During the

2 November 2020 General Election, did you receive feedback

3 from voters attempting to use the online ballot tracker

4 to cure their ballots my mail?

A. Yes.

1

6 Q. Was that feedback positive or negative?

A. For our office, it was mostly negative. I

8 believe if they could -- you know, if they could use it,

9 they just did. They didn't call our office and tell us 10 we love the ballot tracker. So they would call us and

11 say there's something wrong, we can't figure out the

12 ballot tracker.

13 Q. Did voters tend to identify any specific issues

14 with the ballot tracker during the November 2022 General

15 Election?

16 A. I think a mix of just maybe not used to using

17 some sort of computerized platform is one. Not knowing

18 what information they needed to have to -- to get in,

19 what -- not knowing what the steps were once they did.

20 So we did have some -- some calls with that.

Q. Were you able to walk some voters through the

22 process to use the cure portal?

23 A. Some, yes, we were.

24 Q. Were there some who were unable to use the cure

25 portal even after that phone conversation with your

Page 109

Page 108

Q. (BY MR. STEWART) Based on your experience in 1

2 the November 2022 General Election, do you believe the

3 number of eligible voters who had their ballots rejected

4 based on the ID number requirement will ever be zero?

5 MS. LEBEL: Object to form.

6 A. No.

7 Q. (BY MR. STEWART) And I believe you testified

8 previously that your office did not refer any voters to

9 any law enforcement, whether it be federal or state, for

10 potential fraud based on an ID mismatch or omission on

11 mail ballot materials; is that correct?

12 MS. LEBEL: Object on the basis of

13 investigation privilege.

14 A. Correct.

15 Q. (BY MR. STEWART) Leaving aside sort of whether

16 it was referred to law enforcement, are you aware of any

17 instances where fraudulent voting was identified during

18 the November 2022 General Election because of an ID

19 mismatch?

MS. LEBEL: Object to form.

21 MS. HUNKER: Object to form.

22

20

23 Q. (BY MR. STEWART) Are you aware of any

24 instances in El Paso County during the November 2022

25 General Election where an ID number omission identified

Page 110

Lisa Wise April 18, 2023 Pages 110 to 113

11

1 an ineligible voter?

2 MS. LEBEL: Object to form. 3 MS. HUNKER: Object to form.

4 A. No.

5 Q. (BY MR. STEWART) Are you aware of any

6 instances in El Paso County during the November 2022

7 General Election where an ID number omission identified

8 someone impersonating the voter named on the mail ballot

9 materials?

10 MS. LEBEL: Object to form.

11 A. No.

12 Q. (BY MR. STEWART) Are you aware of any

13 instances in El Paso County during the November 2022

14 General Election where an ID number mismatched as

15 opposed to omission identified for your office an

16 ineligible voter?

17 MS. LEBEL: Same objection.

18 A. No.

19 Q. (BY MR. STEWART) Are you aware of any instance

20 in El Paso County during the November 2022 General

21 Election where an ID number mismatch as opposed to

22 omission identified someone impersonating the voter

23 named on the mail ballot materials?

24 MS. LEBEL: Same objection.

25 A. No.

Q. (BY MR. STEWART) For the November 2022 General

2 Election, did employees in your office receive any

3 training or guidance on when to refer a voter for

4 potential voter fraud to law enforcement based on an

5 omission or mismatch of the ID number on mail ballot

6 materials?

7 MS. LEBEL: Object to form.

A. I don't believe they received any training. I

9 mean, our office is -- is small enough as far as -- I

10 mean, our ballot by mail people I speak with all the

11 time. They -- I believe they would have brought that to

12 my attention.

13 Q. (BY MR. STEWART) Was that something

14 individuals in your office were looking for?

15 MS. LEBEL: Object to form.

16 MS. HUNKER: Object to form.

17 A. I don't think particularly.

18 Q. (BY MR. STEWART) And aside from the ID number

19 requirement -- and no need to get into details, just a

20 yes or no to protect the privilege -- did your office

21 make any referrals for other instances of potential

22 voter fraud besides the ID number requirement to law

23 enforcement during the November 2022 General Election?

24 A. No.

25 Q. Did your office receive any communications from

Page 112 1 voters during the November 2022 General Election

2 indicating that they did not plan to vote by mail for

3 that election?

A. I'm sorry. Can you repeat that?

5 Q. Yeah.

6 Were there any voters who communicated with

7 your office specifically for the purpose of saying they

8 did not plan to vote by mail during the November 2022

9 General Election?

10 MS. LEBEL: Object to form.

MS. HUNKER: Objection. Form.

12 A. I'm not a hundred percent clear. Like, just

13 called us to tell us I'm not gonna vote by mail?

14 Q. (BY MR. STEWART) I guess or saying, you know,

15 perhaps it's too difficult or they have some concern

16 about the process?

17 A. I believe we had a couple where someone had

18 just called and we had to explain, you know, you have to

19 have somebody call for their own application and you go

20 through the whole kind of spiel. And then they said,

21 I'll just go in person.

22 Q. Were there any who indicated they did not plan

23 to vote entirely?

24 A. Not that I remember.

25 Q. Do you know how the statewide mail ballot

Page 113

Page 111 1 rejection rate for the November 2022 General compares to

2 El Paso County's?

A. I believe it was 2.22 -- no, I'm sorry. 2 -- 2

4 something, 2 percent.

Q. So was El Paso County's lower than the State's?

A. A little bit, at 1.9. I think that's -- if I 6

7 remember correctly.

Q. Why do you think El Paso County's rejection 8

9 rate was lower than the statewide rejection rate?

10 MS. LEBEL: Object to form.

11 A. I mean, I can speculate. I think we -- we did

12 a lot with those -- I think the inserts did go a long

13 way. I think anything we could do to get the word out

14 there we did, with free media basically, which was just

15 a lot of interviews. That's, again, just a speculation.

Q. (BY MR. STEWART) For the November 2022 General 16

17 Election, was El Paso County still an offline county for

18 TEAM purposes?

19 A. Yes.

20 Q. And was VOTEC still your vendor for offline

21 database?

22 A. VOTEC is still our vendor, yes.

23 Q. Were there any issues during the November 2022

24 General Election cycle communicating data between the

25 statewide TEAM database and the VOTEC offline database

Lisa Wise April 18, 2023
Pages 118 to 121

Page 118
Let me put it this way; during the

2 November 2022 General Election cycle, did El Paso County

3 do any investigation of whether the ID numbers, so

4 driver's license, SSN, and ID number, contained in VOTEC

5 are accurate?

6

MS. LEBEL: Object to form.

7 MS. HUNKER: Object to form.

8 A. So, like, specifically check if, like, my

9 driver's license matches what the DPS gave the State?

10 Q. (BY MR. STEWART) Yes.

11 A. No.

12 Q. Did you conduct any investigation like that for

13 El Paso County voters located in TEAM?

14 A. No.

15 Q. Earlier today, I believe counsel asked you

16 whether the November 2022 General Election was

17 successful in El Paso County, specifically as it relates

18 to mail balloting; is that right?

19 A. Yes.

20 Q. And you said it was successful, right?

21 A. Yes.

22 Q. How do you define success in this circumstance?

23 A. So -- it -- when I would look at success, I

24 mean, that was kind of a question I asked, is that I

25 would say, you know, were we have -- was there anything

Page 120 Q. So when you say that the election was

2 successful, was that making any comment on, you know,

3 whether the mail ballots rejection rate was acceptable?

4 MS. HUNKER: Object to form.

5 MS. LEBEL: Object to form.

6 A. I don't think so. I think it's just, to me,

7 did we do the best we could with what we had? And

8 that's, I guess, how I kind of looked at it.

9 Q. (BY MR. STEWART) And I think you also

10 testified earlier that you weren't aware of any voters

11 who were unable to vote because of SB1; is that right?

12 A. Correct.

13 Q. That doesn't include voters having their mail

14 ballots rejected because of the identification number

15 requirement, correct?

16 A. Correct.

17 Q. How did you understand -- so, let me strike

18 that.

19 What did you include in not able to vote

20 then when you were asked that question?

21 A. I'm sorry?

22 Q. Sure.

When counsel asked you, you know, were any

24 voters unable to vote, how did you determine whether

25 someone was unable to vote?

Page 119

1 that violated the code? Was there anything that stood

2 out that was obviously we'd done something wrong and

3 that kept voters from voting? You know, those kinds of

4 things is how I guess I would deem that.

Q. So were you answering it from the standpoint of

6 the El Paso County Election Administration's

7 administration of the election?

8 A. Yes.

9 Q. Do you believe there were areas for

10 improvement?

11 A. Yes.

12 Q. What were those?

13 A. There's always things I know that we can do

14 better. I think that in -- with regards to -- we did

15 have to send out a corrected ballot. I know we

16 mentioned that earlier. We -- I believe there's things

17 we could be quicker on. I mean, I know sometimes we get

18 stuff out in 48 hours. With the sheer volume, sometimes

19 we can't get stuff out in 24 hours. I'd love to have

20 our staff trained even better, having more knowledge on

21 the Election Code.

22 So there's always a couple of things I'd

23 love to see us do a little bit differently. Have more

24 money. I'd love to do a media package every election,

25 every general election. Those are our wish list, so --

Page 121

A. You know, I guess a final rejection on a

2 ballot, that if they had sent that and they weren't able

3 to cure in time, if we didn't get in touch with them.

4 We did hear from a few voters where we sent their ballot

5 back to be cured, and they thought it was just a second6 ballot, and so they didn't open it. I do remember two

7 voters specifically that called our office that said, I

8 tossed that ballot because I thought that was a second

9 ballot and you just sent me another ballot.

10 And so, I mean, those -- obviously those

11 voters didn't vote, and they thought they had voted

12 because they did not take the -- they did not open up

13 the notice of defect. So those, you know, little kind

14 of pockets out there.

15 Q. So those are people you would characterize as

16 unable to vote in the past election?

17 A. Well, they thought they did, and they didn't.

18 So --

19 Q. Sure.

20 MR. STEWART: Can we go off the record for

21 two minutes?

22 MS. LEBEL: Yup.

23 THE VIDEOGRAPHER: The time is 1:36 p.m.

24 And we're off the record.

25 (A recess was taken.)

Lisa Wise April 18, 2023 Pages 138 to 141

Page 138 MS. LEBEL: Object to form. A. Yes. 1 2 A. Sure, yes. 2

Q. (BY MS. PERALES) Would it be fair to say that

4 somebody who votes from home because they have a 5 physical disability that affects their mobility might

6 have some difficulty getting to your office to correct

7 the mail ballot carrier envelope?

8 A. Yes.

9 Q. Would it also be fair to say that if a voter is

10 over 65, they could also have some kind of mobility

11 challenges that would make it difficult for them to

12 physically get to your office?

13 MS. LEBEL: Object to form.

14 A. Yes.

15 Q. (BY MS. PERALES) Okay. And I believe you

16 testified earlier that your office does not personally

17 deliver carrier envelopes to voters at their address; is

18 that right?

A. Correct. 19

20 Q. Is there a reason that you don't do that?

21 A. The sheer number of applications that we have

22 and -- I mean, that's one reason. We -- we don't -- we

23 have, like, two county vehicles. I mean, we don't even

24 have cars for our staff to do county work in, as already

25 we don't. And, frankly, I think there's a safety issue

Q. (BY MS. PERALES) Would it be fair to say that

Page 140

3 with your 17 employees, you run a very large election

4 administration operation compared to other counties in

5 the state?

6 MS. LEBEL: Object to form.

7 MS. HUNKER: Objection. Form.

8 A. Compared to most, yes. Although there are

9 obviously, I think, seven or eight larger than us.

10 Q. (BY MS. PERALES) And I believe in the

11 deposition of Bexar County, Ms. Callanan referred to the

12 offline counties as the big boys.

13 A. Yes.

16

23

14 Q. And El Paso is one of the big boys, yes?

15 A. I would say big girls, but yes.

Q. There we go.

17 Would it be fair to say then that you are

18 not personally aware of every instance in which a voter

19 might decide that, for example, going through this

20 process of curing the ID number is simply more than they

21 can handle, and they choose not to vote?

22 MS. LEBEL: Object to form.

MS. HUNKER: Object to form.

24 A. Correct.

25 Q. (BY MS. PERALES) Would it also be fair to say

Page 139

1 with that; I don't encourage our staff to go out to the 2 voters' homes for any reason.

Q. Okay. So then would you agree with me that 4 when we're looking at slide 19 in this presentation,

5 that perhaps the most feasible approach would be to

6 simply mail the carrier envelope back to the voter so 7 the voter may correct the defect?

8 MS. LEBEL: Object to form. 9 MS. HUNKER: Objection. Form.

10

11 Q. (BY MS. PERALES) Do you recall for the

12 November 2020 General Election if any voters came

13 personally to your office to correct the defect for the

14 ID number?

15 A. I believe, eight.

Q. And there's also another possibly, which is

17 that the voter could cancel the mail ballot and vote in

18 person; is that correct?

19 A. Yes.

25

20 Q. But would you agree with me that if somebody

21 had physical mobility challenges as a result of

22 disability or advanced age, voting in person is -- also

23 could present challenges?

24 MS. LEBEL: Object to form.

MS. HUNKER: Objection. Form.

Page 141 1 that you wouldn't necessarily become personally aware of

2 a situation in which a voter relies on a nonprofit

3 community organization worker to come to their house and

4 help them with their mail ballot and that, as a result

5 of not having that person visit the voter, the voter

6 doesn't vote?

7 MS. LEBEL: Object to form. And I want to

8 make sure we're still staying within the scope of

9 November 2022 specifically.

Q. (BY MS. PERALES) With respect to the November 10

11 2022 General Election?

12 MS. HUNKER: Objection. Form.

13 A. Correct.

14 Q. (BY MS. PERALES) And with respect to the

15 November 2022 General Election, you wouldn't necessarily

16 become personally aware if an individual who relies on

17 an assister to help them vote in person wouldn't be able

18 to vote because their assister was deterred by the new

19 requirements in SB1?

MS. LEBEL: Object to form.

21 MS. HUNKER: Objection. Form.

22

23 Q. (BY MS. PERALES) And you wouldn't personally

24 be aware, would you, if with respect to the two

25 incidents involving unruly poll watchers in the

SO HERE'S SOME GROUND RULES TO HELP US THROUGHOUT

Frank Phillips

March 31, 2023

Pages 38 to 41

A. I BELIEVE SO.

2 Q. YEAH.

3 A. I DON'T REMEMBER THE EXACT DATE.

4 Q. OKAY. YEAH.

5 A. I BELIEVE THAT'S CORRECT.

6 Q. I WILL JUST -- I CAN ALSO REFRESH YOUR MEMORY ON

7 THE FIRST EXHIBIT WE LOOKED AT, WHICH QUOTED YOU ABOUT

8 THE CARROLLTON CASE.

9 A. UH-HUH.

10 Q. WAS OCTOBER 2020, IS WHEN YOU --

11 A. OKAY.

12 Q. -- SPOKE.

13 A. YEAH.

14 Q. OKAY, I'M SORRY, THAT IS --

15 A. WELL, THAT WOULD BE ACCURATE.

16 Q. YEAH.

17 A. I STILL THINK IT'S ACCURATE.

18 Q. OKAY.

19 A. YEAH.

20 Q. AND SO YOU STILL BELIEVE THAT STATEMENT TO BE

21 ACCURATE THAT IT'S A VERY SMALL FRACTION?

22 A. ABSOLUTELY.

23 Q. OKAY. YOU CAN SET THAT ONE ASIDE.

24 OKAY, WE'RE GOING TO TURN TO SB 1, SB 1'S MAIL

25 VOTING REQUIREMENTS TO BE EXACT.

Page 38 1 OFFICE?

A. NOTHING.

3 Q. OKAY.

4 A. I NEVER GOT A REPLY.

5 Q. UNDERSTOOD.

6 OKAY. SO WHEN I SAY -- I'M GOING TO REFER TO

7 SB 1'S ID NUMBER REQUIREMENTS FREQUENTLY GOING FORWARD

Page 40

8 A. OKAY.

9 Q. AND I'M REFERRING TO THE REQUIREMENT THAT EVERY

10 VOTER HAS TO PUT AN ID NUMBER, EITHER THEIR LAST FOUR

11 DIGITS OF THEIR SOCIAL OR THEIR TEXAS ID NUMBER OR CHECK

12 THE BOX THAT THEY DON'T HAVE EITHER --

13 A. CORRECT.

14 Q. -- WHEN THEY'RE SENDING IN THEIR APPLICATION FOR

15 BALLOT BY MAIL OR THEIR MAIL BALLOTS?

16 IS THAT CLEAR?

17 A. YES.

18 Q. OKAY. AND WHEN I SAY ABBM, I'M REFERRING TO THE

19 APPLICATION.

20 A. APPLICATION FOR BALLOT BY MAIL, YES.

21 Q. YES. YEAH. JUST SO THAT THE RECORD IS CLEAR.

22 DO YOU BELIEVE THAT SB 1'S ID NUMBER REQUIREMENTS

23 FOR MAIL VOTING ARE NECESSARY TO PREVENT MAIL VOTER

24 IMPERSONATION?

25 MS. HUNKER: OBJECTION; FORM.

Page 39

SO LTHINK YOU ALREADY ANSWERED THIS QUESTION

2 BUT JUST TO MAKE SURE, SINCE SB 1 WAS IMPLEMENTED, SO

3 DECEMBER OF 2021, YOUR OFFICE HAS NEVER REFERRED -- I

4 BELIEVE YOU TESTIFIED -- AND PLEASE CORRECT ME IF I'M

5 WRONG -- THAT YOUR OFFICE HAS NEVER REFERRED ANY VOTER 6 AS A POTENTIAL CASE OF MAIL VOTER IMPERSONATION SINCE

7 THIS CARROLLTON CASE HAPPENED; IS THAT RIGHT?

8 A. THAT'S CORRECT.

9 Q. OKAY. SO IT IS FAIR TO SAY THAT NO ONE WAS EVER

10 REFERRED TO LAW ENFORCEMENT AS A POTENTIAL CASE OF VOTER

11 FRAUD BASED ON ANY SB 1 MAIL VOTING REQUIREMENTS.

12 MS. HUNKER: OBJECTION; FORM.

13 A. THAT'S FAIR TO SAY FOR DENTON COUNTY, YES.

14 Q. (BY MS. YUN) ARE YOU AWARE OF ANY OTHER COUNTY

15 THAT -- WHERE THAT MAY HAVE HAPPENED?

16 A. I AM NOT.

17 Q. AND WOULD IT -- IS IT FAIR TO SAY THAT IF YOU

18 DETECTED ANY MAIL VOTER IMPERSONATION, YOU WOULD REFER

19 THAT CASE TO A LAW ENFORCEMENT AGENCY?

20 A. YES.

21 Q. JUST GOING BACK, I JUST REMEMBERED THAT YOU SAID

22 THAT WITH THE CARROLLTON CASE, YOU E-MAILED THE

23 SECRETARY OF STATE'S OFFICE, AS WELL AS CALLED THE

24 SHERIFF'S OFFICE.

25 WHAT HAPPENED WITH THE SECRETARY OF STATE'S

Page 41

1 A. TO YOUR EXACT QUESTION, THE ANSWER WILL BE NO.

2 Q. (BY MS. YUN) AND WHY IS THAT?

3 A. WELL. I MEAN. I THINK WE'VE DONE A DECENT JOB IN

4 THE PAST WITHOUT THOSE REQUIREMENTS, BUT THAT DOESN'T

5. MEAN THESE REQUIREMENTS DON'T ADD ANOTHER LAYER OF

6 SECURITY. SO WE'VE PROVEN WE CAN DO IT WITHOUT IT,

7 BUT -- SO, I MEAN, THAT'S WHAT I BASE THAT OUT OF.

8 WE'VE DONE IT BEFORE WITHOUT IT.

9 Q. UH-HUH. THAT'S FAIR.

DO YOU BELIEVE THAT SB 1'S ID REQUIREMENTS ARE

11 NECESSARY TO PREVENT ANY OTHER TYPES OF ELECTION CRIMES?

12 A. OKAY. WHEN YOU SAY SB 1 REQUIREMENTS, WHAT SB 1

13 REQUIREMENTS ARE YOU SPEAKING OF?

14 Q. THE ID NUMBER.

15 A. THE ID NUMBERS?

16 MS. HUNKER: SAME OBJECTION.

17 A. YEAH. OFF THE TOP OF MY HEAD, I CAN'T THINK OF

18 ANY OTHER ELECTION CRIME THAT IT WOULD PREVENT.

19 Q. (BY MS. YUN) OKAY. SO TALKING ABOUT THE --

20 MOVING AWAY FROM ANY ELECTION CRIMES OR REFERRALS TO LAW

21 ENFORCEMENT, I THINK WE'VE -- I SORT OF PARAPHRASED IT

22 FARLIFR

23 BUT, IN YOUR OWN WORDS, WHAT IS YOUR

24 UNDERSTANDING OF SB 1'S ID NUMBER REQUIREMENTS FOR MAIL

25 VOTING?

Frank Phillips

March 31, 2023

Pages 42 to 45

Page 42

- 1 A. THE APPLICANT OR THE VOTER RETURNING A CARRIER
- 2 ENVELOPE WITH A VOTED MAIL BALLOT HAS TO EITHER PUT
- 3 THEIR TEXAS DRIVER'S LICENSE, OR ID NUMBER, OR THE LAST
- 4 FOUR OF THEIR SOCIAL SECURITY NUMBER. AND ONE OF THOSE,
- 5 WHICHEVER ONE THEY PUT OR BOTH, WOULD HAVE TO MATCH WHAT
- 6 IS IN OUR VOTER REGISTRATION SYSTEM REGARDING SAME LIKE
- 7 NUMBER, TEXAS DL. OR SOCIAL SECURITY.
- 8 Q. OKAY. SO THE OFFICIAL ABBM, AND THE CARRIER
- 9 ENVELOPES, STATE THAT VOTERS SHOULD PUT EITHER THEIR
- 10 STATE ID NUMBER OR THE LAST FOUR DIGITS OF THEIR SOCIAL
- 11 RATHER THAN PUTTING BOTH NUMBERS DOWN; IS THAT CORRECT?
- 12 A. CORRECT.
- 13 Q. SO I'M GOING TO ASK YOU ABOUT HOW SB 1'S ID
- 14 NUMBER REQUIREMENTS HAVE IMPACTED YOUR OFFICE AND DENTON
- 15 COUNTY VOTERS, BUT I WOULD LIKE TO TAKE THAT ELECTION BY
- 16 ELECTION SINCE MANY ELECTIONS HAVE HAPPENED --
- 17 A. SURE.
- 18 Q. -- SINCE SB 1 WENT INTO EFFECT.
- 19 SO I BELIEVE THERE WAS A SPECIAL ELECTION IN
- 20 JANUARY 2022; IS THAT RIGHT?
- 21 A. THAT'S CORRECT.
- 22 Q. HOW DID THE ID NUMBER REQUIREMENT -- SB 1'S ID
- 23 REQUIREMENT AFFECT YOUR OFFICE FOR THAT ELECTION?
- 24 MS. HUNKER: OBJECTION; FORM.
- 25 A. I GUESS IN TWO WAYS. BECAUSE -- THIS WILL TAKE A

- Page 44

 1 TOWARDS THE END OF JANUARY OR TOWARDS THE BEGINNING OF
- 2 JANUARY?
- 3 A. I'M SORRY, I DON'T REMEMBER.
- 4 Q. SO -- AND THEN THE NEXT ELECTION WAS THE MARCH
- 5 PRIMARY?
- 6 A. CORRECT.
- 7 Q. AND COULD YOU TELL US ABOUT HOW THE ID NUMBER
- 8 REQUIREMENT AFFECTED YOUR OFFICE FOR THAT ELECTION?
- 9 A. YEAH. WELL, YOU HAVE A COUPLE OF THINGS. YOU
- 10 HAVE A TRAINING CURVE FOR EARLY VOTING BALLOT BOARD,
- 11 'CAUSE WE HAVE TO TRAIN THEM WHAT THEIR NEW DUTIES ARE,
- 12 WHAT TO LOOK FOR. OUR STAFF FOR THE SAME REASONS.
- 13 BUT YOU HAD, OF COURSE, A MUCH WIDER -- A MUCH
- 14 LARGER VOTER REGISTRATION POOL TO PULL FROM THAN WE DID
- 15 IN JANUARY. SO WE SUFFERED THE SAME INITIAL HIGH
- 16 REJECTION RATE AT THE BEGINNING OF OUR ELECTION.
- 17 Q. YOU JUST SAID THAT AT THE BEGINNING OF EARLY
- 18 VOTING.
- 19 SO DID THE REJECTION RATE EVENTUALLY GO DOWN?
- 20 A. IT DID. IT DECLINED STEADILY THROUGHOUT THE
- 21 VOTING PERIOD, YES.
- 22 Q. WOULD YOU SAY THAT THE REJECTION RATE DID REMAIN
- 23 HIGH OVERALL AT THE END OF THE -- OVERALL?
- 24 MS. HUNKER: OBJECTION; FORM.
- 25 A. I THINK BY THE END OF THE VOTING PERIOD, WE WERE

- 1 LITTLE EXPLANATION. BECAUSE THE LEGISLATURE PASSED THAT
- 2 BILL TOWARDS THE VERY END OF THE SESSION LATE IN THE
- 3 YEAR, AND IT REQUIRED CHANGES TO ENVELOPES,
- 4 APPLICATIONS, PRINTING --
- 5 Q. (BY MS. YUN) UH-HUH.
- 6 A. -- AND, YOU KNOW, THERE'S STILL -- AT THE TIME,
- 7 ANYWAY, THERE WAS KIND OF STILL A SHORTAGE OF PAPER,
- 8 HARD TO GET, REGARDLESS OF WHAT THE PAPER WAS USED FOR,
- 9 IT PUT US IN A -- US ANYWAY. BECAUSE I THINK WHEN THE 10 LEGISLATURE FIRST PASSED IT, THEY'RE ASSUMING THE FIRST
- 11 ELECTION COMING UP IS GOING TO BE MARCH PRIMARY.
- 12 Q. RIGHT.
- 13 A. AND FOR MOST OF THE STATE, THAT WAS CORRECT.
- 14 Q. UH-HUH.
- 15 A. IT WAS NOT CORRECT FOR US BECAUSE WE HAD A
- 16 SPECIAL ELECTION IN JANUARY. AND SO IT PUT US IN A
- 17 CRUNCH WHERE WE WERE TRYING TO GET THE NEW CARRIER
- 18 ENVELOPE IN PLACE, AND WHICH WE DID. BUT THEN IT WAS
- 19 NEW TO VOTERS.
- 20 Q. UH-HUH.
- 21 A. SO THERE WAS THAT.
- 22 AND INITIALLY, I BELIEVE, SOME CONFUSION WITH
- 23 VOTERS, ESPECIALLY THOSE WHO HAD BEEN VOTING BY MAIL FOR
- 24 YEARS. SO WE HAD A HIGHER-THAN-NORMAL REJECTION RATE.
- 25 Q. AND THAT WAS -- THAT SPECIAL ELECTION, WAS THAT

- Page 45 1 PROBABLY STILL SLIGHTLY HIGHER THAN NORMAL, BUT WE WERE
- 2 MUCH CLOSER THAN NORMAL.
- 3 Q. (BY MS. YUN) I'M GOING TO SHOW YOU AN EXHIBIT.
- 4 I'M HANDING YOU WHAT'S BEEN MARKED AS EXHIBIT 6. AND
- 5 I'LL REPRESENT TO YOU THAT THIS WAS A SPREADSHEET
- 6 PRODUCED BY THE STATE OF TEXAS REGARDING THE MARCH 2022
- 7 PRIMARY ELECTION MAIL BALLOT REJECTION. AND THEY'RE
- 8 DIVIDED -- SEPARATED FOR THE REPUBLICAN PRIMARY AND THE
- 9 DEMOCRATIC PRIMARY.
- 10 (EXHIBIT 6 MARKED.)
- 11 A. OKAY.
- 12 Q. (BY MS. YUN) OKAY. SO ON THE SECOND PAGE -- I
- 13 BELIEVE DENTON IS ON THE SECOND PAGE. FOR THE
- 14 REPUBLICAN PRIMARY, IT'S SHOWING 17.39 PERCENT.
- 15 DOES THAT COMPORT WITH YOUR MEMORY OF WHAT
- 16 HAPPENED DURING THAT MARCH PRIMARY FOR THE REPUBLICAN
- 17 PARTY?
- 18 A. THAT -- I MEAN, I'LL START IT WITH I DON'T KNOW
- 19 WHERE THEY GOT THEIR NUMBERS FROM.
- 20 Q. UH-HUH.
- 21 A. BUT THIS DOES NOT FEEL INACCURATE. IT FEELS LIKE
- 22 IT'S PROBABLY PRETTY CLOSE.
- 23 Q. OKAY. LET'S SWITCH QUICKLY TO THE -- I BELIEVE
- 24 SO -- IT'S THE SECOND PAGE OF THE DEMOCRATIC --
- 25 A. YEAH.

- 1 WE ARE BACK ON THE RECORD.
- 2 Q. (BY MS. YUN) SO WE'VE BEEN TALKING ABOUT THE ID
- 3 NUMBER REQUIREMENTS FOR A LITTLE BIT, SO I WANT TO ASK
- 4 YOU ABOUT SOME OF THE WORK THAT YOUR OFFICE DID WITH
- 5 VOTERS TO TELL THEM ABOUT THE ID REQUIREMENT.
- 6 A. OKAY.
- 7 Q. DID YOUR OFFICE COMMUNICATE WITH VOTERS REGARDING
- 8 THE NEW ID NUMBER REQUIREMENTS UNDER SB 1?
- 9 A. YES, WE DID.
- 10 Q. HOW -- HOW DID YOU DO THAT?
- 11 A. A COUPLE WAYS. ONE, THROUGH SOCIAL MEDIA, MAINLY
- 12 A FACEBOOK ACCOUNT. SECOND WAS AN INSERT THAT WE PUT
- 13 INTO OUR MAIL BALLOT THAT GAVE THEM A STEP BY STEP WITH
- 14 LITTLE SCREENSHOTS, FOR LACK OF A BETTER TERM, "ENTER
- 15 YOUR ID NUMBER HERE." WE EVEN PUT ON THERE, "WE
- 16 RECOMMEND" -- "WE KNOW THE FORM SAYS 'OR.' WE RECOMMEND
- 17 YOU PUT BOTH," JUST IN CASE WE DIDN'T HAVE THE ONE YOU
- 18 DECIDE TO PUT DOWN. EXPLAINED TO THEM -- TO THEM TO DO
- 19 THAT BEFORE THEY SEALED THE FLAP. AND THEN AFTER THEY
- 20 SEALED THE FLAP, TO PUT A SIGNATURE. AND THEN WE --
- 21 WHICH IS STILL ON OUR WEBSITE TODAY. WE HAD A VIDEO ON
- 22 HOW TO COMPLETE YOUR APPLICATION AND YOUR CARRIER
- 23 ENVELOPES
- 24 Q. AND WHEN DID YOU -- WHEN DID YOUR OFFICE START
- 25 SEND ING OUT INSERTS WITH THE MAIL BALLOTS?

- Page 52
 Q. AND DID YOU ALSO -- WAS THAT RECOMMENDATION
- 2 COMMUNICATED THROUGH OTHER MEANS?
- 3 A. IT'S ON THAT VIDEO THAT I SPOKE OF THAT'S ON THE
- 4 WEBSITE, YES.
- Q. AND DO YOU REMEMBER WHEN THE VIDEO WAS PUT ON THE
- 6 WEBSITE?
- 7 A I DON'T
- 8 Q. WAS IT BEFORE THE GENERAL ELECTION?
- 9 A. YES, DEFINITELY.
- 10 Q. SO IT WAS IN PLACE BEFORE THE MARCH PRIMARY AS
- 11 WELL?
- 12 A. I'M NOT SURE IF IT WAS IN THE INTERIM OR EVEN
- 13 BEFORE THE PR MARY. I'M JUST NOT SURE. BUT I KNOW IT
- 14 WAS IN PLACE FOR THE GENERAL. BUT EXACTLY WHEN IT WENT
- 15 UP. I'M NOT SURE.
- 16 Q. OKAY. AND YOU TOUCHED ON THIS A LITTLE BIT A
- 17 MOMENT AGO, BUT WHY DID YOU RECOMMEND PUTTING BOTH
- 18 NUMBERS DOWN?
- 19 A. MAINLY BECAUSE WE WERE SEEING, WHICH YOU KIND OF
- 20 REFERENCED EARLIER IN YOUR LIST OF POSSIBLE REASONS FOR
- 21 CURE, WE WOULD FIND THAT SOMEONE WOULD PUT THEIR
- 22 DRIVER'S LICENSE NUMBER OR STATE ID NUMBER AND NOT THEIR
- 23 SOCIAL. BUT THE SOCIAL WE HAD. WE DID NOT HAVE THEIR
- 24 DL OR VICE VERSA. SO WE WANTED TO GIVE THEM EVERY
- 25 OPPORTUNITY TO PREVENT A CURE SITUATION SO THEY COULD

- A. I COULD BE MISTAKEN ON THIS, BUT I BELIEVE -- I
- 2 DON'T BELIEVE WE DID IT IN THE JANUARY SPECIAL ELECTION,
- 3 BUT WE DID FOR THE PRIMARY. I STAND TO BE CORRECTED ON
- 4 THAT BY MY MAIL BALLOT PERSON.
- 5 Q. OKAY. AND THE INSERT THAT YOU WERE REFERRING TO.
- 6 COULD WE GET A COPY OF THAT? I UNDERSTAND THAT YOU
- 7 DON'T HAVE IT WITH YOU.
- 8 A. I DON'T HAVE IT WITH ME, BUT SURE.
- 9 Q. BUT -- YEAH, THROUGH MS. HUNKER, IF YOU COULD
- 10 SEND IT OVER.
- 11 A. SURE.
- 12 Q. THANK YOU.
- 13 AND THE INSERT, YOU SAID, WAS FOR THE MAIL BALLOT
- 14 CARRIER ENVELOPE; IS THAT RIGHT?
- 15 A. THAT'S CORRECT.
- 16 Q. AND WHY DID YOUR OFFICE DECIDE TO ENGAGE IN THOSE
- 17 EFFORTS?
- 18 A. BECAUSE OF OUR INITIAL EXPERIENCE WITH THE HIGHER
- 19 REJECTION RATE, WE WANTED TO -- I MEAN, IT'S EASY TO
- 20 MISS WHERE IT'S AT ON THE CARRIER ENVELOPE, SO WE WANTED
- 21 TO MAKE SURE THEY SAW IT.
- 22 Q. AND YOU JUST TOLD ME THAT ON THE INSERT IT
- 23 SAYS -- IT RECOMMENDS TO VOTERS TO PUT BOTH NUMBERS
- 24 DOWN; IS THAT RIGHT?
- 25 A. THAT WE RECOMMEND THAT, YES.

- Page 53

 1 HIT ONE OF THE NUMBERS THAT WE HAPPENED TO HAVE.
- 2 Q. RIGHT.
- 3 SO THE INSERT THAT YOU WERE DESCRIBING IS
- 4 SOMETHING THAT YOUR OFFICE CREATED, CORRECT?
- 5 A. THAT'S CORRECT.
- 6 Q. AND ARE YOU AWARE OF THE SECRETARY OF STATE'S
- 7 INSERT FOR THE ID NUMBER REQUIREMENT?
- 8 A. I'M AWARE THEY HAVE ONE. I CAN'T RECALL WHAT IT
- 9 LOOKS LIKE, TO BE HONEST WITH YOU.
- 10 Q. DID YOU CONSIDER USING THE SECRETARY OF STATE'S
- 11 INSERT?
- 12 A. OKAY. WHAT I -- WHAT I BELIEVE TO BE ACCURATE,
- 13 BUT I COULD BE WRONG AGAIN, I THINK WE CAME UP WITH OUR
- 14 INSERT FIRST. AND WHEN THEY CAME OUT WITH THEIRS, I'M
- 15 SURE WE LOOKED AT IT AND STUCK WITH OURS. PROBABLY HAS
- 16 THE SAME TYPE OF INFO.
- 17 Q. GOT IT.
- 18 AND BASED ON YOUR EXPERIENCE THUS FAR IN 2022,
- 19 ARE YOU PLANNING ON USING THE INSERT GOING FORWARD?
- 20 A. WE ARE STILL USING IT. AND JUST OUT OF AN EXCESS
- 21 OF CAUTION, WE'LL PROBABLY CONTINUE TO USE IT.
- 22 Q. HAVE YOU CONSIDERED USING -- OR CREATING ONE FOR
- 23 ABBMS?
- 24 A. I THINK WE DID TALK ABOUT IT. A LOT OF ABBMS
- 25 DON'T COME FROM US. THEY GET THEM ON THEIR OWN. THEY

1 IF THERE'S AN E-MAIL ADDRESS.

- A. YES
- 3 Q. SO IF THERE IS NO E-MAIL ADDRESS, YOU CALL; IS
- 4 THAT RIGHT?
- 5 A. IF WE HAVE THAT NUMBER.
- 6 Q. AND SOMETIMES YOU CALL AND NO ONE PICKS UP,
- 7 RIGHT?
- 8 A. THAT HAPPENS MORE OFTEN THAN NOT THESE DAYS.
- Q. OKAY. AND WHAT IS -- WHAT DOES YOUR STAFF DO?
- 10 A. WELL, IF THEY CALL -- IF THEY HAVE A NUMBER, CALL
- 11 IT AND NOBODY ANSWERS, THEY LEAVE A VOICEMAIL. AND WE
- 12 HAVE A -- WE HAVE A DEDICATED OUTLOOK INBOX FOR THE
- 13 EARLY VOTING BALLOT BOARD SIGNATURE VERIFICATION
- 14 COMMITTEE THAT ALL OF THOSE E-MAILS AND/OR VOICEMAILS
- 15 WILL GO BACK TO --
- 16 Q. OKAY.
- 17 A. -- SO THEY'RE NOT JUST BOUNCING AROUND
- 18 20 DIFFERENT EMPLOYEES. SO IT GOES STRAIGHT TO THE
- 19 BALLOT BOARD FOR THEM TO RESPOND TO.
- 20 NOW, IF WE HAVE NEITHER AN E-MAIL OR PHONE
- 21 NUMBER, THEN WE JUST MAIL THE LETTER.
- 22 Q. SO IT'S POSSIBLE THAT IF YOU ARE MAILING SORT OF
- 23 CLOSE TO THE ELECTION, THAT THEY WON'T GET THE NOTICE
- 24 UNTIL --
- 25 A. TOTALLY POSSIBLE.

- Page 70 1 GENERALLY THROUGHOUT ANY ELECTION --
 - 2 Q. UH-HUH.
 - 3 A. -- YOU JUST CHECK IN.
 - 4 Q. RIGHT.
 - 5 A. "HOW ARE THINGS GOING?"
 - 6 Q. RIGHT.
 - 7 A. "ARE THERE ANY ISSUES?" AND I DO REMEMBER THEM
 - 8 TALKING ABOUT ONE OR TWO.
 - 9 Q. OKAY. AND YOU DON'T REMEMBER HOW THOSE ISSUES
 - 10 RESOLVED?
 - 11 A. I DON'T.
 - 12 Q. I'M GOING TO TALK ABOUT SOME OF THE STAFFING THAT
 - 13 YOU MENTIONED AROUND ELECTIONS.
 - 14 SO DURING THE PRIMARIES IN MARCH 2022 --
 - 15 A. OKAY.
 - 16 Q. -- DID YOUR OFFICE HIRE ANY EMPLOYEES OR
 - 17 CONTRACTORS OR TEMPORARY EMPLOYEES IN ORDER TO
 - 18 FACILITATE OR ASSIST WITH MAIL VOTING REQUIREMENTS OF
 - 19 SB 1?
 - 20 A. YES.
 - 21 Q. HOW MANY? DO YOU REMEMBER?
 - 22 A. I DON'T REMEMBER THE EXACT NUMBER. I'M GOING TO
 - 23 GIVE YOU AN ESTIMATE.
 - 24 Q. UH-HUH.
 - 25 A. I WOULD GUESS PROBABLY FOUR OR FIVE JUST FOR THAT

Page 71

- Q. -- IT'S TOO LATE; IS THAT RIGHT?
- 2 MS. HUNKER: OBJECTION; FORM.
- 3 A. IT'S TOTALLY POSSIBLE.
- 4 Q. (BY MS. YUN) IN 2022, TO THE BEST OF YOUR
- 5 RECOLLECTION, WERE THERE ANY MILITARY OR OVERSEAS VOTERS
- 6 WHO YOU NEEDED TO CONTACT FOR AN ID NUMBER ERROR ON
- 7 THEIR ABBM OR MAIL BALLOT?
- 8 A. I BELIEVE THERE WAS ONE OR TWO MAX. IT WAS VERY
- 9 LOW.
- 10 Q. OKAY.
- 11 A. MILITARY GUYS ARE USUALLY PRETTY GOOD AT FILLING
- 12 THEIR STUFF OUT CORRECTLY.
- 13 Q. DO YOU KNOW HOW YOUR OFFICE WAS ABLE TO CONTACT
- 14 THEM?
- 15 A. I DO NOT. I -- I WOULD THINK IT WAS BY E-MAIL,
- 16 BUT THAT'S NOT NECESSARILY THE WAY IT WAS. JUST DEPENDS
- 17 ON HOW THEY SUBMITTED THEIR STUFF.
- 18 Q. OKAY. SO YOU DON'T HAVE ANY PERSONAL KNOWLEDGE
- 19 OF CONTACTING OVERSEAS OR MILITARY VOTERS ABOUT AN ID
- 20 NUMBER?
- 21 A. IT WOULDN'T BE ME PERSONALLY, NO.
- 22 Q. OR DO YOU RECALL ANY SPECIFIC INSTANCES THAT YOU
- 23 HEARD FROM YOUR STAFF --
- 24 A. I MEAN, I REMEMBER STAFF TALKING ABOUT IT, BUT
- 25 IT -- AND I'M GOING TO SAY THIS BECAUSE, YOU KNOW,

1 PURPOSE.

- Q. OKAY. AND WHY WAS THAT?
- A. JUST THE SHEER VOLUME WE WERE GETTING, AND IT
- 4 TAKES -- IT TAKES A LOT OF PEOPLE TO STUFF THOSE
- 5 ENVELOPES BECAUSE WE DON'T -- UNLIKE SOME COUNTIES, WE
- 6 DON'T FARM OUT TO THIRD PARTIES OUR MAIL BALLOTS.
- 7 Q. OKAY.
- 8 A. WE DO IT ALL IN-HOUSE.
- 9 Q. UH-HUH.
- 10 A. TO THE BEST OF MY RECOLLECTION, IT WAS FOUR OR
- 11 FIVE PEOPLE.
- 12 Q. OKAY. AND WHEN YOU SAID THE SHEER VOLUME, SO THE
- 13 VOLUME OF -- IT WASN'T THE -- WELL, SO IT WAS THE SHEER
- 14 VOLUME OF MAIL BALLOTS THAT NEEDED TO BE --
- 15 A. THAT'S A FAIR STATEMENT. I'M PROBABLY JUST
- 16 REMEMBERING, YOU KNOW, THE PEOPLE WE HAD LINED UP IN THE
- 17 HALL STUFFING BALLOTS.
- 18 Q. UH-HUH.
- 19 A. IT'S NOT NECESSARILY CONTRIBUTED TO SB 1, I
- 20 GUESS. DOES THAT MAKE SENSE?
- 21 Q. YEAH. I'M JUST TRYING TO -- SO LET ME JUST ASK
- 22 IT DIFFERENTLY.
- 23 A. YEAH.
- 24 Q. SO THE FOUR OR FIVE PEOPLE THAT YOU DESCRIBED,
- 25 WERE THOSE PEOPLE HIRED BECAUSE -- SOLELY BECAUSE OF

Page 72

Page 94

Q. LET'S GO WITH DENTON COUNTY FIRST, AND THEN YOU

- 2 CAN TALK ABOUT IN GENERAL.
- 3 MS. HUNKER: OBJECTION; FORM.
- A. SURE. ONE WOULD BE JUST OUR GENERAL INCREASE IN
- 5 POPULATION.
- Q. (BY MS. YUN) UH-HUH.
- A. AND I THINK IT'S JUST BECOME MORE -- I HATE TO
- 8 SAY ADVERTISED. I THINK IT'S PROMOTED MORE THAN IT USED
- 9 TO BE.
- 10 Q. UH-HUH.
- A. I THINK PEOPLE TAKE ADVANTAGE OF MAIL VOTING. I
- 12 MEAN, I JUST THINK PEOPLE -- A LOT OF PEOPLE DO IT JUST
- 13 BECAUSE IT'S CONVENIENT. SO A POPULATION INCREASE AND
- 14 THE GENERAL PROMOTION OF VOTING BY MAIL IS CAUSING AN
- 15 INCREASE.
- Q. UH-HUH. 16
- 17 AND WOULD YOU AGREE THAT FOR SOME FOLKS IN DENTON
- 18 COUNTY, THAT IT IS THE ONLY WAY FOR THEM TO VOTE?
- 19 MS. HUNKER: OBJECTION; FORM.
- 20 A. FOR SOME FOLKS, YES.
- 21 Q. (BY MS. YUN) DUE TO DISABILITY, FOR EXAMPLE?
- MS. HUNKER: OBJECTION: FORM. 22
- 23 A. PROBABLY DISABILITY, YES.
- 24 Q. (BY MS. YUN) AND WOULD YOU AGREE THAT FOR SOME
- 25 FOLKS, IT IS VERY DIFFICULT FOR THEM TO CURE THEIR MAIL

- Page 96 1 ANYTHING ELSE THAT YOU DISCUSSED WITH THE STATE ABOUT
- 2 YOUR TRIAL TESTIMONY THAT WE HAVEN'T DISCUSSED THUS FAR
- 3 TODAY?
- A. I HAVEN'T DISCUSSED WITH THE STATE ABOUT MY --
- 5 THE WITNESS: OH, ARE YOU THE STATE?
- 6 MS. HUNKER: I'M THE STATE.
- 7 Q. (BY MS. YUN) SORRY. THE AG'S OFFICE,
- 8 MS. HUNKER.
- 9 A. NO.
- MS. YUN: NOTHING ELSE. AND SO I'LL PASS 10
- 11 THE WITNESS.
- MS. HUNKER: ARE THERE ANY OTHER PLAINTIFF 12
- 13 GROUP THAT WOULD LIKE TO ASK QUESTIONS OF THE WITNESS ON
- 14 THE ZOOM CALL?
- 15 MR D'ANGELO: NOT FOR ME THANK YOU
- 16 MS. HUNKER: THAT WAS WILLIAM D'ANGELO.
- ANY OTHER PLAINTIFF GROUPS HAVE ANY 17
- 18 QUESTIONS FOR THE WITNESS?
- 19 HEARING NONE, THE STATE IS GOING TO DO A
- 20 SHORT DIRECT EXAMINATION.
- 21 **EXAMINATION**
- 22 BY MS. HUNKER:
- Q. MR. PHILLIPS, HAVE VOTERS CONVEYED TO YOU 23
- 24 CONCERNS ABOUT VOTER FRAUD?
- A. YES.

Page 95

Page 97

- MS. HUNKER: OBJECTION; FORM. 2
- A. I WOULD SAY YES.

1 BALLOT ERROR?

- Q. (BY MS. YUN) OKAY. AND I THINK YOU TESTIFIED
- 5 EARLIER -- AND CORRECT ME IF I'M WRONG -- THAT SOMET MES
- 6 FOLKS DON'T GET NOTIFIED IN TIME TO CURE THEIR MAIL
- 7 BALLOT IN ORDER FOR THEIR BALLOT TO COUNT; IS THAT
- 8 RIGHT?
- A YEAH ESPECIALLY IF THEY TURN IT IN NEAR THE END
- 10 YOU KNOW, THE LAST DAY OF EARLY VOTING, THEN, YES, IT'S
- 11 GOING TO BE TOUGH.
- 12 MS. YUN: I THINK I AM ALMOST DONE. I JUST
- 13 WANT TO TAKE A QUICK BREAK.
- THE REPORTER: THE TIME IS 11:58 A.M. WE 14
- 15 ARE OFF THE RECORD.
- 16 (OFF THE RECORD.)
- 17 THE REPORTER: THE TIME IS 12:05 P.M. WE
- 18 ARE BACK ON THE RECORD.
- 19 MS. YUN: OKAY. JUST FOR THE RECORD, SO
- 20 WE'RE GOING TO MARK THE ABBM FORM THAT MR. PHILLIPS
- 21 LOOKED AT AS EXHIBIT 8 AND THEN THE CARRIER ENVELOPE
- 22 THAT HE LOOKED AT TO REFRESH HIS RECOLLECTION AS EXHIBIT
- 23 NO. 9.
- 24 (EXHIBITS 8 AND 9 MARKED.)
- 25 Q. (BY MS. YUN) SO JUST TO WRAP UP, IS THERE

- Q. HAVE VOTERS CONVEYED TO YOU CONCERNS ABOUT MAIL
- 2 BALLOT VOTER FRAUD SPECIFICALLY?
- A. YES.
- Q. IN YOUR EXPERIENCE, DOES VOTERS' PERCEPTION THAT
- 5 VOTER FRAUD, INCLUDING MAIL BALLOT VOTING FRAUD, EXISTS
- 6 UNDERMINE THEIR CONFIDENCE IN ELECTION RESULTS?
- A. ABSOLUTELY.
- Q. IN YOUR EXPERIENCE, DOES VOTERS' PERCEPTION THAT
- 9 VOTER FRAUD INCLUDING MAIL VOTER FRAUD EXISTS
- 10 UNDERMINE THEIR TRUST IN THE ELECTORAL PROCESS?
- A. YES. 11
- Q. HAVE YOU SEEN AN INCREASE IN THE LACK OF TRUST IN 12
- 13 THE ELECTORAL PROCESS OVER THE LAST FEW YEARS?
- A. WITHOUT A DOUBT.
- Q. DO YOU RECALL TALKING WITH COUNSEL ABOUT HOW THE
- 16 SB 1 ID REQUIREMENT FOR MAIL-IN BALLOTS ADDED ANOTHER
- 17 LAYER OF PROTECTION?
- A. YES. 18
- 19 Q. WHAT DID YOU MEAN BY THAT?
- A. I BELIEVE WE WERE TALKING ABOUT PRIOR TO SB 1 AND
- 21 THE ID REQUIREMENTS, YOU KNOW, HAD WE DISCOVERED ANY
- 22 MAIL FRAUD. AND THE ANSWER WAS NO. BUT, IN MY MIND,
- 23 THAT DOESN'T MEAN YOU DON'T ADD ANOTHER SECURITY --
- 24 ANOTHER LEVEL OF SECURITY, ESPECIALLY WHEN IT COMES TO
- 25 WHAT YOU WERE JUST TALKING ABOUT, ABOUT THE PERCEPTION

Page 9 Q. And if you do answer a question, I'm going to

assume that you understood the question; is that fair?

A. Yes. 3

4 Q. If you need a break at any time, that's fine.

5 Please just let me know. My only request is that you

answer any pending question before we take a break.

Okay? 7

8 A. Okay.

9 Q. Also, if you hear an objection from your

10 counsel, that is typically for the court to decide at a

later date. I therefor ask that you go ahead and answer

12 the question unless you are instructed not to answer.

13 Okay?

14 A. Okay.

Q. Now, I'm obliged to ask the following 15

16 questions: Have you consumed any alcohol today?

17 A. No.

Q. Have you consumed any drugs today?

Q. Good afternoon.

4 A. Good afternoon.

Q. My name is Kathleen Hunker. I am with the

office of the Texas Attorney General representing the

7 State defendants in this matter.

8 Can you please state and then spell your

9 name for the record.

A. Rachelle Obakozuwa,

11 R-A-C-H-E-L-L-E O-B-A-K-O-Z-U-W-A.

12 Q. Thank you. I'm going to start with some

13 instructions and introductory questions. Then after

14 that's finished, I'll move on to the main subject of the

15 deposition. Okay?

16 A. Okay.

17 Q. Have you ever been deposed before?

18 A. Yes.

Q. How many times? 19

20 A. Once.

21 Q. And what was that case about?

22 A. The Department of Justice against Harris County

23 for ADA.

24 Q. And so that was an ADA claim?

25 A. Correct.

Page 54

Q. Okay. And did you receive any feedback from 2 the organizations about your community engagement 3 events?

4 A. Not that I'm aware of.

5 Q. Okay. Did you receive any feedback from other community groups, not necessarily the ones regarding --7 that you held of -- the community engagement event with?

A. We attempted to reach multiple community groups, and so we received feedback from some that they 10 were not available or not interested.

11 Q. And do you know if voters -- if your 12 outreach -- let me -- let me rephrase the question.

Are you aware if voters -- strike that.

14 Based on any feedback you received from 15 your public information campaign, did you find that it 16 helped voters alleviate their confusion regarding their

17 ID requirements?

MS. HOLMES: Objection to form.

19 A. Some.

13

18

20 Q. (BY MS. HUNKER) Can you elaborate at all?

21 A. We still received ballots that are incorrectly

22 submitted without sufficient information -- the ballot

23 by mail. So they're either not seeing the campaign or

24 the campaign didn't address them specifically in a way

25 that was successful.

EXAMINATION

4 BY MS. PAIKOWSKY:

5 Q. Welcome. Thank you for testifying this afternoon. My name is Dana Paikowsky, and I'm with the 6 7 United States. So I'm going to start out maybe circling

back on some of these questions about voter education

9 related to the identification provision of Senate

10 Bill 1.

11

18

Did your office produce an insert to 12 include with the carrier envelope to explain the ID 13 provision during the November 2022 general election?

14 A. Not a separate one. We included the one the 15 state provided. And that is my understanding. By the 16 way, I'm not -- I don't think I was set to -- to testify

17 on that topic.

Q. Okay.

19 A. Ballot by mail.

20 Q. Would you know of who might be able to testify

21 about the development of a ballot insert?

22 A. The development of it would be our 23 communications person, Nadia. I have seen a lot of the

24 flyers. I'm just not aware of a particular one that was

25 put in the ballot by mail.

Page 55

Q. And is Harris County continuing to engage in 2 the voter education efforts?

3 A. Yes.

4 Q. And when you say you're engaging in voter education efforts, do you mean specifically to include

the ID requirement for vote by mail?

7 A. Yes.

8 Q. And are you working on reaching the groups that 9 were not necessarily reached in the first round of voter 10 education efforts?

11 A. We are looking to reach every group in Harris 12 County.

13 Q. Would you consider your public awareness 14 campaign a success?

A. Yes.

15

20

25

16 MS. HUNKER: I think we can go off the 17 record.

18 THE VIDEOGRAPHER: We are going off the 19 record at 5:05 p.m.

(Recess from 5:05 p.m. to 5:17 p.m.)

THE VIDEOGRAPHER: We are back on the 21 22 record at 5:17 p.m.

23 MS. PAIKOWSKY: I think -- Kathleen, are 24 you going to pass the witness?

MS. HUNKER: Yes. I have no other

Page 57 Q. You described some voter education efforts that 1

2 your office engaged in around Senate Bill 1's

identification provision. Why did you undertake those 4 efforts?

5 A. There were voter questions and confusion about

why their ballots weren't being counted -- or why their 7 ballots were being rejected. I apologize. And -- and

8 the -- there were changes that SB1 had that we knew 9

would affect every voter who was voting by mail. 10 Q. And do you anticipate needing to continue to 11 do -- maintain these efforts in future elections?

A. Yes.

12

21

24

13 Q. Earlier you testified that SB1 necessitated an 14 increase in temporary and full-time staff. Why is that?

A. There are a lot of implications for SB1. With 15 16 the rejection of mail ballots, there has to be more communication to voters. So it takes more bodies to 17 18 create that communication to send items to the voters. 19 and there's a higher rate of transaction. So it 20 requires more workers.

Additionally, SB1 affected some of our 22 staffing for election workers. And so that was one of 23 the reasons recruitment efforts had to increase. So we had to have more staff for that. And there are more 25 procedural-type questions and calls that we get. So our

2 BY MS. PAIKOWSKY:

Q. I'm Dana Paikowsky for the United States

4 this morning. Thank you for taking the time to

5 testify. I similarly just want to take a couple

6 minutes to get a sense of whether or not you have

7 knowledge about some things or whether someone else

8 would be the right person. So are you involved in

9 voter education efforts related to mail voting at all?

10 A. Iam.

11 Q. Can you describe to me what kinds of voter

12 education efforts your office made during the November

13 2022 general election?

14 A. As mentioned before, we did social media

15 posts, we provided notices -- I don't want to say

16 "notices," that's a legal term -- but those

17 high-viz -- neon paint, neon yellow, orange,

18 whatever -- pieces of paper highlighting the

19 requirements for ballot-by-mail. Also, we do post on

20 where voting locations are, times, things like that.

Q. So I'm specifically interested in voter

22 education around the ID provision in mail voting.

23 A. Uh-huh.

24 Q. Were there any efforts that you made to

25 educate voters around that provision specifically?

Page 30 Page 32 1 numbers is associated with their voter record: so to

2 cover all bases, so to speak, we advised our voters

3 who submitted an ABBM or ballot-by-mail carrier to put

4 both numbers.

Q. Do the forms that you use for an ABBM or 5 6 carrier envelope also ask voters to provide both

7 numbers or just one?

A. Which forms are you referring to?

9 Q. The ABBMs and the carrier envelopes.

10 A. Okay. No, they do not -- they do not say

11 both, as far as I remember.

12 Q. As part of your voter education efforts, did

13 your office include an insert with their absentee

14 ballot-by-mail applications explaining the ID

15 requirement and asking for voters to provide both

16 numbers?

17 A. If I remember correctly, yes.

18 Q. And has your office produced that insert to

19 us?

21

23

1

20 A. I do not...

MR. NELSON: Again, I believe so. But

22 if we haven't, we can supplement that.

MS. PAIKOWSKY: Yeah, I wasn't able to

24 find ballot inserts, but we'll connect with you and

25 check that out on the back end.

Page 31

A. Yes. 1

Q. And are those efforts the same as you

3 previously described?

4 A. Yes.

Q. In those outreach and education efforts

6 during the November 2022 general election, did your

7 office advise voters to provide both an ID number and

8 an SSN four on their ABBMs or carrier envelopes?

A. Yes.

10 Q. Why did you advise voters to provide both

11 the -- excuse me. Withdrawn.

Why did you advise voters to provide both

13 when the language in the statute and also of the ABBM

14 carrier envelopes directs voters to put one or the

15 other?

A. Would you repeat that? I had a hard time 16

17 hearing.

Q. Yeah. 18

19 A. Okay.

20 Q. Why did you advise voters to put both

21 numbers down?

22 A. Okay. Under the guidance of the SOS and the

23 recommendation of the SOS so that voters -- it was

24 deemed that it was completely acceptable to have both

25 numbers, because a voter may not know which of those

Page 33 Q. So were you involved in the design or

2 production of that ballot insert?

A. It was a collaborative effort. We all look

4 at it and provide input, yes.

5 Q. Can you describe to me why you provided or

6 created that form?

A. We saw, initially, in the first time --7

8 first implementation of the SB-1 provisions regarding

9 this that we realized that voters did not always know

10 which of the numbers was associated with their voter

11 record. We -- with discussions in our office, we

12 decided that we wanted to do both to help the voters

13 cover all the bases, as mentioned before so that the 14 voter's application and their ballot-by-mail would

15 hopefully reduce the chance of it being rejected.

16

Q. Did you find including these inserts with 17 the ABBM was helpful in driving down rejection rates?

18 A. That's a comparison I can't make. A cause

19 and effect on -- rejection rates did go down. I can't

20 say what the cause was.

21 Q. Did your office include a ballot insert with

22 the carrier envelope to explain the ID requirement

23 during the November 2022 general election?

24 A. We provided an insert in the outgoing -- we 25 call it a ballot package, which includes the carrier

1 envelope and a bunch of other stuff. Yes, we did.

- Q. Is it the same insert that you included with 3 the ABBM?
- A. It is a different color, but it provides the 5 same educational information.
 - Q. Why did your office create this insert?
 - A. For the same reason for the application to
- 8 help inform the voter that it's perfectly okay to
- 9 provide both numbers so that they could reduce the
- 10 chance of it being rejected and make sure that they
- 11 provided the proper number associated with their voter
- 12 record.

7

- 13 Q. Have you modified this insert over time?
- 14 A. Other than color, I do not believe -- I
- 15 believe we might have highlighted, like, a little
- 16 circle around it to highlight -- just make it pop a
- 17 little more, so to speak, so it's a bit more visible.
- 18 Q. And I'm just going to again say that we're
- 19 going to check to see if they've been produced, but I
- 20 think the multiple versions would be helpful to see
- 21 over time.
- 22 MR. NELSON: Okay.
- 23 Q. Can you explain why you made changes to the
- 24 form since -- excuse me -- to the ballot insert since
- 25 your office first began using it?

Page 36

Page 37

- 1 that we could provide inserts, and they verified that
- 2 we could notify voters that they could put both
- 3 numbers, and it would be perfectly okay; so that's the 4 feedback.
- 5 Q. And this also is -- if you don't know this
- 6 or if another designee would be better to testify
- 7 about it: To your knowledge, did the Secretary of
- 8 State's office recommend you develop these ballot
- 9 inserts as a best practice for implementation for
- 10 Senate Bill 1?
- 11 A. I don't remember that specifically.
- 12 Q. Based on your experience in the 2022 general
- 13 election, do you foresee a need to continue to engage
- 14 in these affirmative voter education efforts related
- 15 to the ID provision -- the mail ballot ID provision in
- 16 future elections?
- 17 A. Yes.
- 18 Q. Why is that?
- A. Travis County, it's very important to our 19
- 20 office to educate our voters so that their ballots may
- 21 be accepted -- counted -- as appropriate. We have --
- 22 we believe in voter education and helping people vote.
- 23 Q. Does your county have any plans to -- I'm
- 24 sorry, withdrawn.
- 25 Would your ability to continue these efforts

Page 35

- A. If we did, they were minor. Probably,
- 2 verbiage, fonts, something like that. I cannot
- 3 remember on the initial one if we had a circle around
- 4 it, but mostly, just so it's visible. So it's clear,
- 5 you know, you learn; and so we make those changes.
 - Q. And the visibility is important because it
- 7 helps emphasize certain information; is that correct?
 - A. That is correct.
- Q. And what information are you hoping to 10 emphasize?
- 11 A. The need for both the driver's license and 12 the social security number if they have them.
- 13 Q. And why did you want to emphasize that to
- 14 voters? A. So that they could put them on there and 15
- 17 Q. During the time that you were producing
- 18 these inserts for the ABBMs and ballot carrier
- 19 envelopes, did you confer with the Secretary of
- 20 State's office about those efforts?
- 21 A. I believe we did.

16 reduce the rejection rate.

- 22 Q. And what feedback did the Secretary of
- 23 State's office give you on those ballot inserts?
- 24 A. If I remember correctly, the SOS
- 25 preemptively gave information that we could do this --

- 1 depend on your budget in future years?
- A. It does cost money, and money is always a
- 3 consideration. So I -- dependent? Let's just say
- 4 it's a consideration.
- 5 Q. In the November 2022 general election, did
- 6 your office hire employees or contractors in order to
- 7 facilitate, support, or assist with mail voting or the
- 8 implementation of the SB-1's identification
- 9 requirements? And I'm also including voter education
- 10 efforts in this question.
- 11 A. Would you state again the types -- the first
- 12 part of your question for me?
- Q. Yeah. And I also am cognizant that there's 13
- 14 another designee who's testifying.
- 15 A. Sure.
- Q. The question is: During the November 2022 16
- 17 election, did your office hire employees or
- 18 contractors to facilitate the mail voting process and
- 19 specifically implement SB-1'S identification
- 20 requirements? And as part of that, I'm asking also
- 21 about affirmative voter education efforts?
- 22 A. Yes --
- 23 MR. NELSON: Before you -- well, I was
- 24 going to say before you answer: If, again, as was
- 25 pointed out, if it's a question that's regarding an

1 did need assistance on there. Sometimes they do,

- 2 sometimes they don't, so we keep the oaths, obviously.
 - Q. What is poll pad?
 - A. The poll pad is the -- is what we use to sign
- 5 in a voter. It looks like a tablet, it's -- you -- you
- 6 sign it, you verify your address, you may select the
- 7 ballot style, depending on if you're in a primary, and
- 8 that keep -- it holds your signature and it keeps track

- Q. Do you have elections officials working atpolling places that can -- can assist voters themselves?
 - A. Yes.

3

12

14

- 13 Q. And do they receive training for that purpose?
 - A. Yes. It's -- it's rare that they are asked to
- 15 assist, honestly, but yes, we do go over that when we go
- 16 over what -- what you can do and what elections that
- 17 whether they require one or whether you need two people

- 19 Q. Do you have bilingual election officials

- 21 A. Yes. All of our locations have bilingual
- 22 speakers, Spanish speakers.
- Q. So before SB 1, are you aware of incidents

 - A. Yes.
- 3 Q. So are you familiar with that change?
 - A. Yes.
- Q. And as an election administrator, you -- doyou review the carrier envelopes when they come in?
- A. Do I review the carrier envelopes, like after we order them, or after they have been mailed back?
 - Q. After they've been mailed back by a voter.
 - A. I don't review all of them, no.
 - Q. Would you be aware of any issues with voters filling out this portion mandated by Section 6.05 of SB
 - A. I think if there were issues that were substantial or noteworthy with that, that my ballot by mail staff member would have brought that to my attention, or the signature verification would have bought -- brought something like that to my attention.
 - Q. And are you aware of any issues with this new provision in Section 6.05 of SB 1 in the March 2022 primary?
 - A. No.
 - Q. So now I want to go to the -- the numerical identification information required by SB 1, what do you understand the new requirements to be for numerical

- 2 A. No, I'm not.
- 3 Q. (BY MR. WHITE) And in the March 2022 primary,
- 4 are you aware of any incidents when a voter needed
- 5 assistance but wasn't able to get what they needed?
- 6 MS. SPECTOR: Objection, calls for
- 7 speculation.
- 8 A. No, I'm not.
- 9 Q. (BY MR. WHITE) Are you aware of changes made
- 10 in SB 1 to the oath of assistance for mail-in ballots?
- 11 A. Yes.
- 12 Q. So on the Exhibit 3 --

- 16 (The witness complies.)
 - Q. (BY MR. WHITE) And I'll point you to Line 15
- 18 on that Page, and do you see where it says Section 6.05?
 - A. Yes.
- Q. And can you read Line 17 to 19 of that section
- 21 on that Page 53, please?
- 22 A. "A person who assists a voter to prepare a
- 23 ballot to be voted by mail shall enter on the official
- 24 carrier envelope of the voter".
 - Q. And do you see the subprovision starting on

identification for voting by mail?

MS. SPECTOR: Objection, calls for legal conclusion.

A. That there is now a space on the application that asks for either the last four digits of your social security number or driver's license, and that one of those needs to be filled out in order for us to accept the application, and that once we receive that application, we have to match that with one of the identifiers we have on file in our system.

Q. (BY MR. WHITE) And -- strike that.

How do you do the matching process on applications for ballots by mail?

MS. SPECTOR: Objection, vague.

A. We go into our voter registration system, and there is a screen for an application for ballot by mail, and we verify on both things if that registration has on their record, if that voter has either the driver's license that matches that, or the last four digits of their social security that matches what they put on the form. If so, then we process it, assuming it's signed and that everything else is filled out.

Q. (BY MR. WHITE) And in the March primary, did you have voters who put both numbers on their form? MS. SPECTOR: Objection, vague. Lisa Wise April 13, 2022 Pages 118 to 121

- 1 A. Eventually we did, after we start -- had to
- 2 tell people put both so that we know, it -- it has a
- 3 better chance of matching.
- 4 Q. (BY MR. WHITE) And what were they doing
- 5 before you told them to do that?
- 6 A. There was a mix. Some of them were putting 7 nothing, some of them were putting their VUID, some of
- 8 them were putting maybe the driver's license and we had
- 9 the soc, or the soc and we had the driver's license, so 10 that was ...
- 11 Q. And you changed the process along the way, to 12 get them to put both numbers down, is that correct?
- 13 MS. SPECTOR: Objection, vague.
- 14 A. We tried to do a kind of a -- a little
- 15 outreach. When in doubt, fill both out is what we
- 16 started to -- we did a little media, we would go -- we
- 17 went to Commissioners Court, and the -- we did a kind of
- a push of fill both out, that same thing, and eventually
- 19 we just put a notice back with them, stating that --
- 20 that possibly, with their rejection, that we recommend
- 21 filling both out.
- 22 Q. (BY MR. WHITE) So you said that some voters
- 23 would submit their application for ballot by mail with
- 24 no numbers, correct?
- 25 A. Yes.

Page 119

- Q. Do you know why?
- MS. SPECTOR: Objection, calls for
- 3 speculation.

1

2

- 4 A. I -- I can guess. There's -- I think there's
- 5 two main reasons why: one is that they hadn't had to in
- 6 the past, this was a new process; and two is that form
- 7 has, I believe, so much information on it that it's --
- 8 it's easy to -- to miss -- to miss things on that -- on
- 9 that form.
- 10 Q. (BY MR. WHITE) So is it they were just doing 11 what they had done in the past, which is not putting
- 12 down those numbers, is that correct?
- 13 MS. SPECTOR: Object to form.
- 14 A. Part of that is, yes.
- 15 Q. (BY MR. WHITE) Do you -- did you receive any
- 16 calls explaining why people were unable to put the
- 17 numbers down?
- 18 A. We had calls from voters who said that that
- 19 box was not on their application, even though we have
- 20 the application on file that that box was there. We had
- 21 calls from people complaining, why do I have to give you
- 22 this information when I already gave it to you on my
- 23 registration. We had other calls that it's private, I
- 24 don't, you know, want to put that on there, and we've
- had people who just said yes, I -- I missed it, I

Page 120 thought it was optional, or something like that.

- 1 2 Q. In the March 2022 primary, did you hear from
- 3 any voter saying that they couldn't put the number down,
- because they didn't have their ID card or their driver's 4
- 5 license anymore?
 - A. I don't remember getting a call that -- that
 - has that as the reason.
- 8 Q. Do you track whether they put down one number 9 or two on the application?
 - MS. SPECTOR: Object to form.
 - A. I don't believe we track whether they put one or two on the application, no.
 - Q. (BY MR. WHITE) Do you track the reasons that the application for ballot by mail was rejected for failing to meet the numerical ID requirement of SB 1?
 - MS. SPECTOR: Objection, vague.
 - A. Yes.
 - Q. (BY MR. WHITE) And how do you do that?
- 19 A. Our ballot by mail application process, the
- 20 system does not have that report available yet on the
- 21 rejected applications, it's only once you put the ballot
- 22 in, so we created, back when we switched -- when we
- 23 switched our -- our person in charge of that, and
- 24 switched some processes. We basically create a
- 25 spreadsheet for the rejected applications on and list
 - Page 121

the reason why. 1

- 2 Q. And did you review that to prepare for today's 3 deposition?
- 4 A. I've reviewed it previously, not necessarily
- just for this deposition. When we were just working 5
- 6 through it during the election, I -- I reviewed it.
- 7 Q. So do you understand, based on that form, what
- 8 the -- the reasons were that these applications for
- 9 ballot by mail were getting rejected?
 - A. Yes.

10

13

16

17

18

21

- 11 Q. And what was the major reason?
- 12 MS. SPECTOR: Objection, vague.
 - A. Missing or incorrect identifier.
- 14 Q. (BY MR. WHITE) And does the form tell you why 15 it's missing or incorrect?
 - MS. SPECTOR: Objection, vague.
 - A. No.
- Q. (BY MR. WHITE) And stepping back to when you 19 checked the number, do you check your offline system to 20 match the number on the application for ballot by mail?
 - MS. SPECTOR: Objection, vague.
- 22 A. No, we don't check -- the only thing that we
- 23 have that -- for applications, on rejections, if they're

This begins the deposition of DANA DEBEAUVOIR, 7 7 having been first duly sworn, testified as follows: Ms. Dana DeBeauvoir in the matter of the La Union Pueblo 8 8 **EXAMINATION** Del Entero, et al., versus Greg Abbott, et al., in the 9 Western District of Texas San Antonio Division. Today 9 BY MR. SWEETEN: 10 10 is May 2nd, 2022, and the time is 8:38 a m. Q. Good morning, Ms. DeBeauvoir. Would you state 11 This deposition is being taken at Travis 11 and your spell your name, please? 12 County Attorney's Office, 314 West 11th Street Austin, 12 A. Yes. Dana DeBeauvoir and it's D-A-N-A D-E-, 13 Texas, at the request of the Office of the Attorney 13 capital B as in boy, -E-A-U-V-, as in valentine, -O-I-R. 14 General. The videographer is David Flores of Magna 14 Q. Okay. And you served for approximately 15 Legal Services. And the court reporter is Ashley Cason 15 36 years as the Travis County clerk; is that correct? 16 of Magna Legal Services. Will Counsel and all parties 16 A. Correct. 17 17 Q. You were -- you've ran -- you've run for present state their appearances and who they represent? 18 election eight or nine times, I think --MR. SWEETEN: Patrick Sweeten on behalf --18 19 19 A. That's -if you want to start, Tony, go ahead. 20 MR. NELSON: Doesn't matter. 20 O. -- is that correct? 21 MR. SWEETEN: Yeah. Okay. 21 A. -- correct. 22 MR. NELSON: Yes. Tony Nelson and Patrick 22 Q. And you've won each time, right? 23 Pope, assistant county attorneys on behalf of former 23 A. Yes. 24 Travis County clerk, Dana DeBeauvoir. And we also have 24 Q. Okay. Now, each time you've run, you've run as 25 25 present our paralegal, Gabe Hodge. a Democrat, correct? Page 8 Page 9 1 A. Correct. 1 I ask a question, if you would wait to give your answer 2 2 Q. And you remember the Democrat party, correct? until the question is asked, and then I will in turn, 3 3 when you're answering, I will try to wait until you're 4 Q. All right. So you've been deposed before, 4 finished until I ask the next question, and that will 5 correct? I --5 help us make sure that we have a good record of these 6 6 proceedings today. Is that fair? A. Yeah. 7 7 A. Agreed. Q. I know I talked to you back in 2020. I think 8 8 Q. Great. The other thing is -- is that she can't we had two depositions that were election cases that 9 9 take down shakes of the heads, uh-huhs, huh-uhs, that were going on. Have you been deposed other than those 10 10 two times that you recall? sort of thing. Things that we might do in normal 11 A. Possibly many years ago. I'm recalling early 11 conversation, we have to make sure that we get a verbal 12 answer for it from; and therefore, there may be times 12 in my career, Americans with Disabilities, that case was 13 13 the -- when the new family medical leave act law was put where I follow up and say is that a yes or is that a 14 no or something like that --14 into place. I believe I was the first for that. 15 15 A. Understood. Q. Okay. Since you've -- you've had some 16 Q. -- but that's the reason I'm doing it, is to 16 experience, I'll -- I'll just briefly kind of back over 17 make sure she can get a good record, and we have one 17 the -- the rules that we want to utilize today in this 18 18 deposition. The first is to just let you know that 19 If there's an objection today from your 19 you're under oath at all times. You understood that, 20 correct? counsel, you -- unless you're instructed not to answer, 20 21 then please go ahead and provide a response and then, 21 A. Correct. Yes. 22 you know, we -- but -- but, you know, objections are 22 Q. The second is that -- that when we're talking 23 23 today, our court reporter here is going to have to take fairly common in deposition. So -- but we need you to 24 everything that we say down. So to make her job easier, 24 answer unless instructed otherwise. 25 25 I want us to kind of have an agreement, which is: When Finally, if we need to -- I'm going to try

So what was what was the purpose why why did you hold the press conference in January of 2022? A. Okay. I did it for two reasons: First of all, it was to correct a lot of misinformation in social media. So the idea was if I could get a a lot of reporters and television networks in, I can try to have one opportunity to get all the facts straight. So that was my my first goal, was correct misinformation; the second, was to try to provide all of the media a one-stop shop for what was actually correct. So counter the bad, provide them with what is correct information and try to give them, meaning the media, a a a the the quickest sort of 25 words or less, if I could, way to describe the problem that voters were having. In other words, if if you sat down and tried to vote by mail, what would you see if you were in that position? Bring it down to their to their level. That was my intent. Show them in person, on paper, where the problems were.

Page 90

were you were suggesting that they that they
utilize both numbers, both their driver's license number
and their voter ID voter identification card number
on their on their mail-in ballots when they send them
in, right?

- A. That was before we got clarification and before the courts stepped in, so I had to be very careful about the information that I gave to my constituents because we were gagged from telling anybody exactly what to do. So I had to be cautious about explaining that yes, voters, in order the protect themselves from making a mistake that could turn out to a fatal error, should actually write both numbers. But there was an interpretation under law that if I went around just saying that to everybody, that then I was in fact promoting early voting. And that was a felony provision, I believe -- felony provision under Senate Bill 1.
- Q. Who -- where did you get the interpretation. I don't want -- if you've talked to your lawyers, I don't want to get that. Okay?
- A. Well, it's my lawyers. Of course I talked to a county attorney.
- Q. Okay. So the county attorneys -- you were advised that you could --

A. To be very careful.

Q. To be careful. But are you saying that it was your view that you couldn't tell people how to early vote in your position as the Travis County election administrator?

Page 91

Page 93

- A. I couldn't tell them how to avoid mistakes on voting by mail without advocating for voting by mail. It was my catch-22.
- Q. Okay. And so you interpreted SB 1 to prohibit you from saying -- telling people how they could properly cast an absentee or a mail-in voting ballot?
 - A. There was sufficient risk that I felt gagged.
- Q. Okay. Well, I mean, you gave that press conference, and you were very clear, right? I mean, you didn't -- you weren't gagged at that point. When you were talking you were very open about how you can properly cast a mail-in ballot, weren't you?

MR. NELSON: Objection; form. You can answer to the extent --

- A. I was careful about what I said.
- Q. (BY MR. SWEETEN) Okay. Well, I mean, you told folks that if you're going to cast a ballot that you need to put both of your numbers on there, right?
 - A. What I said was that the best advice you're going to get from your own political party, from your

Page 92

neighbors, from your friends, and from all the information you're going to read about this is that it's the best idea to use both numbers.

- Q. Okay. And -- and you weren't -- I mean, this is a very public conference. You gave that information. You weren't in any way -- nobody investigated you, to your knowledge, on that point, right?
 - A. I was pretty fearless by then.
- Q. Okay. But that's not my question. My question is --

MR. SWEETEN: I have to object to nonresponsive for the record.

- Q. (BY MR. SWEETEN) But -- but my question is different. My question is: Do you know if anybody investigated you regarding these remarks that you made in January of 2022?
 - A. I would not have known.
- Q. Okay. Has any law enforcement or anybody contacted you about those remarks that you made?
 - A. I would not have known.
- Q. Okay. All right. So -- but needless to say, no one directly contacted you and said we're looking at this issue, right? Because they were --
 - A. So far, no.
 - Q. Okay. All right. So you -- you were critical

of the Secretary of State's office in that press conference, right?

A. Yeah.

Q. And I think one thing that came up in the press conference was that you said that they had a portal that you weren't able to -- that -- that wasn't updated as -- as of January 2020 when you made these remarks; is that right?

A. I was referring to the voter register database that did not include sufficient information for the large counties which typically didn't access the database where they had loaded the information regarding driver's license numbers. So the large counties didn't have access to the information. It was missing for us. In fact, all we could pull up was a blank screen. And if we wanted to try to verify our ballots by mail, then we had to, you know, wait for them to be ready to give us the information or try to bypass and join onto the team system. But if big counties try to get onto the team system, which is designed for small counties, it crashes teams. So it was a problem.

I also defended the Secretary of State's office, too, because I -- I believe they replaced Biden legislature in an untenable situation. They were asked to implement a law that there was not time nor resources

MAGNA 8

Page 94 Page 95 1 didn't match what was on the database, and then there 1 provided to do so. So they did a poor job of 2 2 implementation, and they were set up to do a poor job. was no way to find out another number. 3 Q. To your knowledge -- and you left in late 3 Q. Okay. And so give me an instance of where that January, to -- to your knowledge, was the SOS Portal 4 happened. Was -- let's pick a certain voter. What kind 4 5 5 eventually something that was accessible to -of -- give me an example of when that happened? 6 MR. NELSON: Hold on. You're talking about 6 A. Very late in the game. 7 7 after SB 1 was implemented? Q. Okay. 8 8 A. I believe it was after I left. MR. SWEETEN: Correct. 9 Q. Okay. 9 A. I -- I wouldn't be able to do that, but what I 10 10 A. Too late. can tell you is -- because you're -- you're confusing 11 Q. And so when we're talking about access -- let 11 two individual parts of a process, okay? The first part 12 me make sure I understand the facts on the ground. So 12 is the application for the ballot by mail, and the 13 your concern was that a voter might send in their --13 second part is when the ballot -- when the voter, excuse 14 their ballot --14 me, sends their voted ballot back in. 15 A. Huh-uh. 15 And depending on where we were in the 16 process of the first part of the -- of it or the second 16 Q. No? 17 17 A. Huh-uh. part of it, they were varying rejection rates. We 18 18 Q. Their registration? started out in just the application process with an 19 19 A. No, their application for a ballot by mail. overall 50 percent rejection rate. That was before the 20 20 Q. Okay. So then let's start over. So your courts intervened to help us be able to talk to our 21 concern is that a voter would send their application to 21 constituents about how to cure their application. But 22 that took a lot of time, and it wasted a lot of time 22 vote by mail, and one thing that you were concerned 23 about having is they wouldn't put any number on there, 23 voters could have had available to them to cure their 24 24 ballots. We got that application -- read -- rejection 25 A. Or -- or they would put the wrong one and it 25 rate down to I think it was 27 percent before I left. Page 96 Page 97 1 Then on the side of receiving ballots back in, by then, 1 violate SB 1 if you gave info on how to correct 2 2 the court had intervened, and we start setting up a mistakes, right? 3 3 crew. And by then, I was starting to depart -- to call A. That's correct. 4 voters. And we hired a whole room full of people to 4 O. Now, you would --5 start calling people and saying, you know, what's --5 A. It wasn't -- Pat -- Patrick, I'm sorry. It 6 what's your driver's license number, basically, because 6 wasn't just me. It was every elections office in the 7 7 that was the magic number that we needed. And once that 8 8 started, we were able to drop the rejection rate down Q. All right. Now, you would agree with me that 9 9 from -- that 27 percent, we got it down to a much lower the prohibition in section A, it is -- if you look at E 10 10 rating. I think I heard after I left that we had gotten on page 61, it basically says subsection A does not apply if the public official or election official -- and 11 it down to about 8 percent. That's still way higher or 11 12

- 12 much higher than it should have been. The -- the 13 typical percentage you would have expected would be 14 about 1 to 1 and a half percent. 15
 - Q. Okay. So you -- you've said a lot there and I've got a lot of questions. But let -- let's start with this one: Can you look at Exhibit 3 and page 61 of that?

MR. SWEETEN: Bill, this is SB 1. MR. NELSON: You said page 61? MR. SWEETEN: That's right. MR. NELSON: Okay. Thank you.

MR. NELSON: Was.

- Q. (BY MR. SWEETEN) You were at the time, correct?
 - A. Well, I was before the primary.
 - Q. All right. So let -- let's just keep it to January 2022 when you made these remarks at the press conference. Now, it's the case, it's subsection A. It says subsection A does not apply if the public official or election official, which you were one in January of 2022, right? Let's stop there --
- A. Correct. Yes, yes. I'm sorry. I'm trying to read this and answer you, too.

EXAMINATION

Q. My name is Kathleen Hunker. I'm a lawyer with

Can you please state and then spell your

the Office of the Texas Attorney General representing

Q. Thank you. I'm going to start with some

13 introductory questions and instructions. After that's

Page 8 1 provide verbal answers like "yes" or "no" rather than 2 nodding or shaking your head. This has some extra 3 importance here today because we have many attorneys 4 participating remotely and they may not be able to see 5 you if they're dialing in. A. Okay. 6 7 Q. Does that make sense? 8 A. Yes. Q. It also helps the court reporter if we don't 9 10 talk over one another. I'm going to do my best to wait for you to finish your answers before I ask my next 12 question. Will you do your best to wait for me to 13 finish my asking my question before you start your 14 answer? 15 A. I will. 16 Q. If you don't understand the question, will you 17 please let me know? 18 A. I will. 19 Q. And if you do answer the question, I'm going to 20 assume that you understood the question. 21 Is that fair? 22 A. Yes. 23 Q. If you need a break at any time, please let me 24 know. My only request is that you answer any pending

Page 7

A. Okay.

2 Q. Also, if you hear an objection from your counsel, that is typically for a Court to decide at a

later date. I, therefore, ask that you go ahead and

5 answer the question unless you are instructed not to

6

8 Q. Now I'm obliged to ask the following questions:

9

Q. Have you consumed any drugs today?

Q. Are you aware of anything that would affect

14 your ability to testify truthfully and accurately today?

A. No.

17 correct?

A. Correct.

19 Q. Now I'm going to direct your attention to the

20 first exhibit we have submitted in this case. You

21 should have the documents in front of you. This is

24

Q. And I'd like you to turn to the first page. Do

Page 58

1 Q. So I'm going to ask you some questions about

2 final rejections, and I want to define that for a

3 second. So a final rejection, I'm using to mean a voter

4 has either failed to cure a ballot defect or a ballot

5 defect -- a cure was insufficient for some reason.

Did your county send out notices of final

7 rejection in the 2022 general election to people who

r rejection in the 2022 general election to people who

8 were unable to cure their ballot defects or whose cure

9 were insufficient?

10 A. Yes.

11 Q. What is the process for providing this final

12 notice?

13 A. The --

14 MS. HUNKER: Objection; form.

15 A. The board will give us -- well, we -- the

16 ballots are already in our possession, but the board

17 will -- we change the code to a final rejection code.

18 and it's generated through VOTEC, our voter management

19 system. And we mail the letter to the voter.

20 Q. (BY MS. PAIKOWSKY) So the final notice comes

21 through a letter only?

22 A. Yes.

23 Q. And earlier you mentioned -- so a prelim- --

24 how would you provide notice for a -- withdrawn.

25 How is the process different for providing

1 A. Approximately 20.

2 Q. And do you know how much hiring these

3 additional employees cost?

A. Not off the top of my head, no.

5 Q. Are these staffing needs greater than -- what

6 were required in previous, past elections?

MS. HUNKER: Objection; form.

A. Yes. Depending on the size of the election, of

9 course.

10 Q. (BY MS. PAIKOWSKY) Did processing ABBMs take

11 longer in the November 2020 general election than it has

12 in similar past elections because of Senate Bill 1's ID

13 requirements?

14 MS. HUNKER: Objection; form.

15 A. Yes, to an extent.

Q. (BY MS. PAIKOWSKY) How did the processing of

17 ABBMs change -- actually withdrawn.

Did processing ABBMs during the

19 November 2022 general election change in terms of how

20 long it took in the 2022 general election as -- as

21 opposed to similar past elections?

22 A. Can you clarify similar past elections? Are

23 you referring to March primaries?

24 Q. I'm referring to --

25 A. Or prior to SB1?

Page 59

1 a final notice of rejection versus a notice of a ballot

2 defect?

3 A. A ballot defect, we will call the voter or send

4 them a letter or e-mail them if there's an e-mail

5 provided to tell them the different ways that they have

6 to -- that they can cure.

7 Q. So earlier we were talking about staffing

needs. Did implementing Senate Bill 1's identification

9 requirements change the staffing needs of your office to

10 process and facilitate the mail voting procedures?

11 A. It did.

12 Q. In what way?

13 A. We created -- since the ballot board give --

14 they gave us their duties of calling and informing the

15 voters of their mixmatch or missing IDs, we created a

16 team, an SB1 team, of approximately 12 employees that

17 would do the calling and notifying the voters. And they

18 would also -- we also had to increase our mail room,

19 scan room team to help pull the flaps of all the ballots

20 that came back.

Q. And these 12 employees, were they full time?

22 A. No.

21

23 Q. How many employees, between mail room increases

24 and this SB1 team, would you say you had to add during

25 the 2022 general election?

Q. Prior to SB1.

2 A. Yes, it took longer.

3 Q. And why was that?

4 A. We had to look in a separate part -- their ID

5 is not on the front screen of where we enter an app. We

6 have to actually go into the voter's profile to look at

7 the additional information.

8 Q. As compared to past elections, did implementing

9 Senate Bill 1's ID provisions impact how long it took to

10 process carrier envelopes?

11 A. Yes.

12 Q. And in what way?

A. Because we had to tear the flap and -- first we

14 would tear the flap, and then we would have to process

15 the ones that didn't have ID with extra -- that caused

16 extra work for the office. Yeah, that's it.

17 Q. Based on your experience implementing Senate

18 Bill 1's mail ballot ID provisions, do you believe your

19 office will continue to need to expend more resources on

20 staffing to support mail voting than it has in the past?

21 A. Yes, depending on the size of the election.

22 For presidential, most definitely.

Q. So I guess comparing like elections to like

A. I would say it would remain the same.

23

24 elections. So --

Page 60

Jennifer Colvin

March 21, 2023

Pages 66 to 69

Page 66

1 to get voters either return their ballots or get them

2 noticed in a timely way?

A. It wouldn't impact our office mailing them out

4 in any way. We would mail them as soon as we received 5 them.

6 Q. But your knowledge would it impact --

7 withdrawn.8 Although it did not impact your ability to

send the notice, did it impact voters' ability to

10 receive the notice for their ballots in any way?

11 A. Possibly. I didn't hear of any voters saying

12 they didn't receive notice.

13 Q. But there was a delay?

14 MS. HUNKER: Objection; form.

15 A. Possibly.

16 Q. (BY MS. PAIKOWSKY) Okay. So I know we

17 mentioned -- and I can take us back here. But there

18 were 30 voters, UOCAVA voters, whose ballots were

19 rejected. Do you know if any of those voters had their

20 ballot rejected because of an identification number

21 issue?

22 A. I believe so. I don't know the total there.

23 Q. Were there any voters, UOCAVA voters, who had

24 an ABBM rejected because of an identification issue?

25 A. I believe so.

Page 68
1 elderly and said they weren't able to use the system.

2 But we walked them through it, and we were able to help

3 them cure.

4 Q. Based on your experience implementing SB1's

5 mail ballot identification provision, thus far, do you

6 believe the rejection rate will ever be zero?

7 A. No.

8 Q. Why not?

9 A. Because we're -- a lot of our voters are

10 elderly and they forget. They forget they have to

1 include their ID.

12 Q. Did your office receive any communications from

13 voters who were frustrated by Senate Bill 1's mail

14 ballot identification provision during the November 2022

15 general election?

16

22

A. It would be in the call log if we did.

17 Q. Are you aware of the statewide rejection rate

18 for a ABBMs during the November 2022 general election?

19 A. Statewide, no.

20 Q. Sorry. So -- and this also might be -- let me

21 know if this is not sort of within your experience.

But has your office ever referred a voter

23 whose ABBM or carrier envelope did not match their TEAM

Page 69

24 record to the office of the secretary of state as a

25 potential case of voter fraud?

Page 67

Q. Do you know approximately how many?

2 A. I don't know that number off the top of my

3 head.

1

4 Q. Are you aware of any for whom, given the

5 timing, it just wasn't possible for them to cure these

6 issues?

7 MS. HUNKER: Objection; form.

8 A. No.

Q. (BY MS. PAIKOWSKY) Earlier we were discussing

10 ballots that might be rejected for multiple reasons. Do

11 you have a sense for how common that is?

12 A. It's not very common.

13 Q. When you say "not very common," can you give me

14 an estimate?

A. Generally, it's rejected for either no

16 signature or no ID, not normally for both. They don't

17 usually send a voter ballot back without one or the

18 other.

15

19 Q. In the November 2022 general election, were

20 voters in your county able to use the State's website to

21 track and cure their ballots?

22 A. Yes.

23 Q. To your knowledge, did any voters in the 2022

24 general election have difficulty using that system?

A. We had a couple that called that were very

1 A. No. Wait, can you elaborate? I'm sorry.

2 Q. So if there is a mis- -- mismatch between a

3 voter's ID on their ABBM or carrier envelope, has that

4 ever caused you to reach out to the office of secretary

5 of state to let them know that this might be a potential

6 case of voter fraud?

7 A. No.

8 Q. Has your office made a similar referral, again,

9 because of an ID mismatch as a potential case of voter

10 fraud to the attorney general's office?

11 A. No.

12 Q. Has your office ever made a referral for voter

13 fraud -- potential voter fraud because of an ID mismatch

14 to the county DA's office?

15 A. Can we clarify? We're talking about

16 November 2022?

17 Q. Correct.

A. Okay. No.

19 Q. Have you made criminal referrals based on ID

20 mismatches as a potential case of voter fraud since SB1

21 was enacted?

22 A. No.

Q. Why not?

A. We haven't had a reason to.

25 Q. And why not?

18

A. We haven't had any that were the wrong voter.

2 I get -- I don't know how to answer that question. Like

3 I don't know what answer you're looking for.

Q. Any answer you give is the right answer.

All right. So I know you had mentioned 6 that you might have limited experience with TEAM. But

7 if you could just kind of -- if you know it, you know

it. If you don't, just let us know.

9 So to your knowledge, has your county ever

10 had issues communicating your data to TEAM or vice

11 versa?

5

- 12 A. No.
- 13 Q. You don't know or you --
- 14 A. I use TEAM quite often actually.
- 15 Q. So I'm talking about -- you're an offline
- 16 county; is that right?
- 17 A. Yes.
- 18 Q. Has there ever been difficulty receiving data
- 19 from TEAM or sending it up to TEAM with the merges?
- 20 A. I'm not sure about that part. That's a
- 21 different department.
- 22 Q. I see. So can you explain to me a little bit
- 23 about how you interact with TEAM?
- 24 A. Sure. We use TEAM to upload daily ballot
- 25 activity files to alert TEAM of applications received,

- Page 72 Q. Are there instances where TEAM has two and you
- 2 have one?
- 3 A. Yes.
- 4 Q. Do you know why that might be?
 - A. I don't. That's voter registrar.
 - Q. Have you ever come across instances where the
- 7 ID numbers or social security numbers in TEAM are
- 8 inaccurate?
- 9 A. No.
- 10 Q. Would it surprise you to know that an expert
- witness retained by the United States found that some 11
- 12 mail voters had their ballots rejected solely because of
- 13 database errors?
- 14 MS. HOLMES: Objection; form.
- 15 A. Your question -- what? Repeat it. I'm sorry.
 - Q. (BY MS. PAIKOWSKY) Would it surprise you to
- 17 know that an expert witness retained by the United
- 18 States found that some mail voters had their ballots
- rejected solely because of database issues in TEAM? 19
- 20 MS. HOLMES: Objection; form.
 - A. In our county or --
- 22 Q. (BY MS. PAIKOWSKY) Across --
- 23 A. -- just in general?
- 24 Q. In general.
- 25 A. Would it surprise me, no. I mean, every --

Page 71

- 1 rejected, okay, whatever the case may be. That way the
- voter can go onto their website and cure if need be.
- 3 Q. Based on your experience, is the data in TEAM
- 4 related to ID numbers -- voter's ID numbers complete? 5 MS. HUNKER: Objection; form.
- 6 A. I would say from what I've seen, yes. I've
 - never ran across a file that doesn't have one or the other.
- 9 Q. (BY MS. PAIKOWSKY) I guess maybe to rephrase.
 - So have you ever ran across instances where
- 11 a voter has either a driver's license number or social
- 12 security number that is not reflected on TEAM?
- 13 A. Yes. Let me clarify. If we received an
- 14 application and it -- they provided their Texas driver's
- 15 license and TEAM had the social but didn't have the
- 16 driver's license, yes, we've seen that.
- 17 Q. So by complete, I meant, you know, a voter
- 18 might have both a driver's license number and social
- 19 security number but TEAM only has one or the other. Is
- 20 that an instance where you've seen?
- 21 A. On the application or in our voter management
- 22 system?

7

8

10

- 23 Q. In TEAM or in the voter management system.
- 24 A. So in our voter management system, yes. I've
- 25 seen where we've had two and TEAM only has one.

- Page 73
- 1 every system is -- there's room for error in any system; 2 so it wouldn't surprise me.
- Q. What would your reaction be if it were proven 3
- as part of the evidence in this case that some voters in 4
- your county had mail ballots rejected because of
- database issues that make it impossible for them to
- 7
- comply with SB1's mail ballot ID requirement under no
- 8 fault of their own?
 - MS. HUNKER: Objection; form.
- 10 A. Can you repeat the first part of your question? 11 My apologies.
- 12 Q. (BY MS. PAIKOWSKY) I know. This is like a paragraph. 13
- 14 So what would your reaction be if it were,
- 15 in fact, proven as part of the evidence of this case
- 16 that some voters in your county had their mail ballots
- 17 rejected because of database issues that make it
- 18 impossible for them to comply with SB1's mail ballot ID
- 19 requirement and for no fault of their own?
 - MS. HUNKER: Objection; form.
- 21 A. I would hope they would get it fixed in the 22 future.
- 23 MS. PAIKOWSKY: Okay. I think that I am
- 24 ready to pass the witness.
 - MS. HOLMES: I think I'll have some

7 4	Jury Presentation	51	7 CROSS-EXAMINATION
8 5	Ultrasensitive Document (1)	62	8 BY MS. YUN:
9 6	Ultrasensitive Document (2)	65	9 Q Good morning, Ms. Hart.
10 7	Ultrasensitive Document (3)	70	10 A Good morning.
11 8	Ultrasensitive Document (4)	73	11 Q My name is Jennifer Yun from the Department of
12 9	E-mail	78	12 Justice, and thank you for being here with us this morning.
13 10	E-mail	81	13 And if you can't hear me very well, just let me know and I'll
14 11	Ultrasensitive Document (5)	109	14 speak up. Could you please state your name for the record one
15 12	E-mail	124	15 more time?
16 13		124	16 A Kristi Hart.
	Spreadsheet Defendant's Objections		17 Q Before we do anything else, I want to make sure that
17 14	Defendant's Objections	133	18 we can have a smooth deposition. Have you been deposed before?
18 15	Ultrasensitive Document (6)	137	19 A Yes.
19 16	E-mail	142	20 Q How many times?
20 17	PowerPoint	145	21 A Once.
21 18	PowerPoint (2)	150	22 Q When was that?
22 19	E-mail	153	23 A 2020.
23 20	E-mail	155	24 Q Okay. So not too long ago.
24 21	E-mail	159	25 A Not too long ago.
25 22	E-mail	161	26 Q So, as you might remember, here are some ground rules

Page 22

Kristi Hart June 30, 2022
Pages 22 to 25

A It's an E-mail.

- 2 Q And you received this E-mail; correct?
- 3 A Based on what's here. I -- I don't remember this
- 4 E-mail. I don't recall this specifically.
- 5 Q Okay. Who is Lillian Eder?
- 6 A She's a member of the voter-registration team.
- 7 Q So she still is employed by the Secretary of State's
- 8 office.

1

- 9 A Yes.
- 10 Q And she still reports to you?
- 11 A I'm sorry?
- 12 Q She still reports to you?
- 13 A Yes.
- 14 Q So recognizing that the attachment of this E-mail
- 15 that I handed you appears to be a draft that Ms. Eder drafted
- 16 for your review, I wanted to ask you a couple of questions. So
- 17 if you are to go to the attachment, under the second bullet, it
- 18 says: Process the following files for the counties to receive
- 19 notifications. And under that, it says: TDL mismatch. Do you
- 20 know what that means?
- 21 A We have a process in our system that when a voter
- 22 registration is entered into the system and the county enters
- 23 that that it will compare that to the DPS database, and if
- 24 there's a mismatch of information, then that is sent to us and
- 25 we send that to the counties for review.

- Page 24 1 under what we were just looking at on this document, it says:
- 2 TX online applications. Could you explain what that is?
- 3 A Those are records that -- where a -- it's an
- 4 application hosted by DIR on our Texas.gov website where a
- 5 voter can go in and do a name change or an address change, and
- 6 those are sent to our office in a batch process on a nightly
- 7 basis.
- 8 Q Sorry. Could you repeat that? Batch process?
- 9 A They come in to us once a night --
- 10 Q Uh-huh, once a night.
- 11 A -- and we process those out.
- 12 Q And a few rows -- a few lines down, it says:
- 13 Poss ble duplicates. What is that referencing?
- 14 A We have a validation process that -- that we run. We
- 15 also have information that we receive from ERIC, the Electronic
- 16 Registration Information system [sic], that identifies possible
- 17 duplicates and we provide those to the counties as well.
- 18 Q So are these duplicates -- could you explain where
- 19 those duplicates are located? So, you know, one -- one copy
- 20 here and another copy there. What are those locations?
- 21 MS. HUNKER: Objection, form; vague, ambiguous.
- 22 BY THE WITNESS (resuming):
- 23 A I don't --

24

- Q Let me try it --
- 25 A -- understand what you're asking.

Page 23

- 1 Q So when that happens, you do not update what is in
- 2 the TEAM system, you just flag it and send it back to the
- 3 county; is that right?
- 4 A Our office is responsible for providing that
- 5 information to the counties, but the counties have their --
- 6 they're respons ble for the voter registration in their
- 7 counties, so they're the ones that would make any update to the
- 8 information.
- 9 Q I see. So when you are -- when you're reviewing this
- 10 information and trying to match with the DPS data, that means
- 11 that the counties have already entered that information into
- 12 the TEAM system. Is that -- am I understanding that correctly?
- 13 A Yes, but just for clarification there, we don't
- 14 review the data; we review the -- the record -- or the
- 15 mismatched record and we simply provide that to the appropriate
- 16 county.
- 17 Q And you made a distinction between record and data
- 18 here. Could you just explain that distinction to me?
- 19 A A record contains data, but I think I just wanted to
- 20 clarify that it's a single record and the data within that
- 21 record related to that voter registration.
- 22 Q So that record means a voter-registration record for
- 23 a single voter. Am I understanding that correctly?
- 24 A Each record would represent a single voter.
- 25 Q Understood. Thank you. And the third sub-bullet

- 1 Q Let me try again. So let's start with ERIC.
- 2 A Okay
- 3 Q So when you discover a duplicate, that means that
- 4 there is another record that is the same as the first record
- 5 somewhere else in the system within the same -- within the TEAM
- 6 system. Is that what you mean by duplicates?
- 7 MS. HUNKER: Objection, form.
- 8 BY THE WITNESS (resuming):
- 9 A It doesn't mean that they are the same as, it means
- 10 they're possibly, based on whatever criteria is used to do the
- 11 comparison. So if they're the same as, then we send those to
- 12 the county voter registrars again to review and make those
- 13 determinations, yes.
- 14 Q So potential duplicates within the TEAM system. Is
- 15 that a fair description?
- 16 A Yes.
- 17 Q Great. Thank you. And two lines down from that on
- 18 the same document, it says: Export files to the CDW for
- 19 off-line counties. To start off, what is an off-line county?
- 20 A It is a county that maintains their own
- 21 voter-registration system. So we have some of those in Texas,
- 22 and this is referencing the interface that we have with those
- 23 counties and their systems.
- 24 Q And why are some counties off-line and some counties
- 25 not off-line?

1 Objection, compound.

2 BY THE WITNESS (resuming):

3 A Yes.

4 Q Could you explain what that might be?

A Well, for this particular process, you could have

6 first name, last name, Texas driver's license or you could have

7 first name, last name, the last four digits and date of birth

8 or you could have first name, last name and a full nine. So if

9 I understood your question, you're asking do they all have to

10 be there for this particular process to identify a weak match,

11 no.

12 Q Okay. I appreciate that. My question was -- I think

13 I wasn't very clear with my question, so let me -- so what I

14 was asking is that if you don't have any of those three numbers

15 matching, none of them -- so, for example, if it's first name,

16 last name, residential address -- could that poss bly be

17 flagged as a weak match? But their -- their driver's license

18 numbers don't match, their Social Security numbers don't match.

9 A For this particular process, I do not believe so, but

20 I would have to -- I'd have to review that to give you a firm

21 answer.

22 Q So we will talk about some of these processes a

23 little more in depth later, but for now, are there any other

24 responsibilities of the voter-registration team that are not

25 reflected in either of the documents that I handed to you?

Page 32 A So we have information that comes to us from DPS,

2 Department of Public Safety. We have several processes that

3 come from them to us in an electronic file through a secure

4 transfer and then we also receive information from our DIR

5 vendor for the Texas online application that we spoke about

6 earlier in terms of changes or updates to a voter-registration

7 record and then we have manual data entry at the counties.

8 Q So the manual entry portion of it only happens at the

9 county level; is that correct?

10 A Yes.

11 Q And I didn't quite catch the vendor name for the

12 Texas online portion of that. Is that a different vendor than

13 Civix?

19

14 A Yes. That's through the Texas.gov website, and

15 that's a DIR vendor --

16 Q And --

17 A -- and I believe it's Deloitte.

18 Q And could you just explain what DIR stand for?

A The Department of Information Resources.

20 Q And in terms of the data transfer between DPS and the

21 TEAM system, did the manner of that transfer change over time?

22 A I can't speak to that.

23 Q How does TEAM determine whether a voter registration

24 is for a new voter or an update of an existing record?

25 MS. HUNKER: Objection, form.

Page 31

A I can't list them off the top of my head, but I'm

2 absolutely certain there are other respons bilities that are

3 not listed on these two sheets.

4 MS. HUNKER: And I'm going to object as -- for

5 speculation.

6 BY MS. YUN (resuming):

7 Q Okay. So let's ta k a little bit more in detail

8 about your office's maintenance of the TEAM system. And we're

9 done with the exhibits for now.

10 A Okay.

11 Q So how is data generally entered into the TEAM

12 system?

13 MS. HUNKER: Objection, form; vague, ambiguous.

14 BY THE WITNESS (resuming):

15 A When you say entered into, I believe that would only

16 include manual entry. You're saying entered into the system.

17 Of course we also have several electronic processes, but that's

18 not directly entered manual data entry.

19 Q Okay. So maybe my parlance was not exactly correct,

20 but could you -- so could you explain those electronic

21 processes? And you can use a different verb other than entered

22 to explain what you meant by that.

23 A Sure. We -- we -- and can I ask specifically -- are

24 you talking about voter registrations?

25 Q Yes, exactly.

1 BY THE WITNESS (resuming):

A If it's coming in, then obviously the first thing is

3 we look to see if there's an existing record, so we match to

4 our current voter registration list. If not, then obviously it

5 would be a new registrant, but it depends on where it's coming

6 from. So if it's coming from DPS, it's sent to us

7 acknowledging that this is an initial registration because

8 that's something the voter, I believe, puts in their online

9 process, but obviously, if we do a manual entry for something,

10 we check to see if there's already a record there.

11 Q Are any particular fields used to check whether there

12 is an existing record?

13 A Are you talking about manual entry? I'm trying to --

14 Q Yes, manual entry first, yeah.

15 A Sure. We have a -- first of all, they enter exactly

16 what's on the voter-registration application, and so once that

17 goes in, it does have first name, last name, date of birth.

18 They can put in their Texas driver's license; they can put in

19 last four of their social on that information. We do check

20 that against DPS to make sure that those things match if it is

21 an initial registrant and then we also check that within our

22 system to make sure that there's not already a registration

23 there.

24 Q So if any of those numbers are given, the Texas

25 driver's license number or the last four digits of social, you

Kristi Hart June 30, 2022
Pages 38 to 41

Page 38

- 1 match it with what's there based on the criteria set for that
- 2 particular process, and then if there's nothing there, it goes3 as a new registrant.
- 4 Q So we talked about the duplicate process a little bit
- 5 earlier, and you said that that was an annual process; right?
- 6 A I'm sorry. I didn't hear.
- 7 Q We talked about the duplicate batch process earlier,
- 8 and am I remembering correctly that you said it was an annual
- 9 process?

A Yes.

10

- 11 Q And so each year you run the process, and if there
- 12 are any possible duplicates, you send those on to the counties
- 13 to process.
- 14 A Yes.
- 15 Q And what are some scenarios -- how do duplicates get
- 16 created?
- 17 MS. HUNKER: Objection, form.
- 18 BY THE WITNESS (resuming):
- 19 A I'm sorry. I couldn't hear you.
- 20 Q Oh. How do -- how -- why are there some duplicates
- 21 in the TEAM system? Like, what are some ways in which those
- 22 get created and then they get flagged and then processed?
- 23 MS. HUNKER: Objection, form; ambiguous; calls
- 24 for speculation.
- 25 BY THE WITNESS (resuming):

1 do our checks on the system for that.

2 Q When you say data entry, you mean when someone is

Page 40

- 3 manually entering something.
- 4 A Yes.
- 5 Q How common, if you know, are errors in the TEAM
- 6 system that are due to inaccurate data entry?
- 7 MS. HUNKER: Objection, form; outside of
- 8 personal knowledge, calls for speculation.
- 9 BY THE WITNESS (resuming):
- 10 A I don't know. It's not information I could give you
- 11 off the top of my head.
- 12 Q Do you know if data entry errors occur with greater
- 13 frequency in some places than others?
- 14 MS. HUNKER: Objection, form; calls for
- 15 speculation, outside of personal knowledge.
- 16 BY THE WITNESS (resuming):
- 17 A And I don't know what you mean by, In some places
- 18 greater than others.
- 19 Q Say, some counties than others.
- 20 MS. HUNKER: Objection, form --
- 21 BY THE WITNESS (resuming):
- 22 A Oh. No.
- 23 MS. HUNKER: -- calls for speculation --
- 24 BY THE WITNESS (resuming):
- 25 A No --

1

- 1 A Yeah. I don't know that I can give specific examples 2 of that.
- 3 Q And do you know when the duplicate batch process, the
- 4 annual process, started happening with the TEAM system?
- 5 A It was prior to my time. I do not know.
- 6 Q And is the annual nature of it, is that required by a
- 7 regulation or a state law provision? Do you know?
- 8 A I do not recall. I don't know that the annual is
- 9 part of a requirement, but we are required, yes, to conduct a
- 10 comparative analysis of the system.
- 11 Q Are there any circumstances that might create
- 12 multiple TEAM records that pertain to one Texas voter?
- 13 MS. HUNKER: Objection, form; vague; calls for
- 14 speculation, outside of personal knowledge.
- 15 BY THE WITNESS (resuming):
- 16 A Can you repeat that again?
- 17 Q Yeah. Are there any circumstances that you're aware
- 18 of that might create multiple TEAM records that pertain to one
- 19 single individual Texas voter?
- 20 MS. HUNKER: Same objection.
- 21 BY THE WITNESS (resuming):
- 22 A I can't think of any particularly, if you're asking
- 23 for a specific example of that. I mean, I think -- I think you
- 24 do have to look at data entry as a possibility or different
- 25 information actually provided. But, again, that's why we -- we

- Page 41 MS. HUNKER: -- outside of personal knowledge.
- 2 BY THE WITNESS (resuming):
- 3 A -- I'm not aware that there's a distinction there.
- 4 Q So I think you mentioned -- you referenced some of
- 5 this earlier in your testimony. So you mentioned a validation
- 6 process of data. Could you explain what you meant by that?
- 7 A Well, the duplicate batch process would be an example
- 8 of that where, you know, we run information and, again, provide
- 9 that to the counties for them to review. You know, it's --
- 10 that would be an example if -- that I referenced earlier.
- 11 Q Are there other examples?
- 12 A We do have information that we get from ERIC that is
- 13 looking at records within our system and providing back things
- 14 that may look -- that need deeper investigation, if you will,
- 15 and we provide those to the counties as well.
- 16 Q And could you explain -- well, could you spell out
- 17 what ERIC stands for first and then I can ask another question.
- 18 A I think I did earlier.
- 19 Q Oh.
- 20 A The Electronic Registration Information Center.
- 21 Q Oh, okay. Sorry, sorry. I didn't catch that. And
- 22 where is that system? Sorry -- strike that. Where is ERIC's
- 23 information coming from?
- 24 MS. HUNKER: Objection, form; calls for
- 25 speculation, outside of personal knowledge. Also ambiguous as

21 your current residence address?

A. 8010 Briarton Drive, Austin, Texas. 22

23 Q. And how long has that been your address?

24 A. Since 1997.

25 Q. Your name was disclosed in this litigation as 1 been marked as, in a pretty primitive way, as State

Page 8

2 Exhibit 1 to your deposition.

3 (Exhibit 1 marked for identification.)

4 Q. (By Mr. Bryant) This is a copy of the subpoena

5 that our office prepared and issued in connection with

6 this case. Have you seen State Exhibit 1 before?

7 A. No.

11

Q. Did you -- were you advised that you were 8

9 subpoenaed and requested to appear today?

10 A. Not -- (inaudible.)

(Reporter requests clarification.)

12 A. You said was I subpoenaed?

13 Q. (By Mr. Bryant) Yes.

14 A. I wasn't subpoenaed, I was just asked to come

15 and do a deposition.

16 Q. Okay.

17 THE WITNESS: Did you hear it that time?

18 THE REPORTER: Yes, sir. Just try to

19 speak up. Thank you.

20 Q. (By Mr. Bryant) In any event, you're here, so

21 we'll proceed with some questions. And I want to hand

22 you also what's been marked as State Defendant's Exhibit

23 2 in connection with this deposition.

24 (Exhibit 2 marked for identification.)

Q. (By Mr. Bryant) This is a document that was

Page 7

1 someone who has potentially knowledge that's relevant to

25

2 the case, and that's why we're here today. Have you

3 given your deposition or testified in court before?

A. Never have.

Q. I'm going to be asking you a series of

6 questions, the other attorneys will have a chance to ask

7 you questions after I do. If at any time you don't

8 understand my question, or have difficulty hearing me,

9 or otherwise need me to repeat or clarify the question,

10 please ask me to do so.

11 Similarly, if at any time you need a break

12 for the many reasons people can need breaks, please feel

13 free to ask for one and you'll get it. I'll ask you

14 questions as expeditiously as I can, but it may take a

15 little while. And if you need breaks, please feel free

16 to get it.

17 Do you have any kind of difficulty with

18 the English language? In my brief meeting with you, you

19 don't -- you seem to have none whatsoever.

20 A. No, I think I'm pretty good.

Q. Okay. Do you have any other -- any health

22 problems or any other conditions that would in any way

23 affect your testimony here today?

24 A. No.

25 Q. Okay. Thank you. I want to hand you what's

Page 9 1 prepared and provided to our office in connection with

2 this litigation, and it's a listing of various people

3 who likely have information that is subject to

4 discovery. Do you see your name listed on page 5 of

5 that document?

A. I do, No. 12.

Q. Okay. Did you have any input to this, or 7

8 any --

9 A. No, not at all.

Q. Okay. What have you done, if anything, in 10

11 preparation for your deposition here today?

12 A. Nothing. Just met with the lawyers, that was

13 about it.

14 Q. Okay. What lawyers did you meet with?

15 A. These three people right here.

16 Q. Okay.

17 A. Ms. Veronikah, Zach, and Dana.

18 Q. Okay. When did you do that?

19 A. Yesterday, or a couple days ago, and then we

20 met for a little bit this morning.

21 Q. Okay. In connection with that preparation, did

22 you review any documents?

23 A. No, not at all.

24 Q. Okay. Now, today you heard the court reporter

25 give you the oath requiring you to answer truthfully to

Roberto Benavides March 30, 2023 Pages 10 to 13

1 the best of your ability.

- A. Right.
- 3 Q. You understand that oath?
- 4
- Q. Do you understand that it's the same as if you
- 6 were testifying in a courtroom in front of a judge or
- 7 jury?
- 8 A. I do.
- 9 Q. Now, you mentioned that you live on Briarton
- 10 Lane in Austin?
- 11 A. Briarton Drive.
- 12 Q. Briarton Drive.
- 13 A. Uh-huh.
- 14 Q. And who are the members of hour household
- 15 there?
- A. I have an adult son that lives with us, his 16
- 17 name is William Benavides. My wife just passed away
- 18 last year, in October of last year, right when I was
- 19 voting and stuff. And I did call the --
- 20 Q. I'm sorry to hear that.
- 21 A. You know, so it's just me and my son right now,
- 22 and he kind of keep an eye on me, you know, because
- 23 otherwise I'd be all by myself, me and the cat.
- 24 Q. And I don't know whether you mentioned, how old
- 25 is your adult son?

Page 10 Q. And is he employed? 1

- 2 A. Yes.
- 3 Q. And what's his job?
- 4 A. He's apartment maintenance.
- 5 Q. And looking back to the fall of 2022, did he
- 6 have that job then as well?
- 7 A. Similar to that. He worked for Angie's List
- doing, you know, maintenance work and stuff.
- Q. Typically home maintenance --
- 10 A. Right.
- 11 Q. -- for the people in the area?
- A. They call it Angie Handy. If somebody had like 12
- 13 a little project going on, and he would do stuff like
- 14 that. He wanted to spend as much time as possible at
- 15 home about the last year and a half or so, because my
- 16 wife was very sick and he wanted to be around her and
- 17 stuff. This way he wasn't working like he is now, full-
- 18 time as an apartment manager.
- 19 Q. So during the fall of 2022, he had some control
- 20 over his work schedule and --
- 21 A. Yes. He --
- 22 Q. -- when he --
- 23 A. -- could --
- 24 Q. -- worked and when he needed to be somewhere
- 25 else?

3 time.

Page 11

- A. He's 44. I have other children, but he's the A. He could accept or refuse the job. 1
- 2 only one that lives there with me. I have other
- 3 children, but they don't live there, just him.
- Q. Do any of them live nearby?
- A. I have another son that lives in Onion Creek
- 6 here in Austin, a daughter in Boston, Massachusetts, and 7 another son in Bolo, Illinois.
- Q. What's the age of your son who lives in Onion
- 9 Creek?
- 10 A. He's 46.
- 11 Q. And about how far does he live from your home
- 12 address?
- 13 A. About 10 minutes.
- Q. As of the fall of 2022, was your adult son
- 15 living with you?
- 16 A. Yes.
- 17 Q. And when did he start living with you, other
- 18 than at birth? I assume he hasn't lived with you
- 19 continually for 44 years, but when did he come back to
- 20 home?
- 21 A. 15 years ago.
- 22 Q. Okay.
- A. He broke up with his girlfriend, he couldn't
- 24 afford the rent by himself, so my wife, very generous,
- 25 you know, stay with us.

2 THE REPORTER: Y'all try to speak one at a

4 A. I'm sorry.

- 5 Q. (By Mr. Bryant) Me too. I'll try not to speak
- 6 over you. And could you describe your wife's health
- 7 condition during the period roughly from September
- 8 through November of 2022.
- 9 A. She was in hospice care, and I was the primary
- 10 caretaker. The nurse would come over once or twice a
- 11 week.
- Q. And during that period, did your wife need you 12
- 13 to be there for specific tasks, or just to be sure
- 14 everything was okay?
- A. No, I mean, she couldn't do anything. She 15
- 16 needed help just getting up from the bed to go to the
- 17 bathroom. So I had to kind of help her walk in there,
- 18 wait there with her, and then help her back out. She
- 19 couldn't do anything anymore. You know, she's --
- 20 Q. Now, the disclosure that is State Defendant's
- 21 Exhibit 2 describes that you have knowledge regarding
- 22 your actions relating to voting in the November 2022
- 23 election.
- 24 A. Uh-huh.
- 25 Q. Had you voted in the primary in 2022?

Page 12

Roberto Benavides March 30, 2023
Pages 14 to 17

Page 14

1 A. Yes.

- 2 Q. Had you voted in the 2020 general election?
- 3 A. Yes, I did.
- 4 Q. And sounds like you vote pretty regularly; is 5 that right?
- 6 A. The last three times by mail, and before that 7 in person.
- 8 Q. Okay. So the three times that you voted by 9 mail include the primary in 2022?
- 10 A. Uh-huh.
- 11 Q. Was that both the first primary and the
- 12 run-off, or did you only vote in the first primary?
- 13 A. Just the first primary.
- 14 Q. Okay. And the 2020 general election?
- 15 A. Yes, I voted.
- 16 Q. By mail?
- 17 A. By mail.
- 18 Q. And did you vote in the primary in 2020?
- 19 A. I don't think so.
- 20 Q. Okay.
- 21 A. I don't think so.
- 22 Q. And you voted or attempted to vote by mail in

Q. Okay. Are there any other times that you can

- 23 November of 2022?
- 24 A. Yes.

25

- Page 16 1 attempted to vote by mail or voted by mail in the
- 2 election in 2018?
- A. Is that local election, 2018?
- 4 Q. Well, those every two year elections --
- 5 A. Like for senator and stuff?
- 6 Q. It would include some statewide and national
- 7 places. Like I believe that 2018 included the
- 8 senatorial election between --
- 9 A. I can't --
- 10 Q. -- Mr. O'Rourke and Mr. Cruz.
- 11 A. Yeah. I don't remember if we did or not.
- 12 Q. Okay.
- 13 A. If we did or not. I can't remember.
- 14 Q. All right.
- 15 A. We might have, but I'm not sure.
- 16 Q. Okay. You don't have any recollection --
- 17 A. No.

21

- 18 Q. -- of any --
- 19 A. But the presidential --
- 20 Q. -- specifics regarding --
 - (Simultaneous cross-talk.)
- 22 (Reporter requests clarification.)
- 23 Q. (By Mr. Bryant) Okay. Let me be sure that I
- 24 didn't mess up your answer. The other thing I would
- 25 mention is, as we talk, we kind of have a normal

- 1 recall where you voted or attempted to vote by mail?
- 2 A. The 2016 election.
- 3 Q. That was the general election?
- 4 A. Yes, the general presidential.
- 5 Q. Other than the 2016 presidential election, do
- 6 you recall voting by mail or attempting to vote by mail
- 7 in any other earlier elections?
- 8 A. I think that was about it.
- 9 Q. Okay. And what caused you, if anything, to
- 10 decide to attempt to vote by mail in 2016 for the first
- 11 time?
- 12 A. My wife was already starting to have health
- 13 problems, and we do everything together, so we used to
- 14 go vote together. So especially when you have to wait
- 15 and line and stuff, and with the heat, and she had COPD
- 16 also, so I requested a mail in ballot for her. And I
- 17 said, well, if she's just going to vote by mail, I might
- 18 as well do it too.
- 19 Q. And did your wife vote by mail successfully in
- 20 2016 general election?
- 21 A. Yes, yes. Uh-huh.
- 22 Q. And did you successfully vote by mail in the
- 23 2016 general election?
- 24 A. Yes, I did.
- 25 Q. Now, do you recall whether you or your wife

- Page 17 1 conversation, and you all sometimes say uh-huh. That
- 2 doesn't translate --
- 3 A. Okay.
- 4 Q. -- into a piece of paper very well.
- 5 A. Yes.
- 6 Q. So if you can say yes or no --
- 7 A. Okay.
- 8 Q. -- that will help everybody.
- 9 A. Sure.
- 10 Q. So is it correct that you don't have any
- 11 recollection regarding whether you or your wife voted in
- 12 2018?
- 13 A. Yes.
- 14 Q. Okay. In the primary in 2020, did you vote by
- 15 mail?
- 16 A. Yes.
- 17 Q. Did you have any issues with getting your
- 18 ballot accepted?
- 19 A. No.
- 20 Q. Did your wife vote by mail?
- 21 A. Yes.
- 22 Q. Did she have any issues in getting her ballot
- 23 accepted?
- 24 A. No.
- 25 Q. Okay. Let me ask you about the general

Page 18

1 election in 2020.

- 2 A. Okay.
- 3 Q. Did you vote by mail in that election?
- 4 A. Yes
- 5 Q. Did your wife vote by mail in that election?
- 6 A. Yes.
- 7 Q. Did either of you have any issues in getting
- 8 your ballots accepted?
- 9 A. No.
- 10 Q. Do you recall specifically what the procedure
- 11 was that you followed in voting by mail in 2020?
- 12 A. Just verified the information on the envelope,
- 13 and signed the name on the outside of the envelope, and
- 14 mailed it in.
- 15 Q. And did your wife, in the 2020 general
- 16 election, personally verify her ballot and envelope?
- 17 A. Yes. She had cancer, but she was fully -- she
- 18 knew everything that was going on.
- 19 Q. Okay. And so did she have a marked change
- 20 between '20 and '22 in her health condition I assume?
- 21 A. Her physical health, but mentally, everything
- 22 was the same.23 Q. Did your wife vote or attempt to vote in the
- 24 2022 primary?
- 25 A. She did vote.

4 Q. And was her mail in ballot accepted without any 5 problems?

- A. Yes, it was.Q. Were -- strike that. Was she aware of some
- 8 changes in the voting laws in Texas between 2020 and

A. All three. The voter ID number, her last four

2 numbers of the social security number, and she doesn't

3 have a driver's license, but she put down her ID number.

Page 20

Page 21

- 9 2022 that related to how you do mail in balloting?
- 10 MS. WARMS: Objection, form. You can
- 11 answer the question if you know.
- 12 A. No, we didn't do any research or anything like
- 13 that. She wasn't aware, neither was I.
- 14 Q. (By Mr. Bryant) Okay. So were you aware at
- 15 any time prior to November 2022 of any laws that had
- 16 changed in Texas relating to voting by mail?
- 17 A. No.
- 18 Q. How did you and your wife get your mail in
- 19 ballots in 2022? And if you need to separate how you
- 20 did it versus how she did it, please feel free to do so.
- 21 A. I think I went online and requested mailed in
- 22 ballots.
- 23 Q. And did you request them for both you and your
- 24 wife?
- 25 A. Yes, I did.

- 1 Q. And did she vote by mail?
- 2 A. Yes, she did.
- 3 Q. Did she fill out her ballot in the accompanying
- 4 envelope?
- 5 A. She did.
- 6 Q. Did you vote in the 2022 primary by mail?
- A. I don't remember if I voted. We're not too big
- 8 on primaries. I don't remember. I don't remember.
- 9 Q. Okay. Do you recall whether, in connection
- 10 with the 2022 primary, your wife provided some type
- 11 identification number with her ballot, or on her
- 12 envelope, or both?
- 13 A. I don't remember my wife voting for the 202214 primary.
- 15 Q. Let's ask about the voting that you and your
- 16 wife did in connection with the 2022 general election.
- 17 Did your wife vote in that election?
- 18 A. Yes, she did.
- 19 Q. Did she vote by mail?
- 20 A. Yes.
- 21 Q. Did she fill out her own ballot and envelope?
- 22 A. Yes, she did.
- 23 Q. Did she provide a driver's license, or social
- 24 security numbers, or some other type of identification
- 25 with her ballot and envelope?

- 1 Q. Did you receive them?
 - 2 A. Yes, I did. We did.
 - 3 Q. Approximately when in comparison to the actual
 - 4 election day did you make that request?
 - 5 A. Sometime in September. I didn't save any
 - 6 paperwork so I can't give you exact dates, but --
 - 7 Q. Do you recall about how long it was after you
 - 8 made the online application for you and your wife in
 - 9 September 2022 that you actually received the ballot and
 - 10 envelope?
 - 11 A. It was between a week and two weeks.
 - 12 Q. Okay. What did you and your wife do next after
 - 13 receiving that ballot and envelope in September or
 - 14 October of 2022 to attempt to cast your ballots?
 - 15 A. We filled them out as soon as possible, because
 - 16 it was getting close to the date. So we went ahead
 - 17 and -- you know, we sat the kitchen table, her on one
 - 18 side, me on the other, and we filled them out and mailed
 - 19 them back.
 - 20 Q. Okay. And what's your best estimate as to how
 - 21 long you did that before the election day, which I think
 - 22 was November 8th?
 - 23 A. Probably around the first week of October or
 - 24 somewhere in there. I'm going to guess, I'm not sure,
 - 25 you know.

Page 22

Roberto Benavides March 30, 2023 Pages 22 to 25

Q. Okay.

2 A. I don't know.

Q. And did you have any confusion or questions

- 4 when you filled out the mail in ballots? And when I say
- 5 you, I mean you or your wife.
- A. No, we didn't have any problems.
- Q. Okay. And did you -- you promptly mail in
- 8 those mail in ballots after you filled them out?
- 9 A. Yes.
- 10 Q. About how long would that time interval be
- 11 between when you filled them out and when you mailed
- 12 them in October of 2022?
- 13 A. Same day or the next day.
- 14 Q. Okay. And when you prepared your mail in
- 15 ballot, did you provide some identification information
- 16 on the ballot and/or the envelope?
- 17 A. Yes. we did.
- 18 Q. And what information did you personally provide
- 19 related to your mail in ballot in October 2022?
- A. The voter ID number that you get with your
- 21 registration card, the driver's license number, and the
- 22 last four numbers of my social security card.
- 23 Q. Okay. And how long, approximately, had you had
- 24 that driver's license?
- 25 A. For the last -- we moved here in '93, '94. So

- Page 24 A. No, because I thought at my age and everything,
- 2 it would be very simple for me to write maybe a three
- 3 instead of an eight or a five. So I thought I probably
- 4 did something wrong, especially kind of stressed out and
- 5 stuff. So I figured I must have wrote the wrong number,
- 6 so I'll just try again.
- 7 Q. Okay. And how did you request an additional
- 8 ballot?
- 9 A. I'm not sure if I went online again or if I
- 10 called. I can't remember.
- 11 Q. This mail notice related to the mail in ballot
- 12 that you received in October or November of 2022, did
- 13 that relate only to your ballot, or did your wife also
- 14 receive a notice related to her ballot?
- A. Only myself. My wife had no problems at all. 15
- Q. And after you made a request for a second --16
- 17 strike that. When you received a notice relating to
- 18 your initial mail in ballot, did it provide any
- 19 information to you as to how to cure any problem that
- 20 might have existed?
- 21 A. Not that I'm aware of. Just a very simple --
- 22 just a checkmark that something didn't match, you know,
- 23 like this didn't match that, so -- according to their
- 24 records. So that was pretty simple.
- 25 Q. Okay. I understand it provided the information

Page 23

- 1 almost going on 30 years. 29 years. 1 as to what had caused them to initially reject the Q. Had you ever had any other Texas driver's
- 3 licenses other than the one that you were using and
- 4 provided on your ballot or envelope in October 2022?
- A. No, that's the only license that I've ever had.
- Q. Prior to casting your mail in ballot, did you
- 7 contact, either directly or online, anybody connected
- 8 with the election process in Travis County?
- 9 A. No, I did not.
- 10 Q. When you cast your ballot, at least the first
- 11 time, did you feel that you understood the requirements
- 12 and had complied with them?
- 13 A. Yes.
- Q. All right. What's the next thing that you
- 15 heard after you and your wife mailed in your ballots
- 16 relating to those ballots?
- A. I'm not sure how long it was, maybe two weeks 17
- 18 later I received a notice in the mail that my ballot was
- 19 rejected because the driver's license number did not
- 20 match what they had on file and what my actual license
- 21 number is did not match. So I requested a second
- 23 Q. When you received that notice, did you have or
- 24 try to have any conversations with anyone at Travis
- 25 County related to the election process?

- 2 ballot. Did it provide any other information about what
- 3 options you had to get your ballot counted?
- A. If it did, I don't remember. 4
- Q. Is it fair to say that you made the decision
- 6 yourself that what you should do is request another 7 ballot?
- A. Yes. 8
- 9 Q. Did you discuss that with anyone prior to the
- 10 time that you did it?
- 11 A. No.
- 12 Q. And did you receive a second ballot?
- 13 A. I did.
- Q. Approximately when did you receive a second
- 15 mail in ballot in October or November of 2022?
- A. Sometime in October, maybe towards the middle 16
- 17 of October. I'm not sure on the date.
- 18 Q. Did you determine at any time whether the
- 19 initial rejection of your mail in ballot in connection
- 20 with the November 2022 election was because of a -- that
- 21 you had transposed one or more numbers in your driver's
- 22 license number, or whether the state had the wrong
- 23 driver's license number on record for you?
- A. I didn't know what the problem was. All I knew 24
- 25 is that the numbers didn't match, so I thought I'd try

Roberto Benavides March 30, 2023
Pages 26 to 29

Page 26

- 1 it again.
- Q. Okay. And is that true today, that you don't
- 3 know?
- 4 A. I do know now.
- 5 Q. Okay. Well, we'll get to that a little bit
- 6 later.
- 7 A. Yes.
- 8 Q. So once you received a second mail in ballot, 9 what did you do?
- 10 A. Filled it out exactly the same, the same voter
- 11 ID number, license driver's number, the same one that I
- 12 had because it's the one that's on my license, and the
- 13 last four numbers of my social security card.
- 14 Q. Okay. And did you check to make sure that you
- 15 had both your social security number and your driver's
- 16 license number written down exactly correctly?
- 17 A. I checked extra carefully this time.
- 18 Q. And once you completed your second mail in
- 19 ballot and the envelope, what did you do?
- 20 A. Mailed it back as soon as I could.
- 21 Q. Okay. And when did you next hear anything
- 22 about your ballot after mailing in the second one?
- 23 A. That was it, I thought it was all done.
- 24 Q. Okay. And so did there come a time when you
- 25 concluded or learned that your ballot had not been

- Page 28 1 officials at any time relating to the numbers that you'd
- 2 provided for your social security number?
- 3 A. No, not the social security. She said
- 4 everything -- the social security number was okay, the
- 5 voter ID number was okay, my address is okay, it's just
- 6 a problem with the driver's license number, that was the7 only problem.
- 8 Q. Okay. Do you know the name of the person that 9 you spoke to on that occasion?
- 10 A. No, I don't.
- 11 Q. How did you and that person get in touch with
- 12 each other?

16

1

- 13 A. I was told to call voter -- the Travis County
- 14 voter office, or whatever they call it.
- 15 Q. Who told you to do that?
 - MS. WARMS: Objection, privileged.
- 17 Q. (By Mr. Bryant) Did one of your attorneys tell
- 18 you to do that?
- 19 A. Yes. Excuse me. Because I wanted to find out
- 20 why it was rejected.
- 21 MR. DOLLING: Mr. Benavides, we're going
- 22 to instruct you not to disclose the content of any of
- 23 the conversations that we have had with you.
- 24 THE WITNESS: All right.
- 25 THE REPORTER: Who's speaking?

- 1 counted or cast?
- 2 A. Yes, when Dana called me at home and she said
- 3 that there had been a problem with the ballot.4 Q. Approximately when was that?
- 5 A. Two months ago. Maybe two months ago, three, I 6 don't know.
- Q. And what other conversation did you have withB Dana at that time?
- 9 A. I just told her I was not aware that there had
- 10 been problems. I knew that I had voted twice, but I
- 11 didn't know that, you know, there was other problems.
- 12 Q. Okay. All right. You mentioned that you
- 13 learned something about whether the initial rejection
- 14 was because of an error in your writing down one of your
- 15 numbers, or an error in the state database that
- 16 contained those numbers; is that correct?
- 17 A. That's correct.
- 18 Q. When did you learn of that problem?
- 19 A. About three or four days ago.
- 20 Q. Okay. And what did you learn at that time?
- 21 A. I called the voter's office, and the lady said
- 22 that their records show that my driver's license number
- 23 ends in a five, and my actual driver's license number
- 24 ends in a four.
- 25 Q. Did you have any conversation with the election

- Page 29 MR. DOLLING: This is Zach Dolling for the
- 2 OCA plaintiffs and for the witness.
- 3 Q. (By Mr. Bryant) Have you ever heard of
- 4 something called ballot tracker?
- 5 A. No.
- 6 Q. Do you -- so is it fair to say that you have no
- 7 information about ballot tracker even as we sit here
- 8 today?
- 9 A. No, I don't.
- 10 Q. Do you have any information about any method by11 which you could have checked on the status of your
- 12 ballot in the November 2022 general election?
- 13 A. No.
- 14 Q. Have you ever gone online to a website called
- 15 votetexas.org or Vote Texas?
- 16 A. I might have, but -- you know. Yes, I did, I
- 17 guess. Yeah.
- 18 Q. You did. Approximately when did you do that?
- 19 A. Probably, I don't know, before the election
- 20 maybe.
- 21 Q. When you say before the election, are you
- 22 referring to before the November 2022 election?
- 23 A. Right.
- Q. Do you have any recollection as to how many
- 25 times you went online to that website, Vote Texas?

Page 42

- 1 whether any have occurred. I'm not getting into the
- 2 content of them. So you can answer that question.
- 3 A. Yes.
- 4 Q. And how many occasions?
- 5 A. Once.
- 6 Q. And was that in preparation for this
- 7 deposition, or on a different occasion?
- A. Preparation.
- 9 Q. So this is the conversation that you mentioned
- 10 earlier that has occurred in the last two days?
- 11
- 12 Q. Was that the first time that you met Dana, or
- 13 was she on the phone or otherwise not present?
- A. I had talked to her on the phone before, Dana.
- 15 Q. And you met her in person for the first time?
- 16 A. Yes.
- 17 Q. When?
- A. The same day, two or three days ago. 18
- 19 Q. Okay. And was Dana present throughout that
- 20 deposition preparation meeting?
- 21 A. Yes.
- 22 Q. Did you ever consider voting in person in the
- 23 November 2022 general election, either early voting or
- 24 on election day itself?
- 25 A. No, I did not.

1 answer.

2 A. I didn't think about it because I had voted by

Page 44

- 3 mail the last three times, so I figured I'll just do it.
- Q. (By Mr. Bryant) Okay. My question was -- I
- 5 understand your thought process, why you didn't think it
- 6 was necessary, but my question is if you had known that
- 7 there was an issue with your mail in ballot, is there
- 8 any reason why you couldn't have cast a ballot in person
- 9 on election day or in the early voting period after your 10 wife passed?
- 11 MS. WARMS: Objection, form. You can
- 12 answer.
- 13 A. I didn't think about it, I guess because I was
- 14 busy taking care of my wife and I didn't want to leave
- 15 her. So that was the main thought in my head. So
- 16 you're saying when I -- I should have just went and
- 17 voted in person?
- 18 Q. (By Mr. Bryant) My question is whether -- had
- 19 you known that you -- that your mail in ballot had not
- 20 been --
- 21 A. I didn't know.
- 22 Q. -- counted -- I understand that, but if you had
- 23 known, is there any reason why you couldn't have voted
- 24 in person on November 8th, 2022, election day?
- 25 A. Because I didn't want to leave my wife alone.

Page 43

- Q. Is there any reason why that would not have
- 2 been possible?
- A. Taking care of my wife, I guess. I didn't want
- 4 to leave her alone for too long of a time.
- Q. Well, is it correct that your wife passed away
- 6 several weeks before the election day?
- A. Correct. 7
- 8 MR. MIRZA: Objection, form.
- 9 A. I had already voted by mail.
- 10 Q. (By Mr. Bryant) Is there any reason why you
- 11 could not have either voted in person on election day or
- 12 voted in person in early voting sometime after your
- 13 wife's passing?
- 14 MR. MIRZA: Objection, form.
- 15 MS. WARMS: Objection, form.
- 16 A. I had already voted by mail, so I didn't even
- 17 think about it.
- 18 Q. (By Mr. Bryant) Had you thought about it, is
- 19 there anything that would have prevented you? Had you
- 20 known that your -- that there was some issue with your
- 21 ballot being counted, referring to your second mail in
- 22 ballot, is there any reason why you could not have cast
- 23 your ballot in person on election day, or in the week or
- 24 two prior thereto during the early voting period?
- 25 MS. WARMS: Objection, form. You can

- Page 45 Q. Your wife had passed already at that point,
- 2 right?

1

5

- 3 MS. WARMS: Okay.
- 4 A. Yeah, but I had already voted by mail.
 - MS. WARMS: Objection, cumulative.
- 6 MR. BRYANT: I'm trying to get an answer
- 7 to my actual question.
- 8 MS. WARMS: He's answered your question.
- 9 Q. (By Mr. Bryant) Was there any physical
- 10 obstacle to your voting in person after your wife passed
- 11 in mid October 2022?
- 12 A. I had already voted, so I didn't even consider
- 13 that.
- 14 MS. WARMS: Objection, form.
- 15 MR. BRYANT: Objection, nonresponsive.
- Q. (By Mr. Bryant) During the period in September 16
- 17 and October of 2022 prior to your wife's passing, did --
- 18 were there times when your son looked after your wife
- 19 and you took care of other necessary tasks?
- 20 A. Very shortly, just for a very small amount of
- 21 time.
- 22 Q. And --
- 23 A. Because she wanted me there. There's things
- 24 that I can do that he couldn't do.
- 25 Q. And did -- during that period, how did you take

- 1 care of the normal necessities of life, like getting
- 2 groceries and getting prescriptions and taking care of
- 3 normal day-to-day business?
 - MS. WARMS: Objection, form.
- 5 A. Hurried. I went as fast as I could and got 6 back home.
- 7 Q. (By Mr. Bryant) And so you didn't rely on your
- 8 son for those types of tasks during that period in
- 9 September and October of 2022?
- 10 A. No.
- 11 Q. Were there periods when you were away from the
- 12 home an hour or more taking care of those types of tasks
- 13 in September or October of 2022?
- 14 A. Very briefly. I mean, like I says, I tried to
- 15 keep it as short as possible. Wasn't gone very long.
- 16 Q. But were there instances where it took an hour
- 17 or more for you to accomplish the task of being away
- 18 during that period?
- 19 A. I can't remember of any instance.
- 20 Q. Have you ever been a party to a lawsuit?
- 21 A. No.
- 22 Q. You testified earlier that one time in, at
- 23 least in September or October of 2022, you went online
- 24 to the Vote Texas website; is that right?
- 25 A. That's correct.

1 answer.

- 2 A. There's no reason. I just -- like I said, I
- 3 voted and I trusted the system, and that was that.
- 4 Q. (By Mr. Bryant) As you sit here today, do you

Page 48

- 5 know whether or not the ballot that you cast in the
- 6 November 2022 general election, the second mail in
- 7 ballot, was or was not accepted?
- A. It was not accepted.
- 9 Q. And do you have any knowledge of that other
- 10 than from Dana?
- 11 A. The only knowledge I have is from the voter
- 12 office, Travis County voter office. I called them, and
- 13 they said it was not accepted because it was -- got too
- 14 late.
- 15 Q. And that was a conversation that you had when?
- 16 A. Three or four days ago.
- 17 Q. Is that a different reason for rejection of the
- 18 ballot than Dana told you about in your first
- 19 conversation?
- 20 MS. WARMS: Objection, form. Sorry. If
- 21 you can finish the question you originally were
- 22 answering, I interrupted you.
- 23 Q. (By Mr. Bryant) Okay. My question was about
- 24 the initial conversation that you had with Dana alone.
- 25 Did she tell you that your vote had -- your mail in

- Q. Did you see on that website an option for youto track your ballot?
- 3 A. No, or I don't remember seeing it.
- Q. Do you have any knowledge as to whether or not
- 5 you had the ability to track your ballot and find out
- 6 whether it had been accepted or not?
- 7 MS. WARMS: Objection, form. You can 8 answer if you know.
- 9 A. I didn't try it. I mean --
- 10 Q. (By Mr. Bryant) So you made a decision that
- 11 you were not going to try to track your ballot in
- 12 connection with the November 2022 election?
- 13 A. I voted, and I thought that was it. I was 14 done.
- 15 Q. Okay. And was there any particular reason why
- 16 you did not try to verify that your ballot had been
- 17 accepted?
- 18 MR. MIRZA: Objection, form.
- 19 MS. WARMS: Objection, form. You can 20 answer.
- 21 A. Was there any reason for me to think that --
- 22 Q. (By Mr. Bryant) Was there any reason why you
- 23 didn't try to verify at any point that your ballot had
- 24 been accepted?
- 25 MS. WARMS: Objection, form. You can

- Page 49 1 ballot in the November 2022 general election had been
- 2 rejected?
- 3 A. No.
- 4 Q. Did you ever receive information from Dana that
- 5 your mail in ballot in the November 2022 election had
- 6 been rejected?
- 7 MS. WARMS: Objection, attorney/client
- 8 privilege. I instruct you not to answer to the extent
- 9 that the content of your conversations with your
- 10 attorneys.
- 11 Q. (By Mr. Bryant) I'm not asking about any
- 12 content of conversations with your attorneys, I'm asking
- 13 about your conversation with Dana, who is not your
- 14 attorney. Could you answer that question?
- 15 A. What was the question again?
- 16 Q. Okay. Did you ever get information from Dana
- 17 as to a reason or reasons why your second mail in ballot
- 18 in the November 2022 election was not accepted?
- 19 A. No.
- 20 Q. During your initial conversation with Dana, did
- 21 Dana raise with you the issue of the driver's license
- 22 number discrepancy that we've discussed?
- 23 A. No.
- 24 Q. Did Dana raise with you during that
- 25 conversation any issue related to the timing of receipt

- 1 by the Travis County election authorities of your second
- 2 mail in ballot in connection with the November 2022
- 3 general election?
- 4 A. No.
- 5 Q. I believe you testified that you have voted in
- 6 person before in your -- when you lived at your current
- 7 address?
- 8 A. Yes.
- 9 Q. And so you know where you would go to vote in
- 10 person had you wished to do so, or if you wish to do so
- 11 in the future?
- 12 MS. WARMS: Objection, form. You can
- 13 answer.
- 14 A. Yes, I know where it is.
- 15 Q. (By Mr. Bryant) Do you happen to know any of
- 16 the election officials at that polling place?
- 17 A. No.
- 18 Q. Have you ever had any trouble voting in person
- 19 when you wanted to vote in person?
- 20 MS. WARMS: Objection, form. You can
- 21 answer.
- 22 A. No.
- 23 Q. (By Mr. Bryant) Have you ever served as a poll
- 24 worker or otherwise been involved in elections yourself?
- 25 A. No.

1 later?

2 MS. WARMS: Objection, form. You can

- 3 answer.
- 4 A. I don't remember if I did or not. I don't have
- 5 the exact date.
- 6 Q. (By Mr. Bryant) Okay. Well, you had raised
- 7 the issue that you received some information that it --
- 8 the second mail in ballot was not received until --
- 9 A. October 28th.
- 10 Q. Okay. And did information that you received
- 11 from the Travis County election officials say that it
- 12 specifically was received on October 28th by them or
- 13 then, or sometime after that?
- 14 A. By them, no.
- 15 Q. Okay. And so is it fair to say that you don't
- 16 know, you don't have any knowledge as to how long before
- 17 that October 28th date you mailed it --
- 18 A. That's correct.
- 19 Q. -- specifically?
- 20 A. That's correct.
- 21 Q. Okay. If I understand your testimony also, it
- 22 is that you had no contact with any election official,
- 23 either by phone or in person, at any time during the
- 24 last half of 2022?
- 25 A. That's correct.

Page 51

- Q. Do you have any plans to vote either by mail in
- 2 ballot or in person in future elections?
- 3 MS. WARMS: Objection, form. You can
- 4 answer.
- 5 A. I don't know. It all depends how I -- my
- 6 health. I'm almost 76 years old, so.
- 7 Q. (By Mr. Bryant) In connection with the
- 8 November 2022 general election -- you may have testified
- 9 to this, I just don't remember the answer. What is
- 10 the -- what's your best recollection of the date when
- 11 you mailed the second mail in ballot?
- 12 A. Must have been like the middle of October
- 13 sometime, but I don't remember the exact date.
- 14 Q. Okay. How did you mail it?
- 15 A. Just the local neighborhood mailbox. We have
- 16 one of those big, you know, cluster boxes, and --
- 17 Q. You put it in that neighborhood mailbox?
- 18 A. Yes.
- 19 Q. So as far as you know, was it properly
- 20 addressed and stamped?
- 21 A. Yes.
- 22 Q. And can you say that you mailed that second
- 23 mail in ballot prior to October 20th?
- 24 A. I don't remember.
- 25 Q. Is it possible that you mailed it a little bit

- Page 53 Q. Did you understand in November of 2022 that you
- 2 had the option to hand deliver your second mail in
- 3 ballot to the Travis County election location?
- 4 A. I did not. I didn't know that.
- 5 Q. Do you know anyone else, besides yourself,
- 6 whose mail in ballot was not counted in the November
- 7 2022 general election?
- 8 A. I don't know of anybody else.
- 9 Q. As you sit here today, do you have any
- 10 information about the voting law changes that were made
- 11 in Texas in 2021, sometimes referred to as SB1?
- 12 A. No.
- 13 Q. Mr. Benavides, are you a member of a political
- 14 party?
- 15 A. Not -- no.
- 16 Q. When you vote in the primaries, which primary
- 17 do you vote in?
- 18 A. Democratic.
- 19 Q. Has that always been the case?
- 20 A. That's always the case.
- 21 Q. Have you ever donated to political campaigns?
- 22 A. No.
- 23 Q. Have you ever worked for a political campaign?
- 24 A. No, I haven't.
- 25 Q. Have you ever donated to organizations that

Page 85 identifying information, or an identifier such as a DL 2 or the last four of the social. That could be an obstacle to a vote harvesting crew that wishes to bypass the voter.

And then, as I already stated, it could 6 also be an obstacle to gaining the voter's compliance, 7 because here's a stranger asking for my DL number so that they can complete these documents on my behalf or 9 submit this, you know, carrier envelope on my behalf, so 10 it -- by putting the control of the interaction more in 11 the voter's hands because those are -- those are numbers 12 that the voter has access to that the harvester is less 13 likely to have access to, I think it promotes security 14 in that fashion.

15 Q. So if I, moving forward, refer to the activity you described of collecting as many absentee ballots and 16 17 collecting and submitting ballots by mail as illegal 18 vote harvesting, will you understand what I'm referring 19 to?

A. Sure. And if for some reason that definition 21 needs clarifying, then I'll bring it up at that time.

Q. You mentioned that SB1's mail ballot 23 identification requirements would be more effective in 24 preventing some vote harvesting more so than others. 25 Are there instances you can think of where SB1's mail

1 ballot identification requirements would not be 2 effective in deterring vote harvesting?

A. The primary scenario I can think of is where a 4 vote harvesting crew already has enough information 5 about the voters that they possess those identifying 6 numbers that have to be provided.

Q. Do you believe that SB1's mail ballot 8 identification requirements would be effective in preventing vote harvesting if a defendant filled out 10 either the voter's application or mail ballot in the presence of that voter?

MR. HUDSON: Objection, form, foundation. 13 Objection, incomplete hypothetical.

A. If I understand the question, I think that 15 the -- the piece that I mentioned earlier, where the 16 voter could be put off by a harvester requesting that information from the voter, that could reduce the 18 likelihood of a successful vote harvesting transaction. 19 I think that would be my answer.

Q. And can you think of situations where a 21 perpetrator might be able to obtain an ID from the 22 person they're seeking to harvest a ballot from? 23 MR. HUDSON: Objection, incomplete

24 hypothetical. Objection, foundation.

A. An ID number or an actual -- actual

1 identification document. They could just ask for it, and if the voter was inclined to provide it or show it 3 to them because they had that level of trust somehow with a stranger or -- or a harvester maybe that they've known from previous election cycles, that's possible.

Q. Uh-huh.

Do you have any personal knowledge of the operative underlying facts of a case that was positively resolved, so the spreadsheet we've been working on, where the defendant who engaged in voter -- in a vote harvesting crime filled out the voter's ballot or absentee ballot by mail request in the voter's presence?

- A. Sure. Although I would say, because this -this isn't the most up-to-date document. Some of the most recent cases are the ones that are immediately popping into my mind and they're not on this document yet, but they have been resolved.
 - Q. They have been resolved?
- A. And there may be ones on here as well that I 20 would have to take a look at, but most of these cases 21 focus on the -- on the -- kind of the harvesting side of 22 the process rather than the seeding or the application side of the process, from what I looked through. Actually, you know, I was flagging the ones that were --25 that were unlawful assistance interactions, and so we

probably do have some application fraud situations here. 2 But a majority -- I would say a majority of the 3 application violation cases do involve completing an 4 application in the presence of the voter.

Q. The majority involve completing an application 6 in the presence of the voter?

A. Most of it happens in the presence of the voter. And I think the reason for that is because eventually they have to go back to the voter for the ballot, and so it's helpful to have that prior interaction with the voter. It's helpful to get -- it's 12 easy to get an actual signature from the voter for an 13 application, because I'm just helping you get a mail 14 ballot.

Q. Right.

16 A. Now, when you go to the mail ballot, that's 17 where the skill comes in.

- Q. So in most of these vote harvesting schemes, the harvesters are trying to build some relationship with the people they're targeting?
- A. I would say they're trying to -- trying to establish some level of trust or confidence with that -with that voter. If they're doing it well, they are.
- 24 Q. And in those instances, is it possible that 25 they could ask the voter for their identification number

or some other polling place, and without respect to 2 whether the food is being offered as an inducement to vote, but just having a barbecue set up, chicken plates on the lawn of the county courthouse, outside the 5 electioneering zone does not violate Texas law, right? A. I -- yeah, I mean, I might miss something, but, 10 you know, absent -- absent some facts that actually indicate an offense under the Election Code or some 11 12 other code, no, I mean people can gather and have food.

Q. And you mentioned that the chicken plate is a phenomenon of South Texas. Is that what you've heard?

A. That's what I've heard.

16 Q. Are you aware that campaigns set up barbecues 17 and tents and lawn chairs and hand out food to people in other parts of Texas besides South Texas?

A. That wouldn't surprise me to hear that. I just 20 haven't heard a lot of those stories.

Q. What percent of the cases that you have 22 prosecuted of voter assistance fraud have involved Anglo defendants versus non Anglo defendants?

Have you ever seen an instance where a voter

1 cast a ballot for a family member who was ineligible 2 because the family member was dead? A. I'm trying to think of whether I have any of

4 those cases on the resolved prosecutions spreadsheet. 5 But I -- I could say I have seen that scenario, but I 6 would be limited to talking about the facts of those scenarios unless they've been resolved prosecutions.

Q. Would the answer be the same if I asked you if 9 vou've ever seen instances where a voter cast the ballot 10 for a family member who was ineligible because the 11 family member was no longer a resident of the 12 jurisdiction?

A. We've had lots of residency cases, but I don't 14 remember one where a vote was cast for a family member.

Q. You've never seen, for example, parents vote a 16 mail ballot for a child who's in college but that child 17 is already gone and voting on their own wherever they 18 went?

19 A. I don't recall the fact of the family member 20 voting another family member's ballot who had, you know, 21 vacated the residency or moved their residency.

22 Q. Can you give me any other examples of a voter 23 casting a ballot for another voter who is ineligible 24 either because of felony convictions, deceased, absent, 25 no longer a resident? Any other examples of people

Page 213 voting for other people, basically?

> A. Sure. Well, the one that comes to mind 3 immediately is the one associated with the victim's assistance coordinator of Omar Escobar, whose vote 5 harvesting operation caught up a deceased voter who had been -- who had passed away nine years earlier, and applied for a mail ballot for that voter, and that mail ballot got voted. The issue in the case was actually 9 pending that offense to the specific person, and we 10 ultimately did not obtain that conviction against 11 Ms. Garza in that case.

Q. Did you charge her? Did you go to court?

13 A. We did.

14 Q. Was she acquitted?

16 Q. The charges were dropped?

17 A. The charges were dropped.

Okay. Do you have any sense of the relative proportion of fraud that occurs by family members voting 20 for other family members versus one of these vote harvesting operations that you've identified in your 22

A. I have a very general sense of it based on just a cumulative 14 years of dealing with cases.

Q. And what is your sense?

Page 214

A. The exception to the rule.

Q. What would be fair to say, also, though, that you are less likely to learn of an instance in which a 4 family member votes for another family member because it's isolated and there are fewer people to report it?

A. I would say we're probably equally likely to learn of it if the voter is deceased, for example, because there are ways that gets flagged by the system. If it's a -- we might -- anytime a voter is aware that their ballot has been taken and voted against their will or they show up to vote in person to vote but they're 12 told, "No, you've already voted by mail," or something 13 like that, it's fairly likely that that could get 14 reported.

So I think I agree with the premise that it is probably more likely in a number of situations for a vote harvesting operation to be reported than a family member. It's also not across the board, and there are other factors in a vote harvesting operation that make it extremely unlikely for those offenses to be reported, as well, such as the fact that if it's done correctly, 22 vote harvesting is invisible to the voter. "Someone stopped by to help me with my ballot," and as far as the voter knows, they voted exactly the way the voter wanted them to vote, because I asked you, "Who would you like

1 to vote for for this race?" And I may or may not 2 mention the down ballot races, which I fill in for the people that I'm actually working for, because I don't 4 care about who's up ballot when I'm vote harvesting. I 5 care about local elections that I'm getting paid for.

So, you know, done properly, vote 7 harvesting is invisible to the voter, and unless there's a situation where something has been just completely --9 you know, without the voter's knowledge or consent, 10 there has been an application for a mail ballot and they 11 are planning on voting in person and find out that, 12 "Wait a second. No, I already voted by mail? No, I 13 don't." That's going to get reported a lot of the time, 14 you know. So I agree and -- and would disagree or 15 distinguish --

Q. Uh-huh.

16

17

A. -- on other grounds.

Q. Is it also the case that if a voter assister, a 19 mail ballot voter assister is doing everything the way 20 that they are supposed to do, that the experience is 21 similarly seamless for the voter, who understands that 22 the assister is filling out according to their wishes 23 and helping them with the ballot and in a completely ²⁴ appropriate way. The voter would similarly have a 25 seamless and non-troubling experience with that?

A. Yeah. And I would sav it's more likely that 2 the voter would have a bad experience when the vote 3 harvester is doing the wrong thing, but, yeah, I think 4 that that's the challenging -- that's the challenge of 5 investigating mail ballot fraud and proving it after the 6 fact, is that, done correctly, it may look to the voter just like it's done appropriately.

Q. I'm going to ask you no more questions about your testimony.

10 Is it -- is it your contention that when 11 you are advising a legislator during the legislative process about facts related to voter fraud, that you 13 have an attorney-client relationship with the 14 legislator?

15 MR. HUDSON: I'm going to object to the 16 extent that that would encourage attorney-client 17 privilege between me and my client, or attorney work 18 product, or legislative privilege. To the extent that 19 you can answer that without revealing any 20 attorney-client privilege or any other privileges, 21 you're free to do so. Otherwise, I'm instructing you 22 not to answer.

A. I don't know that I can.

THE REPORTER: Can we take a short break? (Brief recess.)

MS. PERALES: Yes.

2 Q. Okay. We're back on the record. I was -- and ³ I'm also checking -- okay. I was asking you some questions about the attorney-client relationship.

Look, it's the end. You can see right 6 here, there's nothing -- there's nothing down below, 7 so --

MR. HUDSON: You can't sweet talk him into answering your question.

THE WITNESS: That's exciting.

11 MR. HUDSON: For purposes of the record, 12 we're all laughing. I know this isn't being recorded, but I want to make it very clear that we're all 14 chuckling about that one.

15 MS. PERALES: Yes, it's all in good humor. 16 And I've been foiled by Mr. Hudson and my charm 17 offensive.

18 Q. (By Ms. Perales) So I do have some questions 19 for you about the attorney-client privilege, which is, 20 is there a difference, in your mind, in terms of whether 21 you've formed an attorney-client relationship with a 22 legislator or whether you are giving fact information -for example, like the number of prosecutions or what a prosecution was about -- versus advising them on 25 something like the interpretation of statutory language?

1 Do you draw a distinction there at all?

MR. HUDSON: I'm going to object. That's 3 an improper contention. Mr. White is here as a fact 4 witness, not to give legal opinions about ⁵ attorney-client, attorney work product. We also have a 6 stipulation on the record. With that, I'll instruct you not to answer to the extent that your answer would encroach on any stipulated privileges. To the extent that you can answer, you're free to do so.

A. I don't -- I don't know that I can.

Q. Okay. Well, that was -- that is me kind of getting closer to what I really want to ask you about, which is discussions that you've had with legislators 14 that you consider not privileged by the attorney-client 15 privilege. Not every discussion you've ever had with a 16 legislator can be understood to be attorney-client privileged. Would you agree with me on that?

A. Certainly not questions that I was asked at a 19 legislative committee hearing. Things like that would be -- would be covered, I would agree.

Q. So for the purpose of the record, are you asserting that any private conversation you would have 23 had with a legislator, regardless of the content, would be privileged as attorney-client privilege? MR. HUDSON: Same objections.
